Tun Dr Mahathir Mohamad

1. The International War Tribunal in the Hague, Holland, has found [Ratko Mladic](#), the butcher of Srebrenica, guilty of genocide. He is sentenced to life imprisonment.
2. Many may not have heard of the massacre of eight thousand Bosnian Muslim men and boys in [Srebrenica](#), Bosnia Herzegovina. These people were forced to dig their own graves before being shot or bludgeoned to death and thrown into the graves.
3. Ratko Mladic as commander of the Serb army ordered the killing and oversaw the horrible massacre. His intention was to wipe out the Muslims of Europe so that Europe would truly become Christendom. It was genocide that he intended to achieve.
4. There had been massacres in Europe in the past. But after the Second World War ended with victory of the Western democratic powers, there were no more pogroms against the Jews.
5. But the Serbs still harbour the idea that Europe is exclusively for Christians. It is not a place for Muslims. And so the genocidal massacre in Srebrenica.
6. The surviving relatives of the victim can only partially rejoice that justice has finally been done. But a life sentence cannot compensate for the fears and sufferings of the Bosnians as they were led to the killing field to be murdered in cold blood.

Salam Tun Dr Mahathir

It was sad on those days when the Serb freely killed the unarmed Bosnian and European Countries seems to condone the slaughtered.

The whole world may be protesting it but none has taken any effort to armed Bosnian for self defend against the Serb.

I remember a leader who make a secret military and medical aid moved to the Bosnian sending undercover commandos and doctors to help defend the Muslim. With Allah swt permission, the mission went well and Bosnia has emerged to be the only Muslim Country in Europe nowadays.

While Ratco Mladic is a monster, we the people of Malaysia glad to know that the leader who known as an angle helping Bosnia is also from Malaysia.

May Allah protect and reward this great Malaysian leader which is none other than you, Tun Mahathir.

Your signature is always be in the heart of Malaysian who loved peace and hate war criminals.

Take care Tun M.

Wassalam.

Salam Tun.

1. Radko Mladic ada ciri-ciri pengikut Dajjal.
2. Begitu juga orang-orang yang sedikit simpati pada Radko. Persimpati ini rasa dia lebih kuat berhadapan pembunuh ini bila ia sudah bersendirian.
3. Lalu tidak rasa Radko ini akan dapat bertindak ganas bila di sumbat dalam penjara.
4. Bayangkan jika dia bertemu Dajjal serta menjadi pengikutnya pasti sel penjara tidak dapat menghukumnya hingga ke akhir hayat.
5. Ini satu pengajaran kepada manusia bahawa kalau kejadian itu tidak berlaku pada kita pertimbangan kita ambil selalunya mudah sahaja.
6. Kita tidak cuba rasa apa perasaan kepada kaum keluarga si terbunuh. Seolah-olah kita tidak dapat memberi KEADILAN terhadap manusia lain.
7. Riwayat sahih kedatangan Dajjal akan mematikan kehidupan manusia malah dikatakan yang dapat membunuhnya hanyalah bila Allah s.w.t menurunkan Nabi Isa a.s kembali ke dunia ini.
8. Kita manusia lemah hanya Allah s.w.t maha berkuasa.

Wallahua'lam.

Salam Dearest Tun,

1. Such a cruel, barbaric, brutal and inhuman individual (animal?), and yet Ratko Mladić is only sentenced to life imprisonment.
2. This is not justice. He must be treated the way he treated those he murdered (without any mercy). All of the victims were unarmed. Such a coward!
3. This person should be stoned to death in front of the family members of all the victims. I believe most of the family members are still alive since the Srebrenica massacre happened in July 1995.
4. Something like this is happening in Myanmar. Muslims are being killed and abused/ tortured. They are forced to flee their home; their villages are destroyed. Very similar to what had happened to those poor Bosnians (Muslims).
5. The Palestinians are also being oppressed and killed, and their lands/homes are seized.

6. Sadly, some Muslims in Malaysia are more than willing to support the agendas of non-Muslims (those who are against those agendas are labeled as 'barbaric / Taliban etc).

Thanks Tun.

– May Allah SWT bless Tun and family –

Assalamualaikum, Tun.

When one unwanted incident happened to one particular case, please do not pull another incident into the scene concerning another case. By doing so, the story goes endlessly.

The case as mentioned happened because of racial discrimination. Hopefully, such does not take place in our beloved nation.

One can never have Justice

One man killing of hundreds does not substantiate the crimes

You kill a man is as if you kill the whole of mankind

Thus

It is important

It is now and a wake up call

Muslim World must built their own Weapons not relying on others

The Muslims today are Cowards

They cannot hold their face up to face their enemy

And it was never such an Islamic teachings

The Muslims today are Begging for Mercy

They throw their dignity , their pride down the drains

Again it was never The Islamic teaching

But , again it is all written

Nevertheless it is their also duty to change and not to blame others

Ratko Mladic is a monster! His act of ethnic cleansing and intention to establish an European Christendom was clearly an act of terror.

Similarly.

Abu Bakr al-Baghdadi is a monster! His act of ethnic cleansing and intention to establish worldwide caliphate was also clearly an act of terror.

If the Serbs still harbour the idea that Europe is exclusively for Christians and not a place for Muslims, the genocidal massacre will continue.

Similarly.

If some racists here still harbour the idea that Malaysia is exclusively for Malay and Muslim and not a place for other ethnicities, religions and cultures, racial tensions will continue.

Stop PERKASA and PAS!

Vote BN!
