Tun Dr Mahathir Mohamad

1. My attention has been drawn to a recent report pertaining to a CIA document, stated to have been recently declassified by the US Intelligence, on the 1980s BMF issue.

2. I have also just sight of that CIA document titled "[DIRECTORATE OF INTELLIGENCE](#)" dated 5.3.1985. Certain members of the press have asked me for my comments.

3. Let me point out that, that CIA report was not a specific report or finding by the US on the BMF issue. Rather, it was a normal information paper for the US government then,

4. However, since I have been asked, the following are my comments.

5. Firstly, the CIA report itself acknowledged that the Prime Minister then was not in any way, personally or directly linked to that Bumiputra Malaysia Finance (BMF) issue. This can be found at page 4 of that report under the sub-heading "Assessing the Political Damage", which states:

"Thus far no direct links have been established between Mahathir and the corruption at BMF..."

6. Secondly, that CIA report pointed out that as early as July 1983, I had announced my views that the BMF's handling of its financial lending was imprudent, and that I had also pledged action to be taken upon investigations. This was in spite of the fact that the BMF issue related to the affairs of a bank, and not the government per se. That portion of the acknowledgment can be found at page 7 of that CIA report titled "APPENDIX", in which para 5 states:

"July 1983: Mahathir breaks his silence and admits BMF's heavy lending to a handful of Hong Kong property concerns was imprudent and pledges action if investigations disclose management malpractices."

7. Thirdly, the same report also pointed out that a committee of inquiry (Special Investigation Committee) was set up to look into the BMF issue. Records show that Special Investigation Committee, headed by Tan Sri Ahmad Nordin (Auditor General) had forwarded the necessary recommendations for further action. There was no cover up of that report. It was made public. It was certainly not put under OSA. The release of that Report to public, is also acknowledged by that CIA report at page 2 in para 4.

8. In fact, that Report had prompted the police to carry out the necessary investigation into the recommendations of that Special Investigation Committee. There certainly was no cover up in any way. Whether the necessary authorities brought any party to the Courts is for them to answer. The government carried out its duty as properly as it was required to do in the circumstances then.

9. Having pointed out the real contents of the CIA report, I would like to point out the clear distinction between the BMF issue then, and the 1MDB issue now, so that it is clear I did not have a 1MDB – like scandal when I was PM.

- a. The BMF issue unlike the 1MDB issue, did not involve allegation of direct impropriety by the government in power. In contrast, the 1MDB issue is directly linked to impropriety by the present government.
- b. The BMF issue was not directly linked to me as the Prime Minister then. Whereas, the 1MDB issue is directly linked to Najib Razak, the Prime Minister now. He is in fact at the center of the scandal.
- c. On the BMF issue, that CIA report was by a US Agency, and was not a specific report or finding by the US on the BMF issue. In contrast, on the 1MDB issue, the Department of Justice (DoJ), a US Agency have released the necessary report as contained in the cause papers filed in a court of law in California, with specific findings linking the 1MDB issue to MO1 (admitted by a Minister to be referring to Najib Razak).
- d. In the BMF issue, a Special Investigation Committee was set up and its Report was made public. In contrast, on the 1MDB issue, Najib's government is yet to set up any proper independent investigation committee, free of its control. Even the existing Auditor General's Report on 1MDB has not been made public and has been put under OSA.
- e. The BMF issue resulted in various actions taken both in Hong Kong and Malaysia, against various individuals involved in the BMF issue. In contrast, in this 1MDB issue, the necessary authorities such as the police and the Bank Negara are yet to conclude their investigations despite international counterparts in the US, Switzerland and Singapore having done so to the extend of charging individuals in court. But, the SPRM investigation papers have been dismissed by the new Attorney General who himself was appointed in place of the previous Attorney General who was removed, allegedly for health reasons but without a report by a Medical Board. The report by a Special Task Force set up by the previous Attorney General on the 1MDB issue was also dismissed by the new Attorney General and put under OSA.
- f. The outcome of the BMF issue was generally received well by the society including the Opposition and other political groups (see The New York Times, January 8, 1985 titled "[MALAYSIA DISCLOSES DETAILS OF BANK SCANDAL](#)"). On the 1MDB issue, the Attorney General actually stopped further investigations, which he is not empowered to do. The opposition parties are not satisfied with the outcome of the scandal involving 1MDB.

Assalam Chedet,

In Chinese Zodiac we are both wood. You ox and I am a dragon. We should be compatible according to the Chinese astrology. It is an interesting observation because Mr BJ Sir is also an ox, a metal one. Ox and dragon go hand in hand.

The last Black Snake year was 1953, the year our prime minister, Najib Tun Razak, was born. So you may call Najib a water snake or, if you prefer, a black snake. In the Chinese zodiacal hierarchy, the snake is at the sixth position, which means it is associated with the feminine principle, "yin".

I'm always analyzing, so these things are also included in my research.

Regards,
SJ

Assalamualaikum, Tun.

Dalam pada tokoh-tokoh politik kita mengorek keluar skandal-skandal, baik pemimpin-pemimpin kita berfokus ke atas pengurusan ekonomi dengan lebih baik.

Tengoklah apa yang berlaku pada musim perayaan ini. Harga pam petrol naik. Kemudiannya, caj pergajian naik juga. Apa lagi yang akan naik? Apa gunanya sedekah BR1M, apabila kos hidup melambung tinggi ke satu tahap Rakyat menderita pada keseluruhannya? Kenalah ingat yang kos hidup ini sukar dikawal atau diturunkan semula selepas melambung tinggi!

Assalamualaikum Tun,

Berlaku tanggapan di mana mereka yang menyokong Tun untuk Najib letak jawatan sebagai PM adalah kerana ini kehendak Tun. Betapa salah tanggapan ini.

Sebenarnya, Tun tak rugi apapun kalau Tun berdiam diri. Tun telah berjasa kepada agama, bangsa dan negara dari zaman penjajahan sehinggalah ke zaman Tun menjadi PM selama 22 tahun. Tidak ada sesiapapun akan salahkan Tun kalau Tun berdiam diri dan biarkan Najib terus bermaharajalela.

Tetapi yang akan rugi adalah rakyat. Rakyat boleh nampak angkara yang dilakukan oleh Najib dan konco-konconya. Hutang berbillion-billion. Ahli keluarga memiliki harta yang melampau-

lampau.Wawasan 2020 hancur musnah. Harga barang naik mendadak. Tanah-tanah dijual ke orang asing sedang rakyat tidak mampu membeli rumah.Kehilangan perkerjaan. Rasuah berleluasa.

Apabila Tun bersuara untuk Najib letak jawatan, ianya sebenarnya suara rakyat dan suara kami. Tun yang membantu rakyat dengan bersuara. Sebab tu kami amat berterima kasih.

Kesan pemeritahan Najib akan dirasai oleh generasi-generasi akan datang. Negara sedang ditimpa oleh satu bencana yang amat besar bagi yang sedar.

Assalamualaikum Tun,

Allow me Tun to state some pieces of my mind.

America population decent largely from migrants of the world.

The Americans came and then left like as if they'd done everything right to fight the terrors and bring light into the darkness. They came – ruined every living things in the ban-Muslim nations, they intruded and destroyed, then the Americans left after having had smashed the Muslim nations into shambles, leaving the remaining people devastated barely alive or half dead, and in-fighting took place among them. Thus these nations produced mass refugees and had to find new pastures to start a living. Who started all these mess? Who claimed to be the Police of the World?

