**Chedet.cc**

**26 July 2016**

**Tun Dr Mahathir Mohamad**

THE CAT IS NOW OUT OF THE BAG

1.The Department of Justice of the United States of America has taken action to seize the assets of named individuals suspected of stealing money belonging to 1MDB, and the Government of Malaysia.

2.Altogether 17 assets are listed. They include properties, investments, aircrafts, yachts, companies, paintings and movie films. They are worth USD 1 billion. The 136 page document gives in detail the way the money was siphoned through fraudulent investments in bogus companies, passing through various banks and individuals and ending in the account of MALAYSIAN OFFICIAL 1.

3.Who is Malaysian Official 1 mentioned 36 times in the report. He is described as "a high-ranking official in the Malaysian Government who also held a position of authority with 1MDB. During all times relevant to the complaint, Malaysian Official 1 was a "public official" as that term is used in 18 USC – 1956(c)(7)(B)(iv) and a "public servant" as the term as used in Section 21 of the Malaysian Penal Code."

4.In para 39 of the report "Malaysian Official 1 assumed a position of authority with 1MDB. Malaysian Official 1 had the authority to approve all appointment to, and removals from, 1MDB's Board of Directors and 1MDB's Senior Management Team. In addition, any financial commitment by 1MDB, including investments, that are likely to affect a guarantee given by the Government of Malaysia for the benefit of 1MDB or any policy of the Malaysian Government, required the approval of Malaysian Official1."

Para 102 of the report states "that Malaysian Official 1 is the ultimate beneficiary of AMPPRIVATE BANKING – MR Account is the same account that later received certain payments totalling approximately \$681 million USD in March 2013. As set forth in Paragraph 263 below, the Attorney General of Malaysia has publicly stated that the account into which these \$681 million payments were made belonged to Dato Sri Najib, the Prime Minister of Malaysia. It cannot be that the accounts and the sum of USD 681 belong to two different people.

Para 28 states "Malaysian Official 1 is a high-ranking official in the Malaysian Government who also held a position of authority with 1MDB."

Para 29 "Riza Shahriz bin Abdul Aziz ("Aziz"), a Malaysian national, is a relative of Malaysian Official 1 and a friend of LOW. He co-founded Red Granite Pictures, a Hollywood movie production and distribution studio, in 2010."

In Para 39 Malaysian Official 1 assumed a position of authority with 1MDB etc etc.

5.I don't know why the US officials writing the report are being coy about giving the real name of Malaysian Official 1 when they are happy to write down the names of the other culprits; namely Riza Aziz, Jho Low and Khadim Abdullah. If it is because this is not at the stage of making criminal charges, then no names should be named.

6. Now Najib and his goons are saying that Najib is not involved as his name is not mentioned. Najib himself is saying, "Allow legal process to take its course for those named by US DOJ." Clearly he did not consider the legal process would include investigation regarding his role in stealing the money belonging to 1MDB.

7. Yet the references to Malaysian Official 1 coincide with what is known and admitted by Najib were associated with him. This includes the reference to the \$681 million in the Account of Malaysian Official 1, the reference to Malaysian Official 1 authority over the Government and 1MDB which coincides with Najib's position as Minister of Finance and Adviser to the Board of 1MDB. And so it goes on with the other 30 or so descriptions of the authority and role of Malaysian Official 1 coinciding with those of Najib as Prime Minister, Minister of Finance of Malaysia and Adviser to the Board of 1MDB.

8. Despite detailed descriptions in the DOJ report on how 1MDB money had been shunted through various companies, including Good Star, a company belonging to Jho Low and banks in a number of countries and finally appearing in the account of Malaysian Official 1 in Ambank, the Attorney General insists that there is no proof that money from 1MDB was misused.

9. Under 11 on Para 14 of the DOJ report "The Good Star Phase: More than \$1 billion is misappropriated from 1MDB."

10. In Para 40, the manner through which \$1 billion of 1MDB money was invested in Petro Saudi is detailed.

11. Para 41 explained that Jho Low and his associates caused \$700 million of the 1 billion meant to be invested in Petro Saudi, to be sent to an account at RBS Coutts Bank in Zurich held in the name of Good Star Ltd, a company owned by Jho Low.

12. Para 42 states that "between May and Oct 2011, approximately \$330 million in additional funds were wired at the direction of 1MDB official to the Good Star account purportedly in connection with a financing agreements between 1MDB and 1MDB – Petro Saudi JV.

