Tun

Happy Birthday and Many Happy Returns of the Day ! I must congratulate the genius who proposed the printing of postage stamps in honour of your Birthday. I hope this genius will propose the same for your 94th ? And most importantly, a miniature sheet featuring Tun Dr Mahathir Mohamad and Tun Siti Hasmah. Guaranteed a complete sell-out and become an instant rarity. Malaysia Boleh, Tun !

Assalamualaikum Tun.

Selamat ulang tahun ke 93.

Seperti biasa, anak perempuan saya juga turut sambut tarikh kelahiran yang sama dengan Tun, 10 Julai. Sekarang umur 6 tahun.

Mungkin Allah swt memberikan saya sedikit kenangan sentimental pada tarikh tersebut.

Saya akan berada pada angka 42 tahun ni.

10 tahun berlalu bersama 2 zaman PM yang diturunkan.

Zaman ketiga, memulakan pentadbiran semula yang disebut Malaysia Baru oleh pendokong PH.

Bila saya ucapkan selamat mengundi kepada pn maizatul, beliau membalas LGBT akan berkembang.

Tetapi saya kata Tun akan uruskan.

Setelah keluar keputusan PRU14, beliau terkejut PH menang. Bukan terkejut kerana sedih tetapi terkejut kerana tidak menyangka begitu mudah.

Sesetengah dari kita suka membaca dan ambil tahu mengenai perihal agama kita iaitu Islam.

Saya suka memperkatakan berkenaan tasawuf.

Saya tidak punyai kumpulan tarekat. Malah jika saya punyai hajat untuk mendekati sang guru, kadangkala saya rasakan tidak sesuai.

Sedikit sahaja kesalahan percakapan, saya akan dapat menangkap samada ianya sesuai atau tidak bagi diri saya.

Oleh itu jika minta pendapat saya mengenai kumpulan tarekat, saya belum temui yang berkenan di hati.

Namun alhamdulillah, saya telah terjumpa satu keadaan yang menarik perhatian saya setelah kereta saya rosak di satu tempat.

Ketika menziarahi makam makam keluarga sebelum PRU 14.

Apa yang ingin saya perkatakan adalah saya faham mengenai keadaan seperti apa yang diberitahu oleh dr MAZA dan Zainuddin Maidin.

Namun ia tidak elok untuk ditulis dan dicakapkan dari sudut negatif. Lebih lebih lagi ianya adalah untuk pembacaan umum kepada segenap masyarakat.

Tugas orang yang dikenali adalah untuk menyebarkan perkara yang positif dan bukan untuk mengkritik perkara yang berlaku dalam dapur.

Mungkin anda tidak faham bagaimana usaha yang diambil dalam proses pendapuruan sebelum makanan dihidangkan untuk dimakan.

Terima kasih Tun.
