

WHO IS MALAYSIAN OFFICIAL 1

Chedet.cc

08 September 2016

Tun Dr Mahathir Mohamad

1. It is interesting to note the admission by UMNO Minister Abdul Rahman Dahlan that "MALAYSIAN OFFICIAL 1" in the report by the Department of Justice, the United States of America is obviously Dato Sri Najib the Prime Minister of Malaysia.

2. Now what does the DoJ say about MALAYSIAN OFFICIAL 1 i.e. about Najib the Malaysian Prime Minister.

I. On page 13 para 39 the report says, "Upon its formation, MALAYSIAN OFFICIAL 1 i.e. Dato Sri Najib assumed a position of authority with 1MDB. MALAYSIAN OFFICIAL 1 (Najib) had the authority to approve all appointments to, and removals from, 1MDB's Board of Directors and 1MDB's Senior Management Team. In addition, any financial commitments by 1MDB, including investments, that were likely to affect a guarantee given by the Government of Malaysia for the benefit of 1MDB or any policy of the Malaysian government required. the approval of MALAYSIAN OFFICIAL 1 i.e. Najib."

II. Page 17 para 50. "A special meeting of 1MDB Board was held on September 26, 2009. Low (not a board member) also attended this meeting."

III. Page 11 para 29. "Aziz is a relative of MALAYSIAN OFFICIAL 1 (Najib) and a friend of Low."

IV. Page 55 para 178. "Once funds were transferred from Aabar-BVI to Blackstone, they were used to make payments to QUBAISI and HUSSEINY, who served as officers of both Aabar and Aabar-BVI to MALAYSIAN OFFICIAL 1 (Najib) and to 1MDB Officer 3."

V. Page 59 para 192. "The MB Consulting Account received another wire transfer of \$1,500,000 from the Blackstone Account on or about January 22, 2013.

3. Blackstone Transferred at least \$30 million to an Account Belonging to MALAYSIAN OFFICIAL 1 (Najib)."

VI. Page 59 para 193. "Blackstone also transferred at least \$30,000,000 to an account belonging to MALAYSIAN OFFICIAL 1 (Najib) shortly after receiving funds from Aabar-BVI."

VII. Page 59 para 194. "On or about Oct 30, 2012 – roughly seven days after Blackstone received \$75,000,000 directly from Aabar-BVI and roughly six days after it received \$360,000,000 indirectly from Aabar-BVI via Enterprise and Cistenique – Blackstone transferred \$5,000,000 into the account at Ambank in Malaysia held in the name of "AMPRIVATE BANKING MR."

VIII. Page 59 para 195 . "The bank account "Amprivate Banking MR" belongs to MALAYSIAN OFFICIAL 1 (Najib) and is the same account that received \$20,000,000 from the PETROSAUDI CO- FOUNDER in 2011, within days of the receipt by the PETROSAUDI CO-FOUNDER of funds from Good Star, as set forth in Section II.G."

IX. Page 59 para 196. "On or about November 19, 2012 – less than two weeks after Blackstone received \$95,000,000 from Aabar-BVI via Enterprise – Blackstone transferred \$25,000,000 to the same AMPRIVATE BANKING-MR Account belonging to MALAYSIAN OFFICIAL 1 (Najib).

X. Page 60 para 200 . "Blackstone was used as an intermediary to obscure the fact that 1MDB bond proceeds were being sent from Aabar-BVI – of which QUBAISI and HUSSEINY were directors – to accounts that were beneficially owned by QUBAISI, HUSSEINY, MALAYSIAN OFFICIAL 1 (Najib) and 1MDB OFFICER 3."

XI. Page 60 para 201 . "The funds sent to accounts belonging to QUBAISI, HUSSEINY, MALAYSIAN OFFICIAL 1 (Najib) and 1MDB OFFICER 3, as described above, were unlawfully misappropriates from 1MDB and/or IPIC."

XII. Page 60 para 202 . "Between June 18, 2012 and November 4, 2012 \$238,000,000 was transferred directly from Aabar-BVI Swiss Account to an account controlled by Aziz, a relative of MALAYSIAN OFFICIAL 1 (Najib)."

