

GOVERNMENT SECRETS

Chedet.cc

7 March 2016

Tun Dr Mahathir Mohamad

1. The A.G. would like the punishment for people who leak Government secrets to be caned and jailed for life.

2. It tells of a very primitive mind and is unIslamic. The Quran repeatedly enjoins upon Muslims to judge with justice. The punishment should fit the crime. It should not be excessive. Even for your foes you have to judge with justice, if you are guided by the teachings of the Quran.

3. But I am not going to complain about his primitive mind. I am questioning whether Najib with 2.6 Billion Ringgit in his personal and private accounts is doing his work as Prime Minister. Is it in his terms of reference to acquire secret funds and keep it in his personal accounts. No Prime Minister of Malaysia has ever done this.

4. In Government there are procedures and rules for receiving and handling funds. Najib has not abided by these rules. In fact he admits that the money is a gift to him personally, not to the Government. He did not inform the Government authorities about the money. It is in fact a secret from the Government. He seems not to have paid taxes on this money. Clearly the possession and management of this RM2.6 billion is not part of his work as Prime Minister of Malaysia.

5. The money is therefore not a Government secret which is protected by the Official Secrets Act. The reports by Bank Negara and the Malaysian Anti-Corruption Commission are therefore about wrong-doings involving Najib as a person while in the Government. Such wrong-doings must be investigated and reported by the relevant authorities so that appropriate actions can be taken according to the laws of the country.

6. The police and other enforcement authorities must act and investigate the reports. Not doing so would be a dereliction of duty. Covering up would be a crime.

7. The A.G. has the right to decide whether a case should go to the courts or not. That right should be exercised with due consideration for the elements involved in the cases and public concern about them. All sides should be heard. And this can only be done in a court of law. Judgement by the A.G. simply by reading the reports is a denial of justice, is frivolous and unjust, especially when the reports are made by credible and established institutions. What the A.G. has done is to damage the credibility of an institution of governance and a part of the judicial system of this country.

8. The OSA is not meant to make a secret of criminal acts perpetrated by officers and employees of the Government. Such criminal acts are not above the law. They should be investigated by the authorities and be put before a court.

9. Instead the person reporting on the alleged wrong-doings by Najib, was arrested together with his lawyer, detained and charged in court.

10. When the A.G. prefers a charge on anyone, the law must fit the crime. When the charge does not fit the alleged crime, so much so that the presiding judge dismissed the case, the A.G. loses his credibility. And along with it goes the judicial system.

11. Now the A.G. wants to appeal against the decision of the judge. Should the A.G. win, the institution would lose respect and acceptance by the people.

12. If the A.G. wishes to regain his credibility he should clarify whether he considers crimes perpetrated by officers of Governments are considered as Government secrets which must be hidden and protected by the Official Secrets Act or not.

Salam,

Apa cerita dan hasil penyiasatan kes Jamaludin Jarjis dan Ketua Setiausaha Sulit PM yang "accident" helikopter TUDM? Termaktub di bawah OSA juga ke?

Kepada TSMY, TSSA dan DSMM berhati-hatilah, kerana anda masih di dalam UMNO. Macam – macam boleh jadi zaman sekarang. Boleh "hilang", "kena roket", "terhempas" dsb.

DSMM has done his part. Now our Malaysian Fellow must do ours.

Tun

I ini anak Perak. Dulu sekolah mubaligh Kristian Perak.

Bila kerja dan kahwin terus menetap di Klang Valley, dah puluhan tahun disini. Mengundi pula di kampung tumpang Selangor bukan di kampung sendiri Perak. Tapi statement yang keluar dari mulut Menteri2 yang berasal dari Perak baik Zahid, Nazri dan beberapa orang lagi buat I malu. Sultan Azlan terkenal dengan bijak pandai, sekarang Sultan Nazrin pun ok juga.

Politician dari Perak yang paling saya hormati Rafidah Aziz. Gutsy, feisty lady. Hanya dia lah leader

Wanita UMNO terbaik.

