**Chedet.cc**

**22 July 2017**

**Tun Dr Mahathir Mohamad**

1. It has become the habit of the Najib Government to get the administrators to support and to implement everything that Najib instructs them to do and ask no question.
2. Of course for the government to function it is necessary that the executive branch executes the directives or decisions of the government in a democracy.
3. But a democracy also divides the powers necessary for governance between the legislature (Parliament), the executive (the permanent administration) and the judiciary.
4. This division of powers is essential in order to check on the excesses of any branch. Obedience to the directives of the legislator does not extend to implementing clearly illegal acts.
5. Should the directives go beyond the provision of the law and should the executives implement the directives then the judiciary may intervene so as to stop the implementation. The executive branch is clearly within its rights to refuse execution if the directive is against the law in any way.
6. The appointments of top executives are made by the YDP Agong on the advice of the Prime Minister or an accredited member of the cabinet. It is very possible for the PM or Minister to give wrong advice. This instills fear among top executives for their position. For the weak among them the wisest thing to do is to obey the PM whether the directive is proper or not.
7. And so we are seeing top officers complying even with improper instructions to avoid the displeasure of the Prime Minister. Effectively this means the power of the head of the legislative overrides the power of the executive.
8. But there is still the judiciary, including the Attorney-General. For the public to have faith in the judiciary it must be seen to be impartial and free from the power of the top legislators, the PM.
9. The appointments to the judiciary are governed by the constitution, rules and procedures, so that there would be no suspicions that the appointments are influenced by the political heads of the government.
10. If these laws, rules and procedures are adhered to, the trust in the judiciary by the public is ensured. But when there is deviation or interference by the political head of Government which results in the laws, rules and procedures being ignored, then the credibility of the judiciary is lost.
11. It must be remembered that the judiciary provides the final resort. More than the executives, the impartiality of the judiciary is essential.
12. We have seen how Najib managed to get rid of a former A.G. just when he is believed to be about to take action over the reported corruption by the Prime Minister.
13. The excuse given was ill health. The procedure for termination of a senior government officer due to ill health is to convene a medical board. The board will do a proper medical examination of the

officer to certify the state of his health. If the board issues a certificate confirming the officer is unable to work, then only can the PM submit the certificate to the YDP Agong to get his Majesty's consent to terminate the service of the officer concerned.

14. There is no evidence that a medical board was convened in the case of the removal of the precious A.G. It became obvious that he had fallen out of favour with the PM.

15. His removal was immediate, with police preventing him from entering his office even. Subsequently the A.G. declared that he was not ill and apparently did not request to be retired.

16. A new A.G. was appointed who seem to be tasked with declaring that Najib has done no wrong. He actually ordered investigation on 1MDB to be stopped. It is not his right to stop investigation. He also declared reports by three major Government institutions to be official secrets even though the PM himself had said the Auditor-General would investigate to convince the people he had done no wrong. Normally the Auditor-General's report is open to public scrutiny. If indeed the report shows no evidence of wrongdoings by Najib, why is there a necessity to make it an official secret.

17. This act by Najib in dismissing the previous A.G. and appointing a new AG had undermined public confidence in the impartiality of the judicial system.

18. And now we have the unusual extension of the services of judges beyond their retirement age. It is totally against the provisions of the constitution, the rules and the procedures for the tenure of judges. Indeed it is something that had never been done before. It is exceptional and unusual especially for judges.

19. It is not as if there are no other candidates. It has all the earmarks of favouritism; of special favour by the government.

20. When a judge is specially favoured then he cannot be accepted as unbiased. And when the PM himself is faced with a number of cases before the courts his clear role in the extension of the term of service of the judges cannot but be regarded as interference in due process in his favour.

21. The loss of confidence will affect the whole judiciary of Malaysia, which has already earned the title of being one of the most corrupt country, of being a kleptocracy, will now be tainted further for having a judiciary controlled by the PM.

22. It is not too late to rescind the order for the extension of these two judges. Do that and the independence and impartiality of the judiciary will be restored. Fail to do so will mean to the condemnation of Malaysia as a kleptocracy, a corrupt country, will be added the failure of the judiciary.

Assalamualaikum wbt Tun

Felda adalah kubu utama UMNO. Second, adalah pengundi Melayu luar bandar. Ketiga adalah undi pos. Tiga ini, harus PH guncang hebat lagi.

(2) Kerana serangan awal PH, maka kini peneroka Felda sudah dibentengi hebat oleh Najib MO1 dgn apa yg baru2 ini dia istiharkan. Tidak brp lama lagi, tembok Negeri China akan Najib MO1 pinjam utk memagar semua kawasan luar bandar Melayu. Para pengundi Pos, itu sudah lama dikawal.

