

THE RULE OF LAW

Chedet.cc

2 Januari 2019

Tun Dr Mahathir Mohamad

1. Among the most important objectives of Pakatan Harapan when it was struggling to overthrow the kleptocratic government of Najib Razak was the restoration of the Rule of Law. Najib had ignored the law when it suited him. In fact the laws were abused in order to oppress the people. Instead of protecting the people, the laws exposed the people to unknown but real fears.
2. The basic law of Malaysia is the constitution. It is a comprehensive body of laws which determines the legal structure of Malaysia from the Yang Di Pertuan Agong to the Rulers of the States, to the Federal and State Governments and the bodies empowered to rule and enforce.
3. All other laws are derived from the constitution. No law which in any way negates the constitution may be promulgated.
4. The Rule of Law applies to everyone from the Rulers to the Prime Minister and Ministers, to the civil servants and ordinary citizens.
5. There is no provision which exempts anyone from the Rule of Law. For the Rulers there is a special court but the laws are the same as the laws applicable to ordinary citizens. The Rulers too must respect the laws.
6. It is disturbing to see blatant breaches of the law being perpetrated in the mistaken belief that immunity has somehow been accorded.
7. We had agreed that Malaysia accepts democracy, i.e rule of the people by the people, and for the people. This by common consent takes the form of a Parliamentary Democracy with a constitutional monarch at State and Federal levels. Towards this end the constitution and law at different levels have been promulgated. Unfortunately certain breaches of the laws have been committed without action being taken by the law enforcement agencies. In other words the Rule of Law has been ignored.
8. The result is predictable. The citizens suffer from injustices. Businesses cannot be done properly. Property has been seized. Unusual and illegal actions have been perpetrated.
9. This being so, public complaints against such actions are legitimate and do not breach any law. They will not be considered as sedition in any way. They will be regarded as free speech. Citizens can make reports on these matters or openly speak about them.

10. The Pakatan Harapan Government will uphold the law and the rights of the citizens.

11. The Rule of Law will be upheld.

Good morning Tun

I beli glasses dari Malaya Optical sebab website mereka ada gambar Tun.

Semalam I baca ada usahawan anak Perak kata Syed Saddiq kencing dia. Khabarnya dia diminta hantar produk, Syed Saddiq akan promo. Tiba2 produk orang lain jadi pilihan. Produk dia kena balun free. Pasal dia bising kata Syed Saddiq kencing, Syed Saddiq kata dah promo kat 7 Eleven, and dah cakap dengan Vincent Tan. Apa yang aneh sini, bila I google I jumpa satu article lama tarikh 2017 yang menyatakan company ini dah close deal dengan Mesra Petronas dan juga Seven Eleven untuk memasukkan produk mereka. 2017 bukan 2019.

I juga ternampak gambar DPM online. Apa pasal DPM ini suka kipas. Makin besar kipas.

Oh ya Azmin masuk hospital. I hope beliau cepat sembuh. Pasal terlalu ramai datang melawat, Agong pun turut ziarah kat hospital, pihak hospital hantar Azmin balik rumah untuk rehat.

I teringat hubby I dulu sama kes. Hubby have angioplasty in a hospital. Bkan satu, a few. Pakar pun pening terlalu ramai sangat datang lawat. Pakar risau suruh kurangkan pelawat dengan segera. Pakar tak kasi balik cepat, hubby pula nak balik rumah.

Less pelawat while at home, kalau ada nak datang mereka buat appointment dulu hahaha

Bab rule of law, I ada baca Majilis bandaran rajin buat kerja, Penang sampai Selangor. Tumpuan banyak pada kesalahan kedai2 makan.

I cuma nak minta MBSA dan pihak berwajib yang lain, saman those yang letak iklan baner2, poster2 merata-rata. Gantung kat pokok, gantung kat pagar. Tak kira la party politik or ah long, sama saja.

Sepatutnya mereka ini disaman kerana polluted tempat awam dan kawasan rumah orang. Juga sikap mereka yang tidak bertanggung jawab menyebabkan kerugian gomen. Tun tau kalau nak lesen iklan gantung, kena bayar duit kat gomen. Dulu I ingat satu tiang 80 ringgit, sekarang tak tau.

Mungkin she thinks lanun lagenda idola dia sama taraf dengan pirates of the caribbean kut.

Apa2 pun, ia memang terbukti movie ini telah masuk top box office, dan kini dalam proses filming part 6 serial, tak payah pakai usd dan euro pun kita boleh enjoy in movie and home theaters, atau online later, dengan myr, apa2 yang susah2 dan bising2 ini, dia ingat dia cute, dia mesti dipilih first, alahai.

There is a huge difference between skilled mindset and unskilled mindset, cant blame her for self praising herself as cute dung since majority of them are having such habit in her sector samapai melayu kita pun kata mereka ini memang tak buat kerja.

Aiyo, kan kerja mereka ini bz bodek bossku, gosip dan kuat main politik, mana ada masa nak buat kerja, tak gitu?

Berminda cerdik, atau berminda cetek?

No worries, she cant do it, there are many of us out who are more than willing to such works as malaysian.

P/s: there are so many of her kind in the gomen sector, buat apa nak marah2 dan sindir2 mereka ini since we have general election in every 5 years?

Good morning!

Tengah malam semalam dengar bedilan fire crackers, bukan main kuat macam nak terbakar satu kampung.

Bab Raya

What's so fun about reunion dinners, ask single, young, overweight Chinese

<https://www.freemalaysiatoday.com/category/nation/2019/02/04/whats-so-fun-about-reunion-dinners-ask-single-young-overweight-chinese/>

I don't think orang Melayu celebrate that much. Anak2 pun dah ramai tak balik minta ampun dan maaf musim hari raya. Mereka pakai smartphones, video calls, hantar messages. Hantar kad hari raya pun tidak. Mereka anggap parents macam kawan2. Boleh buli buli, for example come to my house and raya, instead of us pergi your house. Not only that rendang ketupat lemang you can eat anytime. Baju kurung baju melayu you can pakai anytime. Sentiasa ada peniaga menjual merata-rata tak kira musim. Selain dari tu terlalu banyak cuti, cuti makan banyak duit. Nak balik kampung or jalan2 kepusat percutian, minyak kereta, tol, makan2 kat RNR, all duit, duit dan duit.