XIII. Page 67 para 229. "Funds transferred to the Tanore Account were distributed for the benefit of at least one public official associated with 1MDB. More particularly, very shortly after the bond offering closed, between approximately March 21, 2013 and March 25, 2013, \$681,000,000 was transferred from the Tanore Account to an account belonging to MALAYSIAN OFFICIAL 1 (Najib). Of this amount, approximately \$620 million was returned to the Tanore Account on or about August 26, 2013."

XIV. Page 71 para 242. "The offering circular also omitted material facts necessary to make its representations regarding the use of the bond proceeds not misleading, in that it failed to disclose that certain individuals related to 1MDB, including MALAYSIAN OFFICIAL 1 (Najib), would receive hundreds of millions of dollars from the proceeds of the bond sale within days of its closing. This fact would have been material to the bond transaction, as it would have alerted investors to the possibility of conflicts of interest and related-party transactions. The representation that ADMIC had not determined how all of the bond proceeds would be used did not encompass using those funds, beginning almost immediately after the bond issue, for the personal benefit of individuals related to 1MDB and their associates."

XV. Page 74 para 257. "Instead, funds from the Tanore Account were sent to an account belonging to MALAYSIAN OFFICIAL 1 (Najib), and were used by TAN and LOW to purchase art. Funds from the Tanore Account were also used by LOW to acquire a substantial interest in a luxury hotel in New York City. These uses were inconsistent with the intended purpose of the bond proceeds as set forth in the offering circular and the April 23, 2013, 1MDB press release."

XVI. Page 75. D. "\$681 MILLION WAS TRANSFERRED FROM THE TANORE ACCOUNT TO AN ACCOUNT BELONGING TO MALAYSIAN OFFICIAL 1 (NAJIB)."

XVII. Page 75 para 259. "Shortly after proceeds of the 2013 bond sale were diverted to the Tanore Account, \$681,000,000 was sent from the Tanore Account to a bank account belonging to MALAYSIAN OFFICIAL 1 (Najib)."

XVIII. Page 75 para 261. "This account belonged to MALAYSIAN OFFICIAL 1 (Najib) and is the same account that in 2011 received \$20 million from the PETROSAUDI CO-FOUNDER that was traceable to

the Good Star Account, as set forth in Section II.G. It is also the same account in 2012 received at least \$30 million from the Blackstone Account that was traceable to the Aabar-BVI Swiss Account and the 2012 bond proceeds, as set forth in Section III.E.3.”

XIX. Page 75 para 262. “On or about August 26, 2013, \$620,010,715 was wired from a different account at Ambank to the Tanore Account. This AmBank account also belonged to MALAYSIAN OFFICIAL 1 (Najib), and the transfer represented funds from the \$681 million payments that were being returned to Tanore.

XX. Page 75 para 263. “ The Attorney General of Malaysia publicly stated that he conducted an inquiry into the \$681 million in payments. In a press release issued on January 26, 2016, the Malaysian Attorney General confirmed that, “the sum of USD681 million (RM2.08 billion) [was] transferred into the personal account of [MALAYSIAN OFFICIAL 1 (Najib)] between 22.03.2013 and 10.04.2013,” and that, “in August 2013, a sum of USD620 million (RM2.03 billion) was returned by [MALAYSIAN OFFICIAL 1 (Najib)]” The Malaysian Attorney General ultimately characterized the payment of \$681 million as a “personal donation to [MALAYSIAN OFFICIAL 1 (Najib)] from the Saudi royal family which was given to him without any consideration.”

XXI. Page 76 para 264. “ Bank records associated with the Tanore Account show that TAN was the beneficial owner of the Tanore Account, from which the \$681,000,000 payments to the account of MALAYSIAN OFFICIAL 1 (Najib) were made, and that 1MDB OFFICER 3 was added as an authorized signor on the Tanore Account roughly one day before the first wire of \$620,000,000 was sent from the Tanore Account to the account of MALAYSIAN OFFICIAL 1 (Najib).”

Salam YAB dan Yang Amat DiKasihi Tun,

Maaf, pembetulan (ejaan):

If you think that DSN ('MALAYSIA OFFICIAL 1') should be allowed to be our PM until the next GE (you said this a few times in this blog), then it is also your right to do so.