Mukhriz to be PM 'stupid', opposition MPs say

An Umno leader's claim that Tun Dr Mahathir Mohamad's demand for Datuk Seri Najib Razak's resignation was motivated by his desire to make his son, Datuk Seri Mukhriz Mahathir, the new prime minister is "utterly stupid", opposition MPs said today....

'Dr M should stay true to his principles and resign from Proton and Petronas'

I am a little confused, Tun M masih di Petronas lagi? I saw the new line up published in newspaper tak nampak pula nama Tun M. DRB? Syed Mokhtar punya kan or sebaliknya. Seingat I, tahun 2012 DRB beli 234.7 million Proton shares, a 43 percent stake, for 5.50 ringgit apiece from state-owned

Ex-Goldman banker subpoenaed over Malaysia scandal

Goldman Sachs's former top banker for Southeast Asia has been subpoenaed by the US Justice Department in a probe into Malaysia's snowballing corruption scandal, AFP learned Tuesday.

People close to the matter, speaking on condition of anonymity, said that Tim Leissner, who quit the powerful US investment bank last month, was called to testify relating to the payments scandal that surrounds Malaysian Prime Minister Najib Razak.

Based in Singapore as Goldman's Southeast Asia chairman, Leissner advised the state investment fund 1Malaysia Development Berhad, or 1MDB, which is at the center of allegations of secret transfers of hundreds of millions of dollars to Najib's private accounts.

Najib has denied accusations of corruption, which have embroiled the government for months.

According to one AFP source, Leissner, a German national, was suspended by Goldman in January for violating company policies on a matter separate from the 1MDB case. Leissner then left Goldman in February.

Late last year the US Federal Bureau of Investigation began investigating the accusations of corruption and money laundering.

Authorities in several other countries are also investigating the money flows.

Swiss authorities have said they believe \$4 billion may have been stolen from Malaysian state firms and have frozen millions of dollars in accounts linked to 1MDB.

At the beginning of February Singapore seized "a large number of bank accounts" in its 1MDB investigations, vowing not to let the global banking hub become a refuge for illicit funds.

"Singapore is also cooperating closely with relevant authorities, including those in Malaysia, Switzerland and the United States," said a joint statement from the Monetary Authority of Singapore and the police Commercial Affairs Department.

Dear Sir,

To be honest I am no fan of you and UMNO long ago

Once I extremely supported you, even I went overseas with your badge attached to my briefcase

I was humiliated in front of my childrens and wife at your open house during Eid Mubarak

I wanted so much to see my icon but was told the open house not at your house but at outside tent

Since I have lost respect of you

UMNO led government demolished my mother small groceries stall to dust

I lost trust in UMNO long ago

I assumed politician and film star are all the same species

We are stupid, we make politician fucking rich because we vote them but when we are in trouble they never come to help out

All those allegations to Najib and obviously he leading a good life

He received a full support from all including the royals

All defended him to the last breath

Imagine a corrupted leader got a huge mandate from the rakyat

He is a Prime Minister because you groom him and personally chosen by you otherwise NOT

Couples days back his son's was enjoying himself at 5 STAR NIGHT CLUB IN Singapore

We give them a good life because we vote them, we support them, and some peoples make them GOD

The next Prime Minister can go even worst than Najib because Najib was a "sifu"

He learn the trade from Najib and improved it, he can be a double monster than Najib and as usual rakyat will defended him to the last breath

I support you just because you have a better brain than others!

I hope DAP DE-REGISTERED and they rebrand this party because some good mens in DAP are having good brain as yours and they are plain honest

Assalamualaikum Dearest Tun,

Pee M Najib is well aware that the rakyat knew all of his dirty tricks/wrong doings and the only thing his pandir AG could offer to please his boss is by caning and life imprisonment to people who leak his boss secrets and not the government secrets by the way.

OSA is just a vehicle to intimidate the poor rakyat and the end justify the mean to the regime.

