

THE PASSPORT PRIVILEGE
Chedet.cc
23 May 2016
Tun Dr Mahathir Mohamad

1.And now Najib's censorship will be exported. Foreign media must be put under control the way the Malaysian media is controlled. All reports must be in praise of 1MDB, Petro Saudi, Cayman Islands, British Virgin Island, the 2.6 billion Ringgit in Najib's private account, the 2.3 billion Ringgit which has been returned, the sacking of party members and leaders who failed to praise all the above etc. etc. etc.

2.How is the foreign censorship and control to be done. Simple. The passports are a privilege. Deprive Malaysians of this privilege.

3.Take away their passports if they fail to praise Najib when speaking to the foreign media. It is totally and absolutely the democratic thing to do. All democracies in the world take away the passports of their citizens if they tell the foreign media anything bad about their leaders. Malaysians, under Najib's democracy must do the same.

4.I will begin and I will set the example by praising Najib and the 2.6 billion Ringgit in his account sky-high when abroad. Any speech I deliver abroad and my answers in any interview by foreign media will highlight Najib's democratic arrest and detention of anyone who failed to report to the police about Najib's action to secure the country by declaring his critics are terrorists. I will never fail to talk about Najib's great contribution to Islam for which the Arabs gave him USD 681 million. Also about the freedom of speech of UMNO delegates to not talk about 1MDB and the 2.6 billion Ringgit in the great leader's account.

5.The passport is a privilege. It says so in the Malaysian constitution. The constitution and the law also says that if you don't praise Najib, the passport will be confiscated.

6.When I am abroad I will defend Najib and his democratic Government. I give my word that I (with my tongue in cheek) will do so.

7.Three cheers for 1 MDB and money in the PM's pocket.

8.Now the country will become a big prison for those who talk against Najib to the foreign media when abroad.

BM VERSION

KEISTIMEWAAN PASPORT

1. Dan sekarang penapisan media cara Najib akan dieksport. Media asing mesti diletakkan di bawah kawalan sepertimana media Malaysia dikawal. Semua laporan hendaklah memuji 1MDB, Petro Saudi, Kepulauan Cayman, Kepulauan British Virgin, 2.6 bilion Ringgit dalam akaun peribadi Najib, 2.3 bilion Ringgit yang telah dikembalikan, pemecatan ahli-ahli parti dan pemimpin yang gagal untuk memuji kesemua di atas dan lain-lain lagi.

2. Bagaimanakah penapisan media asing dan kawalan akan dilakukan? Mudah sahaja. Pasport adalah keistimewaan. Lucutkan rakyat Malaysia akan keistimewaan ini.

3. Tarik balik pasport mereka jika mereka gagal untuk memuji Najib ketika bercakap kepada media asing. Ini adalah satu perkara yang betul dan benar-benar demokratik yang perlu dilakukan. Semua negara berdemokrasi di dunia tarik balik pasport rakyat mereka jika mereka memberitahu kepada media asing perkara yang buruk tentang pemimpin-pemimpin mereka. Rakyat Malaysia, di bawah demokrasi Najib perlu melakukan perkara yang sama.

4. Saya akan memulakan dan menjadi contoh dengan memuji tinggi melangit Najib dan 2.6 bilion ringgit dalam akaunnya apabila berada di luar negara. Mana-mana ucapan yang saya sampaikan di luar negara dan mana-mana jawapan saya dalam temu bual dengan media asing akan mengetengahkan penangkapan demokratik Najib dan penahanan sesiapa yang gagal melaporkan kepada polis mengenai tindakan Najib untuk menyelamatkan negara ini dengan cara mengisytiharkan pengkritik-pengkritik sebagai pengganas. Saya akan terus menurus bercakap tentang sumbangan besar Najib kepada Islam yang mana orang-orang Arab telah memberikan kepada beliau USD 681 milion. Juga tentang kebebasan bersuara perwakilan UMNO untuk tidak bercakap mengenai 1MDB dan 2.6 bilion Ringgit dalam akaun pemimpin besar itu.

5. Pasport itu adalah suatu keistimewaan. Ini termaktubkan dalam perlembagaan Malaysia. Perlembagaan dan undang-undang juga menyatakan bahawa jika anda tidak memuji Najib, pasport itu akan dirampas.

6. Apabila saya berada di luar negara saya akan mempertahankan Najib dan Kerajaan demokratik beliau. Saya memberi jaminan bahawa saya (dengan mengulum lidah) akan berbuat demikian.

7. Tiga tepukan untuk 1MDB dan wang di dalam kocek PM.

8. Sekarang negara ini akan menjadi penjara yang besar bagi mereka yang bercakap menentang Najib kepada media asing apabila berada di luar negara.