13. Perhaps the Malaysian A.G. can explain why 1MDB investments of \$1 billion should go into the account of Good Star in RBS Coutts Bank in Zurich. Or is he going to deny that this happened? In that case he should show proofs that it did not happen. Merely saying it is not true is not enough. The A.G.'s words have no credibility at all. His claims that there is no evidence of Najib's wrongdoing in all the reports submitted to him is about as credible as a crocodile shedding tears. AG's claim that Najib gave back RM 2.3 billion of the RM 2.6 billion given by the dead King of Saudi Arabia is just as incredible. No transfer documents and no receipts have been exhibited.

14. Stealing money is a crime. Merely seizing the stolen money does not nullify the crime. The only logical sequence to the seizures of stolen money is the criminal charge against the thieves. How is the DOJ of the USA going to charge the Malaysian Official 1 without naming him?

15. Malaysians' want to regain their good name. They don't want to be led by a leader suspected of kleptocracy of stealing billions of Government money. They cannot do anything themselves because Malaysia Official 1 controls the Attorney General and the police – the enforcement agencies. They

cannot remove him through a vote of non-confidence as he controls a majority of the Members of Parliament through illegal measures.

16. Like it or not they have to rely on actions by foreign countries. If the US really believes in eradicating corruption and money laundering which involves their country, they should not be shy about naming names and letting due process to take place.

17. When the thief is in charge of the police and the prosecuting agency, only foreign intervention can bring about justice.

18. Cry my beloved country.

VERSI BM

SEKARANG RAHSIA TELAH TERBONGKAR

1. Jabatan Kehakiman Amerika Syarikat telah mengambil tindakan untuk merampas aset individu-individu yang dinamakan yang disyaki mencuri wang hak milik 1MDB dan Kerajaan Malaysia.

2. Secara keseluruhannya 17 aset telah disenaraikan. Ini termasuk harta, pelaburan, pesawat udara, kapal layar, syarikat-syarikat, lukisan dan filem-filem. Jumlahnya bernilai USD1 bilion. Dokumen sepanjang 136 halaman itu menunjukkan secara terperinci cara wang itu disalurkan melalui pelaburan penipuan dalam syarikat-syarikat palsu, melalui pelbagai bank dan individu-individu serta berakhir dalam akaun MALAYSIAN OFFICIAL 1.

3. Siapakah Malaysian Official 1 yang disebut 36 kali dalam laporan ini. Beliau digambarkan sebagai "seorang pegawai berpangkat tinggi dalam Kerajaan Malaysia yang juga memegang kedudukan yang berkuasa dengan 1MDB. Sepanjang keseluruhan masa berkaitan dengan aduan itu, Malaysian Official 1 adalah "pegawai awam" sebagai istilah yang digunakan dalam 18 USC – 1956 (c) (7) (B) (iv) dan "penjawat awam" sebagai istilah yang digunakan dalam Seksyen 21 Kanun Keseksan Malaysia."

4. Dalam para 39 laporan tersebut "Malaysian Official 1 memegang jawatan yang berkuasa dengan 1MDB. Malaysian Official 1 mempunyai kuasa untuk meluluskan semua pelantikan kepada, dan penarikan balik daripada, Lembaga Pengarah 1MDB dan Kumpulan Pengurusan Kanan 1MDB. Di samping itu, sebarang komitmen kewangan 1MDB, termasuk pelaburan yang mungkin memberi kesan kepada jaminan yang diberikan oleh Kerajaan Malaysia untuk manfaat 1MDB atau mana-mana dasar kerajaan Malaysia, memerlukan kelulusan Malaysian Official 1. "

Para 102 laporan menyatakan bahawa Malaysian Official 1 adalah benefisiari muktamad AmPrivate Banking – Akaun MR adalah akaun sama yang kemudiannya menerima bayaran tertentu berjumlah kira-kira USD681 juta pada Mac 2013. Seperti yang dinyatakan dalam Perenggan 263 di bawah, Peguam Negara Malaysia telah secara terbuka menyatakan bahawa akaun yang menerima bayaran \$681 million itu dipunyai oleh Dato Sri Najib, Perdana Menteri Malaysia. Tidak mungkin akaun dan jumlah USD681 juta dimiliki oleh dua orang yang berbeza.