Tun, did you hear any immediate reaction from MO1@the klepto? Would he "fired" mr Trump over his discriminated and inhumane immigration policy only because he wanted to protect the American people? After America intruded and destroyed the Muslim nations, now America president acted like the messiah for the Americans? You know Tun, I don't think the klepto would dare to be rude to his new good old buddy. The acting Ag of DOJ got fired by mr Trump because she refused to play along with mr Trump's controversial ban-Muslim nations and immigration policy. These two buddies are of the same kind – the "you are fired" kind.

On another matter. We are all for brilliance but not from someone whose writings seem to be on a decline in good mannerism and readable selling contents. He did very well in his researches and he believes from his data he's able to 'sell' them no matter how foul-mouthed his writings had become. Such a disappointment display of conduct in his vocab, who once ceremoniously commanded people of Tun's blog to be polite, cultured and show respect in writings. He wants to state his points and maybe he's probably right (to himself) but only a certain type of fellow would be interested. If he has no where to go but only in Tun's distinguished blog where he must and has to deliver deliver deliver then by all means keep on "entertaining" for as long as Tun permits.

And if the history of bmf consumption is any indication, many crumpled under such pressure. The fact is Tun did not crumpled and was not implicated. Tun did not hide or ran away but instead faced up to it and took positive actions and made known to the public. BMF is history but the the 1MDB financial scandals, the abuse of power, the corruption and swindling of people's funds, the questionable RM2.6 billion 'donation' from pak arab and it's many hilarious U-turns are real and alive till now, bred during MO1 as president umno @ chairman 1MDB @ PM Malaysia @ minster of finance and so very protected by MO1's government.

Tun, ini baru dikatakan karma. Dulu si annuar musa ni ada kata macam2 pada Tun, mencaci dan mencela Tun, sekarang dia dah kena karma – si zahid yang mula hipotesis ni. Saya tak suka sebut pasal karma ni sebab hanya Allah saja yang mengetahui. Ramai orang politik dalam umno dapat jawatan tinggi2 dalam kerajaan dan GLCs dan lain2 institusi, dan ramai juga di kalangan mereka, apabila dah lama sangat pegang jawatan2 besar kuasa pun jadi besar, maka senanglah mereka menyalahguna kuasa dan menyeleweng dan menipu bukan saja orang2 mereka sendiri tapi rakyat Malaysia hidup2, betoi2 dan bulat2.

Pegang lama sangat kuasa jadi orang tu gila kuasa, tak amanah, tak jujur dan asyik pikiaq nak menipu dan mencuri je. Next time buat rotation atau hadkan tempoh, sapa2 pun tak boleh pegang lama2. Orang dulu2 tak greedy kuasa tapi orang la ni yang kita nak kena jaga dan hati2. Ish...nak salah ibu mengadung ka, education system ka, kurang didik agama ka, salah ikut ketua2 tamak ka, salah kerajaan tak bijak jadi teladan ka...? Pandai2lah jaga diri masing2.

May Allah Bless and Protect Tun and family Always. May Allah grant you great wealth in health, happiness and knowledge. Please take extra care in your safety and Thank you Tun.

Dear Chedet,

I just dropped by to wish you happy 2017 New Year and the year of the Fire Rooster.

Like I said, I am not a politician. So I don't really follow your blog for political views. Consider the blog as an informal platform for us to communicate. Mano a mano, angel to angel, god to god.

Today is my 18th day quitting cigarette. How silly I was. All these while, the things that I want the most are air and water. In other words, I get high on oxygen, the source of life itself and it's FREE for everybody. Alas, I smoked for 37 years. Silly me...

I had severed my relationship with nicotine and Najib the Nico Demon. For all the sins done by him and nicotine, he is placed in the smallest of hell – the Iron Maiden chamber in a set of nesting dolls fit just for him, the Stone of Hope/the Stone from Heaven/the Stone that TASTE fragrant and an iron ring. He is placed there as a free citizen serving solitary confinement with the most valued item, the one and only stone that taste fragrant. He had paid for his misdeed when he dies in this lifetime – death by the microbes, a slow and painful death.

The torture will last for a lifetime ONLY. After that, he will be my albatross in hell. Because of this new development, hell is off limits to all except Najib only. He is my viceroy in hell, the spark that ignites the fire. He will be fire proof except for a tiny patch of skin at the tip of his nose. That is his eternal damnation.

I had completed my blog, the Dreams of Mirror <http://www.sharudinjamal.blogspot.my>
Do visit once in a while as a legacy I left for humanity.

My phone number is 0 1964 33 888. You can Whatsapp if you wish though I highly doubt it. I still follow your political career from a distance. Keep up the good work my brother, Izrael.

Sincerely,

Sharudin Jamal

Aku bukan seorang yang bodoh. Kalau kita nak bercakap sesuatu haruslah ada fakta.

Jadi macam isu BMF ini saya nak tanya satu soalan. Memang sesuatu kelulusan untuk membuat pinjaman datang dari Menteri Kewangan tetapi mesti mendapat kelulusan terlebih dahulu daripada yang lebih tertinggi. Siapa yang ada kuasa lebih tinggi daripada Menteri Kewangan?

Takkan Menteri Kewangan dengan sewenang-wenangnya boleh meluluskan pinjaman yang begitu tinggi kepada Carring? Saya ada beberapa surat yang diberikan oleh syarikat Carring kepada Menteri Kewangan pada masa itu iaitu Tengku Razaliagh Hamzah. Tetapi apakah Tengku boleh meluluskan tanpa ada kebenaran terlebih dahulu daripada PM?

Takkan semudah ini pun masih kita tak nampak lagi? Semua ini sudah lama kita lakukan dalam syarikat mahupun dari persatuan. Jika seseorang yang diamanahkan menjaga kewangan apakah dia boleh meluluskan sesuatu tak kira dalam bentuk pinjaman atau kelulusan tanpa perlu ada merujuk kepada ketua terlebih dahulu.

Kalau nak bandingkan pula isu 1MDB, saya rasa dah banyak kali saya minta Tun berikan saya bukti yang sahih mengenai isu ini tetapi apa yang saya dapati AMAT MENGECEWAKAN.

Kenapa? Kerana sampai ke hari ini satu bukti pun saya tidak melihat langsung apa yang didakwakan terhadap salahguna kuasa Najib dan 1MDB tidak diberikan lagi.

Lebih mengecewakan saya apabila saya sendiri banyak kali bertanya kenapa kita bercakap sesuatu yang kita sendiri pun tidak ada langsung ada bukti yang menyakinkan untuk menghukum Najib dan jawapan yang saya terima hanyalah berbentuk kecaman dan kata makian.

Jadi saya ingin bertanya sekali lagi. Apakah memang Tun tidak ada apa-apa tentang isu BMF ini? Harus juga saya ingatkan bahawa jika kita membuat sesuatu tuduhan tanpa ada bukti bukankah itu dinamakan sebagai FITNAH?

Lagi satu saya masih ingat apa yang Tun pernah katakan suatu ketika dahulu mengenai isu 1MDB ini. Jika tidak salah saya Tun ada kata isu 1MDB ini datang dari HASUTAN ahli UMNO. Jadi saya sekali lagi nak tanya apakah selama ini Tun cakap pasal 1MDB datang dari bukti yang Tun ada ataupun dari HASUTAN sesetengah pihak dalam UMNO sendiri.

