

**1MDB MONEY**  
**Chedet.cc**  
**30 March 2017**  
**Tun Dr Mahathir Mohamad**

1. I welcome Najib's statement that 1MDB has cleared all its bank debts and short term debts.
2. Since 1MDB is not doing any business, the payment cannot be from profits. It must be from the RM10.97 billion sale of Edra Global Energy Bhd's asset, Syarikat Bandar Malaysia Sdn Bhd (Sungai Besi Airport) equity and the Tun Razak Exchange Land.
3. The payments listed adds up to RM3.9 billion. So 1MDB is left with RM7.07 billion.
4. But the total debt incurred by 1MDB is RM50 billion as of January 2016.
5. Bank Negara has instructed 1MDB to bring back all the money that was invested not according to the approval given by the bank upon presentation made by 1MDB.
6. 1MDB issued a statement on 28th April 2016 that it respects authority and decision of BNM.
7. On May 25, 2016 1MDB announced that it has made full payment of a fine imposed by BNM.
8. No mention is made of the amount of the fine.
9. No mention is also made about bringing back all the money that had been "invested" abroad.
10. It would be interesting to know whether 1MDB has other assets to sell to pay the balance of the RM50 billion debts amounting to RM40 billion. If there are no more assets, how does 1MDB propose to raise this RM40 billion.
11. What is the rate of interest on this balance? Unless the interest is paid the RM40 billion would increase considerably. Is 1MDB paying the interest, if not on the principal.
12. If there are no more assets, where is the RM40 billion. It is a large sum of money. It must be somewhere. Has the money been invested. If so in what. Or has it been frozen. If so who has frozen the money and why. Is 1MDB entitled to claim the frozen money? Has 1MDB brought back all the unfrozen money invested not in accordance with the approval of BNM as required. If not where is the money.
13. The statement by Najib in answer to Er Teck Hwa (DAP – Bakri) raises more questions than answers.
14. Perhaps the Prime Minister can explain. It is the people's money. They are entitled to know as in the end they will have to pay, one way or another.

Di perhatikan Najib tidak di hormati di Malaysia

Dikalangan Pembangkang , Rakyat jelata juga di kalangan orang UMNO sendiri

Di dengar , di lihat betapa kuat suara rakyat ,juga dikalangan anggota UMNO sendiri dari peringkat atasan juga bawahan kebanyakan membenci dan berani bersuara menentang Najib .Lihat saja di Media masa juga Media Kerajaan kini

Tidak seperti semasa Pemerintahan yg sebelum ,jarang kita dengar rakyat atau anggota UMNO sendiri yg mengutuk PM atau Pemerintahan UMNO sebelum ini  
Baik di tangan Paklah , Mahathir juga yg lain sebelumnya

Amat terlihat dan Amat mengecewakan

Baru kini kita lihat Rosmah sekeluarga amat rendah diri , low profile setelah kutukan dari Ummum. Jika tidak mereka berlagak seperti Malaysia ini Laki dia yg punya dan Najib berlagak Malaysia Bapak dia yg punya sampai duit berbillion suka suka masuk kat account sendiri .Ini benda yg kita tahu , yg di buat depan mata kita , apakah lagi yg lagi yg terselindung , seperti mungkin penyerahan Tanah KTM dan sebagainya

UMNO is now run by idiots who has no self respect...

Kudos to Kit Siang for his unwavering tenacity all these years. More so that he and his family have been repeatedly prosecuted and vilified. Most others would have preferred to call it a day, migrate to some western countries to enjoy retirement. Is it worth it? It is definitely not worth the personal sacrifice, but he is a great man. He still fights for a more equal and fair Malaysia for all, which still has not become a reality despite the passing of more than 60 years since Merdeka. Today, Malaysian Chinese and Indians can get fairer treatment and more equal rights in many foreign countries compared to Malaysia itself.

How much respect is there for UMNO, MCA, MIC leaders? Many are just like flies attracted to the the smell of food.

---

Fight your own battle Abdul Rahman, why you have to run SOS to "MO1" to direct other UMNO Ministers and Deputy Ministers to come to your rescue?

Let me tell the Barisan Nasional Director of Strategic Communications, Datuk Abdul Rahman Dahlan: Fight your own battle, why have you to run SOS to "MO1" to direct other UMNO Ministers and Deputy Ministers to come to your rescue?