Now with regards to the record breaking 2.6 billion donation, obviously Najib did not pay any taxes thus Najib can be considered an institution or organisation to be exempted from taxes.

However under Income Tax Act 1967 subsection 44(6) or in bahasa – di bawah perkara 8.2 subseksyen 44(6) Akta Cukai Pendapatan 1967 jelas menyatakan seperti berikut;

8.2 KEPERLUAN KHAS

8.2.1 Institusi/Organisasi

.....Sekurang-kurangnya 50 % (atau peratus yang dipersetujui oleh Ketua Pengarah Hasil Dalam Negeri) daripada pendapatan dan derma yang diperolehi mestilah dibelanjakan setiap tahun untuk menjalankan objektif-objektif institusi/ organisasi tersebut. Jika syarat ini gagal diperolehi Lembaga Hasil Dalam Negeri akan mengambil tindakan untuk menarik balik kelulusan. (Dalam konteks pengecualian cukai)

Pandir AG said 'Najib the institution' only spent USD 61 million out of USD 681 million donation and returned back the balance – USD 620 million.

How many percent will that be guys?

Wasalam Tun.

Assalamualaikum Tun,

I do support and applaud for your bravery and resilient in your move to form a united citizen front in pursuit of a common cause, that is the removal of a dishonest and insincere and corrupted PM.

Can Umno be restored to its old self Tun? You're making them very restless and uncomfortable, Tun. So embarrassing to have ministers and leaders like children still growing up. They lack positive thinking, very insensitive and demonstrate lack of adab to sustain respect from others. Where there's failure, leadership will be the first to take the brunt of the root cause. Such a pity. Umno and her leaders are still living in denial. They prefer to ignore and close one eye than to see the real happenings that are grievous to our beloved country.

Tun, these big issues that are manufactured by DSN and his advisors, must be addressed wisely and constantly to all walks of people no matter where they are. Real true facts need to be projected to them by reliable sources. They deserve to at least hear, listen and know the true facts and not let them live in a limbo. If we do not do it Tun, the same crimes will come knocking at our door steps...and unfortunately it already has.

Kerana terpaksa Tun mengambil langkah yang drastik dan terakhir ini semata-mata untuk "re-awaken" mereka yang mana mata tertutup, telinga terkambus dan hati tergelap apabila disaji dengan duit duit. Sayang sekali kan Tun, Umno hanya membela kaum dia dan hak2 mereka sahaja. Yang banyak buat bising dan ting tong sana sini adalah orang2 Umno. Seolah-olah kerajaan ini mereka yang punya...mereka yang pegang absolute power.

Umno Gopeng, Umno Larut!...amboi, besar kuasa ye nak lucut Tun daripada semua jawatan! Sapa kamu? Tak kenal pun. MB Pahang kata jangan terpengaruh dengan politik semasa.. Ok MB Pahang, jom kita teruskan je dengan perlombongan bauksit lagi dapat banyak untung, kasi lagi Pahang jadi Planet Merah!

Annuar Musa dan si keruak...dah tak larat nak cakap dengan orang ada telinga tapi buat2 pekak. Parti Umno bsear dengan 3 juta ahli...takkanlah takut dengan 3M kot (Mahathir, Muhyiddin, Mukriz).

Tun, pada Para 10 I think it fits this sad case. Do you know the Sellamah's case Tun? Sellamah, a 36year old single mother was in the news last week following her conviction for stealing a 2kg packet of Milo for her 2year old daughter. She was sentenced to a day's jail and RM200 fine or another 5days jail if she failed to pay the fine. She ended up in Kajang Prison, logically if she could not pay for a RM32 packet of Milo, she certainly could not pay a fine of RM200!

Malaysians are sympathetic to her plight and are horrified that the punishment DID NOT SEEM TO FIT THE CRIME.

While law may have been upheld, justice in some cases are not.

Tun, why are some Malaysians so 'sympathetic' with DSN's secret in mishandling of the 'donation' and public funds and unpaid taxes, really Tun unpaid taxes?! Why are they covering up the track of lies?

