Tun Dr Mahathir Mohamad

1. It is amusing to read about Dato' Sri Najib urging Malaysians to have high cultural and moral values. Even more amusing is his demand for the world to respect his Malaysia.
2. But then Najib does not believe in leadership by example. He apparently believes in doing what "I tell you to do and not what I do".
3. But whether he believes in leadership by example or not his followers cannot help but look up to him as their model. Accordingly his UMNO followers have become as corrupt and immoral as him.
4. How on earth does he expect that in 33 years time, through his 2050 Transformation Slogan, Malaysian would possess high moral values and culture?
5. Najib is not an example of a person of high moral values. In the first place he believes that cash is king. This simply means that people can be corrupted to make them do anything; to vote for BN in the next election for example. As a result Malaysia has been classified as one of the then most corrupt countries in the world. Do people respect a highly corrupt country.
6. And the money for corruption will come largely from stolen 1MDB money. Incidentally there seems to have been no audit of 1MDB money over the last two years. Is this something which will make the world respect us.
7. Now we hear reports of senior civil servants having hundreds of millions of Ringgit which had obviously been acquired corruptly. Far from achieving higher moral values, it seems the values have deteriorated under Najib. Morality and culture are going from bad to worse. Merely introducing a new slogan about Transformation in 33 years is not going to spin Malaysians around to possess high cultural and moral values.
8. Actually Najib's call to Malaysians to achieve high moral values and culture and for the world to respect Malaysia is ludicrous. Currently Malaysia's name is mud to the world. Malaysians are ashamed to admit they are Malaysians when abroad. Such as the reputation of Malaysia caused by Najib's 1MDB losing billions of Ringgit, money laundering and the billions found in his banking account.
9. Worse still is the fact that he is still the Prime Minister of Malaysia. In Brazil and South Korea, mere suspicion of corruption has resulted in suspension and arrest. But in Malaysia Najib is safe and is brazenly telling Malaysians to be honest, and demanding the world to respect this corrupt country.

Salam Dearest YAB Tun,

1. I am not surprised to see Adam Rosly (PKR Youth Head) being charged "with 6 counts of giving false statements and documents" (money laundering).

///

<http://www.thestar.com.my/news/nation/2016/11/15/adam-rosly-i-purchased-house-with-hard-earned-cash/>

<http://www.themalaymailonline.com/malaysia/article/pkr-youth-leader-claims-bought-mansion-using-loan-from-family-friends>

<http://www.themalaymailonline.com/malaysia/article/pkr-youth-leader-posts-last-minute-rm300000-bail>

An excerpt:

"Among others, they concerned his employment as a businessman and income, as well as on his purchase of luxury cars, a bungalow worth RM1.2 million in Kampung Melayu Ampang which he paid in cash, loans of RM200,000 from his mother-in-law and grandmother, and RM500,000 from "Ah Long" (loan shark)."

///

2. Last time Adam Rosly (when he was first accused of having 'extraordinary wealth') claimed that he is from very rich family and is a successful businessman ("He explained that he made his wealth through various businesses that he inherited from his family."). Inheritance? Macam pernah dengar saja alasan ini... I wonder why he did not use 'Derma Pak Arab' to justify all of his 'wealth'...May be because he's not the PM!

3. Borrowed money? But last time he said that he bought the 'castle house' with hard-earned (hahaha...) money. (kaki hutang macam PM Najib @ Ah Jib Gor ke?).

4. Normally, liars tend to forget their lies.

5. The main question: "How many people of his age (older or younger) have extraordinary/ unusual wealth and are still free to carry out illegal activities/businesses to generate 'hard-earned!' money?"

6. This is the reason why I said both sides (Najib's regime & Oppositions – minus PPBM, for now) are equally 'hampeh/haprak'. I believe Adam Rosly is not the only one having 'kekayaan luarbiasa' in the other side of the fence...