Kita orang Islam yang mengaku Allah adalah Tuhan yang kita sembah dan Nabi Muhammad adalah pesuruhnya serta menolak sifat Syaitan dan fitnah Dajjal. Tetapi dalam masa yang sama juga sifat Syaitan dan Fitnah Dajjal Laknatullah juga yang kita ikut. Kenapa? Adakah kerana dorongan NAFSU serakah semata-mata?

Oh ya lupa lak saya nak tanya. Kalau tak silap juga pihak DOJ ada mengatakan bahawa isu 1MDB datang dari PENGADUAN AWAM. Boleh sesiapa beritahu saya SIAPA YANG MEMBUAT PENGADUAN TERSEBUT?

Nampaknya insan-insan disini yang pro-Tun ataupun anti-Tun semuanya bodoh-bodoh belaka dan tak erti malu

yang bodek Tun pun ada, yang caci Tun pun ada

Puak-puak ini hanya tahu mempertahankan orang yang mereka sukai tanpa asas yang kukuh ... masing-masing cuba sedaya upaya membezakan antara BMF dan 1MDB

Hanya manusia dengan otak yang berfungsi tidak terikut-ikut dengan gelagat puak-puak ini dan berfikir sedemikian:

1) kenapa nak bezakan BMF dan 1MDB? Sepatutnya fikir apakah kesamaannya. Kesamaan yang nyata adalah kedua-dua kes melibatkan PM apabila mereka sedang berkuasa. Apakah mesej yang rakyat perlu fikirkan?

2) kenapa kes BMF diungkitkan secara tiba-tiba? Sekiranya hari ini Tun masih berbaik-baik dengan PM, mungkinkah kes BMF diungkitkan? Apakah mesej yang rakyat perlu fikirkan?

Tahukah puak-puak ini bahawa negara ditadbir mengikut undang-undang? Dan undang-undang dilaksanakan oleh penguatkuasa undang-undang tanpa campur tangan pengaruh politik? Puak-puak ini tak erti apakah kebimbangan yang timbul dengan segala pertelingkahan di negara hari ini?

Assalamualaikum Tun.

Neezam72 perlu tahu dua perkara berbeza iaitu:

Tun sebagai PM Malaysia bermula Julai 1981 hingga Sept 2003.

Tengku Razalieggh sebagai Menteri Kewangan bermula 1976 hingga 1984.

Skandal BMF berlaku pada 1983.

Sepatutnya menteri kewangan ketika itu harus tahu.

Tiada tuduhan yang jelas dari Ku Li terhadap Tun ketika itu mahupun sekarang.

Timbul tanda tanya Tun sebagai PM terhadap menteri kewangan ketika itu iaitu Ku Li.

Tiada bukti duit yang masuk ke akaun peribadi Tun.

Tiada juga bukti duit yang masuk ke akaun peribadi Ku Li ketika itu.

Najis sebagai PM Malaysia bermula Mac 2009 hingga sekarang.

Najis juga sebagai Menteri Kewangan bermula Mac 2009 hingga kini.

Najis juga sebagai pengerusi penasihat 1mdb yang mencetuskan skandal dan urusan niaga yang banyak merugikan rakyat / negara kerana kerajaan menjadi penjamin.

Hanya satu isu kita bincangkan dari berpuluh isu.

Bagaimana penubuhan 1mdb dan urusan niaga 1mdb, tiada seorang pun ahli umno mahu pun tok menteri dan nenek menteri dalam umno yang menahu? Tetapi kerajaan / rakyat menjadi penjamin. Mengapa?

Jika 1mdb rugi, kerajaan/rakyat yang rugi bukannya Najis yang rugi.

Rugi kalau sekitar RM10 juta mungkin kita sebagai rakyat boleh terima, ini cecah keangka bilion.

Dalam urusan niaga 1mdb, Najis menjual banyak tanah-tanah kerajaan (Melayu) kepada 1mdb dengan harga murah tetapi 1mdb menjual kepada pemilikan asing (pelabur China) dengan harga yang lebih tinggi. Urusan niaga BULUH KASAP, DAPAT (DUIT) HUJUNG, PANGKAL (TANAH KERAJAAN) LESAP.

Ini adalah FDI ala Najis. Ia serupa dengan FDI di Forest City, Johor.

Dalam hal ini terbukti ada wang 2.6 bilion masuk dalam akaun peribadi Najis.

Najis melantik lembaga penasihat 1mdb cuma helah sahaja. Mengapa?

Saya yakin mereka yang dilantik sebagai penyiasat adalah orang suruhannya untuk menghapuskan bukti salah lakunya sebagai pengerusi penasihat 1mdb bukan untuk menyiasat perkara sebenar.

Saya yakin lembaga penyiasat yang dilantik sendiri oleh Najis bukan mencari bukti tetapi menghapuskan bukti. Ini terbukti separuh siasatan, Najis membubarkan lembaga penyiasat dan melantik Nur Jazlan sebagai menteri di Jabatan Perdana Menteri sebagai imbuhan.

Dalam auta Najis di sudut yang lain, perlu neezam72 ketahui dalam urusan jual tanah milik kerajaan/melayu di KL seperti Sg Besi dan Razak Exchange:

Pengerusi Penasihat 1mdb ialah Najis.

Menteri Kewangan ialah Najis.

PM adalah Najis.

Pengerusi Penasihat 1mdb (Najis) menasihatkan 1mdb membeli tanah kerajaan di Sg Besi dan Razak Exchange dan usul dipanjangkan kepada Menteri Kewangan (Najis).

Menteri Kewangan (Najis) meluluskan dengan harga (terlalu murah) yang jelas jauh bawah dari market value.

Menteri Kewangan (Najis) mohon "perkenan" PM (juga Najis yang sama).

Kamu nampak tak neezam72? Ini urusan apa namanya?

Najis ingat rakyat ni bodoh macam kau dan Karl kah?

Kau tahu tak neezam72, macam teori ekonomi , kalau ada permintaan di situ ada penawaran.

Situasi yng serupa dengan Tun. Mengapa Tun terpaksa berpolitik? Sebab ada POLITIK BODOH berlaku dalam negara kita. Kami sebagai "permintaan", manakala Tun sebagai "penawaran". Rakyat seperti kami adalah penggerak kepada Tun untuk aktif politik agar POLITIK BODOH yang dimainkan oleh Najis anak Razak ini tidak berpanjangan. Kami tidak mahu negara yang Tun makmurkan menjadi SEMAKIN JAHANAM.

Dengan izin Tun yang saya hormati.

Wassalam Tun.

DrM – Double the Kick, Divide the Guilt

If DrM's statement above on BMF scandal is true, then Kit Siang has been lying since the 1980s. But if Kit Siang had told the truth, what DrM is saying now is cock talking. Berkokok deraih-deraih, kata oghang utagha.

Any ways you may like to look at it, two cocks are not better than one in delivering quality cock shit. Some will label it with the superb-lative Mahataik, a bran name worth marketing and selling to the outrage junkies, ie the cockhead species who don't eat dedak but peck poops in their perverted posits for cocktruths.

But seriously, this BMF scandal needs to be examined from two other scandals – the preceeding Maminco-Kuwasa-EPF loss of RM1.5 billion and the later Bank Bumi second bail out that burnt RM600 million of taxpayer money, and with it the Malay Muslim financial powerhouse, BBMB, was ironically sadistically ruined in the hands of Chinese with Christian names. I don't mean to sound like a racist, but the "co-accidental" till now is so evanescence...

