**Chedet.cc**  
**20 May 2016**  
**Tun Dr Mahathir Mohamad**

1. Untuk menumpulkan usaha menjatuhkannya sebagai PM, Najib cuba menjadikan gerakan rakyat sebagai gerakan parti-parti pembangkang. Itu tidak benar. Mereka yang menandatangani deklarasi rakyat adalah orang biasa, kebanyakannya bukanpun ahli mana-mana parti politik.
2. Ia juga cuba mengatakan yang saya telah menyertai pembangkang. Dia tidak menghiraukan bahawa deklarasi itu tidak dibuat atas nama parti-parti pembangkang tetapi di atas nama rakyat Malaysia. Saya bersama gerakan ini sebagai seorang rakyat, bukan sebagai ahli parti politik. Saya juga tidak menyertai mana-mana parti.
3. Rakyat tidak mendesak untuk menjatuhkan Kerajaan tetapi sekadar menjatuhkan Najib. Jika Najib digugur, parti majoriti masih juga BN. Dengan itu BN akan terus berkuasa dan berhak memilih Perdana Menteri baru. Tetapi tentulah PM yang dipilih bukan seperti Najib, yang amalkan rasuah untuk memenangi pilihanraya dan sokongan dari parti.
4. Apabila Sarawak mengadakan pilihanraya negeri dan BN menang Najib mendakwa kemenangan dirinya sebagai P.M. Sebenarnya kemenangan itu disebabkan dasar Adenan yang utamakan Sarawak.
5. Apabila saya desak supaya BN dikalahkan dalam pilihanraya kecil di Semenanjung, sebabnya ialah supaya Najib tidak boleh dakwa kemenangan itu sebagai penerimaannya sebagai P.M.
6. Pilihanraya kecil ini adalah pertandingan antara rakyat dengan Najib. Ia bukan pertandingan antara mana-mana parti lawan dengan BN. Oleh itu saya gesa supaya rakyat mengalahkan calon Najib. Kekalahan BN bermakna kemenangan rakyat melawan pemerintahan kuku besi Najib.
7. Rakyat perlu sokong siapa juga yang melawan BN sebagai calon rakyat. Tetapi jika rakyat meletak lebih dari satu calon perpecahan dikalangan rakyat akan memberi kemenangan kepada BN.
8. Rakyat perlu letak hanya satu calon sahaja. Malangnya jika Hadi meletakkan calon PAS ini juga akan menolong BN jika rakyat letak calon melawan BN dan PAS.
9. Sebab itu untuk mengelak perpecahan dikalangan rakyat, jika PAS letak calon, rakyat perlu bagi sokongan padu kepada calon PAS supaya PAS menang besar dan BN kalah besar.
10. Kalaupun PAS menang, ia tidak dapat berdiri Kerajaan. Ia cuma akan menjadi hamba kepada BN yang memiliki lebih ramai wakil darinya.
11. PAS mungkin juga pura-pura menamakan calon tetapi apabila rakyat tidak meletak calon, PAS akan menarik diri supaya BN menang tanpa bertanding. Kita tidak akan hairan jika ini dilakukan oleh PAS. Hadi nampaknya sudah terima Cash is King Najib walaupun dunia anggap Najib sebagai pemimpin yang kuat rasuah. Itu pilihan Hadi dan itu memanglah haknya. Sebab itulah PAS berpecah.
12. Rakyat perlu ingat bahawa gerakan untuk menjatuh Najib adalah gerakan rakyat. Ia bukan gerakan mana-mana parti pembangkang tertentu. Hanya apabila Najib tidak lagi menjadi PM baharulah demokrasi dapat dikembalikan dan segala tuntutan parti-parti boleh diperjuangkan. Setelah

demokrasi kembali rakyat boleh tentukan tuntutan apa yang mereka akan sokong dan siapa yang akan memimpin negara.

ENG VERSION

The Citizens vs Najib

1. To blunt the move for his removal as PM, Najib tries to make the citizens' movement as opposition parties' movement. It is not. The signatories of the citizens' declaration are ordinary people, mostly not members of any political parties.

2. And he tries to make out that I have joined the opposition. He disregarded the fact that the declaration is made not in the name of opposition political parties but in the name of the citizens of Malaysia. I am in this movement as a citizen, not as a member of any party. I have not joined any party.

3. The citizens do not call for the overthrow of the Government but only for the overthrow of Najib as PM. If Najib is dropped the majority party will still be BN. With this BN will continue to hold power and have the right to appoint a new Prime Minister. And of course the Prime Minister chosen will not be like Najib who practices corruption to win elections and support from the party.

4. When a Sarawak held the state elections and BN won, Najib claimed personal victory as Prime Minister. Actually, the victory was due to Adenan's policies that gives priority to Sarawak.

5. When I insisted that the BN be defeated in the by-elections in the Peninsular, the reason is so that Najib cannot claim the victory as an acceptance of his Prime Ministership.

6. This by-election is a contest between people and Najib. It is not a contest between any opposition party and BN. Therefore I urge the people to defeat Najib's candidate. BN's defeat will mean victory of the people against Najib's despotic rule.

7. The people should support whoever is contesting BN as the people's choice. But if people put more than one candidate, discord among the people will give victory to BN.

8. People should only nominate one candidate. Unfortunately if Hadi nominates a PAS candidate this will also help BN, if people also nominate candidates against BN and PAS.

9. Therefore to avoid disunity among the people, if PAS were to nominate a candidate, people need to support the PAS candidate so that PAS secures a big win and BN loses badly.

10. Even if PAS were to win, it could not form a Government. It will still be subservient to the BN which has a higher representation.

11. PAS may also pretend to nominate a candidate but when people do not field any candidate, PAS will withdraw so that the BN will win uncontested. We would not be surprised if PAS will do this. Hadi has apparently accepted "Cash is King" Najib even though the world regarded him as a highly corrupted leader. That is Hadi's choice and of course that is his right. That is why PAS is disjointed.

12. People need to remember that the movement to topple Najib is a people's movement. It is not a movement of any particular opposition party. It is only when Najib is no longer the PM then

democracy can be restored and all parties can fight for their claims. After the return of democracy the people can decide what claims they will support, and who will lead the country.

### **FGV posts Q1 net loss of RM65m, hit by El Nino**

KUALA LUMPUR: Felda Global Ventures Bhd (FGV) posted net losses of RM65.54mil in the first quarter ended March 31, 2016 as its crude palm oil (CPO) production was severely impacted by the El Nino. This was in stark contrast with earnings of RM3.57mil a year ago.

FGV, the world's third largest oil palm company, reported on Tuesday that revenue was however higher at RM3.75bil compared with RM2.71bil a year ago. Loss per share was 1.8 sen compared with earnings per share of 0.1 sen.

"The group's fresh fruit bunches (FFB) production for Q1, 2016 was adversely affected by the severe dry condition from the El Nino phenomenon. This industry-wide impact, though gradually reducing in severity, is expected to result in an overall reduction of the group's plantation yield for the current year compared to 2015," it said.

On the upside, CPO prices were on the rise since end 2015. This was due to declining palm oil supplies arising from the same El Nino phenomenon.

"Direction of CPO prices in the coming months is expected to be affected by the seasonally higher FFB production, the world's edible oil supply especially soy bean oil, crude oil prices, the Ringgit currency movement versus the US dollar, and global economic conditions.

"Notwithstanding this, expectations are for a higher average price of CPO and related products in 2016 compared to 2015. This higher average price is expected to cushion the impact of the lower yields," it said.

Commenting on the performance, it said the palm upstream segment suffered a loss of RM100.55mil in 2016 on the back of weaker CPO production.

"CPO production declined by 14% to 484,000 tonnes in tandem with lower FFB production from 930,000 tonnes recorded in 2015 to 781,000 tonnes this year," it said.

Average CPO price realised was RM2,303 per tonne compared to RM2,279 per MT last year whilst oil extraction rate (OER) achieved was at 20.56%, slightly higher compared to 20.50% achieved in the previous year.

"The increase in the fair value charge to RM89.72 million in 2016 compared to RM73.51 million in 2015 has also contributed to the decrease in the result from this segment. Excluding the land lease agreement LLA effect, the segment's profit reduced from RM71.94mil to a loss of RM10.83mil," it said.

As for its sugar segment, profit fell 27.8% mainly due to higher raw sugar costs despite higher sales volume for domestic and export market segments by 11% and 21% respectively.

The palm downstream segment made higher profit of RM1.80mil, which was in contrast with RM21.69mil losses in 2015 mainly due to higher sales volume in the US fatty acid business and higher margin achieved for RBDPKO and CPKO from kernel crushing activities. The result was however, partly affected by negative margin achieved from China's bulk palm oil trading.

FGV's trading, marketing and logistics segment saw its profit rise 11.4% to RM17.77mil as a full quarter result and better performance for the trading company was included this year. The trading company commenced its operation in February last year.

Other businesses reported a loss of RM15.06mil compared to a profit of RM26.93 million last year as fertiliser and rubber business suffered from weak margins associated with the decrease in sales volume and price respectively.