Suddenly, in the last 24 hours, four UMNO Ministers and one UMNO Deputy Ministers have come to the rescue of Abdul Rahman, shoring support for the BN Director of Strategic Communications and opening fire on me as part of the latest UMNO/BN demonization campaign.

But it is note-worthy that these four UMNO Ministers and one UMNO Deputy Ministers have abandoned the "anti-Malay", "anti-Islam" allegations of the recent demonization campaign, which had been discredited by the RM10,000 offer (upped to RM50,000 within 24 hours) by the UMNO Youth leader Tan Sri Annuar Musa for the "best essay or social media posting" that I am anti-Malay and anti-Islam, which is tantamount to an open confession that these mischievous UMNO/BN propagandists do not have a single proof that I had been anti-Malay and anti-Islam throughout my 51 years of active politics.

They have instead focused on one aspect – accusing me of being "dictator", virtually alleging that I am "dictator" in Pakatan Harapan and implying in the process that Tun Dr. Mahathir (who was Prime Minister for Malaysia and UMNO President for 22 years), Tan Sri Muhyiddin Yassin (former Deputy Prime Minister and UMNO Deputy President), Datuk Seri Anwar Ibrahim (former Deputy Prime Minister and UMNO Deputy President, and Ketua Umum for PKR), Datuk Seri Dr. Wan Azizah Wan Ismail (PKR President and Ketua Pembangkang) and Mohamed Sabu (AMANAH President who had gone in and out of jail) were all my stooges.

I had previously worked with former Prime Ministers Tunku Abdul Rahman and Tun Hussein Onn when they were no more Prime Minister and UMNO President. Did I also make Tunku and Hussein my stooges?

I never knew that I had some fantastic powers that I could make former Prime Ministers and former top UMNO leaders (both former UMNO Presidents and former UMNO Deputy Presidents) as my puppets and stooges.

I will urge the UMNO Ministers and leaders to act with decorum as they can disagree with former Prime Ministers and their former UMNO Presidents and Deputy Presidents, but they should not malign their character as if UMNO leaders, once they relinquish their positions, become morally worthless.

If so, what does it speak about the character of UMNO leaders, including themselves, when they are no more in their top UMNO positions?

In making such insinuations, Rahman and the other UMNO Ministers and leaders are in fact maligning the Malay race, which I do not think is right and proper.

Most shocking of all, even Mahathir had been accused of being my stooge and puppet, although to the Chinese ground, MCA propagandists are spreading the lies, fake news and false information that I have become Mahathir's puppet and stooge.

Mahathir and I are not stooge or puppet of the other, as we are honourable and self-respecting leaders who are co-operating in a common cause to save Malaysia from the curse, ignominy and infamy of being regarded world-wide as a global kleptocracy – which if not addressed, will result in Malaysia becoming a failed and rogue state.

Mahathir and I are acting as Malaysian patriots to join forces to save Malaysia from degenerating into a political and economic basket-case, and although Mahathir is much older than me coming to 92 years old, I am not young at 76, and we both have no agendas for personal advancement in our common patriotic cause to Save Malaysia from global kleptocracy.

UMNO/BN propagandists have spread the lies, fake news and false information that I am seeking Mahathir's help to save Penang Chief Minister, Lim Guan Eng, from his corruption case.

If I had done that, I would not be able to look Mahathir in the eye, for I would have acted no different from an opportunist or hustler, who deserves no respect from anyone (with no condition to become anybody's "dictator")!

If Abdul Rahman really regards himself as BN Director of Strategic Communications, then stop acting as a BN Director of Strategic Lies.

In any event, can Abdul Rahman state when he was appointed by the BN Supreme Council as the BN Director of Strategic Communications and when such a BN Supreme Council was held, or did he just appoint himself to this position?

Najib has successfully changed M'sia to a Pariah country.  
Interesting findings from OTB:

**MDB DEBTS! WTF IS NAJIB LYING ABOUT DEBTS SETTLED?**

1. 1MDB'S accounts for the years ended 31st March 2015 and 2016 have yet to be prepared and audited.

The MoF has not commented on having the 2013 and 2014 accounts re-audited.

No action has been taken by CCM (Companies Commission of Malaysia) to fine 1MDB or its top officers for the pathetic failure to comply with the law!

2. Of the funds raised in the US, RM15 billion disappeared into Najib, Jho Low and their cronies pockets! More is missing too from funds raised in Malaysia! [CLICK HERE](#).