—

Parti baru yang tidak dibenar guna singkatan nama 'BERSATU', mungkin boleh ubah sikit EJAAN.

Mungkin boleh guna singkatan 'BER-SATU'. Mengikut undang2 saya yakin ia dibolehkan (dalam komputer pun, 'BERSATU' tidak sama dengan 'BER-SATU')

Terima kasih Tun.

Salam YAB dan Yang Amat DiKasihi Tun,

Izinkan saya Tun,

Ada nenek 'nyanyuk' (sebab asyik merapu-meraban) yang pernah tulis di Chedet bahawa dia dan ANAK LELAKI dia undi DAP (Pembangkang) pada PRU-13 asyik mahu cari pasal dengan saya.

'Nenek' ini juga tidak faham bahasa dan kurang ajar.

Is it okay if I call you 'nenek', 'Aunty HBT456'? If you are a teenager, then it is fine to be ignorant/stupid and 'kurang ajar', but you are already 'tua bangka'. Malulah sikit!

You are free to support Anwar or Lim Kit Siang because it's your right. No one is stopping you.

If you think that DSN ('MALAYSIA OFFICIAL 1') should be allowed to be our PM until the next GE (you said this a few times in this blog), then it is also your right to do so.

But accusing me of 'sebar fitnah siber – about you' (I am referring to one of your previous comment in Chedet; I did not respond to your accusation at that time), then I think you are one blo*dy stupid and dumb old 'Mak Cik' (or it's better to refer to you as 'nenek nyanyuk?').

Maaf Tun, saya sudah hilang sabar dengan 'nenek' yang merapu-meracau dalam blog Tun ini. Jika beri komen balas terhadap orang lain pun dia jenis yang langsung tidak tahu adab (kurang ajar) langsung.

Terima kasih Tun.

Salam Dearest YAB Tun,

Allow me Tun:

///

KUALA LUMPUR, Sept 15 — Tun Dr Mahathir Mohamad has indicated that he does not know of any apology demand by the family of his former deputy-turned-nemesis Datuk Seri Anwar Ibrahim whose aid his new party is seeking to campaign against the Barisan Nasional (BN).

"No idea," he was reported by news portal Malaysiakini as telling reporters briefly last night during the opening of the Islamic Welfare Association of Malaysia's annual general meeting, of which he is president.

...

<http://www.themalaymailonline.com/malaysia/article/dr-m-says-no-idea-of-apology-demand-by-anwars-daughter>

///

There is no need for Tun to apologize. He (Anwar) was found GUILTY as charged. He was accountable for his own past crimes.

It is quite amazing how some people just could not differentiate between "supporting an action by someone" and supporting someone blindly and wholeheartedly (regardless of what that person had done in the past, and that person's other actions).

I believe Tun was just against the National Security Council Act 2016. It has got nothing to do with Anwar's previous wrongdoings (when actions were taken against him by Tun M).

It is the same with 'Malaysian Official 1'. DSN is fully accountable for his own misconducts.

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Assalamualaikum Tun,

Tahniah atas penubuhan Parti Pribumi Bersatu Malaysia. Tahniah juga kerana menjadi ahli yg pertama. Saya juga akan menyusul untuk mendaftar sebagai ahli seumur hidup. Saya rasa PPBM adalah platform paling sesuai untuk mereka yang tidak dapat bersengkongkol dengan rejim korup dan mahukan perubahan.

Dalam pada itu, saya dapati ada di kalangan pembangkang masih berdendam dengan Tun. Ada yang sampai tidak mahu bekerjasama tumbangkan Najib, kalau Tun tidak minta maaf. Belum apa-apa lagi, dah mula cari gaduh dan berpecah. Mereka lupa matlamat utama untuk jatuhkan kerajaan Najib.

Saya rasa masalah utama parti pembangkang ialah mereka tidak dapat bersatu. Pertelingkahan mereka inilah yang menyebabkan mereka selalu kalah dalam PRU. Mereka lebih suka bertelingkah yang hanya menguntungkan Najib.