Para 28 menyatakan "Malaysian Official 1" adalah seorang pegawai berpangkat tinggi dalam Kerajaan Malaysia yang juga memegang kedudukan yang berkuasa dengan 1MDB."

Para 29 "Riza Shahriz bin Abdul Aziz ("Aziz"), seorang warganegara Malaysia, adalah saudara kepada Malaysian Official 1 dan seorang kawan LOW. Beliau adalah pengasas bersama Red Granite Pictures, iaitu studio pengeluaran dan pengedaran filem Hollywood, pada tahun 2010."

Dalam Para 39 Malaysian Official 1 mengambil alih kedudukan berkuasa dengan 1MDB dan lain-lain.

5. Saya tidak tahu mengapa pegawai-pegawai Amerika yang menulis laporan segan memberi nama sebenar Malaysian Official 1 pada hal dengan rela hati menyebut nama-nama pesalah lain, iaitu Riza Aziz, Jho Low dan Khadim Abdullah. Jika ini adalah kerana bukan peringatnya untuk membuat tuduhan jenayah, maka mana-mana nama pun tidak patut disebut.

6. Sekarang Najib dan penyokong-penyokong bodoh beliau mengatakan bahawa Najib tidak terlibat oleh sebab namanya tidak disebut. Najib sendiri berkata, "Biarkan proses undang-undang berjalan bagi mereka yang nama mereka disebut oleh US DOJ." Jelas sekali bahawa beliau menganggap proses undang-undang itu tidak mengandungi siasatan berhubung perannya sendiri di dalam mencuri wang milik 1MDB.

7. Namun rujukan kepada Malaysian Official 1 bertepatan dengan apa yang diketahui dan yang diakui oleh Najib sebagai mempunyai kaitan dengan beliau. Ini termasuk rujukan kepada USD681 juta dalam akaun Malaysian Official 1, rujukan kepada kuasa Malaysian Official 1 atas Kerajaan dan 1MDB yang bertepatan dengan kedudukan Najib sebagai Menteri Kewangan dan Penasihat kepada Lembaga Pengarah 1MDB. Dan begitulah seterusnya dengan 30 penerangan lain mengenai hal kuasa dan peranan Malaysian Official 1 serentak dengan peranan Najib sebagai Perdana Menteri, Menteri Kewangan Malaysia dan Penasihat kepada Lembaga Pengarah 1MDB.

8. Walaupun terdapat penerangan terperinci dalam laporan DOJ bagaimana wang 1MDB telah dipindahkan melalui pelbagai syarikat, termasuk Good Star, sebuah syarikat yang dimiliki oleh Jho Low dan bank-bank di beberapa negara dan akhirnya menjelma dalam akaun Malaysian Official 1 di Ambank, Peguam Negara menegaskan bahawa tidak ada bukti bahawa wang daripada 1MDB telah disalah gunakan.

9. Di bawah 11 pada Para 14 laporan DOJ "Fasa The Good Star: Lebih daripada \$1 bilion disalah gunakan daripada 1MDB."

10. Para 40, cara bagaimana \$1 bilion wang 1MDB telah dilaburkan dalam Petro Saudi diperincikan.

11. Para 41 menjelaskan bahawa Jho Low dan rakan-rakannya menyebabkan \$700 juta daripada \$1 bilion bertujuan untuk dilaburkan dalam Petro Saudi, dihantar ke satu akaun di RBS Coutts Bank di Zurich yang dipegang atas nama Good Star Ltd, sebuah syarikat yang dimiliki oleh Jho Low.

12. Para 42 menyatakan bahawa "di antara bulan Mei dan Oktober 2011", kira-kira \$330 juta dana tambahan telah dihantar atas arahan pegawai 1MDB ke akaun Good Star yang kononnya mempunyai kaitan dengan suatu perjanjian pembiayaan antara 1MDB dan 1MDB-Petro Saudi JV.