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Cock, oppps Karl, you cannot even answer my simple questions. How you going to qualify yourself to carry on debating here? You are bringing shame to sufism as the substance of sufism is Truth. Sufism also able to provide you to purify your inner being. Where on earth you can find a person practising sufism and yet he is supporting stealing, cheating, dishonoring of oath etc. You must find a true sufi

master rather than an illusion master and end up becoming a parrot of sufism or maybe your master is rich but only pays you peanut. Don't forget to check your genetic DNA.

Though 1MDB was not even justified in the Court of Law
As it was being Corrupted by The Prime Minister himself
Abetted by The Chief AG Apandi

We managed to Shut both Mouth and they both unable to face reality
The people as a Respected Man of Honor

Even Najib as a PM
The people are reluctant to hear his Speech
As Najib himself cannot utter a word of to be Honest
As an advice to the People

Najib has Buried his name Alive
He is an example of
The Living Dead Prime Minister of Today
No wonder Rosmah was very Timid these days

Sad to See , Sad to Hear
But it is their own wrongs doings and incompetency

So what's next ?

6. O you who have believed, if there comes to you a disobedient one with information, investigate, lest you harm a people out of ignorance and become, over what you have done, regretful.

7. And know that among you is the Messenger of Allah. If he were to obey you in much of the matter, you would be in difficulty, but Allah has endeared to you the faith and has made it pleasing in your hearts and has made hateful to you disbelief, defiance and disobedience. Those are the [rightly] guided.

8. [It is] as bounty from Allah and favor. And Allah is Knowing and Wise.

9. And if two factions among the believers should fight, then make settlement between the two. But if one of them oppresses the other, then fight against the one that oppresses until it returns to the ordinance of Allah. And if it returns, then make settlement between them in justice and act justly. Indeed, Allah loves those who act justly.

10. The believers are but brothers, so make settlement between your brothers. And fear Allah that you may receive mercy.

11. O you who have believed, let not a people ridicule [another] people; perhaps they may be better than them; nor let women ridicule [other] women; perhaps they may be better than them. And do not insult one another and do not call each other by [offensive] nicknames. Wretched is the name of disobedience after [one's] faith. And whoever does not repent – then it is those who are the wrongdoers.

12. O you who have believed, avoid much [negative] assumption. Indeed, some assumption is sin. And do not spy or backbite each other. Would one of you like to eat the flesh of his brother when dead? You would detest it. And fear Allah; indeed, Allah is Accepting of repentance and Merciful.

13. O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted.

14. The bedouins say, "We have believed." Say, "You have not [yet] believed; but say [instead], 'We have submitted,' for faith has not yet entered your hearts. And if you obey Allah and His Messenger, He will not deprive you from your deeds of anything. Indeed, Allah is Forgiving and Merciful."

15. The believers are only the ones who have believed in Allah and His Messenger and then doubt not but strive with their properties and their lives in the cause of Allah. It is those who are the truthful.

16. Say, "Would you acquaint Allah with your religion while Allah knows whatever is in the heavens and whatever is on the earth, and Allah is Knowing of all things?"

17. They consider it a favor to you that they have accepted Islam. Say, "Do not consider your Islam a favor to me. Rather, Allah has conferred favor upon you that He has guided you to the faith, if you should be truthful."

18. Indeed, Allah knows the unseen [aspects] of the heavens and the earth. And Allah is Seeing of what you do.

Semuga kesihatan Tun dan kita semua sihat walafiat.

Apalah kambing hitam seekor ni bernama "Karl" merapu tidak tentu pasal.

Karl ini adalah seekor kaldai tunggangan Najis Razak.

Makanannya cuma "dedak" iaitu wang haram kepunyaan rakyat yang disalah guna oleh Najis.

Sekarang sudah jelas dan nyata pemimpin-pemimpin PAS juga sudah termakan "dedak" ciptaan Najis Razak.

Sekali termakan maka bodohlah selama-lamanya hinggakan sanggup menggadaikan maruah agama dan bangsa.

Tetapi Tun, setahu saya orang yang termakan "dedak" berNajis ni, umpama orang yang sedang bercinta, apa pun dikata apa pun kita nasihat, semuanya indah belaka.