Anyway, I doubt that fans of DrM here know much about the Maminco-Kuwasa-EPF scandal that ties to BBMB, either that or they would rather forget DrM's financial scandals in the past and put their attention towards regaining Mukhriz's future after the thrashing father and son got from UMNO.

In fact, it takes a lot of positive thinking in forgiving your enemy that only in the MalaysiaBoleh spirit you can see that happen. Tak percaya? Ask Kit Siang and DrM, their cocktalking lately is simply inspirational.

JET FOREX 2.6 BILLION 1MDB FOREST CITY

Assalamualaikum wbt. dan salam sejahtera.

YABhg. Tun Dr. Mahathir Mohamad,

Setelah memperhalusi topik ini, sepertimana disebut pada komen patik sebelumnya iaitu; "Tidak termampu lawan...". Makanya patik ambil ingatan atas Ilmu Pengetahuan yang dicurahkan YABhg. Tun di atas perkara-perkara berkaitan BMF itu.

Namun ada 2 lagi perkara mendapat perhatian patik iaitu, Jet Peribadi dan Mata Wang (FOREX).

Mohon Ampun,

Merujuk komen berikut:

Dan macamana Tun sendiri seorang mantan PM ada pesawat peribadi sendiri? Mantan yang lain takde pulak ada pesawat peribadi macam Tun. Hairan juga...

Harapan patik dapatlah kiranya dikongsikan Ilmu Kekayaan pula hingga mampu ada Jet.

Berkemungkinan besar hamba rakyat juga ingin tahu bagaimana nak jadi kaya raya agar kami dapat hidup selesa dalam negara 1MDB ala Forest City ini.

Begitu juga berkaitan FOREX yang dicanang rugi BILLION-BILLION. Pengetahuan kepada 'Statement' di atas FOREX juga amatlah patik harapkan. Mungkin suatu hari nanti patik/sesiapa ada buat silap atau

terlepas pandang pada perkara-perkara merugikan, mudahlah dijawab berpandukan segala Ilmu peninggalan YABhg. Tun.

Mohon Ampun,

Bahawasanya ilmu yang ada pada YABhg. Tun tiada tolok bandingannya. Begitu juga kepelbagaian ilmu yang diperturunkan oleh NajibRazak. Antaranya, mungkin suatu hari nanti patik/sesiapa ada 2.6 BILLION. Sesungguhnya dengan mudah dijawab, mana ada, kalau ada pun duit Derma, ada orang Arab bagi, orangnya Raja Arab.

Semoga mendapat pekenan YABhg. Tun.

Sekian, salam Yang Amat Berbahagia.

p/s: Moga komen patik tidak dikecam samada dari keroni-keroni YABhg. Tun atau NajibRazak sepertimana jelas diperlakukan pada komentar lain. Patik hanya menagih Ilmu dari YABhg. Tun serta dari komentar yang sudi cerita sambil meluahkan segala. Patik mohon ampun jika tersilap/tersalah.

Those who ruled is on the upper hand regardless they are wrong
They will look Right at different angle
Its common sense so Tun , BERSATU has to Win to govern Malaysia

Very Sad of Malaysia especially of Johor ruling today

Kuala Lumpur kita 1 Malaysia berjaya membangunkan Kuala Lumpur
Yang Hingga kini lebih Pesat dari Singapura
Dengan kerjasama kita sesama 1 Malaysia , Melayu , Cina , India
juga kaum minority yg lain

Kenapa Johor kita perlu MENGEMIS Perlabur Asing ,China ,Singapore
untuk membangunkan Johor

Adakah IDR Iskandar Development Region satu Kegagalan yg perlu pula

Forest City menambah kesempitan pada rakyat Johor
Sudah banyak Tanah Johor di Gadai , Tanah Perumahan , Perkilangan juga Tanah Perkebunan .Di
Pengerang ,Kampung Jawa sudah Musnah sudah kesemua di jual pada Pembangun yg juga di miliki
Singapura sekarang

Kenapa kini sekarang kita perlu menyuap penasihat British sedangkan
Dari dulu Merdeka dari Tengku Abdul Rahman hingga Pak Lah
Kita tidak perlu penasihat luar

Adakah perlu kita hingga jiran kita atau orang asing
Kejutkan Isteri kita Esok ?

Kalau tak mampu nak pikul tanggung jawab
Nah.....kau berambus dari sini

Salam YAB dan Yang DiKasihi Tun,

1. Amat MELUCUKAN sekali tindakan para pembodek dan pemakan 'dedak haram' DSN dalam membuat perbandingan kes2 (lapuk) antara Tun M dan DSN kerana kes2 (berserta orangnya) ibarat "langit dengan bumi". Seorang bijak/cekap dan berdikari serta bersih-amanah (Tun M), manakala yang seorang lagi dung*/lembab, dan suka bergantung kepada penasihat2 asing dan orang tengah (para pembodek dan samseng) serta kotor-tidak amanah.

2. Tun M tidak pernah menyonglap wang rakyat (ke dalam akaun peribadi beliau), tetapi DS Najib @ Ah Jib Gor pula telah TERBUKTI menyimpan 'wang curi' (menyonglap wang rakyat) di dalam akaun2 peribadi beliau yang berjumlah beribu-ribu juta ringgit (ber-biliyun ringgit).

3. Mula2 nafi (terima duit RM 2,600 JUTA), tapi bila sudah 'pecah telur tembelang', buat 'U-Turn' dan 'pusing2 bulatan' dan berputar-belit beri alasan2 bod*h. Ini baru betul "kokok berderai-derai, tapi ekor bergelumang tahi". Mencuri (pecah amanah) dan bercakap bohong merupakan akhlak yang teramat buruk bagi seorang PM. Lagi malang (ibarat 'ayam jantan yang berkokok...'), bila si PM Kleptokrat berlagak seolah-olah dirinya amat suci / mulia dan kononnya banyak bersedekah. Cakap pun air liur asyik tersembur sebab sudah banyak sangat MENIPU rakyat! Alahai...

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Assalamualaikum Tun.

Mencelah sikit tentang neezam72 ni, apa lah hang ni pendek akal, buat apalah Tun nak saman WSJ, tiada bukti statement mereka tu. Lagi pun duit tersebut bukannya masuk ke akaun peribadi Tun jauh sekali akaun bapak kau.

Senario antara Tun dan Najis adalah berbeza. Kau berguru dengan saudara RD. RD dah menjawab:

Yang paling ketara perbezaannya:-

1. Tiada sekelumit pun WANG Rakyat yang hilang dari BMF, masuk akaun peribadi Dr.M atau isteri beliau Dr. Hasmah... ketika itu.
2. Dr. M tidak melantik diri-sendiri sebagai Menteri KeWANGan.
3. Dr. M tidak tubuh BBMB (Bank Bumiputra Malaysia Berhad... hari ini sudah bertukar jadi CIMB) atau BMF (Bumiputra Malaysia Finance).. atau agensi pelaburan lain, bermodalkan HUTANG, tanpa due-diligence dan tanpa dibawa berbincang dalam kabinet. Malah, dalam scandal BMF... tiada peranan 'orang-tengah' seperti Jho Low untuk berunding bagipihak Kerajaan/Rakyat.

Harap Maklum... bahawa, tanpa pengetahuan Kabinet juga, Jho Low dilantik sebagai 'orang-tengah' oleh Najib sendiri. Oleh yang demikian, Najib telah membelakangkan Jihad KPDNKK untuk memerangi peranan orang-tengah dalam urusan kerajaan demi menjimatkan kos urus-niaga.