Assalamualaikum Tun,

Tun, a friend of mine who's working in a big oil company, recently told me that jobs are hard to come by now. My two children will be graduating soon. He said either I marry them off or continue their Masters. Is it that bad Tun? All this while I've been hearing DSN and gang singing a nice happy fine tune. I used to have complete trust in my government. But since he took over everything is washed off. Seriously, DSN why would he bluff the people? Only a complete delusional idiot would now believe and follow him. So please, wake up and join hands to save Malaysia.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety. And Thank you Tun.

Salam,

To all friends

Doc j working for tingkat 4. Promoting perpecahan rakyat is what this people do. Nampak macam protect Najib dan UMNO, tetapi sebenarnya membawa fahaman kolonial. Sama seperti HBT dengan teori – teori tingkat 4 nya. Jika anda kaji penulisan mereka pasti anda akan nampak kecenderungan mereka.

Sentiasa memecahbelahkan mengikut parti politik, sentiasa membawa perpecahan kaum – kaum, menggalakkan pengkelasan kaum dan membawa teori – teori tingkat 4 yang pada mata kasar memang nampak real dan benar. Semua ini adalah teori Kolonial yang diterapkan kepada Malaysia, dari dulu sampai sekarang. Sebab itulah mereka tidak akan sokong penyatuan rakyat. Kerana, penyatuan ini pernah menumbangkan mereka.

Assalamualaikum Tun,

Please excuse me Tun, I need a few moment with someone here.

Salam to Dr Jefri,

Who are you to tell me what to do, Dr? I don't know you and neither do I trust you so why should I tell you my name. Anyway, the way you asked scared away any woman. It's like you are asking, "Hei, woman! why don't you buka your tudung and let me see your hair!". You get what I mean, Dr? I think you are a sad lonely man. And as for your winking emoticon, I don't know about other women here, but it gives me the creep...the way I interpret it, it's like you make yourself look cheeky.

Don't I have the right to defend my Tun in my way if the words you write are damning to my eyes? You will defend yours truely beloved too in your way, right. So I do it my way even if it sounds dumb to you. I don't care.

Use your intelligence wisely, Dr without being so sarcastic. Thank you for your time.

Thank you Tun for this precious moment with the Dr.

Assalamualaikum Tun,

Tun, the scene during the two coming PRKs is predictable. As always "goodies" will be dished out and grand promises will be cried out loud by the ever fully loaded DSN and gang. They will make full use of all available instruments they have a grip on like money, and I mean loads of money, and government machineries. Instilling fears and insecurities is the work of their spinners. And for sure Tun's name will come up. It is no secret, they are crafty in their political ploys. Every political party has their own game plan. DSN, for some obvious reason, is confident he has, especially the rural people, in his pockets. Only yang melihat dengan mata hati will not fall to his preys.

Tun, if you were to campaign how would you inject to make then see and understand the whole messy financial scandals surrounding DSN and his gullible and mismanagement of the country's public funds? How do you make them see the whole picture? How do you tell them that what DSN has done will crippled the economy and their periuk nasi will be squeezed? How many of them have

honestly not felt the pinch? If they haven't, then they have been well "fed" by DSN. But how many of them, a selected few?

Tun, why are some parts, especially the rural and backward areas, development have been slow? If physical development is slow, so will human and education development. Is it so as to make these people forever dependent on them? They make sure these unfortunate people needed them, they are the "tongkat". Every prk and pru they will always come and say, "you people need us, we are your tongkat. It is never the other way round, "you O tongkat need us, the people". People must be well informed of the latest happenings in the country, so they can judge for themselves who they choose to be their leaders. Don't lie to them, don't beat around the bush, just simply tell the truths, can you do that, DSN and gang?

Tun, as wise as your are I'm sure you are ready. Please be very careful.

As for that tunku aziz and who else, why so emosi, of course la everyone knows Agong cannot be in house arrest la. Tun always play around with his words. Please people, save Malaysia from being exploited futher,for the sake of our future generations.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care Tun. And Thank you.

Dear Tun

I would like to share this news with you

### **Jeffrey 'alarmed' at reports Russia studying Petronas assets**

Selling off oil rigs in the waters of Sabah and Sarawak would mean "infringing" on the territorial rights of the two Borneo nations.

KOTA KINABALU: Bingkor Assemblyman Jeffrey Kitingan has expressed extreme concern on speculation arising from a website<http://teknoblog.ru> and the Tass news agency, both reporting that Moscow was considering buying out Petronas assets.

It was not immediately clear whether these assets were also overseas but Tass referred to Petronas as one of the largest energy corporations in Southeast Asia, employing 40,000 people and authorized to develop and produce oil and natural gas throughout Malaysia, noted Jeffrey, who is also Star Sabah Chief, in a telephone interview.

"If these purported deals are about Petroleum Sharing Contracts (PSCs) in Borneo, it may be considered," he conceded in elaborating on a statement that he had issued earlier in the day. "However, it seems that the Russian state-owned company Zarubezhneft was more interested in certain assets, purportedly including oil and gas fields complete with production platforms and rigs

etc.”

“That raises the question, as being speculated in the social media, whether Petronas intends to conduct a fire sale of assets.”

He expects the Sabah and Sarawak Governments to study any negative developments in the oil and gas industry in Borneo in the wake of the Asean-Russia summit and statements attributed to Russian Energy Minister Alexander Novak in Tass, the Russian news agency, and reports in other media in that country on Petronas.

Jeffrey’s main concern is that the Petronas assets that the Russians are reportedly eyeing may be in Sabah and Sarawak. “If so, that will be the proverbial straw breaking the camel’s back, coming on top of the various national crises and scandals going on in the peninsula,” he warned. “Putrajaya should keep the Malaysia Agreement 1963 (MA63) in mind.”

“We didn’t enter into Federation with the peninsula so that the Federal Government could sell off parts of Sabah and Sarawak to foreigners.”

Let me assure all Sabahans that we will not sit idly and watch it happen, said Jeffrey. “We will take all legal steps to voice our loudest and most vociferous opposition to the Federal Government, and take legal action through all the relevant international bodies, including the United Nations and the International Court of Justice (ICJ).”

The lawmaker, while not ruling out that the national oil corporation may be facing a cash crunch, ventured that there may be various “legal implications” if Petronas had to eventually sell off parts of the oil and gas industry in Sabah and Sarawak. “Selling off oil rigs in the waters of the two Borneo nations would mean infringing on their territorial rights.”

“The Federal Government and/or Petronas have absolutely no right to do this.”

Novak was quoted as saying in Tass on Friday, on the sidelines of an Asean-Russia summit in Sochi, that Zarubezhneft was “exploring the possibility of acquiring the assets of Petronas”. “Zarubezhneft shows interest in first studying the assets of Petronas. The parties are holding consultations about it,” Jeffrey quoted Novak as saying.

Novak confirmed that Zarubezhneft is in talks on entering projects in Malaysia, pointed out the Sabah Opposition strongman. “Novak further said that ‘as for Zarubezhneft they are studying opportunities to enter projects in Malaysia. Zarubezhneft has a lot of experience to enhance the effectiveness of existing fields, and offers its services and participation’.”

Salam Dearest YAB Tun,

Anwar Ibrahim admitted that he wrote the letter – ‘warning against collaborating with Tun M’.

He also urged PKR members not to follow Tun Mahathir’s agenda (Citizens’ Declaration).

Who cares what he thinks? It is not for Anwar to decide. Just ignore him.

It's up to the 'rakyat' (who they want to follow and listen to). There is no need for a 'prisoner' (penjenayah I\*\*\*\*) to tell them (the citizens) what to do.

We must get rid of DSN (very CORRUPT leader) soonest possible.

Salamat berkempen Tun! Harap pengundi2 di KK dan Sg. Besar dengar nasihat Tun M – tolak rejim Najib (calon BN).

Thanks Tun.

To Dr. Jafri

Hai Stupid. Firstly, i'm also doubtful that Dr. Jafri is your real name. Why don't you use your full name instead of just Dr Jafri? Don't you have a father? Or you are a bastard son?

My wild assumption that your full name is Dr. Jafri bin Najib, isn't it? But i'm not so sure if your name is Dr. Jafri bin Rosmah because your must be refered or "bin" to your father name. But if your father name is Rosmah, what the hell?

Secondly, who should be the "judge" that will verify either you or NOVO using theirs own name? Najib or Rosmah?

Please stop your nonsense roll call.

Salam Tun,

Mohon laluan sedikit...

Salam Dr Jafri,

Which points are you talking about? I do not have the intention of talking about 'the dogs with its shadow' as it is purely your opinion and your opinion alone.

Are you talking about this post?

"Kecacatan sistem warisan dari pentadbiran era Tun, dalam semua aspek terpaksa ditanggung oleh presiden UMNO yg baharu.

Tidak keterlaluan jika saya kata, sampah sarap ekonomi seperti bangkai bank Bumi, industri keluli

Perwaja, procurement Petronas, skandal timah Maminco, kereta Protun, Pergau dan Bakun Dam, perjudian Forex dan banyak lagi.