Kita boleh agak, PRU14 sudah dekat, walaupun mandat masih tinggal satu tahun setengah, apabila:

1. Pembesar UMNO mula buat sesuatu yang pelik, seperti ikut-naik lori-kutip-sampah, tolong angkat sampah, selepas solat subuh.

2. Melakonan adegan menyapu sampah di perkarangan Masjid.

3. Bila Najib sudah kembali memperjuangkan Agenda Memperkasakan Bumiputera dan disiarkan begitu gah sekali melalui RTM & TV3.

Pada masa yang sama juga, Ahli PPBM buat pengumuman keluar Party berdekatan PWTC dimana Agenda Bumiputera-Najib sedang berlangsung.

Hakikatnya... UMNO-Najib sudah mula berkempen PRU14.

Maka... 'hidup' kembalilah Altantuya... bahana orang-tengah kelabu-asap Najib, bernama Razak Baginda.

Juga scandal pinjaman RM30 Juta tanpa faedah Deepak Carpet dari Bank Rakyat.

Peranan Jho Low dalam 1MDB... tak payah cerita la... masih panas.

It's surprising to learn that judicial commission members appointed by PM in Malaysia...what the hell is this law????!!

This definitely will not bring favorable justice to common man but Najis the looter...

I thought election commission and judicial commissions are completely independent entities like in other countries...

So eventually the thief appoints the judges...LOL

A Subuh Conversation

We have to rescue DrM.

Rescue him from what? I ask.

From anger and bitterness. It's one of the most toxic and destructive of human emotions. Those who are overcome by anger as death approach them, sakaratulmawt, these people have failed and violated their own soul. It'll be a bad ending for DrM. Su'ul khatimah. If he chooses to stay, to continue with this anger. We have to rescue him.

But what if he's not angry. If he feels okay doing all these? I wanted to ask my Sufi master, but on second thought, I refrained, because, that would be a useless question since the signs are all over the place. *Wa fi anfusikum afala tubsirun?*

Apabila soal 1MDB tidak terjawab hingga kini

Banyak lagi persoalan lagi yg merangkap Najib berkaitan dengan pengurusan beliau seperti Penyerahan Tanah KTM Tanjung Pagar di Singapura, Pelabuhan beliau yg tidak di ketahui di Singapura

Persoalan Air , Persoalan Pembanagunan Johor yg menggunakan Modal ,Kepakaran China hingga Johor Dayus tidak mampu membangunkan sendiri walau sudah Merdeka berabad lama dan banyak lagi

Saya juga hairan mengapa Kerajaan Singapura

Tidak menangkap Najib sewaktu Najib di Singapura sedangkan mereka sudah menghukum beberapa pegawai yg berkaitan

Sedangkan AG Amerika juga sudah mengesahkan Najib juga terbabit

UMNO ,Pembangkang juga anggota Kerajaan perlu memerhatikan Najib
Sebab PRU akan menjelang tiba , setibanya ketibaan Ramadan
Najib sudah dan akan lebih Keresahan dengan munculnya Anak Bulan PRU

Setibanya jika Najib & The First Lady lari
Kita 1 Malaysia perlu menyusulnya lagi

Assalamualaikum Tun,

Pokok pangkalnya, the main character and the extras in the 1MDB saga and RM2.6 billion drama have not been honest and truthful from the very first chapter. People became angry and clamour for the truth. The sad thing is they hide everything the people deserve to know.

1MDB is the greatest cunning robber ever existed in Malaysia. No amount of law can stop it from making fun of the people's money it has robbed – for now. Didn't someone in MoF said that 1MDB is closing shop and all assets transfer to mof. So where did it get the money from for all its spendings. Isn't 1MDB still under investigation and being probed by the igp and the international investigators? Can 1MDB still do legitimate businesses? 1MDB is a government entity and all Malaysians are its shareholders, so we are bound by it to pay for the debts and financial blunders created by these 1MDB people.