Assalamualaikum, Tun.

Adalah kurang berlogik bagi pihak CIA membangkitkan atau mengorek keluar kes yang berlaku begitu lama! Abaikan sahaja.

Namun, insiden ini menunjukkan terdapatnya sesetengah pihak yang mahu mengapi-apikan keadaan dengan pelbagai tuduhan yang bertujuan menjatuhkan imej.

Baik ahli-ahli politik kita berpolitik dengan lebih matang. Contohnya Hadi mengkritik Lim Kit Siang sebagai anti-Islam. Kita tak nampakpun Lim Kit Siang anti-Islam. Itu fitnah. Kenapa pula seorang Ustaz boleh berbuat sedemikian, mengabaikan ajaran kita yang mengharamkan pemfitnahan?

Assalamualaikum Tun,

Tun, hebatnya si zahid sedap mulut dia cakap pasal karma akan terkena pada orang yang mencela mencaci umno, agaknya keluar story bmf tu kot yang dia maksud karma, jangan jadi one of the key mastermind in the "karma organization" dah le.

Tun, saya mohon pencerahan. Si zahid ni in his recent trip to China dia boleh buat 'kerja sampingan', dia berjaya kecek China to bring in "fdi" to his kawasan parlimen bagan datuk. Si zahid pi China dalam kapasiti sebagai tpm Malaysia, atas perbelanjaan taxpayers Malaysia, naik jet kerajaan rakyat Malaysia maka dia pun pi atas nama KERAJAAN RAKYAT MALAYSIA bukan atas nama kawasan parlimen umno. Boleh ke dia buat macam tu, Tun? Mengikut garisan undang2 negara ka?

Dia pi sebagai pegawai atasan kerajaan Malaysia yang ada pengaruh dan kuasa besar, bukan sebagai orang besar umno yang hanya mempunyai pengaruh dan kuasa terhad di kawasan sendiri saja, kan Tun.

Tak aci la macam ni, Tun. Nanti semua tpm terikut2 pi kecek negara luar masuk "fdi" ke kawasan (kocek?) masing2.

Bagaimana agreementnya nanti, antara China-kerajaan Malaysia ke atau antara China-kerajaan zahid bagan datuk? Duit tu masuk akaun mana, akaun sapa pula? Tanah bagan datuk nak beri pada China pula ka? Ni sprm kena jengah dan pantau sebelum melarat jadi penyelewengan yang terbesar di bagan datuk nanti. Si zahid ni pun dulu pandai pi kecek arab saudi ngaku duit RM2.6 billion tu derma daripada raja arab saudi. Ministry baru dalam kerajaan MO1 – ministry of kecek.

Tun, saya ni lahir dari zaman Tunku belum jadi PM lagi, dapat pendidikan di sekolah rendah dan menengah Catholic dimana kebanyakan pelajar adalah cina, sambung ke kolej dan kebanyakan kawan2 belajar juga cina, bekerja pula dengan bos2 cina. Tak pernah terlintas di kepala otak kami ni pikiaq pasal racism, tak pernah mulut kami berkata2 pasal racism. Kami semua berkawan baik2 seikhlasnya, belajar bersama, bermain bersama, makan bersama, masa sakit pun bersama. Especially kawan2 cina saya tak pernah lokek ajar saya maths, they were very very clever in maths and science. Mereka adalah kawan2 saya yang terbaik yang pernah saya jumpa.

Bila racism ni bermula, kenapa ia bermula dan oleh siapa pada masa tu kami tak pasti dan terkejut..tiba2 saja gaduh.

To my dear Chinese friends, wishing you "HAPPY CHINESE NEW YEAR!". May you have good health and many prosperous years. May God bless you all.

Tun, these mean bad people will never cease to link you with anything they could dig on to implicate you. But Tun didn't run away and hide. Tun has everything in his fingertips. If there were another Nothing 2Hide, and unless they were ready and well-prepared they won't be able to attack Tun

without being humiliated. Tun's immense knowledge is like a library. Tun's mind is still attentive and vigour like a young man, Alhamdulillah. Allah knows best. Allah chooses whom He chooses.

May Allah Bless and Protect Tun and family Always. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety and thank you Tun.

Iyelah tu. Masa Tun jadi PM apakah isu ini Tun langsung tidak tahu menahu langsung? Dan bagaimana ada satu artikel dimana pihak BMF telah melupuskan semua bukti isu tentang Carring sebelum pihak polis Hong Kong datang menyerbu? Apa itu pun Tun tak tahu ke?

Oh....kalau is DOJ dan FBI tentang 1MDB walaupun tidak ada satu bukti yang sahih ditunjukkan boleh pulak percaya ye tapi bila terbuka pula cerita ini tak nak percaya. Iye lah tu.

Lupa lak satu. Kenapa Tun tak saman WSJ apabila mereka keluarkan satu artikel mengenai anak Tun dan projek mega bernilai rm 220 million dengan Petronas dahulu? Isu dengan Barry Wain pun Tun tak saman kenapa?

DAP yang membuat laporan terhadap akaun Tun diluar negara berjumlah rm 1.194 Trillion pun Tun tak saman juga, kenapa?

Dan macamana Tun sendiri seorang mantan PM ada pesawat peribadi sendiri? Mantan yang lain takde pulak ada pesawat peribadi macam Tun. Hairan juga. Tapi Tun melalak bercakap pasal pesawat kerajaan sendiri. Tak cukup ke lagi apa Tun ada sekarang?

Sudah-sudahlah buat pusingan U lagi. Kata dulu lepas bersara tak nak campur lagi dalam politik. Ni apa sudah jadi Tun? Sudah Lupa Ke?

Assalamualaikum Tun,

We all know you are in anyway directly related to the BMF issue and forex losses. Their effort looks so stupid, trying to dig pass mistakes by you, when the 1MDB issue is left hanging with no end in sight.

I suspect this is not fot the urban voters. They have all but given up on the urban voters. They look very stupid for the knowledgable.

I suspect this is for the kampung folks. They will say look, in Mahathir's time also got losses.

A loss in not a crime. It is normal for business to gain profit or incurr loss. What is a crime is siphoning fund meant for the people to pay gambling debts, finance a porn movie and buying milion dollars painting and properties.

I think we should focus our efforts on the kampung folk voters. Tell them in simple terms what is really happening to this beloved country of ours.

DrM has in fact, short of a confession, has agreed that there is an indirect link that BMF scandal is attached to him as the reigning PM.

Like the cock in Malay peribahasa, "Kokok berderai-derai, ekor bergelumang tahi" seems a fitting description of DrM's indirect involvement in the BMF scandals.

What DrM shoots from his mouth is indeed connected to his tail. The different is, the shit has been discharged in the most natural way.

I will elaborate in my next comment. Thank you.

2. Yg Berhormat Datuk Najib, perlu rasa malu .Segala persoalan hanya pencacai-pencacai yang mengampu sahaja yang menjawab.

3. Bagi saya kalau benar sekali pun kisah BMF ni. Ia dah basi. Kepentingan sekarang, kita kena dakwa perilaku Yg Berhormat. Agar 20 tahun dari sekarang , kisah 1MDB tidak akan di ungkit.

4. Saya berpendapat, PPBM lebih tumpukan usaha menerangkan langkah-langkah pemulihan ekonomi .Sekiranya menang dalam pilihanraya.