Kesan negatif dari bencana ekonomi di bawah kerajaan BN pimpinan Tun sebenarnya sangat sukar ditangani oleh pengganti beliau tanpa bantuan dan bimbingan dari Tun sendiri.

Seharusnya, Tun dilantik sebagai penasihat utama ekonomi kerajaan oleh PakLah dan Najib, jika benar pembaikan sistem mahu dilaksanakan.”

Allow me to provide my thoughts on it,

1. Bank Bumi – at the time of occurrence, BBMB had at least 40,000 staffs, to me it needs to be bailed out one way or the other.

2. Maminco – Prior to oil, tin was the main export of our country, major players in the world trying to undercut us. Therefore, maminco was set-up to stabilize the commodity prices, after a while, though, couldn't sustain the continuous purchase and liability goes back to the Country. It was a hard lesson for us.

3. Proton – We need to move forward in both high technological field and human capital, proton paved the way as such that we have many high caliber Malaysians to expand their innovative thoughts into this arena. In fact early this year HiCom built-up a University solely for automotive engineering. All is good and dandy except for one tiny little detail which I totally disagree, once proton entered the market in 1985, all other cars saw a hike in prices.

4. Pergau Dam – This is purely G to G issue, another hard lesson learned.

5. Bakun Dam – This issue depends on where you stand, any and I repeat again any development projects churned out by us humans, some level of environmental sacrificial required. No two way about it. It is all depends on how deeply we required those things to be up for us to continue our survival in this world. No matter how much studies embarked on it, uncertainties will prevail, and so does this project.

6. Perjudian Forex – Yes, it is wrong in a way to play with our Country's reserves for this. However, I know that a cut-off point was set in during the process. One thing for sure, the idea was a noble one as such that we try to make our Country earns from our reserves. Yup, we did loose and the cut-off point sets in. Another hard lesson learned. To me, this is a pure business; there are times you'll profit from it, and there are times you'll loose. Whatever it was, there was no hanky-panky about it at all. Norway for example, their reserves is so large (about USD1 trillion), yet when the current government wanted to use some of it for its public funding as the oil prices dip, not much though about USD780 million only, yet they asked all parties involved for this. This is what we call good governance.

On the later part of your writing which states that Tun's legacies on the economic issues bogged down the current administrator where Tun is needed to help in providing some form of councillorship to the current guy – To me, this is purely unethical. You shouldn't have taken the job if you know you can't do it. Be professional and not to blame others when you clearly know that it was your own shortcomings which lead to all this. And to set the record straight, Tun has done just that but somehow it was turned down.

Dr. Jafri,

I do not want to sound like a monkey on your back. Nonetheless, I can see that you have been around on this Tun's blog for quite some time now. Back when there is no issue brought upon by Tun towards Dato' Sri Najib, I couldn't find any negative writings wrote by yourself towards Tun. If we are men of principles, we should stand firm on our belief and highlighted these issues that you mentioned then and not now.

Let us be straight, where do you stand now? The prove, and evident is very clear, are we saying it is okay for Dato' Sri Najib to continue on? Do we have the same line of thoughts as per AG Apandi where he clearly said it is not a crime to lie as long as a lie wasn't made in a police report and during court proceedings? If we are, then we are saying that Dato' Sri Najib explanations to both the parliament and the public on this matter (which were continuously changing each day) are OKAY. To which, I'm sorry to say, just keep it to yourself, as many of us who lives a straight life and taqwa to The Creator simply wouldn't want to be a part of these deceitful situations.

With regards to not using actual names, I see there is no relevancy here. Unless one is a computer bot, those comments were made by the bloggers who are primarily MALAYSIANS, where, we are the one who has to endure the current state of the poor economic standing of our Country. What else matters? Anyway, on one of the previous postings, I did mention my name and what I do for a living.

Thanks Tun.

Kalau ada evidence jawabnya lain sikit :

Ya Bang aku amik tapi inilah pertama kali ,bang

Sumpah bang dengan nama Allah bang

Jika dengan concrete evidence :

Bang aku susah bang takda kerjaan nak kasi makan anak 10 bini 20

Inilah al-kisah drama pencuri ,penyagak ,perompak

INI COMMON SENSE

Begitu juga pengakuan Najib pada pengikutnya yg juga dilafaz Dr.Jafri

Hanya pengakuan Najib , hanya perlafasan saja

Investigations perlu disertai transparency hingga ke peribadi sesaorang

Setakat pengakuan Minaci bunting mengandung yg mencuri pun tidak akan mengaku

Here again from day 1

NOT just The people of Malaysia

Common sense Najib must be investigated

It is not a question and answer session

Dr. Tun should make sure the people understand in the constituencies that's going for by election...that they don't vote for UMNO which lead by a scandalous leader. Najib's UMNO slaves are portraying Dr.Tun as enemy of UMNO, but infact people knew that Dr. Tun just want to remove a dishonest person – who spent people money for his family well being – from leading Malaysia.

Assalamualaikum Tun,

Tun, please allow me a few moments with the knowledgable Mr umranrc.

I did wonder whether you have done a typing error. It is very kind of you to give a nice compliment but I don't deserve it, Mr umranrc. Saya ni bukan siapa2, just a simple ordinary housewife, really I am. I

am none of those you mentioned. But I must admit it sounds nice. Many here deserve more than I do. As you say I should not worry but, Mr umranrc I do worry because it might create a wrong impression. Anyway, I wish you all the very best in your life. Mr umranrc, your gambar, and Sri Sense's too, I like, they are soothing to the eyes. Thank you again and May Allah Bless you.

I hope Malaikat Maut will come back. I am not afraid of your gambar anymore, as Sri Sense said it is just a gambar.

And to Tired, you are absolutely right. Thank you for awaking us.

I am thankful to Tun to give me a space and allow me to express out what is lingering in this little brain of mine, although I also did a bit of lashing out. Thank you Tun and May Allah Bless and Protect you Always Tun.

IMAO orang melayu rasa jijik bila disebut anjing or babi. Mereka rasa terhina bila dikata anjing or babi. Kalau dalam bahasa Inggeris tidak ada apa anjing ini, banyak pepatah – proverbs tentang anjing hanya sebagai andaian sahaja.

I biasa bela binatang dari kecil, kucing, musang, so I memang sayang binatang, anjing also sayang me. But I tak bela anjing sebab malas nak samak-samak ni, although I tau ada orang Melayu, Islam bela anjing, itu hak masing2 la and how they nak interpret religion itu.

I tak tau la, mungkin its just me, but I think cara Jafri ini menulis buat orang marah, sort of Nazri style bila komen.

I also tak kenal siapa Jafri, mungkin dia kawan Tun, kawan orang kanan Tun and I tidak terlalu ambik hati sangat apa dia kata. To me ini blog Tun, admin yang lepaskan komen, it could be anything.

I cuma boleh kata ini pada Dr Jafri dan gang, sila click link sebelah kanan di wall ini dan tandangani

PAS may also pretend to nominate a candidate

PAS will withdraw so that the BN will win uncontested

We would not be surprised if PAS will do this

Hadi has apparently accepted "Cash is King"

From Tun's own admission, PAS and members are not to be equally treated in DR. Tun sees them as untrustworthy political opportunist, although their signatures were not rejected when they signed the DR, and their votes against UMNO in the coming election are welcomed and wished for.

Tun, in no uncertain terms, is making disparaging remarks (menghina) against Hj Hadi, accusing a fellow Muslim of planning to betray, to enact khianat or is it because Tun can see his own bayang-bayang in the prescribed act?

You tell me.

Tapi orang terengganu panggil Dr. jenis ini sebagai Dr. natang atau Dr. binatang. Senang kata Dr. haiwan lah daeng.

Dear Fellow Bloggers,

1. As we have noticed, since IQ3.85 been tasked as UMNO's Psy War Chief, plenty of his soldiers/sympathisers are loitering here to plant in us seeds of sceptism towards Tun, and we know why.

2. Since Tun has allowed them in let us welcome them but ignore them. We know what is true and what is false. Entertaining them only validate their presence, merely. We are no fools like them. We are here sincerely, as we owe Tun our gratitude, as he was our PM for 22 years. We know what he did do and did not do. Let us leave them dogs barking as they please. They will get tired soon and shutup soon after just like when dogs bark at the Moon. We know it is a senseless act to do but not to them dogs.

3. Let us enjoy reading and participating with our intelligent comments in Tun's Blog and let them people earn their keeps. They cannot change a thing. Just be thankful we do not have to resort to such demeaning works to earn our livings.

Sekian Tun terima kaseh. Wassalam.

Kedua-dua pilihanraya kecil yang akan datang sungguh bermakna buat seluruh Rakyat Malaysia. Keputusannya sedikit sebanyak memberi petunjuk sama ada Rakyat akur kepada idea/ gerakan Deklarasi ini.

Kalaulah PH memberi laluan kepada PAS untuk bertanding 1-1 dengan BN, tak tentu lagi PAS dapat memenangi atau mengikis undi majoriti BN, kerana sejak kebelakangan ini, Hadi kerap mengeluarkan kata-kata berbau perkauman, tambah pula warga kota mahukan wakil rakyat yang lebih dinamik dan progresif.