I'm so confused and don't understand or even trust the Malaysian judicial system anymore. So whom do we trust Tun? Where are they leading Malaysia to?

Tun, you're no longer in Umno, so can you tell me whom to vote for next GE if you're still unUMno?

Tun, previously I don't care who was contesting when you were the PM and as long as you're still a member so I know for sure you will pangkah Umno/BN. Because of my believe and trust in you I pangkah the party in BN. Now everything has changed. They have lost my confidence and respect in them, Umno/BN, cos they are so disrespectful to Tun.

Tun, it's alright to lose a few friends (in politics you never know who are your friends) but you know what the most beautiful thing is Tun...Seindah perhiasan didunia adalah wanita solehah. You always have your loving wife by your side. How many are lucky like the two of you, Tun and wife, to be together like this till this age and time? Allah works Wonders!

May Allah Bless you Tun. May Allah Protect you Always. May Allah grant you great wealth in health, happiness and knowledge. Take extra care and Thank you so much Tun.

Salam Tun,

Tun kena start design dan jual t-shirt citizen declaration. Pastikan design t-shirt tersebut bagus supaya kerajaan tak boleh haramkan t-shirt tersebut macam yang terjadi kepada t-shirt bersih.

Tulis je "SUPPORT CITIZEN DECLARATION" pada t-shirt tersebut.

Tun pun boleh produce car sticker "SUPPORT CITIZEN DECLARATION".

Kutipan jualan t-shirt dan car sticker ni boleh digunakan untuk menggerakkan kempen untuk mendesak najib meletakkan jawatan PM.

Dan bersaing dengan brim, anak anak sekolah semua dapat seorang 100.00. Tahun ini anak saya dah tak dapat dan ramai juga dah tak dapat tahun ini.

Ini helah najib ke untuk PRU 13? Kemudian semua di tarik semula dan makan di kedai makan seperti di pasaraya pun kami kena tambah 6%.

Apa ni ahmad maslan dan najib? Kamu semua kaya boleh lah kata tiada apa apa masalah.

Logik la juga, dah ada 2600 juta, setakat 42 juta, tak pandang de..

Ok, tak perlu jelaskan hal 42 juta, cuma jelaskanlah tentang 2600 juta tu

Derma ? Pulang balik 2 billion ? Apa punya penjelasan da macam ni..

Betul juga bila Tun Mahathir utarakan soal ini, Ds najib menerima dana tersebut, atas kapasiti apa ?

Seorang rakan kongsi, atau perdana menteri, atau individu ?

Dan bagaimanakah aliran masuk dan keluar dana tersebut berlaku ?

Saya sedang tertanya2, mungkinkah ada antara individu yang tersenarai terkaya di Malaysia, mempunyai wang sebanyak 2 billion atau 3 billion dalam satu akaun ?

Dearest YAB Tun,

1. Our A.G. (Tan Sri Apandi) has lost his credibility – no integrity.

2. He must not be very primitive in his thinking. Can we still refer to him as 'Yang Arif'?

3. Tan Sri Apandi has also cleared DSN from any wrongdoings in the SRC International's RM42 Million that was deposited into DSN's private accounts. How could the 'Yang Arif' simply accept such lame / stup*d excuse by DSN who claimed that he had no idea (did not know?) that SRCI had deposited RM42 Million into his accounts? (By right information about the depositor is known – based on my own experience; clearly stated in my bank account statement).

4. I believe, the A.G. is now an 'accomplice' of DSN. He is trying very hard (until he looks like an idi*t) to prevent DSN from being brought to court.

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

sambung sikit hal somebody, berita ini I baca 2 hari sudah, masih rancak diperkatakan dalam twitter, Najib's Son Wanted Zouk Singapore's Guest DJ To Stop Performing So He Can Play Instead...

Khabarnya anak SOMEBODY ini kacau DJ Egypt – The incident, which happened on Saturday night, started when Norashman Najib allegedly requested for Fadi's set to be cut short so that he could play instead, despite not being in the performers' bill that night.....