13. Mungkin Peguam Negara Malaysia dapat menjelaskan mengapa pelaburan 1MDB sebanyak \$1 bilion harus pergi ke dalam akaun Good Star dalam RBS Coutts Bank di Zurich. Atau adakah beliau akan menafikan bahawa ini berlaku? Dalam kes ini beliau patut menunjukkan bukti bahawa ianya tidak berlaku. Semata-mata dengan berkata ianya tidak benar tidak mencukupi. Kata-kata Peguam Negara tidak mempunyai sebarang kredibiliti sama sekali. Dakwaan bahawa tidak ada bukti salah laku Najib dalam semua laporan-laporan yang dikemukakan kepadanya adalah seandai mempercayai air mata tangisan buaya. Dakwaan Peguam Negara bahawa Najib telah mengembalikan RM2.3 bilion daripada

RM2.6 bilion yang diberikan oleh seorang Raja Arab Saudi yang telah meninggal dunia mempunyai kredibiliti yang sama. Tiada dokumen pemindahan dan tiada resit telah dipamerkan.

14. Mencuri wang adalah satu jenayah. Semata-mata merampas wang yang dicuri tidak membatalkan jenayah itu. Satu-satunya urutan logik untuk menyita wang yang dicuri adalah membuat pertuduhan jenayah terhadap pencuri. Bagaimanakah DOJ dari Amerika Syarikat akan mengenakan tuduhan terhadap Malaysia Official 1 tanpa menyebut namanya?

15. Rakyat Malaysia mahu menebus semula nama baik mereka. Mereka tidak mahu dipimpin oleh seorang pemimpin yang disyaki kleptokrasi mencuri berbilion-bilion wang Kerajaan. Mereka sendiri tidak boleh berbuat apa-apa kerana Malaysian Official 1 mengawal Peguam Negara dan polis – agensi-agensi penguatkuasaan. Mereka tidak boleh menyingkirkannya melalui undi tidak percaya kerana beliau mengawal majoriti Ahli-ahli Parlimen melalui langkah-langkah yang haram.

16. Suka atau tidak, mereka terpaksa bergantung kepada tindakan oleh negara-negara asing. Jika Amerika Syarikat benar-benar percaya dengan membasmi rasuah dan pengubahan wang haram yang melibatkan negara mereka, mereka sepatutnya tidak segan untuk menyebut nama dan membiarkan proses undang-undang berlaku.

17. Apabila pencuri adalah pengawas polis dan agensi pendakwa, hanya campur tangan asing sahaja yang boleh membawa keadilan.

18. Tangislah negara ku yang tersayang .

Stealing money is a crime. Merely seizing the stolen money does not nullify the crime. The only logical sequence to the seizures of stolen money is the criminal charge against the thieves. How is the DOJ of the USA going to charge the Malaysian Official 1 without naming him?

Malaysian Official 1 and 1MDB Officers 1,2 and 3 were not named. Perhaps the reason for this is that this is civil action *in rem* and all the assets targeted by the DOJ were purchased by one of the named officials. In fact the next step is for any of these named thieves to challenge the suit. Somehow I do not see that is going to happen.

I think when the criminal action arrives, all the names will obviously be known. The interesting question is whether MO1 will be charged. John Mallot, former US Ambassador to Malaysia, has been quoted as saying that it is a foreign policy doctrine that the US will not prosecute a sitting leader, except for serious crimes like genocide. But once the leader is out of power, the indictment can happen. Having said that MO1 can be named as an unindicted co-conspirator. But that is ok. UMNO and Malaysia knows no shame.

Salam Tun,

I read and heard that Najis sent Tan Sri Shafie Abdullah to meet Hillary Clintons election team. And I read and heard that Najib and NOT Msians will be ' donating ' some 500 million for Hillary' s election campain.

If this is true and assuming Hillary wins, I can bet my 2 sen that the 1MDB and DOJ issue will be left hanging and only be reviewed again say in 10 years time.

At same time the US gment will have a more stronger control in this country.

One must not forget too that Najis is also selling the countrzy's souls to the Chinese gment.

So 2 big powers using this country as the battleground. The 30 million Msians will suffer.

Dalam kecuaan 'Kleptokrasi' I temui satu keanehan dengan seorang lelaki yang mengaku dia orang Pakistan. I temui dia depan mini market. Badan tegap sihat tapi minta I duit, katanya tiada duit nak makan, dia orang Pakistan. I dengar aje I terus cabut lari takut nanti dia ancam I memandangkan badan yang tegap dan sihat.

I fikir dalam diam, udah la aku ada masalah dengan najib sapu duit negara, dia ini pulak nak minta duit aku. Stress! Stress!

DrM's heartfelt outreach to Washington for their somewhat lewd and hurried intervention into our internal affairs smacks of an unusual desperate plea to save his own kins, I mean skin, and personal agenda; and also, not to mention the treasonous nature that surrounds its fruition that would make for an outstanding script worthy of Red Granite's next box office movie and several Oscar nominations.