Saya rasa Najib pasti tersenyum melihat semua ini.

Assalamualaikum Yun Mahathir,

May I suggest Tun starts to write a book title UMNO DILEMMA before the departure of UMNO from the face of earth....nothing is permanent...this same goes to UMNO...UMNO is no longer relevant if the same faces destroying UMNO within and lead to a natural death led by MO1...Bersatu can geared itself to accept other BN components to switch camp and let UMNO deteriorate and succumb to its own wrongdoings...lets not turn back and move together with Bersatu to a new Malaysia for Malaysian..

Assalamualaikum Tun,

Izinkan saya Tun. Tun, kita ada golongan Melayu menengah yang kuat pegangan agama, keimanan dan keyakinan, dan satu lagi golongan Melayu profesional yang mahir dalam teknologi, kedokteran, kejuruteraan, ekonomi dsb. Apa salahnya ada golongan Melayu yang bebas bekerjasama dengan

mana2 pihak atau parti untuk mencapai kecemerlangan dan kepentingan bangsa, negara dan agama tanpa prejudis. Collaboration is one of the key to success.

Kerjasama yang digerakkan oleh Tun dengan mana2 pihak tidak boleh dilihat sebagai memecahbelah orang Melayu tetapi sebaliknya untuk menangani perpecahan yang sedia ada secara diplomasi. Perbezaan parti patut dilihat sebagai satu perkongsian bijaksana, bukan satu pertentangan. A politician must have ideas, wisdom and visions for the good of the country, not for oneself.

Dengan kewujudan BERSATU mereka hilang fokus diatas tugas mereka yang sebenar dan gemar memainkan kata2 sindiran dan ejekan. Apa yang orang Melayu dapat daripada kelakuan ini semua? Mungkin oleh kerana BERSATU masih baru mereka akan kata parti ini tidak akan kemana2, tetapi percayalah parti BERSATU akan ada dimana2.

"HIDUP BERSATU!" "HIDUP PPBM!"

Semoga Allah Berkati dan Melindungi Tun sekeluarga dan PPBM. Jaga kesihatan Tun baik2. Terima kasih Tun.

It is indeed very frustrating when the Wheels of Justice grind so slowly, even in America. At least there is some movement. Over here there is no movement at all.

Let us be patient. The DOJ's civil action on the seizure of assets is based squarely on the fact that those assets were purchased with stolen money and the named thieves are the people who bought the properties. MOI is not named because none of the assets is in his name. Criminal action will follow, for sure, because the US will be a laughing stock if known criminals are allowed to go free as if nothing had happened while the assets are seized.

There surely must be more to come. The DOJ says about \$3.5 billion have been siphoned off while the Swizz AG says \$4.0 billion. Assets seized are estimated at only \$1.0 billion. So where are the rest? Has most of it dissipated in such a way that it is gone forever?

Salam Tun,

Saya ada satu point penting dalam Post Tun di atas.

Point Terakhir.

XXI. Page 76 para 264. " Bank records associated with the Tanore Account show that TAN was the beneficial owner of the Tanore Account, from which the \$681,000,000 payments to the account of MALAYSIAN OFFICAL 1 (Najib) were made, and that 1MDB OFFICER 3 was added as an authorized signor on the Tanore Account roughly one day before the first wire of \$620,000,000 was sent from the Tanore Account to the account of MALAYSIAN OFFICIAL 1 (Najib)."

.....

Penjelasan oleh DS Najib dan pemimpin UMNO dari Kerajaan kepada seluruh anggota masyarakat bahawa derma USD 681 million (RM 2.6 billion yang mahsyur di media) bahawa datangnya dari 'Pak Arab'.

Manakala dari statement atas ditulis bahawa 'beneficial owner' atau pemilik akaun Tanore Finance Corp yang menderma adalah Tan iaitu Eric Tan Kim Loong kenalan Jho Low.

Soalan PENTING....

Adalah Eric Tan Cina tapi bangsanya 'Arab'?

Mungkin Tun boleh tanya pendapat-pendapat orang ramai setiap kali memberi ucapan berkenaan Kes 1MDB.