People of Malaysia became the victims and have to carry the blame as we the rakyat elected them, so very unfortunate. They're supposed to head the country with great integrity, to organize its economy efficiently and honestly, to disperse the country's wealth accordingly and enrich its population equally. But alas, only the few elites, the powerful and the influential, get to fill up their bank accounts without miss. While the rest of the population have to work hard to earn a living and pay gst for every sweat dropped. To enrich the entire people would mean they would lose their power over the population, so they would delay dele on promises made – carried forward to next pru and the next and so on. Well, that's the 'beauty' of politics to them, the small to be run over by the big.

Now, how did RM2.6 billion found its way into the PM of Malaysia's private bank account? Was the Rm2.6 billion given to him as the president of umno, or as chairman of 1MDB, or as minister of MoF, or as PM of Malaysia or all of them? After the discovery, they set on offensive mode, denial after denial by his goons. Didn't one of them say he must be stupid to stash RM2.6 billion is his own account. So he sent his new tpm on a hunting trip to S.Arabia to dig out for some excuses to bring back home to appease the people. The new tpm came back home saying he met the king, the donor and that's that. Then came along arab foreign minister and said the donors are more than one businessmen – nope a prince businessman and the money is a 'gift' to fight Islamic terrorism – nope to use for the umno ge – nope for the country's ge – nope to use as he pleases. Now, as an arab muslim he cannot and should not lie, right. So many excuses created, which one to believe? The Arabian trails left behind are so full doubts leaving more questions than answers.

The thing is all the bla bla bla statements of defense did not come out from his own mouth but from his pengipas2. They're desperate and they would do anything to stay in power. They brought in

foreign dignitaries, world leaders, men of power, fame, wealth and influence just to make him look good, fair and lovely. See how they kept harping on the S.Arabia King's visit, as if it's their life line. So it means that a quick visit by the king make it legit RM2.6 billion stashed in his private account without anyone knowing about it? This will be their main feel-good weapon to honey-suckle the naive, unaware people of their main intention, to shut down the minds from challenging and questioning and be complacent.

The people of Malaysia need to elect new good leaders with high values, humble, trustworthy, dynamic with good ideas, respect and value the people's criticism and differences. May Allah bless and protect Tun and family. May Allah grant you success along the way. Please take extra care of your health and thank you Tun.

Salam Tun.

1. Rimba Emas tahu kelemahan diri ini sebab itu apabila menyuruh sesuatu yang baik kepada orang lain adalah dari rujukan al-quran iaitu kata-kata Allah s.w.t.
2. Rimba Emas takut untuk memberi nasihat sedangkan diri ini sendiri tidak mengamalkan secara berterusan lebih-lebih lagi bila ada halangan atau gangguan meneruskan pekerjaan itu.
3. Sebab ada ayat-ayat di dalam al-quran yang Allah s.w.t tidak MEMBENARKAN perbuatan baik seorang penderma harta benda ketika di dunia.
4. Pada hari pengadilan Allah s.w.t bertanya , " Apa yang telah dia lakukan atas kurniaan harta benda ketika di dunia ". Jawabnya , " Aku telah menderma...". Allah s.w.t telah menjawab kembali , " Kamu bohong , semua yang kamu lakukan adalah semata-mata untuk pujian ". Lalu di lempar ke dalam neraka.
5. Malah dalam kutbah seorang khatib mengingatkan dirinya sendiri serta makmum di dalam kutbah Jumaat.
6. Begitu juga contoh Saidina Abu Bakar as-siddiq r.hu. bersungguh meminta penduduk-penduduk Mekah yang menerima pimpinannya agar menolaknya jika dia melakukan kesalahan sebelum meneruskan pimpinan.
7. Kita dapat menilai sendiri akan suruhan PM melakukan benda baik dengan contoh dirinya turut melakukan juga perbuatan buruk.
8. Patutkah kita menyokong suruhan itu sedangkan tiada bukti dari tuan punya badan yang hanya sama taraf dengan kita sahaja di sisi Allah s.w.t.
9. Salahkan diri sendiri kerana memilih pemimpin yang mana terang lagi nyata bertentangan dengan kehendak Allah s.w.t.

Wallahua'lam.

