

THE COMFORT OF SOME

Chedet.cc

2 April 2018

Tun Dr Mahathir Mohamad

1. The country is facing a serious crisis. Democracy has been replaced with kleptocracy. Laws intended to protect the people are now used to threaten and oppress people. The GST now burdens the people. And the price of ikan kembung is now RM20 per kilo.

2. Yes the people are suffering. Almost all of them. But there are some who feel nothing. So what is so bad about the RM20 ikan kembung. Its only a few Ringgit more. A few Ringgit is nothing. Just a drop in the ocean. Rising cost is normal. You just have to put up with it.

3. Then there are those who believe they actually benefit from the crisis. The crumbs are still worth scrambling for. If you are not critical it's okay. You can enjoy the crumbs.

4. What kind of Government we have is irrelevant. All Governments are the same. If they steal some money that is normal. For those who know how, there will be opportunities to grab from the very misrule, even from the stolen money.

5. Let those stupid people stretch their necks out. If they get chopped, that is their problem. If they succeed that too is okay. We know how to benefit from their efforts.

6. It is sad that we should have such people. They don't care for the sufferings of others. They don't care for what happens to the country. Democracy or kleptocracy are the same to them. If you behave yourself the absence of the rule of law will not harm you.

7. If indeed they are made to suffer, then just leave the country. Go to Australia or Britain or Canada. Take up foreign citizenship. Visit the country once in a while.

8. These people are among us. There are not many of them. But their attitude may spread within their circle. They may not vote. Some may even spoil their votes. They vote but they don't vote. And they will tell others not to vote.

9. Their effect on the election may not be great. But Najib is resorting to fraudulent ways. Tampering with voters lists, cheating and changing boundaries of constituencies, corruption of the voters, deregistration of opposition parties and blocking their coalition, changes in the procedures of voting, arresting and detention

of opposition leaders and candidates, threats, buying over opposition leaders etc and claiming that Najib will know who votes for whom.

10. These are how Najib cheats so as to win. There are people who say there is nothing Pakatan Harapan (PH) can do. BN will win by hook or by crook.

11. But PH can still win. It can win if there is massive support for the PH by those who care.

12. The voter turnout must be the biggest ever. Nothing less than 85%. This is achievable as shown in the 13th General Election. A Malay tsunami is what is needed. It can happen.

13. Support for PH must be massive. The aim is for the PH to have big majorities when they win.

14. Small majorities will lead to vote stuffing by the BN which has the control over all the Government employees working in the election.

15. There will be recounts and again the Government party can manipulate the counting.

16. Postal votes are especially proven to fraudulent changes.

17. Big majorities for the PH will be less susceptible to manipulation.

18. That is why we regret the attitude of some who do not care. They may not vote or they may spoil the votes.

19. Believe me; those who do this will live to regret the fate of their children and grandchildren. They will bear the brunt of the huge debt payment etc. Massive though the destruction of Malaysia by Najib now, the destruction if Najib is returned will be even worse than presently.

20. The people who will suffer most will be the poor, especially the rural Malays and the races in Sabah and Sarawak. The people and the country will be racked with racial conflicts, the absence of the rule of law and the kleptocracy.

21. Stay in your comfort zone and you will, one way or another, pay a very high price.

Read again i did not mentioned anything about Sabahan being happy or not happy and poor or rich. I only said to spare the rod you spoil the kids and reap what you sow. What actually I am trying to say is to let people learn to survive naturally and dont use unnatural ways to grow or improve things. There is no such thing as special people in a special country. Everyone is born to learn and experience so that their DNA will be food for future generation (survival of the fittest). There is no special god too. Ha ha ha