The identity of MO1 is redundant in DoJ's pursuit of those guilty of laundering money in the US.

The ongoing investigations, based on stolen secret documents, inevitably will end with an acquittal.

The brain is dead.

Assalamualaikum Tun,

Malaysia do make beautiful headlines around the world. Another Malaysian (Malay?) involved in US\$1.5billion (RM6.08billion) money laundering scheme in the Maldives. When is Malaysia going to cease being well-known for the wrong reasons? What's going on? When did Malaysians start to be so cleverly crooked?

Are Malaysians' lives getting poorer, nasty and brutish that they had to resort to cheating and swindling?

Tun, what if when we found out that there's something fishy going on in the government, agency, organization or institution what do we do Tun? Do we report to the relevant officials with all the documented proofs? Can we trust our men of law? Is it safe to do the right thing? Or we might land in jail or be silenced? This could make or break our sanity and loyalty. But we will not succumbed to their ploy. We have Tun and BERSATU to hold on to.

Tun, as were known worldwide MO1 was mentioned 36 times in the DOJ report. And we know who MO1 is now, named and confirmed as DSN, PM of Malaysia by his loyal subject. Doesn't he want to defend himself or unless he already knew?

Tun, you know you're always under their lenses.

The famous 'Handshake of the Century' took them by surprise and shook their worlds to bits and pieces. Almost immediately they scattered their army of dedaks to do their dirty work just to find something to make you look bad. Instead they're biting their own tongues. The more they open their mouths the more they look bad and show their true selves, half-pass six men blurting out half-baked statements. They're forever wary of your every steps and moves. So Tun just relax and don't bother about whatever they say. Let them be anxious and guessing.

I trust your think-tank will come up with good and innovative ideas to spread and operate BERSATU to all Malaysians. I prefer and trust in the old-fashion way ie go to the BERSATU pejabat, fill in the forms and pass to the official concerned. But if it's your own authentic website Tun then I trust. Anyway, Congratulations and Long Live BERSATU!

May Allah Bless and Protect you Always Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety and Thank you Tun.

Salam Tun.

1. Ini adalah laporan oleh Jabatan Keadilan Amerika Syarikat dalam bahasa inggeris yang pastinya ada rakyat Malaysia yang akan mengundi nanti dalam PRU 14 tidak berkemampuan membaca atau ambil peduli.
2. Ramai dikalangan rakyat berkeluarga selalunya bergantung kepada kaum keluarga dan rakyat yang perihatin yang akan bercerita tentang laporan ini.
3. Jadi kalau yang bercerita kalangan ahli keluarga atau saudara-saudari seMalaysia yang jarang dapat mempengaruhi seseorang lain pasti cerita ini akan hanya bicara bagai masuk telinga kanan dan keluar melalui telinga kiri. Mungkin ada terlekat dalam otak tetapi bukan ilmiah buat seseorang memahami tujuan memilih dalam mengundi.
4. Golongan pengundi ini barang kali lebih mengerti kalau diberitakan duit-duit yang di ambil ini ada di gunakan dalam tujuan jual beli yang di haramkan dalam undang-undang sesetengah negara dan juga sesetengah agama .
5. Judi atau arak risikonya tinggi kerana ada kesan sampingan yang memudaratkan manusia. Jadi yang bukan beragama Islam pasti setuju akan perkara yang di jatuhkan haram dalam agama Islam ini.
6. Dalam kehidupan harian kita kenangilah harapan ibu-bapa kita yang hendakkan kita menjadi baik walau pun tidak tercontoh oleh yang menasihati kita. Maknanya dia ada menerima ilmu kebaikan dari sumber yang baik.
7. Begitulah dalam perbuatan baik kita pasti membahagiakan manusia lain. Sebaliknya perbuatan buruk akan ada menyusahkan manusia lain.
8. Jadi ketika kita keluar mengundi perlulah kita mengingatkan diri kita bahawa pemimpin yang sepatutnya kita pilih seorang yang baik dan tidak melakukan atau bekerjasama dengan manusia yang kita serta keluarga kita sendiri tidak mahu lakukan.

9. Semuanya kerana tuhan yang menjadikan kita kerana manusia akan kembali kepadanya.

Wallahua'lam .