2. Obviously he doesn't seem to know what the truth is – a very confused and delusional person.
3. But, it's okay, Tun M allows him (si Pemakan Dedak-Najib) to continue writing here out of SYMPATHY. Kasihan! He is willing to do any 'low moral values job' demi sesuap 'dedak'. We can understand his 'situation – could not find other decent /'halal' job (too du*b?). Definitely, he doesn't want to be 'forced out of his own house' again. We can imagine the pain... Karl Iskandar, no need for you to crack your brain putting up posts after posts diverting the issue. You are wasting your energy in a lost cause. Shifting blame and history lessons does not put food on the table. Even primary school pupils can see through the deception.

Your paymaster is not very clever in making you spend time here: You are not at all effective in dispelling the rumours. In fact your diversionary tactics, mirroring that of Najib and UMNO only confirm that they are trying very hard to divert attention away from 1MDB. The more shit you write, the more incriminating you make yourself and your paymaster to be.

My advise to you is – attack the source or the "rumours" head on –

Start the Wikipedia article on 1MDB

here: https://en.wikipedia.org/wiki/1Malaysia_Development_Berhad_scandal

Since Apandi claim to have concluded the investigation and have all the evidences and facts, it would be easy to correct the article. Declassify the PAC report and publish it on national papers (Utusan, The Straits Times). Free up prime slots on TV1, TV2, TV3 for Apandi and Arul to clear the air once and for all. Talk facts and not hot air please.

Don't use the Official Secrets Act as an excuse. The mystery surrounding 1MDB has caused the international community and investors to shun Malaysia and done extreme harm to Malaysia. The ringgit is plunging into an abyss. Inflation is at record levels. Malaysians are divided. As witnessed in the recent corruption cases, many civil servants now believe they are merely doing what is expected (following the leader as a role model) when they steal and accept bribes. 1MDB also allowed plenty of ammunition for the opposition to attack Najib and UMNO, potentially causing UMNO to lose the upcoming GE.

What (who) is the OSA protecting? What can justify and outweighs the harm listed above? Why not kill this 1MDB rumour once and for all by declassifying the PAC report and release the audited report?

Don't pass up this golden opportunity to redeem yourself!

Assalamualaikum Tun,

Saya ingin katakan sesuatu mengenai "High Values" tetapi ia berkaitan sikap beberapa pemimpin PPBM yang keluar parti. Bekas pemimpin PPBM ini berkata mereka hanya mahu memperjuangkan rakyat, tetapi pada masa yang sama berkata kecewa kerana tidak diberi kedudukan yang sepatutnya dalam parti. Saya tidak mahu berpihak pada mana-mana kerana saya tidak tahu cerita sebenarnya, cuma saya rasa kalaulah benar ingin berjuang untuk rakyat, kita tidak perlu kisah sama ada diberi jawatan atau tidak. Kita kena ikhlas berjuang. Kalau diberi pangkat pun takpa, tidak diberikan pun tidak menjadi masalah. Contohnya saya, saya tiada apa-apa kedudukan pun dalam PPBM dan hanya ahli biasa. Bahkan dulu pun saya tidak dapat jadi ahli UMNO, walau berkali-kali cuba. Tetapi itu tidak melemahkan semangat saya. Kekuatan saya adalah dalam memberi pendapat, dan itulah yang saya berikan selama ini. Kalau pendapat itu diterima, alhamdulillah, kalau pendapat itu tidak diterima pun tak apa. Yang penting saya menjalankan tanggungjawab saya untuk agama, bangsa dan negara saya.

Moga-moga Allah meredhai perbuatan saya ini. Pasal rezeki, pangkat dan sebagainya, kena ingat Allah yang beri, bukan manusia. Jadi kalau tidak dapat, minta pada Allah, bukan kecewa dengan manusia. Dalam pada itu, PPBM harus belajar dari kesilapan UMNO dahulu, bagaimana sebuah parti yang bermaruah, menjadi korup dan hina sekarang ini setelah berkuasa. Tidak mustahil PPBM juga jadi seperti UMNO apabila berkuasa jika gagal belajar dari kesilapan UMNO.