Salam semua
Akta fake news menunjukkan tiada demokrasi di negara ini, Manusia mana yg tiada kesilapan dlm hidup? Satu kesilapan atau cerita benar yg dikatakan bohong itk melindungi pemimpin yg tiada tokoh kepimpinan boleh menyebabkan kita di denda \$600,000 dan penjara. Kebanyakan dari kita takkan mampu bayar jumlah itu. Jadi kita akan dipenjarakan. Jika kita tak dapat bayar denda mahkamah sekarang, setiap \$10 kita akan dipenjara sehari. Jika tak dat bayar \$600,000, kita akan di penjara 164 tahun,, Itu bererti mati dalam penjara beb!!!
Saya ingin beri cadangan pada Tun.. Seandainya,.. walaupun kemungkinannya kecil, tapi kalaulah Allah bantu Tun utk memerintah lagi sekali, Tun perkenalkan hukum HUDUD. Hukuman inihanya utk hukum mereka2 dr BN. Lepas hukum mereka, Tun boleh abolish atau simpan undang2 hudud itu.

Kita jadikan org2 BN experimen hudud.Kita potong lidah yg berbohong,potong tangan2 yg mencuri harta rakyat dan negara,kita potong kaki agar mereka tidak boleh lari,kita rejam dgn batu sampai mati mereka2 yg bermaksiat (tambahan dgn bini org)..

Ini semua hukuman Allah lepas mati kepada mereka yg main2kan hukum Allah di dunia.Jika Tun buat,Tun akan gembirakan hati 27 juta rakyat.Tun akak dapat rahmat Allah sb pertegakkan agama.Yg paling penting,Tun boleh mencegah jenayah2 ini berulang terutama dalam pentadbiran kerajaan!!! Kepada mereka2 yg telah buat semua kesalahan,mencuri,merogol,membunuh,dll kita mula dgn hukuman paling kecil ke hukuman paling besar.Umur Tun pun dah meningkat,jadi berbanggalah Tun ketika berjumpa Allah sebab Tun dapat binasakan geng2 hantu,syaitan dan iblis!! Wassalam.

25. Yes, the wannabes can start maki hamun tdm and his cabinet too if thats their choice.

Assalamualaikum wbt Tun.

Takdir, kerana Anwar (PKR) Tun perlu undur. DAP & PAS (now Amanah) juga menjadi faktor pengunduran Tun. Dgn pengunduran itu menyaksikan "masa depan Msia" jadi tidak jelas. Takdir, masa, menjadikan semua musuh2 Tun kini, secara sedar atau tidak, mereka telah khilaf dlm memaksa "pengunduran" Tun. Tun telah "memohon maaf atas khilaf salah lepas". Hampir semua "musuh" Tun juga secara jelas @ tidak juga sudah "memohon maaf". Rakyat n PH boleh ketepikan "permainan politik kotor silam".

(2) Cuma kini, pengunduran Tun dan dgn pengantian tempat Tun dibuat atas "kehendak" Tun, maka kini kita ada masalah lain yg berat dan baru. Secara total, siapapun tidak boleh salahkan Tun kerana itu. Hati manusia siapa tahu. Cuma kini itu semua sebagai iktibar utk kita terus berubah menuju kebaikan. In Shaa Allah.

(3) Masa sudah tiba utk Tun dicerca dan dihina demi kuasa. Saya cuma berharap, you keep to your stateman dignity. Jgn cepat melatah @ bertindakbalas yg boleh dijadikan peluru utk mereka serang Tun dgn lebih ganas. Tujuan mereka mudah, to kill you, the rest will come easy esp di kalangan Melayu akar umbi.

(4) Now Bersatu kemungkinan haram @ didiamkan dgn sengaja. PH juga kelihatan jauh panggang dari api utk lulus atas sebab terkait dgn Bersatu. Status Bersatu pd Tun Halal, pd musoh tidak. Mudah2an Tun arif dgn kemungkinan perangkap ini. Bersatu sudah berada dlm keadaan diluahkan mati emak, ditelan mati bapa. Definitely not easy to deal, but berkorbanlah jika perjuangan adalah tulin ikhlas. Selebihnya serah kpd Allah.