Assalamualaikum,

There is a very-very big probability that the BMF scandal does not involve Dr.M.

First of all, the BMF loan to Carrian Group starts in 1979. Dr.M took over as PM in 1981, and never assume responsibility of Bank Bumiputra head before and after 1981.

As a new PM that time, it was hard to grasp the understanding and control of everything within the country in that time. One man cant see everything. Learning curve need to be steep and there are too much of eveything to look into.

Second, there is no link, whatsoever, to any deposit of money originated from BMF to an account under the name of Dr.M. So, how can you find a link between BMF Scandal and Dr. M ? If there is no link, then it is a problem inherited from the fact that BMF has been overlooked between 1979 and 1981. If a PM really, need to be blamed, then Tun Hussein Onn name will creep up. Again, Tun Hussein Onn cant be blamed because there is also no link between BMF and Tun Hussein Onn.

Unfortunately, 1MDB has an undeniable and uncontested link.

So, wannabe Karl Iskandar , how do you want to refute the "uncontested" link between the money trail from MO1 to 1MDB loans, exposed by FBI and CIA ? I am waiting for your answer.

Salam Tun.

1. Hari ini awal pagi 9.00 Rimba Emas hadir ke program Santai bersama anakda Tun DSMM ke Medan Selera Seberang Jaya anjuran PPBM Ptg. Pauh.

2. Sebenarnya Seberang Jaya ialah tempat Rimba Emas bekerja semenjak Pru yang lepas2 lagi dari ke 11, 12, 13 hinggalah yg akan datang ini Pru 14 in..sha..allah .

3. Tiga tempat kerja , dua (federal) kini swasta. Ketika berada dalam badan berkanun Rimba Emas bekerja untuk kerajaan negeri ketika itu bawah kerajaan BN.

4. Kesempatan bekerja salah satu badan berkanun Rimba Emas berpeluang bergerak ke pelusok negeri Pulau Pinang , awalnya ke Balik Pulau hinggalah Bayan Baru. Kemudiannya berpindah ke Seberang Perai berpeluang ke pelusok selatan sehinggalah sempadan negeri Perak.

5. Ketika itu dalam pilihanraya menyaksikan kemenangan pihak BN sehinggakan kekalahan pihak DAP termasuklah beberapa nama besar seperti mendiang Karpal Sing.

6. Tiba2 berlaku sesuatu yang tidak di sangka Rimba Emas keluar bekerja dengan badan berkanun kerajaan negeri tempoh gelap itu berlalu sehingga lapan tahun.

7. Dalam tempoh itu pilihanraya ke 13 telah beralih tangan dengan kemenangan pihak pembangkang.

8. Akhirnya dapat bekerja dalam swasta dua kali di pegang PKR.

9. Rimba Emas dapati wakil rakyat YB Dr. Afif Bahardin sangat 'sporting' kerana dapat menerima kedatangan ahli PPBM ke kawasannya.

10. Terutama membenar penduduk Seberang Jaya menjadi ahli PPBM.

11. Kedengaran ada yang kata bagaimana kalau ada ahli PKR masuk PPBM?

12. Jawapannya kawasan ini akan hanya satu wakil dari Pakatan Harapan. Sudah tentu kws ini milik PKR kebanyakannya PPBM mengharap ada ahli UMNO yang akan masuk PPBM jika tidak mahu menganggotai PKR.

13. Sifat yang berlainan dengan sikap PAS ini menyerlah keperibadian pemimpin yang mahu menegakkan KEBENARAN MILIK ALLAH S.W.T BAK KAUM ANSAR DAN MUHAJIRIN menerima tetamu yang hendak menegak KEBENARAN YANG MAHA BERKUASA.

14. Syabas Y.B....terima kasih.

60. Say, "Shall I inform you of [what is] worse than that as penalty from Allah? [It is that of] those whom Allah has cursed and with whom He became angry and made of them apes and pigs and slaves of Taghut. Those are worse in position and further astray from the sound way."

61. And when they come to you, they say, "We believe." But they have entered with disbelief [in their hearts], and they have certainly left with it. And Allah is most knowing of what they were concealing.

62. And you see many of them hastening into sin and aggression and the devouring of [what is] unlawful. How wretched is what they have been doing.

63. Why do the rabbis and religious scholars not forbid them from saying what is sinful and devouring what is unlawful? How wretched is what they have been practicing.

64. And the Jews say, "The hand of Allah is chained." Chained are their hands, and cursed are they for what they say. Rather, both His hands are extended; He spends however He wills. And that which has been revealed to you from your Lord will surely increase many of them in transgression and disbelief. And We have cast among them animosity and hatred until the Day of Resurrection. Every time they kindled the fire of war [against you], Allah extinguished it. And they strive throughout the land [causing] corruption, and Allah does not like corrupters.

65. And if only the People of the Scripture had believed and feared Allah, We would have removed from them their misdeeds and admitted them to Gardens of Pleasure.

66. And if only they upheld [the law of] the Torah, the Gospel, and what has been revealed to them from their Lord, they would have consumed [provision] from above them and from beneath their feet. Among them are a moderate community, but many of them – evil is that which they do.

67. O Messenger, announce that which has been revealed to you from your Lord, and if you do not, then you have not conveyed His message. And Allah will protect you from the people. Indeed, Allah does not guide the disbelieving people.

68. Say, "O People of the Scripture, you are [standing] on nothing until you uphold [the law of] the Torah, the Gospel, and what has been revealed to you from your Lord." And that which has been revealed to you from your Lord will surely increase many of them in transgression and disbelief. So do not grieve over the disbelieving people.

69. Indeed, those who have believed [in Prophet Muhammad] and those [before Him] who were Jews or Sabeans or Christians – those [among them] who believed in Allah and the Last Day and did righteousness – no fear will there be concerning them, nor will they grieve.

70. We had already taken the covenant of the Children of Israel and had sent to them messengers. Whenever there came to them a messenger with what their souls did not desire, a party [of messengers] they denied, and another party they killed.

71. And they thought there would be no [resulting] punishment, so they became blind and deaf. Then Allah turned to them in forgiveness; then [again] many of them became blind and deaf. And Allah is Seeing of what they do.

72. They have certainly disbelieved who say, "Allah is the Messiah, the son of Mary" while the Messiah has said, "O Children of Israel, worship Allah, my Lord and your Lord." Indeed, he who associates others with Allah – Allah has forbidden him Paradise, and his refuge is the Fire. And there are not for the wrongdoers any helpers.

73. They have certainly disbelieved who say, "Allah is the third of three." And there is no god except one God. And if they do not desist from what they are saying, there will surely afflict the disbelievers among them a painful punishment.

74. So will they not repent to Allah and seek His forgiveness? And Allah is Forgiving and Merciful.

75. The Messiah, son of Mary, was not but a messenger; [other] messengers have passed on before him. And his mother was a supporter of truth. They both used to eat food. Look how We make clear to them the signs; then look how they are deluded.

76. Say, "Do you worship besides Allah that which holds for you no [power of] harm or benefit while it is Allah who is the Hearing, the Knowing?"

77. Say, "O People of the Scripture, do not exceed limits in your religion beyond the truth and do not follow the inclinations of a people who had gone astray before and misled many and have strayed from the soundness of the way."

78. Cursed were those who disbelieved among the Children of Israel by the tongue of David and of Jesus, the son of Mary. That was because they disobeyed and [habitually] transgressed.