Dear Tun,

Tahniah Parti Pribumi Bersatu Malaysia telah diluluskan hari ini 08/09/16. Tahniah sekali lagi pada 05/09/16 Tun telah memecahkan satu lagi tembok halangan serta mengorak satu lagi langkah ke hadapan. Jangan Tun teragak-agak untuk terus mengorak langkah mengubah paradigma dan

mengatasi pantang-larang kuno yang diwujudkan oleh UMNO menyebabkan orang Melayu hidup sebagai hermit di dalam shell tempurung.

Tun, sudah terang lagi bersuluh MO1 itu memang PM kita walaupun nama tidak disebut dalam lawsuit untuk menyita harta yang diperolehi daripada kleptokrasi kita semua tahu bahawa kleptocrat cum thief-in-chief adalah PM kita. Dunia tertawa melihat rakyat Malaysia berteka-teki tentang siapa penyamun lahanat ini sedangkan satu dunia sudah tahu siapa dianya. Pemimpin pencuri harta negara duit rakyat yang dikutip dari cukai dan simpanan hari tua. Sedap saja dia ambik untuk kegunaan dia, isteri, anak-anak, keluarga, kawan-kawan dia. Rakyat Malaysia sudah diperbodohkan oleh si kleptokrat yang bertopengkan muka arwah ayahandanya.

Tun Mahathir teruskan usaha menyatukan semula orang Melayu serta rakyat Malaysia yang berbagai bangsa, agama, budaya. Walaupun bersama pakatan pembangkang tetapi sudah sampai masanya Tun menyedari bahawa musuh sebenar yang sedang menjahanamkan negara bukanlah pembangkang tetapi adalah UMNO sendiri dengan BN yang selama-lamanya akan membahagi-bahagikan bangsa, agama supaya ia UMNO-BN dapat kekal berkuasa. Selama itulah rakyat akan dibendung kebodohan, kemiskinan, kemunduran, mintak sedekah, manakala para pemimpin kerajaan khususnya UMNO akan mengaut kekayaan yang bukan hak mereka.

Bukalah matahatimu wahai Tun yang dikasihi. Tidak jatuh harga diri kita dengan berdamai dan meminta maaf kerana Tuhan maha melihat dan mengetahui isi hati kita. Begitu kami rakyat mengharapkan DSAI dan isteri serta anak-anaknya akan dapat melakukan pengorbanan yang amat besar dengan menerima dan memaafkan. You will be amazed at how forgiveness really will set you free!

Take care Tun Mahathir. Stay strong amid what people may say. May Allah bless you dear Tun.

As long as the the current IGP, AG and MACC head are holding their post, Najis will escape from the clutches of the law...those germs must be removed from those posts before the law takes on Najis and his family.

Salam Tun,

It is very funny for me to see people comparing George Soros's accusation of yourself with the DoJ's civil suit. The DoJ's suit, and its core documents clearly outlined the evidence that they based the suit on. If people bother to read until the end of the document the FBI agent in charge, swears on its authenticity, on pain of perjury.

What this means is that the FBI can produce these evidence(s) if asked (which will be done when the court case commences). These are not baseless allegations.

In any case, your outlining the paragraphs mentioning MO1 then substituting DS Najib, makes the DoJ's allegations even more damning. It is good to keep reminding people about this issue, whether they say its stale or not.

Thank you and take care Tun. May Allah Bless you and family and the people of Malaysia. May we have harmony and peace and may Allah guide our country to a better place.

PS: I am always reminded when Allah reminds us that he will only change a peoples fates if they themselves change.

The DOJ case reminds me of police detective movies where the cops put together a profile of the "WANTED" criminal identifying all know characteristics of the suspect like sex, height, age, hair color and facial features. Any person resembling the profile would be a suspect, the more the features match the higher the likelihood but they can't be absolutely certain.

Now all of us do not need to play detective and can be 100% certain since the minister admitted that Najib is MO1 and Najib himself did not deny...

The natural course of justice (if Malaysia is a country with rule of law) is for PAC, the AG, police and MACC to reopen the case against Najib. However since the authorities refuse to act, then they are announcing to the world that Malaysia does not operate under the rule of law...