Just because you criticise yr Leader that does not give any Authority
The right to disallow Rights to travel

So who gives Najib the right to travel
When himself was attached with many illegal doubtful questions

He certainly fooled Malaysia ,UMNO member , The Judiiciary system of Malaysia
When himself chicken out the relevant investigations

His 2.6 billion sounds near to 1MDB loses than his confession of the Saudis Donations
As in The Eye if the Dead Saudi donor

Najib is Untrustworthy
Money meant to forward to attempt to terrorists movement
What does Najib do exactly ? NOthing is known on terrorists
Spending luxuriously for his Family
That is much physically seen and known
His step Son ,his Daughter marriage more than Malaysia Sultan can afford
The Donators Sauds Family members must have arouse a protest if the dead sponsors did sponsors to Najib
It is common sense
Its a lot of money not say to us even to the Rich Sauds family

Najib belittle us Malaysia ,The Malaysia Law of coming with such a Crapz
Even Bill Gates will be a Fool to donates such a huge sum of money
No wonder none of the Sauds family raise No voice of protest as probably they also know theses donations doesn't exists

Only a Fool can understand . It implies to those UMNO member today

The passport ruling is a normal security procedure, and the real issue is not that it is bad but for those who intend to go overseas and sabotage the Malaysian economy, these are the ppl who feel their limbs amputated and mouths wide shut.

1. There was a time (think it was Dr M's time and prior) when we went abroad and were proud to be Malaysians.

2. In the last few years, when we went abroad, we have been ashamed. So many unresolved 'mysteries' that other people in the world know about. Corruption, MH370, MH17, 1MDB, conservative Islam, etc. etc.

We join in with the negativity. But I suppose now, at this juncture, Malaysians will need to sing fake praises. Where's our dignity? Our integrity? Completely gone.

Najib is selling malaysian resources to foreign entities behind the screen to balance the damage he did so far. Soon Malaysia may return to foreigner's hand i.e., Malaysian govt will be controlled and obliged to act according to their wish. By creating a picture of prosperous future, Najib and his family thinks they can escape from their wrongdoings.

Tun, foreign funds are massively selling Malaysian stocks sending the KLCI spiraling downwards in the past few weeks. Now with oil prices still in the doldrums, the 1MDB scandal is the last thing that this country needs. The way I see it, if Najib's party loses in the coming by-elections, the dissenters within UMNO will have a stronger voice to oust Najib before the next PRU. So much is at stake here, Tun. It is so sad that it has all come to this. We can only hope for the best outcome. So long as Najib is adamant to stay on as PM, he will bring the country down to its knees – with him.

Saya setuju dgn tindakan Tun memberi info dlm blog chedet ni..blog ni diikuti oleh pelanggan/pengguna media atas talian dalam & luar negeri..

Banyak manfaat sebenarnya setiap artikel yang diterbitkan dalam 2 versi. Kita sbg warganegara Malaysia dapat memahami isu semasa dalam negara dengan lebih baik & Tun sendiri menulis dalam bahasa yg mudah difahami.

Jadi kite sbg rakyat Malaysia sgt jelas bahawa bila Tun dituduh mensabotaj kerajaan @ menggulingkan kerajaan, kita tahu bahawa perkara itu adalah tidak benar.

Saya berkeyakinan bahawa bilangan 'pembaca senyap' (silence reader) adalah di luar dugaan. Ia lebih kurang dengan jumlah pengundi senyap (silence majority) yang begitu ramai bilangannya.

Blog ini juga menyumbang kepada pencapaian bilangan penyokong Deklarasi Rakyat (DR). Itu pun, mungkin ramai lagi yang terpaksa untuk tidak menandatangani Deklarasi Rakyat atas sebab-sebab yang kita semua faham terutama para penjawat awam.

Salam Tun,

You only have to declare 'I Will Die For Najib' and your Bankruptcy case will be withdrawn and you will be able to travel freely all over the world. This is what the Ketua Bahagian Kepong did. No need for him to die for his religion nor his family honor. He just have to die for Najib only.

And I am sure many UMNO members who amassed millions and without having to pay tax travel freely too. All these people already declared to die for Najib.

Those law abiding citizens who slowly and painfully paying their taxes since decades back even if the amount are small are stopped from travelling abroad. Their children have no chance to bring their parents who are already in the 60s and 70s to nearby destinations all because their parents never declare to die for Papa Najib and Mama Rosmah.

The DG of Income Tax rather prefer to polish Najib than to consider the plight of these Senior Citizens.

The DG have no Wisdom nor Compassion. He only knows ' Saya Yang Menurut Perintah ' to please Najib.

Salam Tun.