Meanwhile in Putrajaya, we note that the PMO is pretty cool about this whole episode, and as a matter of fact even helping to decorate it with an outpour of support for DoJ to go ahead and conscientiously do their dirty job and nail the coffin to the nines if they must.

And that makes me wonder. Why and how come such a meticulously orchestrated moment of suspense and drama crafted by the DoJ is not met with the standard anticipated panic response from our guys. Damn, I must be missing out on something...

Ini adalah punca segalanya dan sudah terbukti  
Kita sesama kita sudah berpecah belah

Bukan kita sama kita sahaja  
Bahkan didalam anggota UMNO Kerajaan Malaysia juga  
Ini akan membahayakan kita , 1 Malaysia

Sudah kelihatan kita sudah berpecah belah  
Sudah kelihatan banyak Tanah Pusaka kita sudah Tergadai  
Secara Official juga secara senyap  
Hutang pun Bertambah walau Tanah sudah di Gadai  
Apa untungnya kita ?

Inilah senjata utama yang menghancurkan sebuah Negara  
Ini sudah berlaku di Timur Tengah

APABILA KITA LEMAH SEBAGAI SATU NEGARA  
SEBAGAI SATU BADAN , 1 MALAYSIA , KERAJAAN , SULTAN , PEMBANGKANG JUGA RAKYAT JELATA  
MAKA KUMAN DAN ANASIR LUAR AKAN MENYAKITKAN KITA 1 MALAYSIA

MAKA

Inilah tanggung jawab kita bersama  
Kita sibuk berkelahi sesama , mereka juga sibuk mengambil kesempatan  
Ini yg Penting Inilah Racun nya

Maka kita perlu seorang Doctor , untuk memulihkan Malaysia  
Nak harapkan Doctor Mahathir , beliau pun seharusnya bersara

Jika Tidak Siapa ?

Kita sama kitalah yg perlu jadi Doctor

Hapuskan Kuman Luar dahulu  
Baru kita sesama membinakan Biting Malaysia yg Kukuh  
Jika Tidak , kita akan hancur seperti Timur Tengah

Saya amat yakin ada Pemerintah Luar yg memegang tali  
MemperBonekakan PM Najib , Kerajaan UMNO

Kelihatan Pemerintahan Najib adalah ikut ikutan  
Apabila Undang undang memihak kepada Pemerintah

Maka Kerajaan dan Cronienya akan jadi Kaya  
Rakyat akan jadi Lemah dan tidak ada Suara  
Sudah kelihatan di Malaysia sekarang

Undang undang memihak Kerajaan  
Seharusnya Undang undang tidak boilh berpihak pada sesiapa  
Undang undang adalah Badan Tersendiri  
Tidak bolih mewakili sesiapa , Kerajaan ,Sultan mahupun Rakyat Jelata

Inilah kenyataan nya sekarang  
Inilah sudah Terbukti sekarang  
Apa jua kita lakukan jika Undang undang memihak pada Kerajaan  
Usaha kita untuk menyelamatkan Malaysia akan Gagal  
Hanya dengan Tun menubuhkan Parti baru dan itu pun jika Party ini bolih Menang

Selagi Undang undang mewaliki Kerajaan  
Usaha kita akan berlalu sahaja

Cengkaman Kerajaan Luar juga tidak akan lepas kan Najib  
Sebab Najib is the Weakest Link dan mereka perlukan Najib jadi Baruah mereka  
Erti kata Apa yg mereka mahukan , mereka akan dapat  
Sebab merekalah Najib terjebak dalam Cash is King  
Dan Najib tergelinjur ke lobang Najis

Sudah lihat ada anggota UMNO yg tidak lagi taat pada Najib  
Kebanyakan sudah di lihat , di dengar  
Bau pun sudah busuk dan mereka sendiri sedar akan tingkah laku Najib

Ini akan Menghancurkan UMNO JUSTERU menghancurkan Malaysia  
Inilah sebabnya  
Selagi undang undang mewakili Najib  
Dayus memihak kepada Kebenaran  
Juga gangguan anasir luar , gangguan Setan  
Usaha kita akan Gagal

Assalamualaikum, Tun.

Segala-gala ini jelas membawa kesan: Negara kehilangan duit, Rakyat malu...