Based on 1MDB's 31st March 2014 Deloitte audited accounts, it had a total of RM46 billion in borrowings and creditors. (Deloitte because auditors Deloitte announced in 2016 that their 2013 AND 2014 audited accounts could not be relied upon, and then resigned!)

The details are as follows:

Bank Loans, Bonds, Sukuk, overdraft etc. – RM42 billion  
Derivative Debt, Trade and Other Creditors – RM4 billion.

Yesterday, Najib "cleverly" announced that about RM10 billion of 1MDB's short term debts had been repaid.

He deliberately failed to say how much more was outstanding. Or, how these were going to be repaid, given it had sold its IPPs and Bandar Malaysia land. He also did not produce an unaudited 1MDB balance sheet to show us its current financial position.

Also, part of the RM10 billion was used to pay debts incurred by 1MDB AFTER 2014 e.g. RM950 million MoF standby credit!

Since 2014, 1MDB has had to service interest on its \$42 billion borrowings at an average of say, about 5% per year.

It had also defaulted on some loan interest as well as capital repayments. Tycoon Ananada Krishnan was instrumental in re-financing some RM4 billion of 1MDB's loans in 2015!

More than that, the US\$ has ballooned to about 4.40 against the ringgit, adding some RM10 billion to 1MDB's debts, due to exchange rate losses.

Another headache is the US\$6.5 billion that IPIC of Abu Dhabi has sued 1MDB for interest and loan repayment guarantees.

This is the subject of an arbitration case being heard in London.

Based on the above table, 1MDB had about RM95 billion in debts, which after yesterdays announcement, is reduced to RM85 billion.

So, over to Najib:

1. How is this RM85 billion going to be repaid?
2. Which are the projects Najib is going to inflate to illegally cover-up 1MDB's losses? ECRL? Pan Borneo Expressway? KL-Singapore HSL? Rapid JB?
3. Who should go to jail for it all? Surely, Najib first?
4. Why has the IGP/AG failed after 1 year to charge ex-1MDB CEO Sharol Halimi for fraud, theft etc., despite a PAC report demanding it?

What about Ismee, Chairman Lodin Wok, Arul Kanda, Mof Chief Secretary Dr. Irwan Serigar Abdullah and Chief Secretary to the Government Dr. Ali Hamsa?

Bamboo River Resort is soon going to be very, very over-crowded!

My comments : Thank you Donplaypuks, who I believe is an accountant.

What about that RM4 BILLION owed by SRC to KWAP? SRC has defaulted on that RM4 BILLION.

KWAP has not told the public how they handled that debt. Has the debt been covered by the gomen (assuming it was gomen guaranteed.) Or has the KWAP subscribers' money been burnt?

I believe the amount owed by 1MDB is even more than RM95 Billion, because if they suffered 5% interest per annum they have been incurring about RM5 Billion interest PER ANNUM since 2012 ?? 2013 ?? Thats already another RM20 – RM25 billion.

So Moron's RM10 Billion hardly covers TWO YEARS interest.

Most of this interest is owed to "local" funders under the control of Super Moron.

As you are reading this, the interest is still piling up at about RM5 Billion per annum.

That is about RM13.7 MILLION per day or RM570,000 per hour.

Folks, they WILL NEVER EVER BE ABLE to pay this amount of interest. EVER.

They will never be able to settle the debt or RM95 BILLION. EVER.

The fact that some commenters here resort to ad hominem, personal insults and swear words to support their lies and fake news is a clear sign that a new era of politics, designed by RedBeanArmy towards hate crime, has triumph over the rational and civil commenters of this blog.

We can't stop people writing obscenities in this blog, if that's how they prove their point. But why they're brought up by their parents and allowed to communicate with such insolence can be traced to this video here [https://youtu.be/mGkXTuu\\_nn4](https://youtu.be/mGkXTuu_nn4)

Assalamualaikum Tun.

Suntingan dari TSMY:

KENYATAAN YB TAN SRI DATO' HJ MUHYIDDIN HJ MOHD YASSIN

Saya sengaja mengambil sedikit masa sebelum menulis kenyataan ini untuk memerhati gelagat pemimpin kerajaan Malaysia termasuk Perdana Menteri dan Peguam Negara terhadap pengumuman yang amat mengejutkan oleh Peguam Negara dan pegawai tinggi Amerika Syarikat mengenai 1MDB dan tindakan perampasan aset milik mereka yang dinamakan hasil pemindahan wang haram yang dikatakan terbesar dalam sejarah AS, mungkin juga dunia.