Come join us, Amanah tells PAS members

<https://www.freemalaysiatoday.com/category/nation/2019/02/04/amanah-invites-unhappy-pas-members-to-join-party-after-hadi-withdraws-suit/>

This what I call tak ada kerja cari kerja

Penduduk Semenyih mahu pekan berwajah baru

<https://www.freemalaysiatoday.com/category/bahasa/2019/02/05/penduduk-semenyih-mahu-pekan-berwajah-baru/>

To me semua boleh janji, tunai atau tidak its another thing. Many election promises yang lama tak tertunai. Semenyih suburb, usually parti pembangkang boleh menang. Kalau tengok zaman BN. Kawasan bandar selalunya dapat pada pembangkang. Reason for this selalunya sebab pengundi tidak begitu perlu pembangunan seperti pengundi diluar bandar. But PAS/UMNO tidak sure menang. Tun's power. Seperti I sebut earlier, cuba taruh calon bukan Melayu agama Islam. Test market. Kalau menang jelas nampak siapa pengundi pilih. As for Bersatu, hmmm pretty sure Tun dan Azmin tau apa nak buat.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

1. Pelik sungguh perangai segolongan warga Malaysia. Lanun pun mereka boleh puja setelah lanun hilang kuasa. Takkanlah dengan lakonan bagai (konon teraniaya), perangai buruk (salah laku) boleh ditolak ke tepi begitu saja.

Bekas PM Najib terlibat secara langsung dengan skandal ECRL. Tun dan Kerajaan PH sepatutnya dari awal dulu sudah batalkan projek ECRL kerana harga tidak masuk akal

dan ada yang tidak kena. Ini belum lagi dikira salah laku menyalahi undang2 Negara yang dilakukan oleh DSN & konco2 beliau dalam kes ECRL. Tidak perlu lagi bertanggung. BATALKAN dengan segera. Buat menyemak kepala saja.

#MaluApaBossKu sepatutnya ditukar kepada **#MaluApaLanunKu**

Keadaan bekas PM Najib sama seperti keadaan bekas TPM Anwar. Anwar masih dipuja oleh para penyokong beliau yang taasub walaupun ada rekod jenayah. Nampak sangat orang Malaysia ada yang tidak cerdas!

2. Bercakap tentang perangai & peraturan, semalam saya beli barang di sebuah pasaraya. Saya tengah beratur untuk timbang barang. Tiba2 ada wanita Cina (tahap 'Aunty') tolak saya dan letak barang dia di atas barang saya (1 saja). Kurang ajar betul! Dia ingat dia boleh main potong 'queue' saja. Mentang2 lah badan saya kecil, boleh dia tolak sesuka hati. Saya cakap, "Tak tahu beratur ke? Apa tolak2 ni..". Muka pun samseng bila saya tegur; rasanya dia tidak faham BM. Pendatang haram kot! Tukang timbang pun geleng kepala melihat perangai orang tersebut.

3. Sebelum itu, saya tukar wang Ringgit ke Euro dan USD. Ada seorang (Indon kot) yang tidak sabar2 untuk tukar wang (jenis yang tidak tahu peraturan juga). Saya belum dapat 'balance' (dekat RM80; saya beri semua note RM100), dan pengurup lupa beri 'balance' sebab melayan yang seorang lagi. Dan saya pun terus tinggalkan tempat itu; terlupa minta 'balance' sebab sibuk kira wang Euro / USD. Bila balik rumah saya cek balik wang yang saya dapat dan baru teringat tentang 'balance'. Saya talipon pengurup wang. Dia suruh saya datang balik petang dan saya dapat kembali wang saya (dia periksa CCTV). Nasib baik dia ingat muka saya (yang 'cute' .. hahaha..), dan bila saya sampai dia memang berdiri di luar ofis tunggu saya. Ini pula contoh orang yang tahu adab, dan dan tidak mahu kehilangan pelanggan yang 'cute'...

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Salam Ahad. Tak lama lagi raya Cina. I tertarik baca satu tulisan MEMO to Pakatan Harapan: You have a Malay problem.

Nak kena hantar memo ka? PH tak tau ka? Kelakar pulok.

To orang korporat memo ini perkara biasa. Dapat memo dari boss. Memo selalu membawa berita tak baik. Memo selalu about satu perubahan. Untuk parti politik? Entah. Untuk parti politik yang ada 4 dalamnya yang jelas ada macam2 agenda tersendiri. Entah. Boleh ka memo ini diterima?

Memo diatas berkenaan kemenangan BN di CH. Ada orang kata gini ada orang kata gitu. For me, sejak PH yang tak sampai setahun jagung naik, terlalu banyak PRK, ada yang disebabkan kematian, itu tak dapat elak, kuasa Allah. Ada yang bagi laluan untuk certain individu bertanding, tak kurang ada juga nak cabar kemenangan yang sedikit. Ini dapat dielakkan, kuasa manusia.

And also sejak PH naik, kuasa sebenarnya jelas ditangan DAP. Tak tau la kot kot mereka riuh lebih. Tapi pasal itu, ramai orang Melayu menyampah. Ramai pula orang Cina besar kepala. Ramai pula orang India tak ikut undang2.

Therefore, tajuk rule of law, ini boleh dipertikaikan. Tajuk rule of law ini boleh dipersendakan.

Recent findings by independent research group Ilham Centre.

About 17% of Malay-Muslims picked PKR as the main protector of Malay and Islam issues, 4% picked Parti Pribumi Bersatu Malaysia, and 3% picked Amanah, compared with nearly 30% that picked PAS, and 27% that picked Umno. And 62.9% of Malays agreed that non-Muslims control the Federal Government after the May 9 elections while 62% believed that the DAP has more influence than other PH component parties on the government's decisions.

Apa kata Rafizi yang juga ada research centre? Maybe dia akan senada dengan Wan Azizah, ramai orang ingat Tun dalam BN lagi. Kelakar pulok. Kan ke Tun naik pentas dengan team2 plus calon before election day. I nampak gambar macam ramai datang. Takan mereka ini semua datang naik bas.

Salam

Judging by public comments online, I think chances for Bersatu menang 50-50 Semenyah.

If UMNO/PAS unsure dapat rebut kerusi ini, why not letak calon bukan Melayu. Maybe Tok Mat ada strategi. I cuma fikir saja. Letak Chinese or Indian, agama Islam. I kata gitu baca komen dari PAS macam mereka unsure menang sebab state government PH. Calon BN yang lama tak nak tanding.

Maria Chin ini orang PH.

I ada baca desas desus kes orang asli dengan kerajaan Kelantan, Maria ini yang prepare dengan Siti Kassim, tetapi DAP telah guna ini sebelum waktunya, untuk election CH.

I rasa pelik masa Tun luar negara, tiba2 je keluar. And I pernah nampak berita AG kata dah bincang sama Tun. Tapi Tun masa tu luar negara. Cerita macam tribunal ka?

Desas desus juga kata itu sebab anak Maria ini kena attack sampai masuk hospital.

Goodnight!