Rakyat kenalah mengundi secara bijak!

Tumpang laluan sedikit lagi....

Dear Dr Housewife,

Tun once said, 'do not call me a doctor as I'm just a medical officer and do not hold any PhD (not an exact quotation but the meaning is there)'. However Tun was conferred with an Honorary PhD later and therefore the title Dr for Tun is more than appropriate.

Myself gives you the tittle as I found that your expressions for the relevant topic being properly conveyed with wise line of thoughts. Perhaps you are a medical officer or a PhD holder, I wouldn't know, but not too worry about it as long as level minded thoughts being shared here.

Unfortunately I can't say the same for our friend Dr. Jafri here. The initial impressions that I got from his previous writings were way off from someone who should understand the current issue. As I always mentioned, not every policy coined out by Tun is fully agreeable by myself, however, when

some positive things like the citizen's declaration which clearly wanted to save our Country from the current mayhem, then it should be withheld dearly by all.

Thanks Tun.

If you follow the Rule Book, theres a chance for him to be still breathing now. If you follow what people say. Definitely it will influence your decision. After lifetime in-prison, would the journalist still believe in second chance and forgiveness. Who knows. (When im 64-The Beatles).

When you view in half glass, there always false hope. It never full or empty because it never be neither. Somebody will make it to perfect half. Just for satisfaction of the view in half. They maybe chanting to make the glass full, but when you put straw in it i mean situation, you can see very clearly how crooked the straw is. Quickly they remove the straw and make it back to perfect half and continue chanting to make it full back.

So HBT, after the long and high numbering of your explanations. With your economic, business sense and divine intervention. Where would you invest? Indonesia or India?

Demi sesuap dedak ada orang sanggup menjadi bahan dan sasaran pengkomen2 setia blog ayahanda.

Ramai spesis dia dah balik sarang bila kena balun, bantai dan belasah semacam ini apa tidaknya silap sarang nak bertindak sebagai doktor pakar menegakkan najis najib yang dah bengkok tu tapi semua orang di sini tahu dia terpaksa lakukan sebab ada najis di sebalik punggung najib yang perlu dij\*lat namun tidak bisa dibersihkan sampai lama mana pun.

Misi Jafri @ Jasa @ Mad Lan @ PMO hanya untuk memburukkan Tun dengan pelbagai tuduhan bukannya untuk membela atau membuktikan kebenaran Najib Najis Merata dengan harapan dapat melemahkan sokongan terhadap perjuangan Tun.

Namun semakin Tun dihina, dikeji dan difitnah semakin kuat, semakin banyak simpati, semakin bertambah sokongan terhadap perjuangan ayahanda rakyat Tun Dr Mahathir!

Buat Jaf, pulanglah ke pangkal sarang anda dan janganlah menjadi sekadar statistik penjilat2 najis najib yang entah ke berapa terkorban dalam kubu kuat Tun M ini.

Assalamualaikum Tun,

Tun, excuse me for my little brain, saya ni yang lemah kefahaman dan ada emosi (Alhamdulillah saya ni manusia biasa je) ingin meluahkan apa saya rasa. Ini perasaan yang dibawa gelaran housewife je no gelaran Dr or whatnots.

Tun, I think they have embedded a trojan horse here. This person is very sly and sleeky. He seems to be like a provocative agent? Very clever indeed to divert our attention to him, to allow him slowly to manipulate the minds of maybe some who are still trying to find where they stand, or maybe a person of little kefahaman whose mind he thinks can be twisted easily. Must not loose guard on their cunningness.

Tun, at first he drives very slowly and then when he gets the attention he accelerates at full speed. Initially, he brings up Tun's character and intention in propagating the CD, and then now he's bringing up issues konon elevated from outside elements that konon have some secret agendas. Whatever these outside elements are and their secret agendas we have our very own so brave and brilliant perisik2 and uniformed officers and armies to protect us and our country. Bukankah mereka, the brilliant lawmakers, dah terpilih menerajui kerajaan untuk membela dan melindungi negara dan rakyat?

Tun, the reason why the CD is accepted and in tune with the people's hearts is because we have the citizen's duty to eliminate this "sickness" that has plagued and corrupted Malaysia by DSN's enormous massive messy billion dollar financial scandals which has made huge huge headlines throughout the world. This cannot be denied. And we don't want this "sickness" to be an epidemic.

Tun, I honestly believe that if this corrupted leader is put down, not only Malaysia is saved but the main party now holding power could also be saved, for now. Only Allah knows best. There are two sides in every coin. Choose the wrong side you are ruined. Which side are we? Which side are you? There's a saying, "Every betrayal begins with a trust". Tun and the rakyat chose DSN and trusted him...but he betrayed our trust. Wallahua'lam.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety Tun. And Thank you Tun.

Assalamualaikum Tun,

Based on PRU 13, BN narrowly won many parliamentary seats. If it was not for the full support of the Malays, BN would fall. Now as it is, the Malays are divided, and the Chinese solidly support the opposition coalition. In theory, BN would likely win in PRU 14 in this situation. However, PAS now as broken up with the opposition. How will this affect PRU 14 given this development?

PAS and UMNO competes for the same market i.e Malay votes. So even if PAS does not support the opposition, this does not help UMNO as well. Some Malay voters from UMNO will support PAS, and some Malay voters will support the opposition comprising PKR, Amanah and DAP.

HBT, with all his mumblings, has a point. It is up to the voters to decide.

Although ideally, the opposition has a better chance of defeating BN if they are united, but with PAS breaking away, it will certainly be harder.

As Tun have pointed out, this is not about BN or the opposition. There should be a timeout. A ceasefire from all the opposition until the issue of Najib being Prime Minister is resolved.

All their bickering and infighting, may actually be counterproductive as Najib might well win in PRU 14, and then everyone will get nothing but 'dust'. I have always stressed on the need for the opposition to compromise and remain united.

But this bickering within the opposition is the situation we have to face with.

A PAS and UMNO tie up may not work since both are going after the same market i.e Malay voters.

I think should a 3 way fight do occur, the rakyat movement headed by you, need to endorse which party is representing the rakyat. Then it is up to the rakyat to choose between PAS, BN or the rakyat movement's choice.

Given a 3 way fight between PAS, Amanah/PKR/DAP and BN will be fighting for the Malay votes. Assuming each wins evenly of Malay votes but with advantage of Amanah/PKR/DAP winning solidly Chinese votes, then the Amanah/PKR/DAP coalition might just win.

Let's don't slam people who reply or follow on this blog are only followers, you have under-estimated the audience as you assume they are dumb.

In developed countries, PM and leader of opposition leaders are put into a debate forum present to public how they could better in running a government. Is free broadcast on media.

In Malaysia, there is no such this. The so call the current elected PM are assumed given an absolute power to do what he wants for his own interest. Is not much different in Fiji that the PM works hand in hand with the AG to suck public funds.

Let's have a forum Najib Vs Dr M., Money is King and Global Economic Policies. You be the judge to assess the contents and the level of strategic thinking of these 2 leaders.

I am not as educated as you and of cause not that rich as you, but certain area of my intelligence is better than you. To me your are otak udang. Please tell us how you handle your emotion?

Sekian terima kasih. Love Malaysia.

Tulisan awak ni bole saye sama tarafkan dengan jawapan2 YB yg masyhur. Bila ditanya tentang kenaikan ayam..dia jawab : jgn makan @ beli ayam!. Awak 1 sekolah dengan YB ni ke?

Siapa yg punye cerita 1mdb ni? Jadi..awak nak cerita yang 1mdb ni sebagai pembuka selera utk najib & orang macam awak ke Jafri?

Yang jadi beban dengan gst ni ialah golongan marhaen kebanyakan kami di sini & rakyat malaysia di luar sana. Orang mcm awak tak rase ape yang kami hadapi & lalui setiap hari. Mungkin tanpa kes 1mdb, gst cuma 2% aje. Sebenarnya, ade care lain selain gst utk mentadbir negara.

Setiap thn, rancgn negara..antara lain ialah membina 50 buah sekolah baru di seluruh negara. Tahun 2015, sehingga bulan mei..cuma ade 5 buah sekolah baru yang dibina. Bila gst dikenakan..baru nmpk prtambahan. Tapi terlalu jauh dari sasaran yang ditetapkan. Implikasinya adalah pada masyarakat. Mungkin orang mcm awak, bole hantar anak ke sekolah swasta..bukan golongan marhaen macam kami.

Tak payah menumpang cerita kesusahan orang2 syria & kampuchea..awak pernah duduk sane ke? Orang macam awak pandai cerita aje..& bukan berjuang untuk orang macam kami ni..

Nak komen Dr Jafri. Dr Jafri jangan risau, sain aje borang DR kat sebelah kanan. Adat la take side, kita

kat sini side Tun Mahathir.

Nak kata kita sebagai rakyat diperggunakan, one way or another kita pun diperggunakan oleh pihak

tertentu, samada anda nak percaya atau tidak, terpulanglah.