The video, posted on 6 March, has already accumulated more than 82,000 views.

In the video, Fadi said, "It seems that Zouk here wants someone else to play. Not only because of that, because apparently he's the son of a prime minister.

Thank you so much, enjoy my last track. I'll see you somewhere in the future. Not in Zouk anymore, because I won't play in Zouk any f***ing more. They've insulted me, but I love you guys."

Tun saya mohon ruangan.

Saudara KK.

The Official Secrets Act 1972 (Malay: Akta Rahsia Rasmi, abbreviated OSA), is a statute in Malaysia prohibiting the dissemination of information classified as an official secret.

Please note the word 'official'. On no term whatsoever Najib can claim his doing or aptly wrongdoing is official.

NONE WHATSOEVER.

Tun.

Malaysia dalam keadaan yang sangat menyedihkan.

Kesalahan Najib yang paling besar ialah memecah belahkan perpaduan rakyat yang Tun bina dengan sukarnya.

Mudahnya bagi Najib untuk meruntuhkannya.

Semalam seorang staff saya marah dengan Tun kerana cuba 'memporakperandakan' Malaysia dan memeningkan orang bawahan seperti dia..Sedih Tun.

Tahniah dan terima kasih Tun, atas usaha Tun menggerakkan The Citizens' Declaration pada Jumaat lepas, yang didokong oleh "individuals" from almost all political parties and various organizations in Malaysia. Once again we witness a genuine and an unprecedented move initiated by Tun. In fact such move could only be made possible by Tun.

Many Malaysians have asked Tun to do something. Now he has answered you. What do we do about it..?

I don't understand why some people still don't understand this Declaration...

Tun and other leaders, from various parties, collectively aligned to have Najib removed as PM...that's it.

It is not to solve all our other problems..

It is not about forming a new party..

Tun is not joining another party..

Tun is not bringing down BN..

They are not compromising or softening to one another, on other matters..

Once Najib is out...

They will go on with their normal fights and struggles..

They will continue with their own party principles..

They will continue to argue..

So what...?! That's what having opposing parties for... to check and balance...

Plus of course, from this lesson, again collectively, we can restore the system, identify loopholes in our system, amend what's necessary to prevent future Najibians...

To allow Malaysians to continue fighting freely and fairly, for the benefit of the Nation..

Yes, everyone makes mistakes, intentionally or not, knowingly or not...who doesn't ??

But Najib is abusing the system, committing numerous serious offenses, obstructing the rules of law...damaging the country, domestically and internationally...

Elections are for us to change/maintain the ruling party...but, here for now we just want to change the PM...and the other rotten ministers/leaders protecting him..

Besides, waiting for another 2 years for next GE is just too long (if there is going to be one...and if we still have anything left to fight for..)

Hence, for now the new PM should still be from BN, the current ruling party (but definitely not from Najib's camp), at least until the next general election.

Besides, for this effort to be fruitful, it also need the support of majority UMNO members.

There are still good, honest and capable leaders from UMNO/BN in there. To have their support, they need to be assured that their positions (the 'clean' ones) will not be jeopardized....but first we need to skim off the top..

Salam Tun,

This Najis is truly Pahlawan PENGECUT !!

After he was exposed being a very vety corrupted leader, he used All the Gment machinaries to silent the rakyat such as blocking websites, comnents and questions that affect his leadership not published

in gment newspapers, those who make police reports being thrown into jail and even those who cohortwd with him being asked to stay away from tjis country.

Not satisfied with that, he ' bought ' all those including this Appandi to support his dirty schemes.

This Najis if he want respect he must earned it and not forcing or buying the people and he is doing it now by advertising ' I respect my PM' and putting in the newspapers and social medias.

Only those in UMNO especially tjose being paid are going around defending his dirty tactics but I am very sure majority of the Rakyat are on your side.

Sadly many UMNO members failed to see or understand the real issue of the Drklarasi Warganegara.