Salam YAB dan DiSanjung PM Tun Dr. Mahathir,

1. Saya dapat rasakan yang PH akan kalah di PRK Semenyih.
2. Ini tiada kaitan dengan KONONNYA bekas PM Najib sudah mula diterima kembali oleh rakyat. Saya masih lagi meluat melihat gelagat beliau yang tidak tahu malu. Jika seorang pemimpin sudah melakukan kesalahan2 berat (banyak bukti sah), eloklah duduk diam-diam ('shut up'). Tidak perlu jadi badut. Lebih baik bermuhasabah diri dan lihat kembali apa yang menyebabkan beliau ditolak rakyat pada PRU14.
3. Namun PH pula dalam keadaan lintang-pukang. Cuba tengok kekusutan dalam SPR, dan lihat pula BERSIH yang perasan 'bersih' dan ingat mereka saja yang betul. Sejak bila pula Bersih jadi badan pemantau yang menentukan apa yang betul dan apa yang salah? 'The Rule of Bersih'? Maaf cakap, boleh blahlah...Adakah Bersih wakil Kerajaan PH? Jika benar, tidak hairanlah PH dalam keadaan haru-biru. Siapakah yang beri cadangan paling bodoh untuk dakwat kekal digunakan dalam pilihanraya bagi menangani isu pengundi 'hantu'?
4. AG Tommy Thomas pula nampak amat tidak arif dalam menangani isu Tribunal yang dilantik untuk menyiasat salah laku (kononnya) 6 anggota SPR pada PRU14 yang lalu. Alahai...bukankah 'Rule of Law' sudah mengatakan yang Tribunal tersebut tidak boleh memecat orang yang sudah meletak jawatan! Awatlah degil dan bodoh sombong sangat AG lantikan Tun ini...
5. Objektif penubuhan Tribunal sudah 'terhapus'. Tribunal sudah tiada KES untuk terus wujud. Tribunal mesti dibubarkan. Jangan membazir wang dan masa rakyat untuk kepuasan peribadi (dendam)!

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Sempena hujah sdr Ibrahim Ali, izinkan saya keluarkan sedikit komen tentang KCD, I find it strange bila KCD suka promo Syed Saddiq. Pada yang tak tau KCD adalah singkatan Kelab Chedet. Macam mana KCD jadi kelab Syed Saddiq. Chedet kan ada anak nama Mukhriz yang aktif dalam politik. Maybe sdr Ibrahim Ali boleh komen sikit, after all antara Perkasa dan KCD ada link, kan.

Salam Tun Mahathir

I tak berapa minat isu luar negara sebab dalam negara sendiri kucar kacir. I tertarik baca komen ini;

ULASAN PILIHANRAYA KECIL PARLIMEN CAMERON HIGHLANDS OLEH DATO PADUKA DR IBRAHIM ALI:

PRK CAMERON HIGHLANDS

PH TEWAS – BN MENANG

1. Kemenangan besar CALON BN membawa erti isu IMDB, SRC dan kleptokrasi kepimpinan DSNR sudah berakhir. Rakyat sudah jemu dan fed up.
2. Ia juga mengesahkan RAKYAT MENERIMA HAKIKAT PH ADALAH PEMBOHONG kerana gagal menunaikan janji Manifesto dan janji 100 hari jika menang PRU-14.
3. Amat jelas dan tegas orang melayu MENOLAK DAP yang membawa Dasar Malaysian Malaysia iaitu Dasar Kesamarataan yang kini menjadi Dasar PH dengan slogan 'haprak' Malaysia Baru.
4. Rakyat juga menolak berbagai kenyataan yang dibawa oleh pemimpin PH kononnya negara akan bankrup jika tidak tukar kerajaan. Propaganda PH sebelum PRU-14.
5. Rakyat juga naik benci atas sikap angkuh para menteri PH dengan lagak serta egonya yang melampau tetapi kerja dan tugas bercelaru
6. Orang Melayu menolak PH bulat-bulat kerana melihat berbagai angkara yang tidak menyenangkan seperti penghinaan terhadap Islam Raja-Raja Melayu dan orang melayu di mana tidak ada tindakan tegas malah seolah seolah kerajaan lepas tangan.
7. Kenyataan celupar oleh segelintir Melayu liberal dan peranan Cik Siti Kassim dan Ambiga yang menyokong PH menjadikan orang Melayu naik muak dan muntah.
8. Gelagat pemimpin Melayu dalam Bersatu, Amanah dan PKR juga membuat orang Melayu naik benci dan meluat. Adakala pemimpin Melayu PH sendiri mempersenda maruah Melayu dan Islam kerana mahu mendapat undi Cina dan India sanggup buat macam-macam hal.

Malah ada yang bersikap tidak beradab, kasar dan kurang ajar. Contohnya seorang Exco Melaka dan seorang Timbalan Menteri yang berkempen di PRK Cameron Highlands baru-baru ini.

9. Rakyat juga terkejut dengan berita anak Mat Sabu ditangkap positif dadah. Bapa cakap berdegar-degar dan sering mencemuh pihak lawan tetapi gagal mendidik anak sendiri.

10. Rakyat juga menjadi bosan dan meluat kerana melihat pemimpin PH 'cakap tidak serupa bikin'. Sebelum PRU-14 menuduh UMNO/BN menyalahgunakan kuasa seperti menggunakan kemudahan kerajaan tetapi semasa PRK Cameron Highlands pemimpin PH melakukan perkara yang sama.

BERSIH adalah alat propaganda PH sebelum ini. Natijahnya rakyat berkata 2×5 dan 5×2 sama sahaja. Lebih baik BN kata mereka, kerana kurang hipokrit daripada PH. Nampak alim tetapi tak alim. Rakyat tolak sifat hipokrit yang melampau.

11. Gembar-gembur MP UMNO melompat menguntungkan UMNO/BN. Aneh. Pelik tapi benar. Apatah lagi dicop pula lompat beruk.

Ini juga rakyat jijik terutama yang mendapat banyak faedah dari UMNO seperti pangkat projek dan jawatan menteri. Ianya rahmat yang tidak terduga kepada UMNO rupanya kerana rakyat boleh kenal antara permata dan kaca yang sebenarnya.

Kempen PH di PRK Cameron Highlands diburukkan lagi dengan kehadiran Mustapha Mohamad. Kehadirannya berkempen di Cameron Highlands bukan sahaja membantu mengurangkan undi PH tetapi menambahkan lagi rasa jelik orang ramai kepada PH. Inilah antara yang diperkatakan di kedai-kedai kopi.

12. Kes kematian arwah Adib, pegawai bomba juga membuat orang Melayu terlalu kecewa kerana sampai sekarang yang dituduh hilang dan tidak ditangkap. Sepatutnya berada dalam penjara tanpa jaminan. Sekarang terpaksa menunggu inkues pula yang belum pasti apa kesudahannya. Orang melayu amat marah dan pendam kemarahan di hati masing-masing.