29. [Log in to Reply Karl Iskandar](#) Apr 19, 2017 3:17 PM

We can sense anger and revenge surfaced in DrM as he speaks of high values.

DrM has his points but the fact that PAC and MACC have cleared Najib of any wrongdoings in 1MDB, is an indication that DrM may have been ill-advised by certain people.

Also the fact that HRH King Salman himself met Najib to extend and increase economic cooperation between both countries attributes to a high level of trust and confidence they have in Najib's management of the country. The RM2.6 billion donation was indeed approved by the Kingdom of Saudi Arabia. There's no other way to dispute it. And if there is, DrM should proceed and charge on like a gentleman.

Don't be like the DOJ thingy, still loosely hanging like a broken condom after leaking so much hot air...

Assalamualaikum, Tun.

Rakyat suffer RM value dip. If scandalous news continue to pop up everyday, when can RM value recover/ improve?

RM value dip has brought about inflation. Government's subsidy cut further aggravates the inflation, not to mention the GST effects.

Now, if any of the parties dares to promise abolishing GST system if coming into power, then Rakyat may shift support massively towards it!

Assalamualaikum, Tun.

The country can't afford to wait for MACC to arrest and charge those corrupted civil servants (or more aptly, heads of government agencies). Once the audit report shows sign of misusing/ abusing resources, the government should act fast to remove.

We can't change the dirty/ corrupt culture overnight, but the government can take drastic actions to expedite changing to the right track fast!

Assalamualaikum, Tun.

The problem with our Malaysian politicians is that very often they talk about loving the country, but never "walk the talk".

Concept-wise, 1Malaysia is good for uniting the people of all races. In the midst of promoting it, we can still see the ruling party politicians play race card in garnering support.

Until when, can we all proudly address ourselves as "Malaysian" in the eyes of the whole world?

"Ketam mengajar anak berjalan lurus"

1. Bapak ketam memang BODOH kerana mengajar anaknya berjalan menyanggah semula jadi ketam.
2. Anak ketam yang mengikut ajaran bodoh bapaknya lagilah BODOH.
3. Anak ketam yang tak ikut ajaran bapanya...adakah ia anak derhaka atau anak ketam sejati?

Kalau UMNO tu ketam....apa kurangnya PAS...

Ketam Batu Ketam Suri?...

Its 'high cultural and moral values' for UMNO-Najib to be associated with dubious middlemen such as Razak Baginda, Deepak Carpet and Jho Low in government dealings.

Its 'high cultural and moral values' for the Prime Minister to appoint himself as Finance Minister, too.

Its 'high cultural and moral values' to lie on Bulletin TV3, that homes was sold, Leasehold for 99 years in Forest City.

Whenever a Malaysia's key development goal is envisioned, our government always executes the plan anti-clockwise.

NEW ECONOMIC POLICY (1971-1990) failed. This policy was supposed to: "Eradicate absolute poverty IRRESPECTIVE OF RACE and eliminating identification of race by economic function". But its implementation encouraged Cash is King money politics with the increasing number of political parties and politicians getting involved in it. Consequently, the NEP just benefited the Bumi elites with the advantages in acquiring government contracts.

Under NEP, pendatangs were marginalized; they were deprived of their fair chance in education and economy opportunities. Therefore, the slogan of "IRRESPECTIVE OF RACE" has failed miserably.

The specter of NEP policies still loom large today; many straight As pendatang students are denied entrance to public universities every year with a quota system, and if a pendatang wants a government contract, they will be whacked in face with "We don't do business with Pendatang companies." Is someone waiting for a free 30% share in the pendatang's company? I don't know.

VISION 2020 (1991-2020) aimed to: "To become a developed nation, in our own mould". Year 2020 is only 3 years from now. We know that a developed nation is a country with a lot of industrial activity and where people generally have high incomes per capita; high gross domestic product (GDP) per capita, and high Human Development Index (HDI).

According to The Human Development Report published by the United Nations Development Programme (UNDP), Malaysia is proudly rank behind Panama, Palau, Bulgaria, Antigua and Barbuda, Barbados only, we are making excellent progress here.