Tibalah masa untuk reformasi ke atas sistem pentadbiran, di mana yang berkuasa tidak harus diperkuasa keterlaluan sehingga boleh bertindak sewenang-wenang, seakan tiadanya undang-undang di Negara ini.

Kita berdoa agar si berdosa akan menerima balasannya.

Dr. M,

You have created a monster, more terrifying than the scariest beings of all horror films. Surrounding himself with loyal lieutenants who do not care what is right and moral, he seems invincible. Despite overwhelming evidence he appears confident and refuses to concede.

Now he is trying to erase all evidence of wrongdoing and even going after the former heads of Bank Nagara, AG and MACC, whom he himself directed to investigate 1MDB last year due to mounting pressure.

<http://www.ibtimes.co.uk/malaysia-task-force-set-probe-corruption-allegations-against-prime-minister-najib-razak-1509821>

Was he expecting them to give 1MDB and him a clean bill of health? When they did not do what he expected he reacted swiftly. All of them have been removed from their positions. But apparently this is not enough, he is determined to ruin their reputation as well.

<http://www.thestar.com.my/news/nation/2016/07/26/umno-youth-lodges-police-report-against-zeti-abu-kassim-and-gani-patail/>

How did a single person becomes so powerful? I am flabbergasted that citizens of this country are powerless to do anything about the situation. I am saddened that despite your stature and efforts even you can't seem to subdue this monster and put him to where he belongs!

The royalty the immediate former PM seems to have been neutered. What forces have overpowered them? Or are they hypnotized by his evil powers like the rest of the minions?

Do these people still have conscience/fear god?

<http://says.com/my/seismik/riza-menjual-diri-kepada-syaitan-luahan-azrene-soraya-abdul-aziz>

I salute and respect you for your summoning the courage, energy, determination to fight this monster despite your advanced age. Many people try to split your support by bringing up your past misdeeds and comments. We need to put aside our differences to defeat this monster (aka. Malaysian Monster #1).

Reading all the comments here from both sides — the haters and the lovers of DrM / Najib are both overdone and repetitious. Same old same old. And the champion commenters would always go to those who gave genuine (?) or copy and paste 'write-up' from elsewhere, just for the sake of commenting and hoping to get into silly keyboard arguments for the hack of it.

And the cabinets is still filled with corrupt ministers, the authorities are mere dogs sniffing and kowtowing to it's master because they are so afraid of losing material gains and power. As long as the ministers and those high and mighty top brass (they think they are, for now) have their balls in Najib/Rosmah hands — the drama will continue until the next GE. And perhaps, then, when BN win again thanks to their flushing of the stolen money to Malaysian who majority of them are mata duitan; the couple will steal some other funds made available by their scared little ball-less minions.

My prayers goes to the loving 1st couple.

I pray they will become my silverscreen Malay version of Bonnie and Clyde.

I have started writing the plot of the movie.

But not to worry, it won't be as big as Riza's Wolf of Wallstreet.

Assalamualaikum Tun.

Hari ini Najib \$i bodoh ni melalak kononnya Tabung Haji berjaya mengekalkan tambang yang sama sejak 2009, kononnya mulai dia naik sebagai PM. Rasanya macam nak ter@j@ng je muka si bangsat ni.

Naji\$ juga dengan gah berkata ada orang politikkan tanah TRX yang dibeli oleh Tabung Haji kini nilainya sudah tinggi dari belian dari 1MDB.

Hai Naji\$,apa lah bangsatnya kau, semua orang tahu nilai tanah khususnya tengah bandaraya KL akan naik saban hari.

Yang kami pertikaikan diri kau sebagai PM dan menteri kewangan, kau juga pada masa yang sama sebagai penasihat 1MDB. Tanah milik kerajaan kau jual pada 1MDB dengan harga jauh bawah nilai pasaran, kemudian kau sebagai penasihat bahalol menjual tanah (TRX) pada Tabung Haji dengan nilai pasaran. Kau yang arahkan balaci kau di TH membeli tanah TRX kononnya untuk menjayakan 1MDB bagi mencari untung atas angin, kau tidak sebut?????

Yang rugi adalah kerajaan dimana tanah dijual dengan nilai jauh bawah harga pasaran, yang untung adalah 1MDB, yang menjadi balaci adalah TH di mana adanya baruah kau bernama Johari Baharom yang makan banyak harta anak yatim.