13. Sebenarnya tugas Tun M sudah berakhir. Matlamat Tun M hanya mahu singkir DSNR. Misi sudah selesai. Apakah tergamak untuk menyerah kuasa politik kepada DAP yang 'kelingking berkait'. Nasi sudah menjadi bubur.

14. Pengundi Cina dan India tetap solid kepada DAP/PH. Kepada orang Cina, mereka sudah menguasai ekonomi. Kini mereka mahu menguasai kuasa politik. Sekarang mereka sudah hampir dapat. Bagi orang Cina 'now or never'.

15. Faktor calon juga memberi kelebihan kepada BN. Orang Asli hampir bulat kepada calon BN. Parti Pribumi Bersatu gagal menarik sokongan Orang Asli kepada PH.

Orang Asli naik bingung dan terkeliru bagaimana Parti Pribumi yang mendakwa berjuang untuk kaum pribumi tidak menyokong calon Orang Asli tetapi menyokong calon DAP orang India.

Orang Asli Cameron Highlands hebat. Bijak menilai dan membuat keputusan. Tahniah buat mereka. Saya menyokong secara peribadi dan berkempen untuk YB Ramli calon Orang Asli beragama Islam melawan calon DAP. Ini juga ibadat yang pasti mendapat

ganjatan pahala mengikut ajaran Islam. Iajuga tuntutan semasa berdasarkan kemelut politik tanah air.

16. Faktor utama kemenangan BN juga adalah strategi kerjasama UMNO dan PAS. Sumbangan undi penyokong tegar Pas tidak sedikit. Kekalahan PRU-14 adalah kerana 3 penjur. Jika Pas tidak bertanding terdapat 29 kursi Parlimen PH tidak akan menang dan memberi kelebihan kepada BN.

17. Perjalanan 'Rules of Law' nampaknya pilih kasih. Pengundi elit dan pengundi muda tidak senang hati kerana mereka melihat Rules Of Law dilaksanakan secara pilih kasih. Dulu BN juga dituduh mengamalkan pilih kasih tetapi kini PH juga dilihat mengamalkan perkara yang sama.

Pendapat ulasan saya ini tanpa apa-apa sentimen dan ianya secara ilmiah. Sedikit pengalaman yang saya ada dalam dunia perjuangan politik yang sentiasa di akar umbi, menjadi panduan kepada asas ulasan dan pengamatan saya terhadap PRK Cameron Highlands secara jujur dan ikhlas.

Bagi UMNO/BN, kemenangan PRK Cameron Highlands adalah permulaan dari kekalahan teruk PRU-14 sehingga kehilangan kuasa.

Perjalanan baru bermula dan masih jauh. Jangan angkuh dan sombong. Rakyat mahu pemimpin yang bersih dan dilihat bersih terutama generasi muda.

Jika Dato Seri Mohamad Hasan diangkat sebagai Pemangku Presiden dan bukan setakat menjalankan tugas Presiden nescaya kebangkitan semula UMNO seumpama bedilan bunga api.

Selepas kalah dan hilang kuasa pada PRU-14, UMNO ibarat dilanda koma dan nazak.

Selepas PRK Cameron Highlands, mereka sudah sedar dan buka mata. Tapi belum dapat dipindah ke CCU. Masih dalam perhatian rapi rakyat. Pemimpin UMNO yang sedia ada kenalah berkorban jika ingin melihat UMNO/BN bangkit semula. Sekarang cahaya di hujung terowong berkelip kembali. Jika tidak, mungkin hidup, tetapi cacat atau lumpuh.

Maaf jika mana-mana pihak tersinggung. Niat saya sekadar memberi pendapat ikhlas sebagai satu ulasan poltik dari seorang ahli politik yang bebas dan tidak berparti sejak 2003.

Terima kasih.

Dato Paduka Dr Ibrahim Ali

Presiden Perkasa mantan Ahli Parlimen.

– Membaca diatas, sedikit sebanyak adalah benda2 yang I dan Hajar dok sebut di sini. And also some points yang I tidak tau. I juga pernah baca yang ada orang kata LKS ancient his bahasa Melayu terrible. I teringat seorang kat sini. Terfikir pulak orang yang sama ka? kikiki Alahai tak payah la gaduh2 Bersatu dengan UMNO, hantar je LKS dan gang kempen untuk PH di Semenyih, pasti one of you akan dapat big majority kikiki

Wah I baca Tun kata, BN guna race cards. Bior benor benor sikit.

Apa pasal I baca news keliling DAP dan team guna isu bangsa ini lebih2. Nak bagi orang asli full citizenship. Orang Melayu tak nak beli kuih orang asli lah. Nak saman kerajaan Kelantan la over orang asli issue. Tiba2 je pasal nak election. Suaram pun ada bersuara apa pasal tak saman kerajaan Sarawak over the same things.

Tak nak bagi tok batin elaun jika tak pilih PH. Ini kalau tak silap dari konco PKR. Part rule of law, team PH ini lagi tak ikut undang2. Pakai baju ada logo masuk tempat mengundi, guna kereta kerajaan. Hantar hamper malam buta.

Orang asli raya CNY ka? Tauke mana kasi tu? Angpow tak kasi? I tau businessman Cina dulu kalau masuk jabatan kerajaan rajin bagi angpow kat staff yang rajin tolong mereka. Buruk2 pun dulu kasi musim CNY 200 ringgit.

Like I say before, kalau kat Kelantan, you bagi la apa, mereka ambil, undi tetap PAS.

I juga baca Wan Azizah kata ramai ingat Tun masih BN. What if betul, mereka vote BN because of that? I doubt so.

Pahang kan ke BN. Agong baru naik also Sultan Pahang. Mereka semua familiar dengan mantan PM. Anak jati Pahang. Mereka juga familiar dengan calon BN. Anak watan.

If you tanya I now siapa I akan pilih next GE. I tetap pilih party yang jaga Malay rights, jaga Islam my religion. I tak minat Malay liberal party. Though I Melayu modern my mind tidak begitu liberal. I tidak pakai hijab, I pakai selendang ke official function only, but I tetap pilih Islam sebagai my religion. I don't understand those yang kata mereka Melayu modern maka Islam bukan agama pilihan mereka. Or promote LGBT. To me golongan ini hidup cari makan di Malaysia dengan nyaman. Takan golongan ini now nak ikhtiraf perkahwinan semasa mereka pula?

In other words kalau Bersatu tak mampu jadi party idaman I, I tak vote Bersatu. Kalauah Sultan naik jadi next PM also I suka. I see Brunei doing ok. Just saying!