(5) Anywhere saya dengar2 kini sudah terlalu banyak golongan muda seem to stand on a very indifferent platform. Itulah yg musuh2 PH kehendaki. Mereka sedar, jika

golongan muda 100% turun mengundi, depa akan undi "memberontak". So strategi to potray PH kah @ BN kah yg menang, hasilnya tetap sama sudah spt berjaya musuh PH semaikan. Yg all out mengundi "dijangka golongan tua2". Tun pasti boleh menduga maksudnya. All sebab you have too many enemies. They are all out on you now. But jika perjuangan Tun suci ikhlas utk Bangsa, Agama n Negara, cekal sabarlah.

(6) Kempen PH kah @ BN kah yg menang keputusannya tetap sama, saya kira sukar utk PH sanggah. Semua ini adalah perangkap bijak utk "desak PH" utk condong ke satu arah ie samada kelihatan membela Melayu @ memudahcara Cina-India. Ke arah manapun PH condong, pasti itu jadi modal tibiaian terbaik buat musuh PH n Tun. But, jln terbaik utk keluar dari kemelut ini adalah kesaksamaan malah keadilan dlm Islam. Jadikan kesaksamaan @ keadilan sebagai wadah perjuangan PH.

(7) Maka utk saksama @ adil, di situlah "reformasi" @ penstrukturan semula apa yg kita ada yg membawa kebobrokan kini dan masa depan harus kita buat. Itulah pengharapan anak2 muda utk terus bangkit bersama PH. They want to hear n see a clear sound of "future best governance & strategies" that PH will undertake. Maki hamun is no more what necessary. Semua itu sudah cukup. Let the other side maki hamun but not you as the Stateman. Pls Tun pull PH to talk and act firm n clear for the good future. Redakan maki hamun. Talking of the good future is PH best advantage not by maki hamun. By Anwar still tidak boleh aktif, to me is a clear message from Allah that PH best advantage n strategy is to take the Nation into good great future not maki hamunAllahualam bisawab.

Tun
Stop Talking now , Tun

my

Opinion

You need it more on PRU
You and yr Team have made a Vast efforts to safe Malaysia
Whilst Najib and his Team is thingking of giving more promisee , more goodies
To this PRU making use of the Public People Money
It is wrong , it is illegal for Najib to misuse 1 Malaysia money for his benefits nor for
UMNO

A Party must be self sufficient or gets doantions BUT Not using Public Funds etc .
Public Funds belongs to the Govt . The Govt is Not UMNO never PAS , DAP
,PAKATAN or any . UMNO now is just representing the Govt as it was appointed on
the previous PRU

Tun and yr Team
Stay Silence , Hold the Line of PAKATAN
Make a Surprise moves when near the PRU
Don't let UMNO study yr movement
You talk enough
It's an All out War sooner
Prepare yr Batallion
Let UMNO wondering what happen next
Make yr Surprise Moves

You loseYou never lost
As you have succeded to open the Eye of every Malaysia even UMNO members
Of Najib Wrong Doings
You have Won even before PRU

If you win , You the PM Malaysia
I want you bring Stale Justice of Malaysia on the Table
Do not allow Najib & his Dedak to escape
They will have the Right to Defend
He should be Punish as he was given many options many opportunity & chances
He has to Pay

Assalamualaikum Tun dan seluruh rakyat Malaysia yang sangat saya hormati.

Malaysia merupakan negara kedua bagi saya sekeluarga. Sekian lama jugak Malaysia tetap menjadi destinasi utama keluarga untuk bercuti, membelibelah dan sebagainya. Berbanding Singapura dan Indonesia, Malaysia menjadi keutamaan kerana SATU sebab yang tidak mungkin dapat dipertikai oleh mana-mana pihak, KEBUDAYAAN MELAYU & SYIAR ISLAM yang sangat serupa antara BRUNEI & MALAYSIA. Oleh kerana itu, saya sekeluarga berasa amat selesa dan selamat setiap kali berada dimana-mana bumi Malaysia, baik di Semananjung apatah lagi di Sabah & Sarawak. Semoga keselesaan dan keselamatan yang kami nikmati sebelum ini tetap berterusan dan tidak akan terjejas disebabkan pergolakan politik yang sedang berlaku di Malaysia.