No one will be willing to invest (and visit) a lawless country and Malaysians will suffer and decline into a state worse than North Korea (at least they have Nuclear Weapons which can be used as a bargaining chip).

If Malaysians are still apathetic and do not act, then all is lost. Tun will not be around forever to spearhead the drive to put Malaysia back to the correct path...

"Najib: Nice seeing you Mr President!"

The way he tweets shows that he is so desperate to cling on to the PM post. Looks like showing innocent face to everyone and asking for forgiveness for his wrong doings...

for Kamarulaznan.

Its DrM's right of reply. Which he nowadays is eager to urge on others whilst he himself dares not face Soros for a retraction.

Assalamualaikum...

YABhg Tun,

Saya ucapkan setinggi-tinggi tahniah kepada Tun dan mereka yg terlibat kerana telah berjaya menubuhkan Parti Pribumi Bersatu Malaysia (PPBM – telah diluluskan oleh pihak ROS pagi ini). Alhamdulillah...

Walaupun kelulusan tersebut bersyarat, tidak dibenarkan penggunaan singkatan BERSATU, tidak mengapa sebab kita semua tetap BERSATU dalam menangani kemelut yg melanda negara pada masa kini. Semoga segalanya dipermudahkanNYA... Amin.

Tolong jaga kesihatan, Tun.

Hidup PPBM!!!

From my personal point of view, Tun will not be able to create major impacts in this MO1 issue

However, things might changed after the US presidential election on this November

If won by Hillary Clinton, most likely things remained the same as what we have today. Still many clueless phrases in the lawsuit

If won by Donald Trump, a drastic change might happens, as his political direction still unknown

If Soros can back the accusations with solid facts then by all means go ahead, but this does not preclude/affect the current accusations against Najib, which already have tons of solid incriminating evidence against him.

According to your logic, it is ok for you to steal if your neighbour was accused of stealing? Unfortunately due to your greed and stupidity you were caught pants down... You tell the police to investigate your neighbour first before hauling you to the police station?

Dear Tun,

Thank you for putting in perspective the direct link between MO1 and the amount of money MO1 received as per the DOJ report.

As I see it, you are the only individual with the capacity to mastermind the ouster of DSN and see to the revival of our economy and global standing.

I see that you have already set the ball rolling with the new Malay based party to neutralize the UMNO effect on the ellection. Not to mention beginning the process of rehabilitation with DSAI.

There are 2 main areas of concern that may disrupt the chances of winning next ellection:

1. In fighting for seats among component members.
2. The level of money politics and tacticts that BN will employ.

I really hope you can bring back the glory days of Malaysia.

Salam Tun.

Assalamualaikum Ayahanda Tun,

Izinkan kami berbicara sepatah dua dengan pengelola blog ini En Ad Bin Min berhubung penyusupan semula tentera siber upahan Najib yang secara terang2an bongok (tolong jangan siarkan laporan ini

ya) khususnya kalau kami tak silap orang menjurus kepada si kepala botak gemuk orangnya dari Pekan mamat Iskandar anak Awang Posmen yang juga sama terkenal di kampung halamannya.

Sekira di tanya perihal mamat ni pada Cikgu Girl banyak sekali informasi dan carian cacian dapat diketemukan.

Namun bukan hasrat kami mencari keburukkan sesiapa tetapi En Ad mungkin perasan kehadiran tak di undang karl-iskandar sedikit masa dahulu dan apa nawaitu dia.

Setelah buat seketika dia menghilang tiba-tiba nama karl timbul pula kali ini lebih pendek

macam orangnya (tolong jangan siarkan) namun apa yang mengejutkan atau dengan kebongokkan dia terus ke pautan Bersatu online kununnya.

En Ad segar dalam ingatan kami kata2 ayahanda Tun bagaimana Tn Hj Najib Al Jolo telah menutup semua saluran yang ada untuk menegakkan kebenaran justeru mengapa perlu kita membuka saluran untuk barua2 dia bagi tujuan mensabotaj perjuangan BERSATU.