1. Bercakap melalui media dalam negara diharap tersiar kepada media-media tempatan. Bercakap kepada media asing hanyalah untuk santapan pembaca-pembaca media asing.
2. Pendekatan sekarang merampas pasport antarabangsa milik seseorang yang melaporkan hal-hal yang tidak baik berlaku dalam negara Malaysia bukanlah satu halangan menutup kebenaran.
3. Lagi pun menggunakan media arus perdana dalam negara atau luar negara juga seperti 'chedet' kita ni bukanlah satu usaha yang 100% berkesan.
4. Melalui media ini ibarat memberi tahu maklumat untuk disebar kepada pembaca-pembaca dan lebih kepada berapa ramai pembaca yang ambil peduli.
5. Jelas yang berani bertindak lebih jauh dan golongan-golongan di kenali aktivis atau bertindak secara terbuka mudah di kenakan tindakan.
6. Justeru dinasihatkan supaya pendekatan secara terbuka tidak digalakkan kerana pihak pembantah akan bersedia dengan berbagai halangan.
7. Pihak luar negara terutama pihak penguatkuasa atau penyiasat antarabangsa terutamanya badan bertindak jenayah yang terdiri berbilang bidang kuasa adalah sepatutnya menjadi tempat di ceritakan.
8. Sebab agensi ini kadang-kadang memberi perlindungan kepada yang berani membuat aduan daripada perkumpulan jenayah haram.
9. Malah dalam agama Islam sendiri Allah s.w.t melalui Rasulnya supaya berdakwah mengikut tempat, kesesuaian dan golongan yang ditemui.
10. Contohnya tidaklah bertepatan kalau kita membicarakan soal menolak harta benda kepada golongan miskin. Membicarakan soal keseronokkan di tempat kematian. Begitu juga sebaliknya persoalan kesedihan dan kematian di majlis suasana kemeriahan.
11. Tun berani bertindak memerlukan seseorang yang berani menegakkan kebenaran tanpa boleh dibeli dengan wang dan jawatan.
12. Kalau manusia gagal menangani manusia yang menolak kebenaran maka kepada Allah s.w.tlah patut kita kembali memohon pertolongan dengan kita sendiri mematuhi apa yang diperintahkanNya.

Wallahua'lam.

Najib may use his authority to stop people from going a broad but he can't stop our heart and mind. The world is watching on him.

I don't think DSN is stoppable. He'll continue to get everything going for him by bribing those in charge. I doubt he'll be defeated in the next general election as well. I hate to sound pessimistic, but that's just how I feel. All of our efforts would be in vain. But that doesn't mean we should stop trying. It would be great to see him stand before a court of law for all his wrongdoings, but it seems like a wishful thinking.

Dear Tun

Yup, you're right. We are told by the government that they have the authority to pull anyone's

passport because it is "a privilege", not a right. Wicked.

Assalamualaikum Tun.

Harap Najib tidak berniat memberi rasuah apabila mengumumkan berpuluh juta dilaburkan untuk Pasar Payang, Terengganu dan juga apabila beri penghargaan tokoh ulama Terengganu kepada Tokku Paloh yang diterima oleh generasi ke-4 sayyid, iaitu Sayyid Abu Bakar Sayyid Abdullah.

Saya mengucapkan terima kasih kerana Datuk Seri Najib sudi memberi penghargaan kepada tokoh ulama Terengganu tersebut di atas jasa beliau yang amat besar.

Seperti mana saya pernah maklumkan kepada semua bahawa penyelesaian ekonomi Malaysia pada 2008 diperolehi semasa saya berada di kawasan kelahiran Tokku Paloh (bila mana saya berkali kali mengatakan tidak tahu pasal ekonomi apabila didesak berulang kali oleh Tun Mahathir di dalam blog chedet ini) – masalah ekonomi ini telah didiamkan semasa pentadbiran Pak Lah.

Malah saya juga maklumkan berkenaan perkara dari mana penyelesaian tersebut berlaku di dalam blog 1Malaysia.com dan saya tuliskan di bawahnya "tidak perlu disiarkan".

Namun ia tetap disiarkan untuk bacaan awam. Mungkin kerana saya telah memberi pasport/kuasa kepada Datuk Seri Najib sebagai Perdana Menteri ke-6 di dalam kenyataan saya itu.

Namun begitu apabila saya dimaklumkan bahawa terdapat pelanggaran kuasa sebagai Perdana Menteri/Pemimpin Rakyat saya telah meminta Tun Mahathir jelaskan di dalam blog chedet ini apakah ia adalah kesalahan berat mahupun biasa biasa sahaja – mengenai 1MDB.

Saya perlu tahu dan perlu dijelaskan apakah yang berlaku.

Saya telah mengambil keputusan untuk menarik balik pasport Datuk Seri Najib sebagai Perdana Menteri ke-6 Malaysia.

Terima kasih kerana memberi penghargaan kepada Tokku Paloh. Dan harap ia bukanlah dengan niat rasuah.

Sesuatu yang tak elok jika niat tidak baik disertai dengan perbuatan lebih lebih lagi terhadap Wali Allah yang dijanjikan oleh Allah bahawa kekasihNya tidak pernah mati.

Dosa kepada rakyat malah jika tidak mampu berlaku adil dalam memerintah amat pedih balasanNya.

Datuk Seri Najib, ada perkara tidak boleh dibalikkan semula. Zalim kepada rakyat adalah salah satunya.

Semoga kita ditunjukkan ke jalan yang benar.

Allah Maha Adil.

Terima kasih Tun.