Walaupun saya bukan rakyat Malaysia, sebagai kelompok melayu dan beragama islam saya berasa sangat sedih dan terpenggil untuk sama berdoa dan mengharapkan yang terbaik buat seluruh rakyat Malaysia tanpa mengira siapa yang memerintah dan bakal memerintah. Kami turut sama berdoa dan berharap agar perpaduan dan keharmonian Negara Malaysia yang turut kami sayangi ini akan segera kembali pulih seperti sediakala. Walaupun konsep pemerintahan negara kita berbeza, namun saya sangat yakin dan percaya rakyat Malaysia turut sama mengutamakan perpaduan dan keharmonian dalam kehidupan seharian.

Sebagai Melayu kita perlu bersatu tanpa mengira status kerakyatan dan keberadaan kita, apa yang utama adalah Perpaduan dan Keharmonian hidup bangsa kita sehingga kita menjadi kuat dan perkasa di rantau ini. Sama-samalah kita (seluruh melayu dimana jua kita berada) menadah tangan dan memanjatkan doa kehadiran Illahi, memohon sebesar kurnia dari Allah SWT agar melindungi dan merahmati kita semua, memberi ketenangan dan kesejahteraan, kesenangan dan kebahagiaan serta kegembiraan dan kasih sayang sehingga kita bertambah lebih baik dan maju serta dijauhkan dari sebarang bentuk perpecahan dan kehancuran yang tidak diingini.

Amin Ya-Rabb Ya-Allah!

Assalamualaikum Tun,

Talking about the 85% voters turn out, a quick google check found that there are nearly 5 million new voters in GE 14. That represent 35% of the total voters of 14 million. That is a significant number.

Refer to <http://www.malaysiandigest.com/opinion/725457-column-ge14-who-will-our-young-voters-choose.html>

The good news is that these are low hanging fruits voters. I would be very surprised if these new voters didn't vote for Pakatan Harapan.

The redelimitation was based on GE 13 results. SPR and the government did not put into factor these new voters of 5 million into account.

The reason why I term these new voters as hanging fruits is because they are so much in tune with Pakatan Harapan. They get their news from the social media and not from TV3, Utusan, Nastro or the Star. Being idealists, they abhor the massive scandals and corruption happening in the country and reported around the world. They are more Malaysian and less racial, in the sense Malays from the younger generation can accept DAP. They are feeling the brunt of high cost of living, GST and high property prices. They know they are the ones being asked to work as Uber and Grab drivers as job opportunities are scarce. They know nothing of Ops Lalang, detention under ISA, BMF scandal. They are very much concerned about the future of Malaysia and not the past.

I don't expect Tun to woo them alone to vote for Pakatan Harapan. Tun already has your hands full explaining to the rural Malays.

Maybe this task should be taken by the young leaders of Pakatan Harapan like Rafizi, Nurul Izzah, Azmin Ali, Sayed Saddiq, etc. This is the area they can contribute to bring in the young voters of 5 million to vote for Pakatan Harapan.

Onward to Putrajaya!

Tun,

You said it all "The people who will suffer most will be the poor, especially the rural Malays and the races in Sabah and Sarawak". Yes Malaysia become Malusia. Yes Malaysia still a 3rd-world country. If the 55% still only want to vote because of race supremacy then what can anyone do.

If the majority still sleeping, super sensitive and attached to race and religion want

can the minority do?
Now you can see how "spare the rod and spoil the child" & "you reap what you sow" works.

You too embrace, subscript and fall into the same trap.
But i know you trying very hard to correct it now.
Best of luck to you.

Tun..

Inside the heart of this country's population, there is only frustration. Outside the system's constipation, the situation is such that everywhere there is saturation. Public wants to know what is the justification of this intoxication?? There is right to information but still there is objection. Police has its power but it has its own limitation. THE ONE WHO HAS DESIGNATION DOESNT HAVE THE INTENTION. The one with suggestion doesnt have the position. WHAT SHOULD PEOPLE DO IN SUCH A SITUATION, THAT SHOULD BE A QUESTION!!!

Yes. it's the last chance to make a difference.