79. They used not to prevent one another from wrongdoing that they did. How wretched was that which they were doing.

80. You see many of them becoming allies of those who disbelieved. How wretched is that which they have put forth for themselves in that Allah has become angry with them, and in the punishment they will abide eternally.

81. And if they had believed in Allah and the Prophet and in what was revealed to him, they would not have taken them as allies; but many of them are defiantly disobedient.

82. You will surely find the most intense of the people in animosity toward the believers [to be] the Jews and those who associate others with Allah; and you will find the nearest of them in affection to the believers those who say, "We are Christians." That is because among them are priests and monks and because they are not arrogant.

83. And when they hear what has been revealed to the Messenger, you see their eyes overflowing with tears because of what they have recognized of the truth. They say, "Our Lord, we have believed, so register us among the witnesses.

84. And why should we not believe in Allah and what has come to us of the truth? And we aspire that our Lord will admit us [to Paradise] with the righteous people."

85. So Allah rewarded them for what they said with gardens [in Paradise] beneath which rivers flow, wherein they abide eternally. And that is the reward of doers of good.

The Food (5:60-85)

Naik atau jatuhnya Proton adalah sebab kita juga. Pekerjaanya, pengurusannya, penggunaanya semua adalah rakyat Malaysia. Jika harganya tinggi, kenapa? Jika kualitinya tidak baik, kenapa? Semuanya adalah kerana kita rakyat Malaysia yang akhirnya bertanggungjawab meletakkan nilai kepada nama Proton. Kekuatan Proton juga adalah mencerminkan kita juga rakyat Malaysia, bukan mana-mana individu.

Negara Perancis berbangga dengan Peugeot/Citroen mereka. Kita berbangga dengan Proton kita. Salahkah? Buatan Peugeot/Citroen juga ada kelemahannya.

1MDB untuk kepentingan siapa? Masuk akaun peribadi seorang manusia?

Nak salahkan siapa?

1) ada penyokong Tun yang mengecam tv3. Namun mereka lupa bahawa apa yang tv3 lakukan sekarang memang pun diwarisi sejak pemerintahan Tun. Masa dulu buat benda yang sama itu perjuangan, sekarang dikatakan fitnah pula

2) dulu marah kaum lain semua itu pendatang. Sekarang pula laungkan perpaduan

3) nak salahkan orang lain makan dedak dan takut kepada perubahan. Namun dahulu diri sendiri yang menakut-nakutkan orang ramai bahawa perubahan boleh membawa kemusnahan. Minda orang ramai bukan dibentuk dalam sehari dua, ia dibentuk masa zaman pemerintahan Tun

4) tidak puas hati dengan sistem sekarang. Namun sistem kini dibentuk oleh diri sendiri sekian lama

Inilah orang panggil senjata makan tuan. Tun kena berhadapan dengan apa yang Tun ciptakan, dari segi minda orang ramai, dan sistem yang sedia ada

Assalamualaikum wbt Tun

Dear all, if we tibai Najib MO1 for what all those dirty things that he is and had been doing, and accordingly keep saying all those bad things at times of Tun, we are indeed in one voice, we love no bad thing ahead of us ...

Thus, Tun now is gearing to lead us to clean all these up, so let work with him to make things better. Why do we have to argue over the future that we want?

Assalamualaikum Tun,

The War on Manipulation is on! These scary, mean and nasty people went all out to orchestrate the art of manipulation, capturing on the vulnerability of the people, a situation whereby the people's minds are still reeling with doubts, perception and uncertainty.

Can this past history put weight against all your hard works and sacrifices that have helped this country to develop tremendously well, brought Malaysia to her glorious days and deserving the call of the Asian Tiger?

Are they certain they want to play this war-game? What if Tun suddenly want to open up their cans of worms? In politics, anyone has his/her own cans kept secretly aside somewhere or by someone. But I don't see Tun ganging up like them on a character assassination. It's no puzzle Tun, this is the work of a grand mastermind who plots to put you away before the next coming pru. Do you know who, Tun.

All these silly plots after plots are just as distractions to pull people away from questioning the real current issues that Malaysia is facing now, the 1MDB financial scandals. Anyway, the people cannot be bought that easily. Yes, we are lucky to be in the age of the internet but that doesn't mean we've stopped using our mind and knowledge to squeeze out between truth and false. We are created to think.

So Tun, please be careful and not fall into their trap. They're trying to distract you too, Tun so you'd pay less attention to your party and collaboration in the same interest, ie to weed out the bad and the ugly in MO1 government. They want you to pay more attention to yourself, Tun that you have no time for anything else. So they mass produced outdated silly plots for you to explain to clear yourself. But being an old man full of wisdom Tun has the right to stand up for himself. Tun is not afraid to face these hungry wolves.

May Allah Bless and Protect Tun and family Always. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety and Thank you Tun.

Al-Fatihah untuk Arwah Abdul Jalil, staff BMF yang dibunuh di Hong Kong itu. Ameen. Arwah adalah ex-RMC, OPA.

(teringat statement Arwah Lorraine semasa di-interbiu oleh wartawan The Sun, beberapa bulan sebelum beliau meninggal dunia ... WaALLAHu wa'lam)

(teringat juga beberapa statement oleh wartawan yang lama tinggal di Hong Kong dalam buku bertajuk "THE ASIAN GODFATHERS" ada "Uncle" yang taja dan jaga anak2 orang besar Malaysia di UK katanya.....)

Panjatkan juga doa untuk Sirul dan Azilah... semoga ALLAH swt permudahkan urusan mereka. Apa salah mereka ?

Kasihannya kepada mendiang Altantuya ... apa sebenarnya berlaku ?

Semua adalah mangsa-mangsa barisan pemimpin Melayu di Malaysia

Ya ALLAH kau pilihlah pemimpin yang benar2 beragama untuk Malaysia !

Ameen Ya Rabbal Alamin

STATEMENT 1MDB BMF

Assalamualaikum wbt. dan selamat sejahtera.

Tiada termampu lawan stamen BMF YABhg. Tun Dr. Mahathir Mohamad. Al maklum 22 tahun berilmu jawatan Perdana Menteri manakah tumpahnya kuah kalau tidak ke mangkuk 1MDB NajibRazak, yea dak.

Tidak perlu rasanya pusing jauh sampai ke benua Amerika tarik segala DOJ, FBI, CIA dan, FDI melompat pula ke tanah besar China dan berpatah balik ke Forest City. Cukup sekadar Projek Lebuhraya Utara Selatan (PLUS), yang terbeban dan yang menanggungnya tetap rakyat selamanya walau untung BILLION-BILLION.

Tiadalah teladan. Tidaklah memikirkannya. Banyak perkara-perkara pernah berlaku. Tak terfikirkah ianya akan berulang walau berbeza caranya. Takpelah walau apa cara sekalipun, nasi sudah menjadi bubur.

Tak sama 1MDB dan BMF, tetap sama timbangan 'dacing' pada nilai BILLION-BILLION dan, sama saja 'bersatu' bersama-sama naik 'roket' sampai 'bulan' tetap politik namanya. Kesannya rakyat yang tanggung bilamana adanya rakyat teringin nak jadi Raja Yang Maha Kuasa.

Takpelah, tulislah apa nak ditulis selagi hayat di kandung badan. Lagipun rakyat dah terbiasa pikul beban. Apa nak hairan dengan generasi akan datang, yea dak.