(3) Dgn kekusutan hasil dagang kini akibat GST dan kenaikan harga barang, saya kira masyarakat Cina yg sangat bergantung dgn berdagang utk hidup senang, pasti akan meninggalkan MCA dan Gerakan. DAP boleh terus jaja prihal ini semua bersebabkan Najib MO1 utk pengundi Cina, India dan pedagang tolak BN pd PRU14.

(4) Utk pengundi muda dan berpelajaran, saya yakin mereka sudah membuat keputusan. PH kini cuma perlu melakukan kerja2 utk kekalkan momentum simpati mereka dan seterusnya menggerakkan simpati itu agar mereka secara suka rela pula bergerak gigih mendokong PH. Langkah utk mereka jadi aktif utk bersama dlm "Menyelamat dan Membina kembali Negara dan Maruah Bangsa" mesti disubur dan panaskan.

(5) Bagi pengundi umum Melayu dan yg mengundi pos, 1MDB, FGV n "FDI China" bukan periuk nasi mereka. Cost hidup yg meningkat dan kualiti hidup eg tak ada kerja baik, tak ada air, hospital sesak, PTPN tak ada duit dsb yg menurun – itu adalah asam garam mereka. Isu2 ini kena dibakar hangat agar "rakyat marah". 1MDB, FGV n "along China" hanyalah faktor, penyebab utama adalah Najib MO1 yg rasuah, penyamun dan tak reti buat kerja. Dia kena diturunkan.

Tun boleh. Msia boleh. Rakyat boleh. Kita boleh! Najib MO1 boleh pi dah!!!

Assalamualaikum,

Apa jua bentuk pembahagian dalam pentadbiran sebuah negara sebagai timbang tara kepada tindakan yang dibuat oleh satu pihak, pihak yang melakukan timbang tara mestilah melakukan sesuatu tindakan supaya menjadi bukti yang ianya berfungsi.

Sekarang ini kita ada eksekutif, legislatif dan kehakiman. Apa gunanya kalau ketiga-tiga ini kononnya "independence" tetapi tidak ada tindakan langsung daripada setiap mereka apabila ada isu yang menguji sistem kita? "Being silent is as good as no function at all". Tidak ada bukti wujudnya "independence" mereka tadi.

- a. Segala isyarat telah diberi agar kali ini corak pemerintahan serta kepimpinan yang lama wajib diubah.
- b. Sistem serta pelaksanaan undang2, termasuk sistem kewangan serta segala sistem pentadbiran kerajaan telah pun musnah dan lumpuh, tidak lagi berfungsi seperti sepatutnya. Rasuah serta jenayah berleluasa.
- c. Kerajaan sedia ada serta agensi2nya yang lain tidak lagi berpegang kepada amanah.
- d. Hampir keseluruhan rakyat kini sudah tidak lagi percaya dengan apa juga sistem yang sedia ada.
- e. Yang berduit inilah masanya untuk bermaharajalela. Penguatkuasa pun begitu juga, inilah masanya untuk mengumpul kekayaan dengan cara yang tidak betul. Yang miskin akan dihina, dipaksa hidup meminta2.
- f. Sistem Dajjal Laknatullah telah pun menguasai 90% dunia. Tinggal 10% lagi baki perjuangan kebenaran yang tinggal.
- g. Ayuh bangkitlah para pejuang kebenaran, walaupun kita di pihak minoriti, nampak lemah dan sentiasa nampak salah, namun ingatlah Allah sentiasa bersama kita.
- h. Sangat ketara perbezaan antara yang buta dan yang celik, yang keruh dan yang jernih serta yang batil dan yang haq.
- i. Kerajaan, pentadbir, cendekiawan, bangsawan, raja2 serta alim ulamak tidak lagi berfungsi seperti sepatutnya. Tiada lagi Allah di hati mereka. Sudah terhibab dengan penyakit dunia.
- j. Yakinlah!!! Tentera Allah lebih ramai, lebih kuat, lebih berkuasa, lebih menggerunkan musuh yang nampak ramai tetapi lemah. Tentera Dajjal pasti kalah, itu sudah hukum dunia.
- k. Kepada najib serta rakan sekutunya, bersiap sedialah untuk menempuh kehidupan baru yang lebih perit dan mencabar.
- l. Ya Allah panjangkan umur chedet, izinkan kami berdiri teguh di belakang kepimpinan beliau. Aamiin.

Salam Tun.