Walaupun ia kes sivil yang bertujuan untuk merampas aset-aset, tetapi ia juga merupakan bukti penipuan oleh mereka yang dinamakan. Mereka telah mencuri wang milik 1MDB! Maka ia adalah suatu jenayah!

Jika 1MDB dan Kerajaan Malaysia secara tegas mahu melindungi harta dan khazanah rakyat Malaysia dari kehilangan atau kerugian, pendedahan yang amat mengejutkan ini seharusnya mendorong mereka mengambil tindakan segera mengikut undang-undang Malaysia ke atas MALAYSIAN OFFICIAL 1, Reza Aziz, Jho Low dan nama-nama lain yang disenaraikan dalam laporan Peguam Negara AS.

Sebaliknya, logikkah sebagai Perdana Menteri, Najib hanya menasihati rakyat Malaysia untuk tidak membuat sebarang andaian terhadap penemuan yang mengejutkan dunia ini dengan berkata kes tersebut melibatkan mereka yang dinamakan sahaja dan proses perundangan masih berjalan?

Jika Najib seorang yang beramanah dan bertanggungjawab, apa yang dia sepatutnya kata? Mengejutkan! Ambil serius keputusan pihak Peguam Negara Amerika Syarikat, hantar delegasi tertinggi kerajaan untuk mendapatkan butiran terperinci dari Amerika Syarikat, tubuh sebuah tribunal bebas untuk menyalut dan memulakan proses pendakwaan jenayah dengan kadar segera terhadap mereka didapati terlibat atau bersubahat dalam pemindahan wang haram berjumlah puluhan bilion ringgit yang amat memalukan negara. Ini kerana wang rakyat Malaysia dalam jumlah yang amat besar didapati hilang dan dilesapkan oleh mereka yang dinamakan.

Najib juga sudah sepatutnya menghantar Peguam Negara Malaysia dan Ketua Polis Negara ke Amerika Syarikat dengan segera untuk mendapatkan kerjasama negara itu supaya tindakan undang-undang Malaysia yang sesuai boleh diambil terhadap mereka yang terbabit. Najib juga sewajarnya telah mengarahkan Peguam Negara dan 1MDB segera menuntut wang yang dilapor dicuri daripada syarikat milik negara.

Nampak benar semua ini tidak dilakukan oleh Najib. Dia sebaliknya hanya berkata kes ini bukan kes jenayah tetapi kes sivil dan orang-orang yang dinamakan dalam laporan Jabatan Keadilan Amerika Syarikat berhak mendapat pembelaan yang sewajarnya.

Adakah ini sepatutnya respon seorang Perdana Menteri terhadap kes penemuan sejumlah besar wang yang dicuri daripada sebuah syarikat pelaburan strategik negara? Adakah pembelaan terhadap individu yang dituduh terlibat dalam perompakan harta negara lebih penting berbanding pembelaan terhadap seluruh rakyat yang terpaksa menanggung beban kehilangan puluhan bilion ringgit wang negara?

Saya mencabar Perdana Menteri sebagai Menteri Kewangan untuk mengambil tindakan susulan yang sewajarnya! Saya amat kecewa dengan sikap penafian yang teruk yang dinyatakan oleh dia dan konco-konconya berkenaan kes penipuan terbesar yang ditemui oleh pihak kerajaan Amerika itu.

Peguam Negara Malaysia juga tidak menjalankan amanah! Logikkah apabila dia berkata tindakan sivil di Amerika Syarikat itu tidak membabitkan Najib? Siapakah MALAYSIAN OFFICIAL 1 yang difahami oleh Peguam Negara seperti yang disebut dalam laporan Jabatan Keadilan AS? Jika dia tidak tahu, tidak bolehkah dia bertanya dengan rakan sejawatnya di Amerika Syarikat siapakah dia MALAYSIAN OFFICIAL 1?

Disebut dengan terang dalam laporan Jabatan Keadilan AS, orang ini memiliki sejumlah AS681 juta (RM2.6 bilion) dalam akaun peribadinya di Ambank Malaysia. Yang kita tahu, tiada orang lain yang dilaporkan mempunyai wang sebanyak itu dalam akaun peribadi di Ambank selain Najib!