Good afternoon Tun yang dikasihi

I agree with Hajar. Tertanya-tanya juga kalau SPR dah hantu, ada tak pengundi hantu? Lets say, kalau PRK Port Dickson tak halal maka PRK Cameron Highland tak halal. Jangan excited PH, I sebut PRK Port Dickson dulu kan? hahaha

Ok pe, Malaysia bakal tiada international sports event. Tun sayang Syed Saddiq, tiada event, kurang kerja Menteri muda ini. hahaha

I pernah baca beliau suka main game online kat pejabat. I pun main game online tapi I bukan Menteri. I banyak masa lapang, bursa pun sentiasa merah menyala. Thank you PH for making my life more miserable.

Hajar, siapa halau kita balik kampung? Amboi itu sebiji macam kempen May 13. I pernah sebut sini masa May 13 I anak kecil, but I dapat rasa the pressure. My dad pernah beli gambar, I ingat lagi gambar itu, pemuda india atas lori tunjuk buntut kat orang Melayu. Bersamanya atas lori pemuda2 Cina. Begitulah sombong mereka bila menang. Ini kalah also sombong!

I juga ada dengar cerita Lokman's brother letak gambar buntut online kena cekup masuk jel tapi yang dok mengata Sultan, orang Melayu, agama Islam boleh bebas. Khabarnya sedition law itu boleh buka dan tutup sesuka hati.

I tak tahu apa nak cakap lagi, Tun kata rule of law. Rule of law itu untuk siapa? I ingat satu masa dulu I ada kawan seorang Tan Sri, big boss public listed company. I pergi AGM chaired by him, dia kata kat I, dia sentiasa tolong Melayu. I tanya dia balik, Melayu mana you tolong? You?.

I juga ada baca Rais Yatim dok rekomen macam2 untuk menang PRK Semenyih. May I add, just hantar LKS dan team sana, pasti menang majoriti besar dengan independent candidates. Jangan excited PH, I kata menang majority besar dengan independent candidates sahaja. You know, macam Cameron Highlands.

Sorry ya Tun, I beri pendapat jujur dan ikhlas. Therefore, orang Melayu, orang bumiputera, orang Islam harus bersatu.

Assalamualaikum, Tun.

Cameron Highland by-election results were something expected. Why? The existing Government, in certain aspects/areas, is perceived as going against Rakyat's wishes.

– Rakyat don't want the death sentence to be abolished, as there is a severe risk of transforming this nation into drug-trafficking country.

– Rakyat face high living costs. Promises remain empty promises, especially for what the Finance Minister has said and done. The recent move to increase water tariff was a bad move.

– The economic policies seem not right in the sense that the fuel rate is subject to weekly floatation despite Malaysia being a oil-producing nation (as especially claimed by DAP last time), the property market is made dull and inactive due to imposition of real property gain tax, the unemployment rate keeps increasing due to poor policies in attracting foreign investment.

– Last but not least, Finance Minister cut allocation for TARC/TAR U has caused Chinese votes to switch. Until now, we still cannot see any good reason behind cutting allocation, except for political revenge.

You made yr point of the Paralympic
But its wise to shut up than voicing when you are weak and nobody

Meaning Malaysia has a long way to braves it all
You have to be silence
Malaysia needs to be prepared

The very reasons I keep repeating
Every Muslim today must made efforts to unite The Ummah
Muslim Leader must also made that efforts despite yr Sunni ,
Shite , Black or White
Muslim must make these Moves
Talking , Demonstrating on the Street proves only a waste of time
Its irrelevant in today world
Yr own street gets dirtied , burn , hurting yr own economy

Lets have a Party in Malaysia , Tun
Invite The Muslims Leader to have a Party here in Malaysia
I mean Lets meet and look at each other in the name of Ummah
Lets have Nasheed from all over the Muslim World at our Stadium

Even here if we really care of menjaga Ketuaan Melayu
PKR, BERSATU ,UMNO , PAS must Unite
From this coalition we form only One Party
And we need to select the best of leaders from this pool of leaders
By Voting

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

Mohon izin Tun:

1. Alhamdulillah, YB Ramli Mohd Nor menang di CH. Tun sebenarnya tahu yang PH bakal kalah.
2. Teramat gembira saya bila puak RASIS tahap gaban ditolak oleh pengundi2 Cameron Highlands. Nampaknya meroyan sakan si Rasis sew*! di blog Chedet. Tok-Nenek dia yang datang ke Tanah Melayu (Malay Archipelago), tapi dia pula yang asyik suruh orang Melayu balik kampung. Hello, orang Melayu memang sudah berada di kampung asallah wahai dung*!. Memang sah sew*! Penghuni Hospital Bahagia TR kot...
3. 'Sri Sense', SPR = 'Suruhanjaya Pilihan Raya'. 'Suruhanjaya' ialah satu BADAN yang terdiri dari beberapa orang ahli/petugas. Tapi kita cuma ada Pengerusi SPR saja dalam SPR. 'Badan' yang ada 'kepala' saja memang tidak logik.
4. Ada yang berhujah yang PM (Tun M) pun boleh jalankan tugas seorang diri, tetapi Tun sudah ada TPM dan MPs dalam PH (sebelum Kabinet penuh terbentuk). Mesyuarat Kabinet pula berlangsung dengan adanya beberapa ahli Kabinet yang telah dilantik (bukan Tun cakap sorang2). Jadi kepada yang kata PM pun boleh jalankan tugas seorang diri, hujah ini dangkal.
5. Azhar @ Art Harun bermesyuarat seorang diri agaknya. Dia kata undang2 membenarkan dia buat keputusan seorang diri dalam SPR. Benarkah?
6. Saya setuju dengan dakwaan yang mengatakan kita sekarang ada SPR 'Hantu' kerana ia badan yang tidak lengkap (tidak sah?). Jika berlaku apa2 kepada Azhar Harun, siapa yang akan memangku jawatan Pengerusi SPR? Jelas ini tidak bertepatan dengan Undang2 dan Perlembagaan Negara. Khabarnya, Azhar Harun seorang peguam. 'Rule of Law' kah, atau syok sendiri kah?

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Umno didnt obey the rule of federal parliament, maka terhilang undi tidak percaya kaum dan bukan malay muslim serentak pada 2008 and 2018.

Unless, game of seat swapping behind the back of the voters is on again.

They have done this so many times dengan sogok, dan takda orang peduli pun, akhirnya tupai terjatuh ke laut.

P/s: political uncertainty is always there since politicians could be rigged behind the voters. the main tasks of journalists is to get ministers to talk and provide details for their readers to read under column of politics. when ministers know their jobs well, they can answer questions anytime, anywhere, but the judgement of the ministers' performance would be based on what they answered in the media spontaneously, cannot tukar and denial punya.