1. Ketika Rimba Emas sedang menulis komen terakhir tertera ialah dari asahamat.
2. Setuju dengan pendapatnya bahawa Pakatan Harapan harus memberi HARAPAN yang lebih lagi kepada rakyat Malaysia.
3. Contohnya dalam persoalan GST kena beri lebih lagi bukan setakat menghapuskannya sahaja tetapi juga memberi janji dapat mengurangkan harga barangan ke asal sebelum adanya .
4. Tun sendiri dapat melihatnya ketika menghadiri majlis jamuan rumah terbuka termasuk yang tidak di hadiri Tun.
5. Ramai yang menghadirinya lebih-lebih lagi ketika harga barangan mahal termasuk juga harga bahan untuk makanan.
6. Jamuan ini sekurang – kurangnya dapat meringankan rakyat dalam berbelanja serta kadang-kadang dapat melupakan perkara GST ini.
7. Asalkan dapat memenuhi rezeki pada hari itu semua perbuatan yang di lindungi pada pandangan rakyat tetap di raikan demi menghormati undangan atau persahabatan.
8. Tuhan maha mengetahui semua perbuatan salah itu kembalilah kita MENOLAK pesalah itu dari menjadi tuan kepada kita demi menunjukkan kita mematuhi perintah kepada yang sepatutnya.

Assalamualaikum wbt Tun.

Rasuah dlm apa bentukpun, kecil besar, kita kena tentang sebab rasuah pasti tidak membawa keredhaan Allah dan silap2 kemarahanNya. Jika sampai Dia marah, parah semua akibatnya.

(2) Semalam saya ke Pitas, Sabah. Pitas ini, kuat BN – UMNO dan PBS (?). Namun begitu, “Urang Sinik” tidak suka Musa Aman dan Najib MO1. Mereka sudah “busan” kata Shafie Apdal ....

(3) Bila singgah makan di sebuah Restoran, saya minta harga murah sikit sebab “saya nik Urang Mahathir bah”. Bila dengar itu, ramai yg ketawa dan kata “Kami Urang Shafie”. Paling best depa kata, “Shafie musti menang”. Maka saya cuba pastikan apa maksud “musti @ mesti” mereka itu....apakah bermaksud “akan; boleh; atau perlu” ...

(4) Tiba2 seorang dari mereka kata “Kami sudah ngantuk bah. Tunggu Urang surung bantal utk tidur bah”....

(5) Tun, as bekas veteran UMNO, PH need more than just what you are doing to win. “Bantal @ dedak BN” yg biasa gugur @ datang sehari sebelum mengundi boleh neutralise whatever you n PH had been doing all these years ....

(6) How payah is our hidup now, mungkin more effective to be sounded to go against Najib MO1 rather than rasuah, samun dan dedak. Let focus on kepayahan by Najib MO1 n not dedak first.

In Shaa Allah Tun Boleh. Msia boleh. Rakyat boleh. Kita boleh! Najib MO1 boleh pi!

Apa cerita kemarin Najib bersungguh sungguh membantu kaum Rohingya di Burma , sekarang macam Habok pun takda ,sedangkan Kaum Rohingya di Burma masih di Zalimi ,di Rogol , di Bunuh

PBB , United Nation pun di larang masuk untuk buat siasatan  
Apa PBB begitu Dayus & Lemah tak bolih masuk  
Kalau di Iraq , Syria , PBB bolih rempuh

Kenapa perihal Rohingya , Dunia juga ASIA membisu , membuta mata & memekakak Telinga

Tengok Singapore begitu semangat hingga menghantar Drone untuk membantu Kerajaan Phillipine menghapuskan Abu Sayaf yg di chop sebagai Pengganas

Kenapa Rohingya ASEAN membisu ?

Najib pun kemarin, Cakap macam Tera , macam Keling

Sekarang apa cerita ? Apa tindakan ?  
Masih Berkepit lagi ? Masih bawah Kain ?

Assalamualaikum, Tun.

Sorry to say, the bad culture has been cultivated since 2 eras ago.

How to have proper segregation of duty, power and responsibility for good governance, when the top leaders have been over-empowered with positions of authority? An obvious example is PM holding also Finance Minister's portfolio.

For the country to progress, we really need someone open enough to accept and enforces changes, in good spirit, for the country's betterment and future in the long run.

Walaupun jenuh copy Translate, boleh lah faham maksud penulisan ini.

Pengadilan sudah tidak ada lagi dalam pentadbiran skrg ini,

Semuanya lakonan untuk membodek najib, bah kan berlumba lumba mengatakan perancangan kerajaan bermanfaat pada rakyat,

Tapi hakikatnya hampeh...kahak thuiii...

Tahi ayam chandu itu lagi mulia dari integrity umnobnpas,

Sebut pasal integrity, puak Pas berada di bawah tahap seliper,

Bab mengkafir, mati dalam kafir, tidak diterima Tuhan bukan main lagi,

Bila mulut, hidung, telinga dah penuh dedak siap keluar statement pentadbiran kerajaan skrg patut dikekalkan.

Lebih 30 tahun demo dok perambat umno lass lass nak cium mulut pink pulak, janam janam jahanam betul...