If tujuan nak memecahkan belah para komentar disini, I rasa payah. Kalau Dr Jafri komen kat blog

Najib mungkin lagi berbaloi. Seia sekata.

Happy Sunday!

Deklarasi Rakyat, dan sebelumnya ada Pakatan Rakyat. Lepas kalah PRK, mungkin akan muncul pula satu lagi gagasan baru yg menunggang atas nama Rakyat juga.

Rakyat diperalatkan oleh ejen risikan Israel, seperti 'kebangkitan' rakyat Arab Spring untuk jatuhkan pemimpin. Manakala di Malaysia, pihak yang mendalangi himpunan seperti Bersih dan DR, mempunyai hubungan rapat dengan neocon seperti Open Society milik Soros (kawan lama Tun)

Kita nampak ada satu corak sedang berlegar, kunun untuk jatuhkan Najib, walhal ada agenda tersembunyi utk peralatkan rakyat bagi kepentingan kuasa asing.

Petualang politik yg tiada telur seperti Ambiga, Marina M, dll mengguna platform NGO dan 'Rakyat' untuk pementasan drama liberal kotor, menuntut hak LGBT, Islamophobia, anti-Melayu dgn niat utk timbulkan huru-hara dan keresahan kpd suasana bisnes dan ekonomi.

Hakikatnya dlm jamuan petualang ini, isu 1MDB hanyalah pembuka selera utk satu hidangan utama ...

Salam,

To doc j,

Tak rugi jika saya pilih untuk tak bersama UMNON. Suara manusia dianggap "salakan anjing" bila tidak tunduk pada "raja" kamu.p

Saya ada Raja saya untuk dengar suara saya yang manusia ini untuk menuntut pembelaan, kerana selama kamu menggunakan nama UMNO dan pengikutnya. Diibaratkan seperti anjing bersama tuan besarnya.

Itu saja "bukti" kamu mengatakan kamu kuat, gagah, perkasa bersama tuan dan "raja" kamu?

Come on doc, you can do better than this. Try harder ok.

Boleh explain bagaimana PM beli kain JAKEL tapi bantuan yang sampai air mineral, khemah, tilam, bantal dan makanan? Tak tally lah? Gi shopping Mydin percaya lah jugak. Cuba explain doc. Saya yang lemah kefahaman dan emosi ni. Perlu orang kuat macam doc untuk jelaskan.

Jangan diam pula ye, atau doc bawa isu lama lagi. Jawapan bernas diperlukan dari seorang Dr kerana anda hampir memalukan Dr2 yang tak perlu letak Dr pada psudonim mereka. Cukuplah yang di kabinet, awak nak tambah lagi? Adoyai.. ='(

Dr. jafri..

nampaknya begitu bersungguh mempertahankan ds najib..awak faham ke isu 1mdb tu?

ade beberapa soalan saye nak tanye dgn awak..orang yg begitu mempertahankan najib sepatutnya begitu jelas, faham & hadam isu 1mdb ni..saye anggap awak begitu.

setahu awak ..

1- berapa jumlah terkumpul pinjaman yg dibuat oleh 1mdb?

2- berapa % komisen untuk ejen yg menguruskan pinjaman?

3- berapa % interest yg dikenakan terhadap pinjaman?

4- as per today, berapa pulak jumlah terkumpul pinjaman dicampur interest?

rasenya..soalan2 di atas ni mudah sgt untuk orang seperti awak.

sekian, terima kasih.

Cerita kanak2 anjing dengan bayang2 tu masa kecik I pernah baca. I ingat2 lupa tapi lebih kurang gini, this dog dia gonggong tulang nampak wajah dia dalam air, thinking that tulang yang dia nampak lagi besar, dia jatuhkan tulang yang sedang digonggong, something like that la.

Namun gitu ada juga peribahasa Melayu berbunyi begini **Bagai anjing dengan bayang-bayang** yang membawa maksud **Orang yang tamak mahukan harta orang lain, akhirnya harta sendiri yang hilang.**

Actually the cerita kanak2 dan peribahasa tersebut membawa maksud yang sama.

Salam Dearest YAB Tun,

1. I don't trust Hj. Hadi and PAS. Hj. Hadi with his 'Amanat sesat' had caused a lot of confusion & split/disunity among Muslims in Malaysia. And now as we all know, Hj. Hadi supports DSN and wants DSN to stay in power until the next general election.

2. True enough that he believes in 'Cash is King' (he has a number of personal problems that require a lot of money I guess). Based on PAS's method of getting money using 'tin Milo' to get donations from those attending their 'ceramah', I am not surprised Hj. Hadi is also more than willing to accept 'derma' from DSN.

3. I agree with Tun. Make sure that there is another candidate to represent the 'rakyat' besides PAS (if PAS fields a candidate); majority of PAS leaders are hypocrites ('lalang'). I'm afraid that they can also be bought by the 'King of Cash'.

4. Anwar is no longer relevant. He wrote the letter (from prison) just to let people know that he still exists. This is another leader that I will never trust. He is also a person full of revenge (patut 'bertaubat' seperti kata mendiang Karpal; after twice being convicted / imprisoned).

5. Deklarasi Rakyat mewakili keseluruhan rakyat, dan hakikat ini amat digeruni oleh rejim Najib. Sebab itu mereka memfitnah dan menghina Tun untuk mengelirukan rakyat dan pengundi2 di KK dan Sungai Besar (SB). Pengundi2 di KK dan SB mesti bersatu untuk menolak rejim Najib.

P/S: Ada pengomen bergelar 'Dr.' lupa yang dia (& gang) boleh hidup mewah/senang disebabkan dasar2 dan kerja keras Tun M (selama 22 tahun) dan PM-PM sebelum Tun. Inilah jenis 'manusia mudah lupa'. Bercakap tentang perlunya 'mensyukuri nikmat', Dr. inilah orangnya (bersama rejim Najib) yang TIDAK TAHU MENSYUKURI NIKMAT kerana sekarang menggigit 'tangan' yang pernah bersusah payah menaikkan martabat mereka dan Malaysia. Sudahlah 'Dr Jafri', anda amat MEMALUKAN golongan yang ada gelaran 'Dr.'. Hujah2 anda banyak yang lapuk, ketinggalan zaman dan cuma sesuai untuk kanak2 kecil, bod\*h, dan orang yang tidak boleh berfikir dengan waras/rasional. Menulispun selalu 'kena balik batang hidung sendiri'. Dr. kena buat lebih penyelidikan sebelum menulis.

Thanks Tun.

Sarawak election was a fake election. Money are thrown in to buy votes and PM is using helicopter for campaign. Who is actually paying the cost of these helicopters? There will be a bunch of puppet ministers representing Sarawak in the Parliment just to make up the numbers but their intelligence in less than 1/10 of a capable minister over West, but indeed they are not many capable ministers though. The current government is surpressing capable leaders and building an empire that loyal to

RM and USD. There is no enforcement in Malaysia, everything can be bought with money, even murder. There are not enough educated people within the society who can stand up for justice, fairness and equality. The greediness mentality is born within the DNA and one will not learn until he/she lost everything. Look back you will see those under developed countries struggling to have enough food and water for the people, yet the government are putting money in weapons trades. Look up you will see developed countries developing new technologies to improve human life, preparing a good future for the next generation. Look straight you see elected minister sucking public funds into their own bank account and making you believe is no case. When you are caught by police in Singapore, you have no say but to face the court. If you caught by police in Cambodia, you just pay them USD 5. Malaysia is now run with the concept of 'cash is king' and seem is accepted by the elites. Donation is becoming a legal mean for money laundry. This can only be fixed by teaching the ordinary people what is right or wrong back to basic home and school education.

### **Kit Siang: Passport not subject to arbitrary withdrawal**

It's not a privilege and not subject to arbitrary denial or withdrawal, depending on the whims and fancies of the powers-that-be.

KUALA LUMPUR: The Malaysian Parliament itself has become a "farce" if MPs like Tony Pua and civil society leaders like Maria Chin Abdullah could be denied their fundamental and democratic right to travel freely overseas, warned DAP Parliamentary Leader Lim Kit Siang in a statement.

The people should speak up to oppose Prime Minister Najib Abdul Razak's plan to turn the country into a national prison where his critics and opponents and that of the government are prohibited from travelling freely overseas, added Lim who is also Gelang Patah MP.

Lim has been left wondering whether Malaysia remains an open and democratic society or was regressing towards becoming an autocratic and closed society like the North Korean communist regime.

This is a policy question which should involve every Minister and Deputy Minister in view of the "hair-raising" undemocratic and arbitrary decisions to bar critics and opponents of the government, said Lim.

All Barisan Nasional (BN) Ministers and Deputy Ministers, including the Deputy Home Minister Nur Jazlan Mohamed, should be told in no uncertain terms that the issuance of a passport was a fundamental right conferred by the Federal Constitution, stressed the DAP veteran.

"It's not a privilege and not subject to arbitrary denial or withdrawal, depending on the whims and fancies of the powers-that-be."