Yang sepatutnya dibuat oleh Peguam Negara Malaysia bukan melindungi Najib. Dia sepatutnya terperanjat dengan penemuan pasukan penyiasat AS dan terus menghantar pasukan penyiasat Malaysia ke AS untuk mengambil tindakan susulan demi memelihara kepentingan rakyat Malaysia yang telah kehilangan wang berbilion ringgit.

Beliau juga sepatutnya telah mengarahkan SPRM dan PDRM membuka semula kertas siasatan terhadap 1MDB. Bagaimana boleh terjadi pasukan penyiasat negara kita tidak menemui sebarang bukti kehilangan wang 1MDB, sedangkan pasukan penyiasat negara asing menemuinya? Bukankah ini sepatutnya memeranjatkan Peguam Negara? Bukankah perkara ini yang harus diutamakan, bukan melindungi Perdana Menteri! Nampak benar rakyat Malaysia tidak lagi boleh mengharap dia untuk melindungi kepentingan negara!

Apakah harapan kita untuk terus percaya dengan Perdana Menteri Malaysia? Tindakannya selama ini adalah untuk melindungi diri sendiri, bukan melindungi kepentingan rakyat Malaysia!

Rakyat harus sedar dan bangkit bersuara dengan berani menuntut mereka yang merompak harta negara dihukum. Seruan agar rakyat bangun menentang kemungkaran ini hendaklah mengikut lunas undang-undang secara aman dan tidak semestinya dianggap provokatif.

DYMM Raja-Raja Melayu yang menjadi Payung Negara yang telah pernah bertindak bertitah sebelum ini sewajarnya tidak boleh membiarkan Perdana Menteri bermaharajalela merosakkan imej negara dan maruah rakyat serta memusnahkan khazanah negara. Majlis Raja-Raja boleh bertindak menjadi benteng terakhir pelindung hak rakyat dan negara! Majlis Raja-Raja tidak menyalahi mana-mana peruntukan dalam Perlembagaan Malaysia atas semangat Raja-Raja Melayu berbuat sesuatu untuk memelihara kesejahteraan rakyat dan negara.

Salahkan tindakan dan pendirian saya selama ini bahawa kes 1MDB adalah satu kes penyelewengan yang amat memalukan yang melibatkan Perdana Menteri. Ia adalah suatu yang sah dan benar.

Dengan pendedahan yang tidak dapat lagi diselindungi oleh sesiapa pun ini, maka kerajaan Malaysia pimpinan Najib telah mengkhianati Rakyat Malaysia dan sepatutnya menanggung akibat daripada perbuatan salahlaku yang amat serius ini! Bukan sahaja ia merupakan kes jenayah dan sivil yang cukup memalukan, malahan dari segi moral pun Najib sebenarnya tiada pilihan lain selain meletak jawatan dengan serta merta!

Saya akan tetap berdiri teguh dengan pendirian saya dan tidak akan sekali-kali berundur daripada kepercayaan dan keyakinan saya dalam perjuangan mempertahankan hak dan maruah seluruh rakyat Malaysia!

Marilah kita bersatu hati dan bersama-sama berjuang untuk Selamatkan Malaysia!

Faiza Azamta Fatawakkal AlaLlah!

YB TAN SRI DATO' HJ MUHYIDDIN HJ MOHD YASSIN  
Mantan Timbalan Perdana Menteri Malaysia

Wassalam.

Hello Cock Iskandar,

Please give your fact. What was the earning ratio of 1MDB to qualify the company to apply to be a public company and issue Initial Public Offer? How do you explain the DOJ findings? What is your sufi master view on wrongdoing i.e. cheating, lying, stealing etc. Are you sure you have consulted a genuine sufi master and not another tok arab?

It seems that you have a sign of genetic DNA problem spreading your grandfather story without a fact. This is not your fault. This is Tun M fault.

Assalamualaikum Tun.

Dulu saya tertanya tanya buat apa wujudkan 1MDB?

Kalau nak untung dalam perniagaan bagi menjana dana politik kerajaan tentulah ada pro dan kontranya, kerana perniagaan tidak selalunya untung kalau tak kena caranya – dan telah disahkan 1MDB tak kena cara kewujudannya.