Kemudian kau nak berbangga dengan idea kau TH kini untung "atas kertas" kononnya ada orang nak beli dengan harga yang kian mahal.

Hai Naji\$, kat mana kau sekolah???? Asyik nak kelentong rakyat saja kerja kau.

Doa kami, Naji\$ Razak akan berkubur pentadbirannya sedikit hari lagi. Amin.

Tun, menteri kewangan ke 2 sekarang makin "hebat" membicarakan ekonomi dan pelaburan. Satu perkara lagi, asyik mencibuk b\*nt\*t Naji\$ saja kerjaya disamping Salleh Said Keruak. 2 ekor kera ini ingat rakyat semuanya bodoh.

Wassalam Tun.

Salam Tun,

Rasanya kita tidak perlu pening-pening kepala lagi untuk meneka siapa Malaysia Official 1 kerana laman pro-Najib i.e. MyKMU.net telah pun menerima hakikat ini serta dengan rela hati menerbitkan penulisan yang menyatakan siapa itu Malaysia Official 1.

Walaupun begitu pelbagai alasan diberikan untuk 'membenarkan' sesuatu yang telah salah. Entahlah Tun, harap rakyat Malaysia keseluruhannya lebih bijak untuk menilai perkara ini.

Dalam pada itu, hari ini naib ketua pemuda UMNO membuat laporan polis terhadap bekas Peguam Negara, bekas Gabenor Bank Negara dan tidak lama lagi bekas Ketua Pengarah SPRM mengenai satu cubaan samada secara individu atau berkumpulan untuk menjatuhkan Dato' Sri Najib. Alasan terhadap laporan ini adalah pembocoran rahsia kerajaan kepada penyiasat asing serta memutarbelitkan fakta-fakta terbabit.

Sekiranya ada kebenaran tentang laporan ini, bagaimana pula pemuda UMNO ini tahu kandungan laporan Rahsia kerajaan ini? Apa-apa pun pada pendapat saya, mereka telah menjolok sarang tebusan kerana mereka-mereka yang dibabitkan didalam laporan polis itu bukanlah calang-calang manusia.

Inilah yang dinamakan 'mencari pasal', saya berharap sangat pihak polis menyegerakan penyiasatan dan sekiranya Peguam Negara yang ada dihari ini cukup berani maka bawalah mereka bertiga kemuka pengadilan segera. Insyallah segala-gala fakta penyelewengan akan menjadi tatapan keseluruhan rakyat.

Terima Kasih Tun.

Even more unfortunate for **Karl Iskandar**, his recent attempts at defending Malaysia Official 1 are prime examples of what we Malays call, *senjata makan tuan*.

He basically says, like Gaddafi and Saddam before him, Malaysian Official 1 is the victim of a blackmail attempt by the US Government. He says the US is applying pressure to make Malaysian Official 1 compliant with American demands. This is why we have to stand together with Malaysian Official 1 to resist this loathsome "foreign intervention" (*but intervention by Saudi Arabia is okay, halal, toyyibah, Karl? Wholesale selling of land and strategic assets to a Communist country to be applauded?*).

But isn't that exactly it, though. Leaders with clear skeletons in their closets are open to precisely such blackmail attempts. THIS is why we have to REJECT these leaders.

Compromised leaders are a ticking timebomb. We rejected Anwar Ibrahim previously, we now have an obligation to reject Malaysian Official 1. For precisely the same reason — they both stuck their balls in that vice.

Dear Tun,

The cat is now out of the bag. Serve it right. There's no way it can hide forever considering it has to pee and shit leaving the whole household a damning clue. Clearly this type has not been potty trained. It's most probably the village type.

Hehe Tun so much for the idiom. Yes the secret is out. One by one everything will be unravelled. The knots will be undone. The King of Cash is stripped almost to the skin. Only a flimsy thread is still hanging from below – the Malaysian Official 1 (MO1) term used by the US DOJ. This term will eventually be translated into the identity of the person when it's time for the criminal charges to be made. In the US court of justice.

There is nowhere MO1 can run now. Not even behind the Attorney General Apandi's butt. Which is

just a litter narrower than the hippo's butt (I like you OSTB ). And so the same goes for MO1's butt cleaners, so non chalant they are smiling and laughing praying dawn till night that this is just a dream (more like nightmare).