When local news published the prk result for any by-elections, then, its officials.

Mana boleh jadi tak sah pulak and used the title of agong as the political factor to not recognizing the result sesuka hati boss FMT portal news.

By-elections, in fact, is not compulsory, but since the ruling ph party just like bn opposition party perceived these elections as important, then, by-elections are on to choose the puppet, i mean, mp, for that constituency.

SPR "hantu": PRK Port Dickson, Cameron Highlands tidak sah?

Hajar, what say you?

Hantu ke, atau Tuhan?

Mesti la Tuhan because thats our savings untuk hari tua jugak.

Can sarawak host the olympic event of swimming with israelis participants?

P/s: there is no way ph kdn at federal level can issue special visa to the israelis participants without 2/3 majority votes at the federal level just like bn because rule of the federal parliament must be obeyed.

Assalamualaikum Tun.

PRU15 adalah untuk turunkan Najib kerana skandal 1MDB. Kleptorasi yang paling besar di dunia pernah berlaku.

PM mempunyai kuasa yang besar sehingga tidak boleh dibuang. Melainkan melalui proses undi. Itu pun sehingga terpaksa menumbangkan seluruh parti.

Maka dengan tumbanganya satu parti yang selama ini telah berjasa kepada rakyat Malaysia, ia telah diganti dengan satu kerajaan yang banyak keladaknya.

Kerajaan ini keruh. Sekali digode gode, maka keladak dari bawah airnya timbul.

Sudah tentu ia perlu ditapis untuk menjernihkannya. Baru air itu selamat untuk diminum.

Air yang bersih dan terisi dengan klorin pasti tidak akan diisi ruang oleh nyamuk Aedes yang memang menantikan air tulen yang ditakungkan.

Good afternoon, happy sunday!

Antara munasabah dan tak munasabah – bila PH get into trouble mereka start cakap about 1MDB hahaha

Siapa Menhen? Baru tahu Menteri Hal Ehwal Najib – LKS. Tak munasabah cerita pasal Najib, Najib bukan President UMNO, Najib bukan Pengerusi BN, Najib bukan PM, Najib hanya MP Pekan. Apa la hal sibuk sangat dengan Najib ni? hahaha

Part Najib share jalan sana sini, nothing strange, most of my FB friends kalau jalan, kalau makan, signboard salah bahasa, signboard senget, kereta cat pelik dll mereka memang selalu share kat fb.

Najib nyanyi also nothing strange, a few of my fb friends pun buat gitu, budak sabah, orang america, kalau suka nyanyi mereka nyanyi lagu kegemaran dan mereka share kat fb. Ada tu duet dengan another person in lokasi berbeza. Sharing memang culture fb sebelum adanya instagram. Update status also culture fb sebelum ada twitter.

Of course Najib dapat ramai follower sebab dia mantan PM Malaysia. I bukan. So kalau Najib jalan makan certain shop bukan saja tempat itu nama naik bahkan orang tak tahu wujud kedai itu jadi tau. Like hubby pernah kata; Najib makan sini? Ini kat opis. Pasal Najib dah cuba, hubby pun teringin nak cuba makan situ.

Bila Najib jalan ka Ipoh, boleh juga beli kacang putih Buntong. Kedai India ada a few di sini. Not sure betul ke tak, mereka semua adik beradik. I biasa beli kat kedai yang ada 2 kon kacang putih depan kedainya. Kalau jual kat KL dan kawasan sekitar, kacang putih ini dipanggil sebagai kacang Ipoh. Kalau beli di Buntong dari kilang, harga jauh murah dari beli sini selain dari rasanya fresh.

Nampaknya Tok Mat berjaya jalan tugas President UMNO. Kalau Semenyih UMNO menang, elok sangat Tok Mat terus jadi President UMNO. Tok Zahid boleh guna kesempatan ini buat apa yang dia suka seperti Tok Najib. Jalan2 makan2 or pergi masjid2 tiada salah with it, kalau salah hanya dimata DAP sahaja.

Have a pleasant Sunday!

Betul tetap betul.

Salah tetap salah.

If you played by the rule of the game, you will be alright because that's the compulsory requirements of the game of winner takes all, loser takes all as politicians of political parties could be rigged behind the voters.

But if you played by the rule of zero sum game, opportunities and chances of winning will have zero effects on the voters in general because we are who we are, tak boleh tipu dan sorok punya.

Not being in the federal and state ministries is not the end of the world since there are many windows of opportunities available out there to earn a decent living as long as we are willing to work and fulfill the agreement of the employment.

Jika dulu mereka tak boleh, kini mereka pun tak boleh, besok dan lusa mereka pun tak boleh.

P/s: it is still come back to chicken and egg issues, bak kata, siapakah mereka yang makan cili, mereka lah yang rasa pedas. nothing is impossible in this world, but are you katak di bawah perigi, atau katak di atas perigi? tepuk dadah, tanya selera.

Why shocked?

Isn't the rule of game for the pusing sini, pusing sana, memang macam ini?

Azmin ada boss, guan eng ada boss, najib pun ada boss dan yang lain2 pun ada boss mereka, ia memang sudu more than kuah.

Siapakah boss mereka di dalam hati, cannot say out one because its classified as osa at putrajaya.

As expected, ramli burger is still the preferred brand untuk masyarakat umum kerana jenama ini adalah paling murah di pasaran negeri masing2 mereka, and the sound bite of pas-umno merger talks has begin, and the location is at semenyih this time.

The cancellation of ecrl project is expected, is it because to jimat myr500 juta bunga faedah, or based on favoritism of race and religion supremacy?

Frogs cannot walk, they jump because that their biological nature.

We, human, walk straight forward, and that our nature.

P/s: who wants to be the billion dollar whale with lord of the rings this time? are you ready? isreal? palestine? my way? your way? my cronies? your cronies? my friends, your friends? as saying goes, never take things for granted, a business that took you 20 years to build can be ruined in 5 minutes since no one knows who is swimming naked in there. no matter how bad is the storm, it will stop, clear sky will come again, and thats mother nature, henceforth, just wait it out and let the storm pass through first.