They accuse you of collobrating with DAP but not mentioning Amanah, Perkasa,PKR and other NGOs. Only DAP

UMNO never realised that Najis COLLOBRATED with Jho Lo to make this country Bankrupt and the Rakyat suffers

Melayu Mudah Lupa Tun..

Salam!

Najib bayar hutang kad kredit RM 3 juta guna duit 1MDB.

Banyak salah najib ni tapi umno, mca, mic dan makkal sakti tetap sokong najib. Ini bukti bahawa korupsi dah jadi darah daging diorang semua tu. Bila PM korup, yang bawah PM pun berani korup.

Antara salah najib :-

1. Menipu.
2. Money laundering.
3. Pecah amanah.
4. Rasuah.
5. Mencuri.
6. Salah guna kuasa.
7. Khianat.
8. Menganiaya orang yang tak bersalah.
9. Tak declare income.
10. Tak bayar cukai pendapatan.
11. Memfitnah.
12. Menghasut.
13. Menakut-nakutkan orang.
14. Cakap belit belit putar belit.

Walaupun macam macam kesalahan najib, ag dan igp melindungi najib.

Ketiga tiga mereka memang kurang iq. Mereka ingat mereka akan selamanya berkuasa. Tapi itulah... Bila najib bersara, najib akan suruh zahid hamidi supaya melindungi ketiga tiga mereka bila zahid hamidi jadi pm.

Bill Clinton pun boleh dijatuhkan tapi Najib....

Najiblah Yang Dipertuan Agong yang sebenarnya. Najiblah raja Malaysia yang sebenarnya. tak ada sesiapa yang mampu sentuh kesultanan najib. Daulat Tuanku Najib!

Salam Tun.

1. Dalam agama Islam Allah s.w.t mengadakan surga dan neraka bila tibanya hari akhirat nanti.
2. Untuk ke surga dan ke neraka di uraikan dengan lengkap oleh ilmuan yang berpandukan al-Quran dan hadis-hadis sahih diriwayatkan dari jenerasi ke jenerasi.
3. Semua gambaran yang diberi memberatkan soal keadilan dan tiadanya keadaan berat sebelah dan membezakan antara satu sama lain.
4. Maksudnya yang bersalah akan tetap bersalah kebanyakan berpandukan ke atas dosa dan pahala. Malah kepada kaum kerabat Rasullullah s.a.w sendiri pun tidak akan dapat mempengaruhi keadilan milik Allah s.w.t.
5. Rasul pembawa kebenaran silih berganti sehinggalah Nabi Muhammad s.a.w penamatnya tetap menegakkan hukuman milik Allah s.w.t walau pun sifat baiknya kepada umat manusia masih meminta kita mematuhi perintah Allah s.w.t.
6. Jadi dalam satu pertubuhan Parti pun kita kena meletakkan soal keadilan milik Allah s.w.t. Meletakkan pemimpin yang betul menjadi keutamaan. Menjadi kewajipan mengantikan seorang yang tidak dapat menyelesaikan masalah dengan seseorang yang lain pula yang berkebolehan.
7. Cepat bertindak dengan segera agar ia tidak marak sehingga memudaratkan sehingga menjadi barah yang memakan masa untuk dipulihkan kembali.
8. Parti bukan milik seorang Presiden tetapi hak milik ramai. Kita kena ingat manusia akan meninggal dunia juga akhirnya. Jadi menjadi kewajipan kita memilih seseorang yang dapat memimpin kita ke jalan yang benar.
9. Kalau kita dapat memilih pemimpin yang benar bermakna kita telah mematuhi perintah Allah s.w.t yang memerintahkan kita hidup bermasyarakat tanpa mengganggu keimanan kita dalam kehidupan berlainan agama, bangsa dan negara.

