Salam Tun..

Just want to share a joke with you.Didnt Najib said Trump is his good buddy?Pls believe him cos they act the same way.

They remove anyone against them.They dont respect their netizens and best part is if Najib is said to have swindled ard 3 bilion,now Trump is said to have stolen 3 Trillion of peoples money!!No wonder they are good wi th each other...Trump is like a father to najib,so comes the old saying,LIKE FATHER LIKE SON..☐