Maka pendapat kedua yang Tun bagi adalah wujudnya 1MDB bagi tujuan mencuri terpaksa saya terima selepas beberapa tindak balas tidak masuk akal dari pihak Najib.

Dulu saya tertanya tanya dari mana Tun dapat kata kata "Cash Is King"?

Sungguh saya tak sangka bila Tun beritahu yang Najib cakap dengan mulutnya sendiri bahawa "cash is king" di rumah Tun sendiri. Berani Najib bagitau cash is king ye?

Pilihanraya nampaknya semakin dekat. Tulisan dah bercampur baur tidak keruan. Isu isu lama dikorek bukan untuk diperiksa tetapi sekadar gemburan.

Tak lama dulu ada sahabat saya yang tak berapa gemar saya tulis pasal agama. Mungkin sahabat saya fikir saya PAS. Saya bukan PAS.

Saya jadi ahli PPBM pun sebab Tun je. Tak adillah saya suruh dan bangkang Tun buat macam macam, tapi tak sanggup jadi ahli PPBM.

Kembali pada sahabat saya, ketika itu saya baca antara cerita yang beliau tinggalkan di chedet adalah berkenaan seorang budak Yahudi yang sentiasa diberi nasihat dan jalan penyelesaian mengenai masalah kehidupan sehariannya oleh seorang tua Muslim dengan membaca sebuah buku yang berbalut.

Setiap hari budak in akan berborak dengan orang tua tersebut. Sehingga pada satu hari, budak ini tidak berjumpa lagi dengan orang tua itu. Dan ketahuilah oleh dia bahawa orang tua tersebut telah meninggal dunia dan buku yang berbalut yang sentiasa dibaca oleh mereka ketika menyelesaikan

masalah kehidupan diserahkan kepada budak itu. Setelah dibelek belek oleh beliau buku berbalut tersebut, rupa rupanya ia adalah kitab Al Quran.

Kisah ini saya tak pernah baca di mana mana. Namun cerita ini amat menarik. Menerbitkan rasa rindu pada Al Quran. Mukjizat terbesar Rasulullah saw.

Terima kasih Tun.

We can't stop people telling lies and circulating fake news.

It was a business challenge for 1MDB which they should have countered way back in early 2015 before it went out of control.

From a political point of view, DrM succeeded in derailing an economic plan that could have won Najib the people's confidence and support. It is exemplary of how politics can run down an economic reform. A win for DrM, a loss for the nation.

I think the same will happen to Forest City. The power of lies and fake news in the social media is simply too irresistible for the uninformed public to reject.

Salam Tun.

1. Persoalannya di sini walau pun PM kata sebahagian hutang 1MDB berjaya di laksanakan tiada maknanya bagi negara dan rakyat semua.

2. Bagi kita rakyat ada had tertentu boleh kita pinjam dan kita akan bayar balik kalau tidak akan tanggung risiko dari pihak yang kita pinjam.

3. Kita rakyat kena tahu bahawa semua urusan dalam 1MDB adalah haram seperti di dakwa oleh pihak asing. Banyak contoh telah kita ketahui urusan yang telah di jalankannya.

4. Contohnya ada wang yang di gunakan dalam perbelanjaan perjudian dan pembikinan filem yang mencemarkan maruah agama.

- 5.. Jadi urusan pihak 1MDB tidak sepatutnya di uruskan oleh pihak yang ada kepentingan dalam kerajaan Malaysia.
6. Kalau PM ini masih mengetuai 1MDB bermakna kita tidak boleh menerimanya juga mengetuai kerajaan Malaysia.
7. Sepatutnya kita yang bekerja dalam kerajaan boleh mengambil tindakan keatas kakitangan yang menjalankan urusan ke atas kepentingan lain yang mengenyepikan satu pasukan dalam kerajaan.
8. Jelas ada yang telah termakan duit haram 1MDB ini sehingga menutup mulut dan telinga tanpa mengambil tindakan sepatutnya.
9. Ingat kita rakyat ada satu kuasa yang maha besar iaitu tuhan yang menjadikan kita takkanlah kita sanggup mengenyepikan perintahnya kerana takutkan manusia yang juga seperti kita yang di jadikannya.
10. Allah s.w.t maha mengasihani pintu taubat masih terbuka kerana kita masih ada kuasa undi untuk menolak kemungkaran dengan kembali ke pangkal jalan.

Wallahua'lam.