Lim thinks that Suhakam should give the entire Cabinet a primer on human and constitutional rights of the people. "The Cabinet seems to be one of the bodies in the country which is woefully ignorant about the Federal Constitution and human rights."

Lim said that he had asked on Friday whether any Minister would resign on a matter of principle if the Cabinet was not prepared to countermand the "arbitrary and undemocratic ban" on Chin and Pua from freely traveling overseas.

He lamented that he had not heard that any Minister or Deputy Minister was resigning his or her post in protest against the country lurching towards undemocratic and arbitrary practices.

“Such practices have so far been the hallmark of communist and closed societies, representing a major and fundamental difference with democratic and open societies.”

Salam,

To doc j,

Doc, walaupun kita tak suka/benci dengan seseorang pun. Jangan lah kita nak ibaratkan macam tu sekali. Kalaupun awak mandi tak basah, tidur tak lena, makan tak kenyang untuk memikirkan cara untuk selamatkan UMNO dan kepentingan survival Melayu sekalipun. Itu bukan sayang parti, itu dah bercinta namanya.

Sayang kita dalam hati tu lebih bermakna dari menghina perjuangan orang. Kita tolak UMNO selagi ia UMNON. Bukannya apa.

Fikirlah juga jutaan lagi yang tandatangan deklarasi tu. Semua golongan ada. Kita bagi gelaran dan desakan bukannya nak tengok Najib tu merempat tepi jalan makan sampah. Kita bagi masa lama untuk jawab semua soalan, bukan tuduh pun. Tapi, bila dia buat macam tu, lari-lari. Orang pun tak yakin dan tak percaya apa yang dia buat tu betul ke tidak.

Ingat juga orang yang anda ibaratkan tu dah umur 91tahun. Kalau orang buat anda atau bapa anda pada umur macam tu, anda sedih tak? Marah tak?

Ingat juga jasa dia bagi anak-anak belajar sampai universiti. UiTM pun. Alhamdulillah. Dapat juga anak kita masuk U. Tak nak UiTM pun, banyak IPTA dan IPTS lain asal mampu je. Boleh pilih. Ingat juga jasa dia bagi pekerjaan untuk banyak keluarga Melayu kat Malaysia ni.

Tak nak sokong dia pun tak pa, awak pilih sendiri nak sokong siapa, Muhyiddin ada, Mukhriz ada, Husam ada, Azmin ada, Rafizi ada, Mat Sabu ada, Lim Kit Siang pun ada.(tapi ni semua atas dasar rakyat Malaysia)

Malahan, kalau anda ibaratkan kawan-kawan lain macam HBT ke, Bala ke, siapa sahaja yang manusia dengan perkara macam tu. Saya pun tak setuju. Saya pun tertanya, mana Melayu anda? Kita tak diajar macam tu kan?

Kalau anda rasa orang tu salah sangat, ada bukti yang kukuh. Boleh je bawa pergi mahkamah. Dia tak ada hal punya.

TQ

Assalamualaikum Tun,

Astaqfirullah Tun, ada seorang Dr di sini menyatakan ‘anjing’ sebagai perumpamaan dituju kepada manusia yang tak sependapat dengannya. Apakah jenis manusia dia ni? Dr haiwan ka? Nak hentam orang di sini pandai pula susun ayat2 berlapik, macam orang tak reti tak faham di sebalik kata2nya. Nak sampaikan pendapat dia keluarkan semua tuduhan2 daripada pengkhianat, pemangsa, antagonis, pemusnah parti kesayangan dia dan kini penghasut pula. Saya lihat Tun, ramai pembela2 seperti dia ni nak komen ka nak beri pendapat ka tak sah kalau tak sebut ‘binatang’ ini itu, rujuk balik kata2 gang si DSN.

Setinggi-tinggi tupai melompat, akhirnya akan jatuh ke tanah juga...bukan Tun ya. Tun dah tak dok tinggi lagi. Tun dah duduk sama rendah dengan rakyat jelata sebab itu rakyat boleh integrate, intertwine dengan Tun. Yang duduk tinggi berkuasa dan tak boleh diusik dan dilindungi hulubalang2, lain tak bukan si DSN yang mencipta 1001 macam kesusahan kepada rakyat yang susah jadi lagi susah. Boleh kata foreigners yang dok sini lagi hidup senang daripada rakyat sendiri sebab dapat jagaan dan pembelaan. Tak ada orang susah, tak ada yang dok dibangsal haiwan, tak ada yang di dera, tak ada yang kebuluran di negara ini? Sekali lagi dipinta jangan lihat dengan mata fizikal tapi lihatlah dengan MATA HATI kamu! Kalau tak nampak juga tak tau nak kata apa lagi.

Tun, jangan susah hati apa orang seperti ini nak kata. Orang yang tak pernah rasa susah memang senang je dia cakap. Macam si KJ tu cakap. Hanya orang yang pernah mengalaminya akan merasai kesusahannya dan bagaimana menghadapi ujian Allah adalah dengan menggunakan jalan Allah, dan ini memberi kekuatan pada jiwa untuk menghadapi ujian2 yang mendatang. Wallahua'lam.

May Allah Bless you Tun. May Allah Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety Tun. And Thank you Tun.

Assalamualaikum Tun.

Biarlah saya menjawab persoalan saudara Fariq Islam:

1. Siapakah pengganti Najib sekiranya Najib berjaya diguling?

Sesiapa pun boleh menggantikan Naji\$ anak Razak sebagai PM. Asalkan dia waras, sudah baligh, bijak mengurus ekonomi negara, rakyat Malaysia, utamakan kesejahteraan majoriti rakyat, tidak bersubahat dengan korupsi, menonjolkan sikap baik yang boleh dicontohi dan gentleman sanggup mengadakan pemilihan dalaman parti jika ada dikalangan ahli parti mendesak berbuat demikian bukan menggunakan baruah-baruah untuk terus berkuasa. Bagi saya ramai di luar sini yang jauh lebih bijak dari Naji\$ Razak termasuklah saudara Fariq sendiri.

2. Apakah adanya jaminan yang pengganti Najib seseorang yang lebih berwibawa?

Apa yang saudara Fariq mengarut tentang jaminan? Mentaliti saudara agak lemah bila bertanya soalan seperti ini. Saya rasa jika kamu dilantik sebagai PM oleh rakyat, pasti kamu menolak kerana tidak yakin pada diri atau menganggap diri kamu belum mampu sebagai pemimpin. Jika kamu menolak, saya tabik spring pada kamu kerana sekurang-kurangnya kamu bersifat gentleman.

3. Apakah kestabilan politik boleh dijamin?

Kamu bercakap seolah-olah kestabilan politik terletak pada manusia seperti Naji\$ saja. Bukalah minda sikit.

4. Kalaulah PM boleh dipanggil-turun begitu, ke manakah kemantapan institusi pengundian dan sistem pemilihan yang ada di nagara ini?

Deklarasi Rakyat adalah satu dari kaedah untuk menjatuhkan Naji\$ setelah dia enggan adakan PAU dan pilihan raya. Selagi tiada revolusi, ia dianggap sebagai saluran sah dari segi undang-undang. Kamu study atau tidak selepas mengambil alih tugas presiden umno pada 2008, 8 tahun berlalu tidak

PAU dalaman umno untuk melantik presiden/timbangan presiden. Dia menggunakan taktik kotor untuk kekal berkuasa dengan mengupah baruah seperti Ku Nan, ahli majlis tertinggi umno, sayap parti agar tiada PAU diadakan dengan alasan takut parti berpecah kononnya. Kamu tahu itu alasan anjing paling dayus yang sentiasa takut pada bayangnya sendiri.

Inilah perumpamaan dari "doktor" Jafri. Sesuai diguna pada naji\$ razak.

Salam Tun.

1. Rimba Emas sain 'Deklarasi Rakyat' atas satu sebab sahaja iaitu perlu ditukar PM dan Menteri Kewangan yang ada sekarang.

2. Sebabnya ada dasar-dasar yang diperkenalkan seperti GST, kes hutang 1MDB dan ketidak adilan dalam keseimbangan mengatasi masalah ekonomi yang melebihi tanggungan dikenakan pada rakyat kelas rendah daripada kelas menengah.

3. Lebih teruk lagi pembuat dasar menyelamatkan diri mereka sehingga tidak menanggung beban kewangan ketika kejatuhan ekonomi sebagaimana yang terpaksa di lalui oleh pekerja-pekerja kolar biru.

4. 'Deklarasi Rakyat' ini sudah tentu ada berbagai golongan yang berlainan dari segi bangsa, agama dan fahaman.