I prefer you & yr Minister to stay away from Press unless if necessary Press , Questions are meant for an answer But it will often be use to fish out yr weakness , be the platform for the opposition or our National enemy

You & Saddiq are are capable but both you may made mistakes And these mistakes is an assets to yr opposition or our enemy

Anwar our future promise PM must note this also Anwar not my favorite as he talks a lot & irrelevant As i repeatedly stress Anwar must respect & learn from you Not ignore & disrespect you as yr predecessor PM of yr choice PakLah & Najib I strongly believe foreign Govt will advantage if Anwar or our future leaders are weak & incapable like Paklah worst of all Najib As both have no vision not knowing their directions

Trump may look a clown alike Najib But he indeed is a Smarter clown Sometimes I see Trump is Cute He works , he bargain his way for America These are True Leaders Character He has the same thick skin as Najib but he delivers US interest well He puts US importance above all even though he lie & lied Whatever it takes , No matter how embarrass , No matter how wrong it is US importance & interest is his top priority even he has to kill a Nation

Unlike Najib & our First Lady Rosmah whom moves around expensively , showing off But shy to delivers Malaysia importance By now Anwar must have plans Must have Vision and must know how to behave Dare to make the changes Dare to Speak

Dare to be Thick Skin like Trump and be able to deliver

I am looking forward Syed Saddiq to be our next PM after Anwar Be the youngest PM of Malaysia By then He is a Mature Politician and a develop Man He must not make mistake, must know to hide his weakness He must be guided & supervise by his carer

Malaysia must made efforts to Unite our Ummah naming ourselves as an Islamic Nation We must extend our self to Russia , China We must built our own weapons even it is made from (Buluh) Bamboos Like we learn to built our Protons

Good evening Tun

Menang besar BN. Jauh kebelakang tertinggal calon DAP.

Harap Tun sihat. I sebenarnya tidak setuju Tun turun kempen. Bukankah LKS dan gang dah bijak kempen.

Kalau dulu majority amat kecil, hanya 500 ratus lebih, sekarang nah tengok. Walau pun ada cakap2, kononnya ada naik percentage sokongan dri rakyat disana, hanya sekadar nak sedapkan hati PH.

Tengok figure kita dah tau kalah besar, dulu kalah sikit. Tu la gatal2 sangat tuduh MIC rasuah sekarang apa jadi. Sampai ada orang mengata sewa helicopter nak kutuk Najib tak berbaloi pun.

Ini I nak cerita pasal hamper. Setau I hamper ini orang kasi pada yang nak beraya. Opis hubby kalau hari raya puasa semua orang Melayu dapat hamper, kalau orang Cina orang India, tengok raya apa dia celebrate, kalau dia kristian bagilah hari krismas. Takan nak kasi berkali kali hamper kan. Lagu ini company pun boleh bankrupt. Tun faham kan kenapa I cerita pasal hamper.

I terkejut PH kalah? Tidak. I memang dah agak. I baca keliling I detected, I memang tau. Orang keliling Tun mungkin tak nampak, mereka cuma nampak LKS, LGE, Anwar, hero dari segala segi. Me free agent, I see things clearer. Hajar berdoa, I also tak terkejut. I dah nampak. Sorry Tun, your team up there, ada orang panggil autism.

As orang yang memangkah DAP, I memang antara yang kecewa.

Wah Najib pun pergi makan nasi kandar Jalan Yang Kalthom. I pula beli durian dari Raub Pahang. Beli di sini. I jarang pergi Pahang. Kuantan ada pergi sekali sekala. Anak perempuan I ada disana. Pernah makan satay zul. Tapi I suka lagi satay kajang samuri disini. Genting Highlands I love the premium outlet. I pergi dulu sebab anak I kerja situ. Company hantar dia kerja sana for a few months. Sekarang dia tak kerja situ, I tak pergi lagi.

Orang asli ini ramai dah bekerja. Ada yang pangkat besar. Antara kita tau atau tidak. I kata ini sebab kalau I balik Perak I suka beli petai kat pekan Bidor. Kawan pernah beritau yang jual petai orang asli. I tengok muka orang Melayu. Cakap Melayu pun fasih. Part kuih tu I tak tau, samada orang asli ada jual kuih ke tak. Bukan mereka letak label aku orang asli. Merepek la Dap nie.

Kuih putu Perak tu memang kuih Melayu. Memang kuih ori orang Melayu Perak. Tak jumpa kat negeri lain.

I nasihatkan Tun, jaga diri baik2, makan ubat jangan lupa, kesihatan penting.

Assalamualaikum Tun.

Yup Sri Sense.

Saya ada blog saya sendiri. Saya wujudkan di masa sedang bosan kerana mungkin telah dapat rasa tujuan Tun ketika itu mungkin akan tercapai. Iaitu minta Pak Lah letak jawatan.

Seingat saya, saya dapat rasakan ketika itu Tun tanya "nak buat sorang sorang/asing asing ke?"

Saya buat itu juga sebagai tanda kenangan saya dengan Tun. Tarikhnya adalah Mei 2008 saya sertai online.

Saya tahu ramai dari seberang laut yang singgah di blog saya. Terima kasih saya ucapkan. Saya amat hormati.

Atas dorongan itu, InsyaAllah saya akan terus cuba cari masa untuk menulis seperti mana saya tulis selama ini di chedet.cc

Salam YAB dan DiSanjungi PM Tun Dr. Mahathir,

1. Maaf cakap Tun...Golongan yang mengundi PH pada PRK Cameron Highlands patut berasa malu sebab menyokong parti yang ada pemimpin veteran yang tidak tahu bahawa ORANG ASLI memiliki KEWARGANEGARAAN PENUH ('full citizenship') sebagai rakyat Malaysia. Tambahan pula mereka ialah Bumiputera @ PERIBUMI. Ini termaktub dalam Perlembagaan dan Undang-Undang Negara.

2. Lagi satu, selama Tun jadi PM ke-4, Tun juga tidak pernah mengatakan atau menganggap yang orang Asli sebagai "bukan warganegara penuh Malaysia".

3. Jadi Tun patut failkan saman malu kepada Lim Kit Siang kerana turut memfitnah Tun dan Malaysia.

4. Saya MALU melihat pemimpin yang jahil, dan semestinya berasa teramat malu sebab dahulu saya beri undi saya (PRU14 – Parlimen) kepada calon dari parti DAP (seorang Cina yang amat terkenal dalam DAP yang sememangnya RASIS tahap gaban...).

5. Seperti biasa lihatlah putar-belit Lim Kit Siang selepas ditangkap berbohong: "I have never said that the Orang Asli, who are the first inhabitants of the country, are not citizens, but asked whether they are full citizens of Malaysia". Agaknya, kepada kaum dia pun dia kelentong perkara yang sama...Sebab itulah ada yang meroyan sakan (sampai sew*l) di sini.

6. Apakah kita ada istilah "bukan warganegara penuh"? Mereka tidak layak mengundikah? Alahai...Ini yang dikatakan bodoh piang. Maaf cakaplah...