Tun, things will unravel and the truth will ultimately prevail. We are with you Tun Mahathir. Be strong amidst all the persecutions the harrassment the ill-treatment that MO1 and his kingdom of eunuchs have given you your family and friends.

We stand by you Tun Mahathir. May Allah protect you and your family, as well as all of us citizens who are with you come rain or shine. Love you always dear Tun Dr. Mahathir!

**Karl Iskandar** can postulate about the realpolitik of geopolitics all he wants. But he still won't be able to answer one basic question:

**How is it that money 1MDB said they were duped into paying into an account they thought was legit, somehow then found its way into the pockets of Jho Low, Riza Aziz, Red Granite and Malaysian Official 1?**

If 1MDB had indeed been scammed, how did these people get access to that defrauded money?

DOJ can show us their money trail. Now show us yours, 1MDB. That shouldn't be hard to do, wouldn't you agree, Karl Iskandar.

Salam Tun,

Referring to the Sarawak Report claims about the ECR Project I found a feasibility study dated 2014

<http://www.skyscrapercity.com/showthread.php?t=1614719>

It seems to imply the 60billion cost is nothing new.

Here's another link dated 2014 which says 30 billion:

<http://www.freemalaysiatoday.com/category/business/2014/04/29/firms-eye-rm30b-east-coast-rail-project/>

Can someone give more info about this ECR Project?

Thank you Tun, May Allah bless you and your family.

Assalam Dearest Tun,

Such a good summary Tun and having this DOJ report at least give us some hope and now we can clearly see that there is now light at the end of the tunnel.

Contrary to what karldai believes we are not fighting US but thanking US for fighting corruption and kleptocasi.

It's better to work with a big setan with the heart of an angel rather than being asked to work for a pinky angel with devil's heart.

For karldai : Why DOJ did not named specifically Malaysian Official 1 because Mr Obama ask to do so returning a favour to Naji\$ for that one in a lifetime historical golfing.

True the US wants to fix you and Naji\$, they will fix you and Naji\$, no matter what. The truth which is important is that the US wanted to help us the rakyat.

NO we are not going to end up in smoke like the Arab Spring because the rest of the world is doing the job for us.

Lastly because Malaysian lives matter, that is why Tun M patiently let nature take its course after all the channels has been closed by Naji\$.

Wasalam Tun.

p/s – On a serious note as for the DOJ report if TSMY really managed to get the previous AG Gani Patail to charge Najib then the report will be at par if not better and no MONI but NAJIB and comes with civil and criminal suits one shot?

Adelheid been a long time since I last communicate with you and I like your acronym MOI so I copycat to become MONI above( sounds more malely ).

It's a question of critical mass, not the question of integrity.

If you think he will not fall, then do not go against him.

If you think he will fall, then do not support him. Otherwise you will fall penyet under his weight.

But as they say the truth always prevails. Details will be laid out bare in the US court, which naturally hopefully will be followed by criminal proceedings. The most damning thing against him is how to answer the royal political donation thing which contradicts the forensic money trail evidence uncovered by orang putih. Bet that his support will dissipate and he will fall within a year.

We can't fight the US and win.

So, what Malaysia needs to do is, carnage control, oops ... I mean damage control.

If DoJ wants to bully us small pussies, let them have their fun. You can't fight the big setan, so you don't start a fight if that's what they're asking for.

Gadafi challenged the US paper dollar with gold dinar. Look who got burnt? Saddam was their ally for umpteen years till he drop dollar for Euro, Osama their agent to fight off Russia. And Najib played golf with Obama for X'mas.

If the US wants to fix you, they will fix you, no matter what. The truth is not important, but the result is.

Are we going to end up in smoke like the Arab Spring?

Malaysian lives matter, or DrM don't think so anymore?

The appointed AG by Najib hiding Facts from Malaysia should also be charge

So as those Abetting to Fool Malaysia as a Whole

Salam Tun,

Yes, the cat is out of the bag, but we still have our ministers saying these kind of statements:

<http://m.malaysiakini.com/news/349952>

He obviously did not read until the end. The chain of evidence outlined was not just based on a complaint, but was actually verified and signed by the Special Agent Robert B. Heuchling as true (to his knowledge). I doubt the agent would do so if he was not confident of the evidence that was written in the document.

Also I cry with you for our country too Tun.

Thank you Tun, may Allah Bless you and your family.