I am sad to see the country once I see with opportunity and pride turned into what it is today. There are modern skyscrapers, highways universities and the internet but the mentality of many people is still stuck in the feudalistic era... These people has been trained to only see the immediate gain, not use the brain much, cynical and easily satisfied...

UMNO has been very successful in turning a vast number of people into zombies... If 1MDB/TBH/etc corruption and Alantuya/Najadi/Morias murders could not jolt these people to awaken I am not optimistic of the future of this country.

Salam Tun,

It is time for the people of Malaysia to make changes for the betterment of their future. May we all have the blessings and support from God.

From the Quran,

God does not change a blessing He has bestowed upon any people unless they themselves decide to change. God is Hearer, Omniscient. (8:53)

Salam Tun.

1. Sebagai seorang rakyat Malaysia yang di kenakan GST Rimba Emas rasa berhak untuk mengkritik atas kenyataan seorang Menteri yang mengatakan dengan adanya cukai ini harga barang akan turun.

2. Jelas inilah kenyataan yang boleh di katakan berita palsu kerana tidak seperti yang di ucapkan.
3. Penyebar berita palsu ini boleh di cap seorang pendusta dan kalau niatnya dengan sengaja boleh jatuh kepada seorang pencurang yang di celakakan Allah s.w.t di dalam al-quran.
4. Ini bukan kata Rimba Emas tetapi di rujuk kepada beberapa ayat yang di terjemahkan dari dalam al-quran.
5. Surah ini di wahyukan kepada Rasullullah s.a.w untuk peringatan kepada umat manusia di dunia ini.
6. Kalau GST ini boleh memudaratkan kepada golongan miskin maka cukai ini boleh jatuh haram. Bila haram boleh membawa kepada perbuatan berdosa.
7. Kalau di contoh dengan minuman seperti arak yang juga haram kepada yang bersubahat walau tidak minum maka di kuateri menyamai perbuatannya.
8. Di takuti juga kalau kita tidak mengubah dengan membiar pelaku perbuatan haram ini merosakkan golongan miskin boleh meletakkan kita bersubahat sama.
9. Kita berurusan dengan seorang yang melakukan perbuatan haram yang pastinya wajib di tolak. Wajib bermaksud berdosa jika menyokong perbuatan itu.
10. Satu kesalahan juga kita membiar seorang yang berada atau tidak terjejas dengan GST untuk menilai bagi golongan miskin terpaksa menerima GST tanpa di beri pilihan.
11. Walau pun kita terpaksa bergantung atau hidup melalui cukai tetapi janganlah kita hidup dengan memakan cukai yang sudah di jatuh hukum haram.
12. Kalau kita mempunyai pilihan atau cara untuk tidak memakan cukai yang haram ini buatlah kerana ganjaran berlipat ganda menanti kita menegak kebenaran milik tuhan yang menjadikan kita.
13. Membantu golongan miskin dengan mengurangkan beban GST mereka umpama bersedekah sepanjang hidup adalah lebih baik dari sedekah sekali sekala bila ada kelebihan.

Wallahua'lam.

Your grand children will live in Great Britain... Its too late. The mainland Chinese own Malay debt.... Your people are ill educated who have absolutely no understanding of debt capital markets and how economies actually work...They don't even know how many zeros constitute a billion ringgit let alone the meaning of kleptocracy...sigh...

60 years of independence and the core focus of the majority is a trip to Mecca. Tell me, does Malaysia deserve what it gets or are we to blame for the idiocy of prior Bumiputra administrations and rejection of a reform agenda?

Tun, You are too late to fix the failed state that we call Malaysia.... As you say there are many who have left due to unfair constitutional preferential treatment, racial discrimination, religious bias , third world education standards, being fed up of police and societal corruption. Your hand picked Najib along with your efforts to incarcerate Anwar are the two greatest mistakes of your legacy. Let us not forget the reasons why Malaysia is still classified as third world. It has nothing to do with the skyscrapers being built more to do with ignorant selfish uneducated unsophisticated majority turning a blind eye and even complicit in corrupt acts. It is an absolute disgrace.