Assalamualaikum, Tun.

As far as the subject matter i.e. misuse of resources is concerned, Rakyat are more interested to know about the EPF money lent to FGV, which was amounted to RM6 billion. What is the status now?

Assalamualaikum, Tun.

Since we have Khazanah Holdings that plays the role of investing the country's money in various means, there is no ground to maintain 1MDB, as an alternative investment arm, unless we can see a difference in objectives.

Rakyat can't accept the fact that no one/ no culprit has been prosecuted for mismanaging 1MDB funds previously. There must be an answer for it.

Salam Tun M dan rakan2 lain...

Sekali lagi 1 tulisan yg memberi pencerahan. Menyebabkan kita juga tertanya2 dn mnntikan jwbn2 dr pihak sana...apa pula ya?

Jalan cerita mengenai kaitan Tun dan masalah 1MDB hanyalah 1 jalan cerita..kemarahan Tun pd PM disebabkan kegagalan Mukhriz berada pd tmpt yg selayaknya dlm UMNO adalah 1 jalan cerita mudah utk dihadamkan....buat penyokong pihak di sana, anda semua perlukan lebih byk data dn bukti dan mgkin juga sedikit lgi kreativiti utk bikin 1 lgi cerita buat Tun...

Buat Tun...teruskan menceritakan dan dedahkan segala2nya....byk khalayak menyokong Tun dan rakan2 seperjuangan...kmpulan pengundi atas pagar saya yakin juga memihak pd Tun...InsyaAllah..

Syabas Tun dan Wassalam..

Salam Tun,

It is just a statement by Najib for the TV3 to carry out the news to cheat the Rakyat again.

I wonder what Arul Kanda is doing now and what is his monthly salary since 1MDB did not do any more business.

The Rakyat slowly begin to notice on the "hiding all & spin all" regime here and we will see support to BERSATU increased once the new coalition registered with new logo.

BERSATU is to make another round of effort to invites more other UMNO members to immediate leave UMNO and join BERSATU.

UMNO ship is sinking and the boat's captain try to sell whatever valuable things left.

And of course, they will tell the Rakyat through TV3 that everything is okay.

Salam takzim dan dengan izin tuan admin...

### **DrM Told You So**

DrM believes so much in *Cash is King* that he religiously reminds us about it frequently in his blog posts as he takes jibe at Najib.

It is not Najib, but it is DrM who uses this phrase as a propaganda meme often to justify how he sabotaged 1MDB from becoming the nation's success and yet DrM shamelessly gloats about it without refrain nor remorse. A clear symptom of a psychopathic mind that exacerbates with age and stress.

We all know that for a business to run smoothly, it will need a strong cash flow, therefore *Cash is King* is what DrM wants Najib to remember in the event Najib fails to follow DrM's explicit instructions. It is an irrevocable warning from DrM to Najib that, "DrM is King, and de facto PM. 20:20" and so, if Najib would like to take same exit as PakLah was forced to, it could be arranged.

Back to 1MDB Money, and when DrM managed to cut-off the cash resources required for 1MDB to launch its business projects by derailing the IPO for the listing of Edra Global Energy Bhd, where the much needed money will be generated from to run 1MDB, and the listing failure has been a great victory for DrM in demonstrating his political influence. If you forget, DrM told you so. He is always right.

Without funding from the IPO, without sufficient cash to meet its obligation, a cog in the wheel is jammed and 1MDB was unable to run smoothly as it should have. All this, because DrM wants to punish Najib and to take revenge on behalf of Mukhriz whose upwards ranking in UMNO leadership hierarchy seemed to have not met with DrM's expectations and plans for Najib to carry through. True or not true, is already clear by how PPBM has taken form and shape.

Clearly, 1MDB is being sabotaged by DrM and now DrM is feigning concern for the rakyat when in fact DrM throughout his Premiership is the *Special One* who has done insurmountable damage to the nation's economy, and still continuing to do so past his so-called retirement in 2003.

On such a person's mischief and malevolence, my Sufi master said something to the effect, "this man will not stop until he meets his executioner." The meaning to this can be expounded from the Quranic verse [At-Takathur](#).

Assalamualaikum,

Perhaps tagosan4 would like to put some more details in the "stories circulating among people" as what Tun has presented and justified with figures in the 1MDB debt settlement exercise.

Curious what stories tagosan4 would like to share? Grandmother stories?