5. Disebabkan sistem kita lebih kepada mendapatkan majoriti dalam menentukan kemenangan maka terlihatlah golongan yang mungkin tidak disukai berada sama dalam 'Deklarasi Rakyat' ini.
6. Pasti yang menandatangani dapat bersama atas dasar amalan sifat membuat perkara yang baik yang ingin diamankan seseorang individu itu kalau ada dalam pegangan agama masing-masing.
7. Juga dalam 'Deklarasi Rakyat' rakyat yang tidak berada dalam Parti juga terlibat memilih seorang PM.
8. Deklarasi Rakyat bukan pemecah Parti sebaliknya Parti-parti berpecah ketika Pemilihan dalam Parti kerana berebut jawatan.
9. Lagi satu parti yang melawan parti PM sudah bertambah tetapi tidak dalam satu Pakatan.
10. Antara Deklarasi Rakyat dan Pilihanraya sepatutnya kita tahu yang mana lebih berkesan.
11. Bayangkan sudah berapa lama perjuangan Pas dan Parti-parti lain yang cuba menumbang BN. Adakah dapat melalui majoriti ?
12. Yang di penjarakan akibat fitnah politik usah fikir soal yang besar seperti memerintah melalui pilihan raya. Walau pun kita memandangi enteng Deklarasi ini. Ingat hikmah kuasa Raja ada untuk penghuni penjara.
13. Cuma kita kena betulkan soal sifat manusia yang sejak umat dahulu kala lagi tidak dapat membuang sifat jahiliah sebelum Islam sebab pengaruh syaitan.
14. Allah s.w.t maha berkuasa dan kebenaran dalam Islam akan tetap menang kerana satu hari manusia atau makhluknya akan binasa untuk dihisab kembali pada hari akhirat.
15. Untuk komen 'How to bribe Government' entah kenapa tidak dapat line, Rimba Emas hanya membenarkan sahaja kata Tun sebab semua kerajaan tidak kira zaman kini dan dahulu kala menggunakan sistem tentera dalam pemerintahan untuk menguasai jajahan takluknya.
16. Kaum yang pernah di musnahkan Allah s.w.t seperti di ceritakan dalam al-Quran juga menggunakan sistem tentera secara tersusun dan megah dengan kekuatan oleh umatnya tetapi musnah jika menderhaka kepada perintah Allah s.w.t.
17. Mudah sahaja Allah s.w.t memusnahkan umat yang melanggar perintahnya dengan kuasanya. Salah satu kuasanya ialah mematikan manusia yang durjana itu.

Wallahua'lam.

With Regard to Najib Ruling today

I see it as No difference in a book Animal Farm written by George Owel

It's about how two pigs name Napoleon and Snowball govern its community thru a system

A system of which they preach Democratic But in practice it is of Communist

It gives these two leader Napoleon and Snowball

A platform to advantage , to fool its own people

They lay the rule

All animals must be equal but they themselves bend the rules

All animal must walk on four legs but they themselves walks on two legs

All must not drink , they themselves are drinking and a lot more double standards

These is what is seen today in Najib Ruling

All must not misuse public funds , but it's seen likewise on Najib

Sejak peninggalan Allahyarham Tok Guru Nik Aziz, PAS sudah bukan lagi sebuah parti yang berprinsip, yang boleh dihormati Rakyat.

Kenyataan Hadi tentang kerelaan menggembala lembu UMNO jelas membuktikan yang dia tak kisah sangat bahawa PAS dijadikan parti hamba, asalkan dirinya mendapat manfaat/ jawatan tertentu.

Itu bukan caranya seseorang tokoh berpolitik. Janganlah perbodohkan Rakyat dengan penggunaan nama murni Islam untuk berpolitik demi kepentingan diri!

Para pemimpin BN haruslah diperingat supaya tidak lagi memperguna PAS untuk menumpaskan pihak Pembangkang. Strategi ini bagaikan bermain api yang akhirnya mungkin menyebabkan diri terbakar!

On 17 February 1959, the Turkish Airlines aircraft Vickers Viscount Type 793, registration TC-SEV, carrying Adnan Menderes and a party of government officials on a special flight from Istanbul to London Gatwick Airport crashed a few miles short of the runway, near Rusper, Sussex in heavy fog and caught fire. Nine of the 16 passengers and 5 of the 8 crew lost their lives. Menderes, sitting in the back part of the plane, survived the accident almost uninjured and was hospitalized at The London Clinic 90 minutes after receiving first aid from Margaret Bailey, a local resident who rushed to the crash site. He was on his way to sign the London Agreements on the Cyprus issue with the British

Prime Minister Harold Macmillan and Greek Prime Minister Constantine Karamanlis, which gave the three sides the right to intervene in Cyprus in case peace is broken by any of the parties.[6]

Menderes signed the London Agreement on 19 February 1959 in the hospital. He returned home on 26 February 1959 and was welcomed by even his arch-rival İsmet İnönü and a large [weasel words] crowd.

Semua orang tahu kisah penglipur lara, 'si anjing dengan bayang-bayang'. Hampir semua orang percaya mereka bukanlah seperti anjing yang tamak itu.

Mereka sedar bahawa segenap nikmat kebaikan yang sedia ada perlu disyukuri. Hidup mereka di bumi Malaysia bukanlah teruk seperti rakyat di Syria atau Kampuchea. Tiada pernah kita dengar orang didera atau mati kebuluran di Malaysia kerana perbezaan agama atau politik. Malahan orang datang dari Cina pun ramai yg hidup mewah kalau rajin bekerja dan berniaga.

Jika majoriti pengundi di SB dan KK tidak setuju dengan perangai anjing seperti dalam cerita rakyat ini, kita akan lihat wakil UMNO menang dalam PRK itu nanti.

Namun, ada anasir yang menghasut supaya orang ramai melepaskan nikmat yang sedia ada, meniru perangai anjing untuk berebut bayang-bayang ...

Assalamualaikum W.Wb.

Tun yg dikasihi,

Usaha Tun untuk menemui YDP Agong belum dapat perkenan bukan bererti Tun sudah gagal. Saya yakin dengan usaha berterusan InsyAllah akan menemui kejayaan. Mungkin dengan keputusan PRK yang mudah mudahan memihak ke suara rakyat akan membuka pintu hati YDP agong berkenan menemui Tun.

Oleh itu battleground PRK harus di teliti dan mendapat kesepakatan pembangkang dan bukan nya masing masing ego untuk memuaskan agenda masing masing. harus nya mereka lebih memntingkan suara rakyat demi perjuangan menegkakkan keadilan.

Sehubungan itu saya menyarankan sekali lagi supaya dua calon yang layak bertanding di kerusi parlimen PRK itu ialah 1. Khairudin Abu Hassan 2. Mathias Chang ATAU Ketua Gerakan Ketua Cawangan Umno YANG MENENTANG Najibbanglai.

Saya mencalonkan mereka kerana mereka ini membawa suara rakyat dan dalam PRK ini kita memerlukan orang yang berkecuali bukan dari mana mana parti politik pembangkang. Mereka ini akan menjadi calon bebas dan mereka ada mileage tersendiri atas apa yang telah belaku keatas diri mereka sebagai yang boleh di jadikan modal untuk berhujjah.

Saya juga setuju pendapat Tun yang mana PAS mungkin mencalonkan orang nya dan di saat akhir setelah penamaan calon di tutup mereka menarik diri. Ini bukan perkara mustahil dan pihak suara rakyat perlu mempersiapkan diri sebagai persediaan kemungkinan. Jadi sebaik nya dua orang calon mewakili suara rakyat perlu mencalonkan diri pada hari penamaan calon daan di gunakan sebagai platform untuk menyampaikan kepada orang ramai tentang keadaan semasa.

Memang keutamaan kita ialah satu lawan satu tetapi dalam keadaan pembangkang sentiasa loggerhead dengan agenda mereka pihak suara rakyat perlu membuat contingency plan.

Semoga dalam waktu yang terbatas sebelum penamaan calon harap Tun dapat menimbang cadangan saya dan cuba mengkaji akan kemungkinan pandangan saya ini demi menegakkan keadilan di negara kita yang tercinta.

Semoga Allah SWT memberikan kesihatan kepada Tun dan keluarga untuk menabur bakti dan memperjuangkan perjuangan yang belum selesai.

Wasalam.

Assalamualaikum Ayahanda Tun,

We totally agree with you dear Tun as my wife, children and I belong to no political parties. We are the so-called silent majority who never failed to vote for BN in the past general elections. (Kami bersetuju dengan ayahanda Tun sementelah isteri, anak2 dan saya tidak pernah menganggotai mana2 parti politik. Kami adalah kalangan pengundi atas pagar @ senyap yang tidak pernah gagal mengundi BN dalam PRU yang lepas2.)

Kami melaksanakan tanggungjawab kami sebagai rakyat marhaen yang telah disedarkan dengan seribu kebenaran oleh ayahanda Tun dalam menandatangani DR.

DR sememangnya deklarası rakyat dan bukannya deklarası Tun M dan Kit Siang atau apa jua tafsiran sempit mereka yang gundah gulana memandangkan sambutan yang diberi semakin hari semakin bertambah.

Apa yang jelas dan pasti Tun tidak menyertai mana2 parti pembangkang atau menubuhkan parti baharu walau didesak berbuat demikian kerana itu bukan objektif sebenar Tun dan kami.

Tun dan individu2 dalam parti pembangkang bekerjasama sebagai rakyat marhaen seperti kami menolak Perdana Menteri Malaysia yang paling korup dan yang paling berani menyalahguna kuasa eksekutif PM bagi menghalang dan menggagalkan sebarang usaha mendakwa segala salahlakunya yang jelas dan nyata hingga menyebabkan semua saluran ditutup atas arahan eksekutifnya.