The appointed AG by Najib upon Najib investigations
Is clearly very unlawful

So suspected wrong doers can always appoint their own AG
their own Judge or even their his own DPP
Meaning you Lawyers can pack yr bags

I,m not a Lawyer nor also I,m not an Idiot
By legal practice and common sense

Najib should appoint a Lawyer
Not appoint an AG , A Judge nor DPP
Its his Lawyer duty and Najib every right to sue everyone
For Defamation , for his lost of many
If his wrong doings are not found
He will be Double or Triple Billionaire by suing all
Including WSJ ,Swiss AG and the many more

But lucky Najib is very clever to abolish ISA
If not bye bye Tun

Its seems Malaysia Law is altogether Tohbalik
If Malaysia Judiciary System is Tohbalik
Perhaps we should forward all these nonsense
All this Bullshits
All these looking down on every Malaysians
Like we Malaysians are all FOOLS

TO THE INTERNATIONAL COURT OF JUSTICE

Salam Ayahanda Tun,

Saya bagi pihak seluruh penyokong Tun, ingin memohon maaf dari Tun kerana Tun perlu melalui semua kesusahan ini demi kasih sayang Tun buat rakyat dan negara Malaysia tercinta. Namun, yang menyedihkan, semakin Tun berusaha, semakin jijik permainan mereka.

Saya memang sudah tidak lagi menonton TV3 yang saya anggap stesen TV yang tidak beretika bagai lembu dicucuk hidung oleh tuannya. Namun, tersilap tekan terkeluar siaran TV3 dan ternampak lah saya akan muka Tun M semasa zaman Tun menjadi PM. Rupa2nya, TV3, seperti biasa, yang tidak ada modal intelektual langsung, telah memainkan berulang kali ulasan Tun mengenai Lim Kit Siang dengan tujuan yang jelas supaya Tun dan Lim Kit Siang berbalah dan memutuskan ikatan persefahaman yang terjalin semakin kuat sekarang ini demi kepentingan rakyat.

Buat Tun dan Lim Kit Siang, tolonglah jangan sampai termakan permainan kotor mereka ini yang sudah hilang modal dan hilang akal. Ini adalah merupakan petunjuk bahawa Putrajaya telah pon merasa api kepanasan yang sedang membakar bak sekam yang sedang memakan diri mereka. Mereka cuba berlagak macho seperti tiada apa yg terkesan kepada UMMO yang konon nya parti kebal. Namun, hakikatnya, UMNO sedang kritikal dan nazak..tiada penawar yang mampu merawat penyakit yang terlalu bahaya ini.

Tun, teruskan perjuangan suci Tun bersama teman2 perjuangan. Allah bersama Tun dan niat suci Tum. Semoga Allah sahaja yang dapat membantu kita untuk sama-sama keluar dari cengkaman kuku panda ini. Kami akan menjalankan tanggungjawab kami di PRU kelak.

They better pack their things NOW.

Assalam Tun.

Itulah, nak sangat promote "A-pandi...r" jadi AG.

Kan dah jadi macam cerita pak pandir.

Nanti bila Najib dah jatuh, kita tengok apa akan jadi pada dia.

Assalamualaikum, Tun.

AG's authority and power have been assigned since Tun's era, and merely inherited in this era.

To curb the weaknesses Tun highlighted, perhaps the Government should consider substituting AG's role with Commission or in-kind, to avoid manipulation.

Diingatkan berulang kali oleh Tun Mahathir dan ramai lagi :

"acquire secret fund, keep in private account"

"terima dana, simpan dalam akaun peribadi"

Bukan seringgiti dua puluh ringgit, ini 2.6 BILLION, 2600 MILLION, 2600 JUTA,
RM 2 600 000 000.00

Akaun peribadi, kononnya untuk parti, tapi senyap simpan.

Najib and his cabinet members continuously to claim that RM2.6 million was a donation to him. Nothing to do with government or 1MDB. If so, does OSA applies to individual? All the while I thought that only government secret documents are subject to OSA. I don't know if such enforcement is indirectly telling us there is a connection between the sum and 1MDB. Could any expert explain to me so that i would have a better understanding?