Tun is very brilliant indeed; the VISION 2020's slogan has a disclaimer built in: "IN OUR OWN MOULD". Oh yeah, since we can define what is a considered developed nation, VISION 2020 is still within reach...by lowering the bar.

TRANSFORMASI NASIONAL 2050 (2021-2050) is not a syiok sendiri slogan: "To become a top 20 nation in economic development, social advancement and innovation" is achievable. Malaysia has to beat UK, France, Belgium, and Iceland. If we can beat them in badminton; we can beat them, period.

By 2050, our prime leader will be 97 years old, may god grant him the longevity to see his vision becomes a reality. On the other hand Tun is 92 now; he can still witness the fruit or the lack of it in 2020.

How about a fast track? To be in the top 20, just reunite with the tiny city-state in the south that has moved up to take 3rd with per capita income (PPP) of \$82,763, which is five times the average per capita income for an ordinary individual in the world according to Worldatlas report.

So far, many Chinese run countries did well economically, even Jack Ma was appointed as the digital economy adviser of Malaysia. So how about appointing a pendatang to lead the country?

See you in GE14.

People don't always like to hear the truth because truth can be good, bad or both.

Many commenters here will not spare me their anger when I told the truth that they're not ready or willing to handle. Not because the truth hurts, but because they would need to rethink, rewire their belief system and to pick up their crushed ego bits. I put it that, *you may read, but you may not have the guts to understand what you read.*

Anger is good for a certain kind of politics. Racism and hate politics in particular benefit most from an angry crowd.

We can understand DrM's anger when his own son got kicked out from the house, he, DrM personally built in 1988 (UMNO Baru). Unable to save his child in his own living room is a humiliation that no father can suffer in silence.

On top of that, all the old UMNO assets that DrM brought with him into the new UMNO house, especially the cash, are no longer within his control. Some of his loyalist in the house wants him to come back.

DrM was forced out of his own house, UMNO Baru, to become a homeless man at age 90. I sympathise and I can imagine the pain, even the anger that is not within his control. Because despite all that he's gone thru, DrM will always love UMNO...

Sad to say, but all these damage could have been prevented had Tun opened his decades of administrations to all talents regardless of races to guard the country against corruption.

Tun left the country in a weak institution state and appointed the weakest leader (out of his promise to Najib's father?! come on!), he cannot identify right talents despite many failed attempts.

if u want talent, look outside politic circles. Also evidently, Malay is a race that always like to quarrel and super insecure of it's own ability.

This country needed the reformation, but Tun was too late to join in.

It is also amusing but sad to see those ministers (and high ranking officials) from BN instead of distancing themselves from this, they continue to support Najib and prevent a thorough and transparent investigation on 1MDB.

Salam Dearest YAB Tun,

Tun is right. PM Najib @ Ah Jib Gor is not an exemplary leader. He is a crook, a liar and a 'thief'. He should be in the 'Raja lawak @ Badut' show.

He claimed that the money in his personal account was a donation, but the money trails (movements) showed and proved that the RM2.6 Billion came from 1MDB.

It's more amusing when he tries to cover up all of his WRONGDOINGS by sending 'Iman2, Ketua2 Kampong, etc' ('potong queue' orang lain yang lebih layak dan mampu untuk buat Haji; DSN menzalimi mereka ini) to perform the Hajj using borrowed (halalkah?) 1MDB money. Tunjuk baik (high moral values) lah kononnya...Alahai...

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

A Clown should be in Circus or in a Show business
But We see a Clown running a Government in Malaysia
Best of All , The Head of A Govt
The Prime Minister of Malaysia
My Foot

Najib will intend Hishamuddin o replace him
As He knows He will Lose this Election
He will Shit on UMNO
He will walk away even before the Election fooling all the UMNO members including Hishamuddin to clean his Shits
It is thus important a pre emptives measure to be made on part of UMNO ,the Govt today to highlight on these matters
He will elope with his Penguine

BERSATU, PRIBUMI & the rest must continue and hit on the battle
Must continue to Battle up even Najib were to elope
Najib cowardly walk away does not meant Najib gives up
He will advantage his Successor