Cuba semak kehadiran mamat ini melalui pautan BERSATU dan PRIBUMI dalam topik SURAT TERBUKA dan bagaimana mereka cuba memperolehi maklumat2 peribadi bakal2 ahli BERSATU dan sebagainya.

Cegah sebelum parah..

Cantas sebelum cambah..

En Ad perlu pro-aktif dalam hal2 seperti ini dan kemungkinan mamat ni juga adalah dalang botak yang menjadi hacker blog ini tempoh hari.

Sekian. Terima kasih En Ad.

Wasalam Tun.

p/s – Si botak tidak ada kena mengena dalam kemelut ini sebab Si botak blog ini orangnya bukan sahaja bijaksana tapi bijaksini dan lebih hensem dan tinggi orangnya macam otai sini bro

zubir@taiping (bila nak menongkat ali tepi tasik yop jangan lupa bawa vespa tok saad norr).

TAHNIAH PARTI BERSATU TELAH DILULUSKAN HARI NI KE SEMALAM?

Kalau hari ini no. 8 tu ada ong la..

Kalau semalam no. 7 – Magnificen 7lah.

Apa2pun,

BERSATU BERJAYA..

RAKYAT TERPELIHARA..

BERSATU BERJAYA..

RAKYAT SEJAHTERA..

Jom kawan2 kita raikan berita baik ini dengan sama2 hadir ke Ampangan, Negeri Sembilan dalam program pertama BERSATU setelah diluluskan pada hari SABTU JAM 8 MALAM 10 SEPTEMBER 2016 – SELAMATKAN MALAYSIA !

Nantikan ucapan Tun M, TSMY, Cikgu Kamarul dan Anina.

Perhaps DrM should also answer to George Soros who accused DrM of corruption?

Assalamualaikum Tun,

A crime is still a crime,whomever commits it. Najib supporters are saying any attempt to charge Najib is an attempt to topple the democratically elected goverment. They went further to say if you to topple Najib, go through an election. This effectively means Najib can do anything and he is above the law.

First of all, I really don't care if Najib remains Prime Minister for another thousand years even. But he should face trial just like everyone else if indeed a crime has been committed.

Secondly, election and crime committed are two VERY Different things.

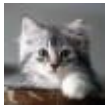

Even if you win 1 billion elections, if you commit a crime, you still go to jail.

Somehow, Najib supporters have this idea, if Najib wins the next election, he is immune for all the alleged crimes committed by him.

This means as long as you win elections, you can't be charged for any crime.

Where is the rule of law? Where is no one is above the law?

If indeed the Prime Minister is immune from any charges, the laws need to be amended. All crimes committed by any citizen shall be charged EXCEPT FOR the Prime Minister. Then we know, by law, the Prime Minister is indeed above the law.

Salam Tun,

Are we bitching about this or is it facts? Mmm... some commentators simply do not understand the difference between those two.

And Faridina, not to worry if being labelled 'pembodek', as most importantly our conscience must be very clear in fighting these corrupt practices.

Thanks Tun.

Assalamualaikum Ayahanda Tun,

My god at your age you not only took the effort of going through the NSC Act and the Constitution for us but now you are going thoroughly on the MO1 issue as per the DOJ report.

It's okay if there are people out there who want to name us as your 'pembodek' but we can't just be sitting and do nothing so as to only be spoon fed by not so old man of 91 years old . Anyway thanks a billion Sir !

On page 11 para 28. MALAYSIAN OFFICIAL 1 is a high-ranking official in the Malaysian government who also held a position of authority with 1MDB. During all times relevant to the Complaint, MALAYSIAN OFFICIAL 1 was a "public official" as that term is used in 18 U.S.C. § 1956(c)(7)(B)(iv) and a "public servant" as that term is used in Section 21 of the Malaysian Penal Code.

Please take note this represent the amount traced by DOJ only which is a portion of the missing USD7billion untraceable as reported by the Auditor General.

Given the exchange rate is only RM3.20 per 1 USD at that particular time Najib will be richer by RM 355 Mil + RM 42 Mil (donation from SRC) almost RM 400 Million.

It could be more than that we just have to wait dear all fear Najib!