Saranan kami yang kerdil ini kepada yang amat dikasihi ayahanda rakyat janganlah diambil kisah atau dalam bahasa orang2 sekarang 'jangan ambik pot' segala dakwah dan propanganda puak2 sebelah sana yang sudah ketandusan modal apabila melihat rakyat marhaen benar2 bersama Tun dalam DR.

Sayugia diingatkan puak2 ini juga yang dewasa ini terpaksa berhempas pulas menegakkan najis Najib yang telah bengkok dalam blog keramat ini dengan pelbagai nama samaran dalam usaha2 bodoh yang telah dapat dihidu kami apatah lagi mereka ini dalam payroll NBM dari kumpulan Jasa – abg lidah pendek Puad gergasi, kump Mad Mustlearn – exco IT dan team PMO termasuklah gaya bahasa Rahman Dahlah, Saleh asyik Keruk, Nazri anak Tan Sri @ romeo kg pisang, loya Aza anak perempuan atau lelaki pakcik Othman? dan yang sededak dengannya.

Tiada rakyat yang waras akan berkelakuan seperti mereka di atas di blog ini apatah lagi pengkomen yang lebih berwibawa dan agresif seperti Tok Jangut yang akhirnya insaf setelah membuat kajiannya sendiri sebab beliau tidak ambil dedak begitu juga dengan yang amat disegani uncle MC yang akhirnya akur bahawa Najib memang culprit dan mastermindnya bersama rakan sependosaannya no.1 Master Jolok!

Usah diperdulikan propa murahan apa yang penting mari kita bersatu demi membela nasib rakyat waihai pemimpin2 pembangkang dalam menghadapi dua PRK yang mana doa rakyat yang dizalimi telah didengari Yang Maha Mengetahui mana taknya bila mana NBM telah berkira2 menggunakan platform PRN Sarawak untuk memalsukan imejnya dia telah didera dengan bukan satu tapi dua ujian.

Walaubagaimana pihak rakyat harus melepasi ujian pemilihan calon tunggal bagi menjamin kemenangan mutlak rakyat terhadap rejim Najib.

"Ya ALLAH semoga kau berikan petunjuk dan hidayah serta kau lembutkanlah hati para pemimpin berkenaan.

Amin Ya Rab."

Wasalam Tun.

p/s – Usahlah dirisaukan kemungkinan PAS menarik diri dan memberi kemenangan percuma kepada

BN kerana pepatah moden ada menyebut 'baju sama2 pink, hati lain2' tetapi kalau perkara ini benar2 terjadi maka PAS bakal menerima balasan dari PenciptaNya diiringi doa rakyat marhaen yang dianiyai. Wallahu'alam.

Assalamualikum Tun.

HBT456 banyak melalut dan merapu, macam tidak siuman.

Setuju dengan kenyataan Tun pertandingan 2 PRK dalam masa terdekat ini adalah pertandingan Naji\$ melawan rakyat. Jika parti pembangkang tidak bersatu hati menunjukkan kesungguhan menjatuhkan Naji\$, bermakna rakyat tidak menunjukkan hala tuju masa depan negara yang jelas. Kekallah kuasa kuku besi Naji\$ untuk selamanya.

Semuga rakyat di dua kawasan parlimen ini memberi isyarat yang jelas bahawa rakyat menolak Naji\$ Razak.

Wassalam.

Salam,

To me, speed train is not needed, since you have AirAsia and MAS being competitive. You can travel light or with luggage. The choice is up to you.

Development in KL is congested everywhere, i dont wish to make it more congested by unnecessarily development that only benefit few million people. Its better you connect more city in Malaysia. Better production rates.

I prefer to invest in Malaysia. In this inflation rates. Buy Malaysian first. Good marketing plan and good product with competitive price. the flow are within the Malaysia. In this situation you can depend on your countrymen and countrywomen.

Mat Sabu can contest anywhere, hes the oppurtunist. But there no place for "half glass" person to influence him.

Assalamualaikum Tun.

Nampaknya momentum 1.2 juta DR menarik minat pembangkang dan perhatian Anwar Ibrahim.

Sudah tentu saya setuju agar BN kalah pada 2 PRK nanti.

Saya fikir pertolongan dari pembangkang tidak diperlukan. Sapi punya susu lembu dapat nama.

Online dan program DR sudah memadai meyakinkan penguasa tertinggi. Bukannya sebagai 'orang yang membangkang'.

Kita yang terbaik. Sentiasa memberi dan orang sekeliling sentiasa menagih dari kita.

Apakah kita tidak pernah letih dan terfikir alangkah baiknya jika diberi masa untuk keseorangan tiada gangguan?

Terima kasih Tun.

Dear Tun

Nak share news :

### **1MDB-linked banker told others to delete emails, court hears**

SINGAPORE: Yeo Jiawei, the former BSI banker linked to 1MDB, had told yet another person to delete all relevant emails and make himself unavailable for questioning by the authorities, the court heard yesterday.

Second Solicitor-General Kwek Mean Luck said: "It is believed that the accused is likely to have told others as well to suppress and tailor information."

– Tun, I pernah baca Paul Stadlen buat ini, he had shredded documents after being informed that pegawai kerajaan nak datang check – hal 1MDB. Khabarnya malam2 dia buat kerja, something like that la, tak ingat kat mana baca.

Salam Tun

Betul Tun, satu lawan satu. More than that bikin orang confuse saja. Pasal ini dulu kerusi BN, BN lak menang lagi.

Masa dulu, I admired Hadi. Masa muda I idealistic. Masih ingat amanat Hadi Awang? 

Sedutan ucapan ini adalah seperti berikut:

"Saudara-saudara sekalian percayalah,

Kita menentang UMNO, bukan kerana nama dia UMNO. Kita menentang Barisan Nasional bukan kerana dia lama memerintah kerajaan. Kita menentang dia ialah kerana dia mengekalkan perlembagaan penjajah, mengekalkan undang-undang kafir, mengekalkan peraturan jahiliyah. Oleh kerana itulah kita menentang mereka. Oleh kerana itulah kita menghadapi mereka. Oleh itulah kita cuba berlawan dengan mereka.

Percayalah saudara-saudara sekalian,

Perjuangan kita adalah jihad, ucapan kita adalah jihad, derma kita adalah jihad. Bergantunglah kita kepada Allah dengan (menghadapi) puak-puak ini kerana kalau kita mati melawan puak-puak ini, mati kita adalah syahid. Mati kita adalah Islam. Kita tidak perlu masuk Buddha, Kita tidak perlu masuk Hindu, Kita tidak perlu masuk Kristian, Tapi kita menjadi kafir dengan mengamalkan 'politik suku, agama suku'.

– source wikipedia

Lepas tu Nik Aziz pulak I suka. Nik Aziz dah tak ada. Hadi Awang? Sekarang rasa dia macam tak betul

lagi. Something not right with him.

Amanah? Bagus juga tapi masalah nya Amanah parti baru, orang tak tau sangat tentang Amanah. I

tengok muka Mat Sabu I ingat PAS aje.

Hadi tu ya ke nak kahwin dengan Najib? Apa orang PAS semua setuju dengan pernikahan ini? Atau Hadi hanya sekadar manis dimulut saja. Aku akan pinang kau, tetiba tak jadi, hantaran tak

cukup.

Nak imbau sikit kenangan lama :

Masa election 1999, I teringat kalau PAS sembahyang kat masjid tu, orang UMNO tak nak sembahyang situ. PAS juga sering guna masjid berpolitik. Penyokong wanita PAS sorok gunting dalam tudung, bila lalu kat banner BN malam buta, depa gunting. Bila dapat tangkap, depa kata "aku tak

halalkan kau dunia akhirat".

Salams Tun,

Saya tak tahulah PAS ni memang betul-betul perjuangkan Islam atau pun hanya menggunakan nama Islam untuk merebut kuasa. Apa yang dilakukan oleh PAS ketika ini seolah-olah menunjukkan betapa tamaknya parti PAS. Mereka lebih menumpukan kehendak parti melebihi kehendak rakyat.

Harapan saya agar orang-orang didalam parti PAS sedar akan tindakan mereka. Jika keutamaan parti diletakkan, saya percaya Barisan Nasional dibawah Dato Sri Najib akan menang besar.

Adalah tidak matang untuk membuat kesimpulan bahawa rakyat lebih suka PAS daripada Barisan Nasional. Jika mahu menang, menanglah dengan cara yang matang. Untuk memenangi hati rakyat bukan hanya sekadar cakap kosong kedai kopi, tetapi lebih kepada tindakan-tindakan dan perbuatan yang lebih berpihak kepada rakyat.

Wahai PAS, tunjukkanlah kematangan parti anda dalam berpolitik. Jika anda tidak mahu menjadi matang, anda akan hanya memanjangkan lagi usia kuasa Dato Sri Najib dan rakan-rakan selamalamanya.