Sekian, salam sejahtera hendaknya.

p/s: Jika ada yang mengeji/mengipas walau kata-kata sindiran kepada YABhg. Tun Dr. Mahathir Mohamad atau NajibRazak kekal sama selamanya, apakah caranya kesejahteraan rakyat diutamakan. Jika masih melalui peti undi, teruskanlah bermimpi.

Salam YAB dan Yang DiKasihi Tun,

1. Syabas Tun kerana sekali lagi dengan pantas berjaya membuat pihak rejim Najib nampak amat tidak cerdik dengan tindakan mereka mengungkit semula kes lama pada zaman Tun yang sudah habis DIBICARAKAN (dan yang bersalah telah dikenal pasti dan dihukum).
2. Jijik sekali taktik mereka untuk mengalih perhatian rakyat dari segala skandal salah laku PM Najib @ Ah Jib Gor dan geng subahat beliau (para pemakan 'dedak haram' dan para pembodek).
3. Segala kejahatan mereka ibarat "BANGKAI GAJAH yang tidak akan boleh ditutup dengan nyiru".
4. Skandal 1MDB yang memalukan ialah berita SEMASA yang sedang hangat diperkatakan dan dibicarakan di luar negara, dan pihak rejim Najib sepatutnya menjawab segala persoalan dan menangani masaalah besar ini dengan penuh rasa tanggung-jawab.
5. Mengungkit dan cuba mencari salah Tun M di masa lampau (tiada kaitan dengan kecurian wang 1MDB) tidak akan menyelesaikan masalah hutang bertimibun 1MDB dan salah-laku pengubahan wang haram dalam 1MDB.
6. Kasihan saya lihat PM Najib @ Ah Jib Gor yang sekarang ternyata TAKUT untuk pergi ke negara2 yang telah memulakan penyiasatan dan perbicaraan berkaitan skandal jenayah 1MDB.
7. Memang benar kata orang tua-tua, TAKUT KERANA SALAH.

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

I think there is a *Tukang Racun* @ TR who tried to fix DrM to take the fall for BMF scandal. Even the CIA report gave out some hints on that.

On BMF scandal, DrM tidak bersalah tapi being the PM, he would be deemed complicit in the whole affair, just like Najib in 1MDB.

53. [Log in to Reply](#) **RD** Jan 27, 2017 12:55 PM

Yang paling bangang, Bulletin TV3 melaporkan seolah-olah Dr.M bertanggung-jawab dalam scandal BMF. Juga dipetik (saya lupa dari siapa yang ucapkan) bahawa... Tun Dr.M bernasib baik kerana pada zaman scandal BMF tiada internet dan penyelewengan tidak dihebahkan.

Secara tidak langsung, TV3 sendiri mengaku bahawa Najib tidak bernasib-baik kerana penyelewengan beliau dalam 1MDB-Jho Low di hebahkan melalui internet.

Tun juga tidak melantik diri-sendiri sebagai Menteri KeWANGAn.

Tun tidak melantik diri-sendiri sebagai Pengerusi/Penasihat Bank Bumiputera.

Tun tidak menubuhkan apa-apa Agensi Pelaburan Strategik Negara tanpa due-diligence dan tanpa berbincang dalam kabinet.

Dalam scandal BMF, Tun tidak melantik orang-tengah kelabu-asap seperti Jho Low untuk berurusan bagi-pihak Rakyat atau Kerajaan.

Lagi pun...

– boleh kah Mahkamah membuka balik 'kes' yang sudah 34 tahun berlalu?

– tidak kah membuang masa dan sis-sia dan seluruh dunia akan mentertawakan Malaysia jika dibuka siasatan BMF tetapi scandal terbaru 1MDB-Jho Low didiamkan saja?

I would like to suggest to DrM and Najib, for both PPBM and UMNO, to make "Home-ownership Democracy" as the main aspiration, promise and thrust of the next government in developing the nation.

People now have noticed how important it is to own a house than to drive a local Proton car which they paid double the export version.

And therefore the steep household debt of 89% consists of a hefty car loan repayment, where the people have to service and sacrifice their hard earned money to keep DrM and Proton alive.

We know that a car loan is a sick loan becos of the value depreciation over time, whereas a housing loan is a healthy loan, an asset that grows in value over the years.

People have been hoodwinked into paying more on a car than on their homes. It has been DrM's most patriotick and diabolical business planning thus far.

DrM needs to put it to a correction, wiping out his delusional ideas and obsession for a bragging rights he thinks his brainchild deserves from leeching billions of taxpayer money for past thirty years.

Instead of a national car, the govt could have subsidized housing costs for the people, building nicely designed comfy Malaysia homes that we all can be proud of and identify with.

So, "Home-ownership Democracy" is something the majority can believe in and will support, no matter which party forms the next govt.

Salam Tun.

1. Isu BMF telah pun selesai dan di bicarakan.

2. Sedangkan 1MDB hanya akan mula di bicarakan oleh negara-negara di luar negara.

3. Sebaliknya dalam negara keputusan telah di putuskan tanpa adanya perbicaraan.
4. Sesuatu yang janggal jika tidak di bicarakan sebab tuhan yang menjadikan kita sendiri maklum kepada kita bahawa akan ada hari penilaian atas perbuatan yang kita lakukan di atas bumi ini.
5. Ada bicara (timbangan) di akhirat nanti dan bahan alatan yang digunakan maha baik dari yang boleh dilakukan di atas bumi ini.
6. Malah hukuman atau penjara di dunia ini ada manusia yang teraniaya bila berlakunya kesalahan dalam menilai sesuatu kebenaran itu.
7. Maka bicara kembali pada hari akhirat dapat menebus kembali kesalahan yang di jatuhkan ketika bicara didunia.
8. Allah s.w.t sendiri menguji keimanan seseorang itu, ada masanya kita terpaksa bersusah payah dalam kehidupan harian.
9. Silih berganti antara susah dan senang. Malah dalam susah itu sendiri ada kesenangan.
10. Maksudnya ada kerugian dari segi masa kerana salah pilih maka sia-sialah manusia kerana menolak kebenaran.
11. Kesimpulannya BMF hanya melibatkan segelintir manusia yang menolak hukum Allah s.w.t , manakala 1MDB dalam skala yang besar yang mana membahayakan kepada agama bangsa dan negara.
12. Kembalilah kita kepada Allah s.w.t tuhan yang menjadikan kita.

Wallahua'lam.

Answer me honestly... Because it is not the eyes that are blind but the heart...

Who created this earth? The sun? The Moon? And the Stars?

Who created Adam (peace be upon him) without consummate?

Who created Jesus (pbuh)?

Is creating a human far more difficult than creating those stars?

Let me think for a second

How many Gods were there at the time of Adam (pbuh)?

How many Gods and which God condemn the people of Noah (pbuh)?

To me... God's Power is beyond comprehension...

And Forgiving a man... Is lot more easier that creating one man and those stars...

Jazakumullahu khairan kathiraa...

Do you think it is important to know which country started tracking and withheld the information (possibly for stakeholder advantage) before releasing to other nations? If nations did not get the same information at the same time could some nation be a scapegoat of other nations???

Is this a question other nations need to ask?

Perfect answer !!

TV3 is no longer reliable for us to watch. 8pm news daily, at least 30 minutes attacking on Tun. Are

they so desperate or maybe they got a big package of "dedak" ? I have no longer see the TV3 8pm news because, its full of scraps inside their news.