7. Sekali lagi, saya doakan Ramli Mohd Nor menang pada PRK Cameron Highlands. Aamiin...

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Salam Sabtu Tun

Manogaran dari Teluk Intan? I tak kenal dia. Tapi kalau Datuk Mah dari BN dulu kenal. Kenal dari masa I kecil. Orang Teluk Intan siapa yang tak kenal family Datuk Mah. Ada sebuah library untuk rakyat dalam bandar di bina oleh keluarganya.

Oh! adakah itu sebabnya orang KCD jalan sampai Teluk Intan? Kalau ini sebabnya I rekomen restaurant Krisnan. hahaha

Tak ramai orang Melayu makan sini. My daughter ada makan sini, dia kata sebab tauke kedai ini dulu pernah sewa rumah my dad. I tak pasti but my daughters memang dari kecil duduk dengan my parents.

Overall orang Melayu Teluk Intan tak berapa suka makan restaurant India, mereka lebih pada kedai mamak, so Ghulam Rasul seberang jalan lagi penuh.

I jadi follower Najib guna account my game player kat FB. Kalau kat FB, account ini I rajin buka. My personal FB account I jarang buka. Buka hanya perlu sahaja.

Memang I selalu baca postings beliau yang fun and funny. I suka tengok dia jalan cuma pengundi. Nampak dia selesa dan mesra. Setau I, dia tak sebut nama Tun, nama LKS dan LGE dan gang2 DAP memang selalu. I agak terperanjat Tun panggil dia Yahudi. Tapi Tun sendiri pun ada cakap Israel kuat sebelum ini. hahaha

I pernah lawat satu laman orang Malaysia yang offer kerja online buat kat rumah. Mereka rekomen register dengan satu company Israel. Malah ada 2 sahaja company mereka rekomen iaitu Israel dan America. Mereka kata dua company ini boleh dipercayai. I baca saja tak register dengan mana2 pun.

I juga ada seorang game friend perempuan dari Tel Aviv. Kawan lama dalam FB. Main game sahaja. Dia okay tiada masalah pun. Sekarang kami semua dah tua, dia pun dah sakit cancer, dia jarang main game lagi

In fact both dsn and guan eng had given the indian communiity the best and sure win cards, but sadly, they still think not enough, and want more, and more because both these leaders think only indian can become doctors and lawyers.

The most oppressed races in this country is malay because only umno, pas and pkr can decide their destiny via nep bumiputra policy.

The most hard working race in this country is chinese because mca, gerakan and dap are too indulge in being the shadow of the malay and indian leaders.

The most ungrateful race in this country is indian because they always fight among themselves to show their worshipping power.

I do not know what to say, but i know i can never be like them in seeing issues always from the lense of race and religion supremacy.

Will you be alright when the ruling government put the muslim refugee cause above you and your country?

P/s: to keep cameron highland cooling to retain its farm land, you must not open up the land for highways and property development because such development will destroy the nature of such highland. as ruling government, you cant protect the environment, then, obviously you cant protect the voters in this constituency at federal and state level.

Taktik bercerita tentang HANTU (menakut-nakutkan) memang makanan Kit Siang (tetapi tuduh orang lain). MENGHASUT dan memfitnah memang cara DAP & geng dalam meraih undi.

Hantu lelaki means gweilo, hantu perempuan means gweimui, banana asian means juk sing, or oversea born asians.

Pontianak lelaki means, gweilo and pontianak perempuan can also mean gweimui.

To her cow dung brain with racist, fearless and greedy glasses, she sees hantu as han tu, thats why she gets confused.

P/s: jika mahu politik yang amat sempit dan langsung tidak bertoleransi, then, lebih baik stay in own kampong, and stop jaga kain tepi kaum2 lain but her gang cannot stop mps from contesting, betul tak?

She knows the style of her ayahanda more than anyone else.

Even being flower girls to the bonda could be perceived as ticket to the elite world as if the world is evolving among themselves only.

It reminded me the song by abba, money, money, money of english top chart in 1980; https://m.youtube.com/watch?v=uP0sC_s5Efe

All systems can fail, and the historical moment of last general election on 9 mei, 2018, pakatan harapan had proved this point after pakatan rakyat had succeeded in denying barisan nasional 2/3 majority on 3 mac, 2008, that was 10 years, or a decade, ago.

Being the lawyer to the elites, or rich man, their job is to make sure their clients win, but can they still fool the voters as before since local voters will show their political stand in ballot boxes when the general election is called?

The winner takes it all, english top chart too in early 80s sang by sweedish abba; https://m.youtube.com/watch?v=tXFa7D41_ww

Life is like a box of chocolate whereby chocolate lovers can select the varieties of chocolate that fit their taste, and packed in a box, and it is of no difference with the tastes of food with sweet, sour, bitter and spicy for asian food lovers.

Truth is hard and bitter to swallow, but it is definitely safer and better off to find out the truth now than to pass down to the next generation.

As, saying goes, wealth does not pass through 3rd generation.

P/s: coalition political parties always dictate the direction of the country is when majority of their people are poor, buta huruf dan pekak bahasa but when majority of their people no longer poor, buta huruf dan pekak bahasa, these people will have the basic right to vote the coalition that they see fit to lead them.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

Pada PRK Cameron Highlands, "Kedaulatan Undang-Undang @ Rule of Law" ibarat kata-kata hikmah sekadar untuk memburukkan pihak lawan.

Yang melaung-laungkan kata-kata hikmah ini perangnya lebih teruk. Bagai meludah ke langit lagaknya.

Dulu mengutuk BN sebagai korup bila menyalahgunakan jentera dan aset Kerajaan, dll.

Bila tertangkap, marahkan orang lain (yang menangkap) kononnya 'kurang ajar' lah sedangkan diri sendiri perangai macam samseng jalanan! Munafiq!

Lim Kit Siang ingat orang Melayu / Asli bodohkah? Takkanlah UMNO nak angkat balik bekas PM Najib sebagai PM. Tidak masuk akal betul. Tun M yang hebat pun tidak diangkat kembali menjadi PM oleh UMNO. Yang mengangkat Tun M jadi PM ialah Kit Siang & geng. Tidak usahlah merapu meraban Kit Siang oiii!

Taktik bercerita tentang HANTU (menakut-nakutkan) memang makanan Kit Siang (tetapi tuduh orang lain). MENGHASUT dan memfitnah memang cara DAP & geng dalam meraih undi.

Sebab itu AKTA HASUTAN mahu dimansuhkan supaya senang DAP & geng menghasut dan memfitnah sewenang-wenangnya. Mereka pula kalau kononnya difitnah, terus failkan "saman fitnah/malu" terhadap yang mereka dakwa memfitnah. Yelah, Ambiga, Siti Kasim, Ram Karpal, AG Thommy Thomas, dll. semuanya konco-konco PH. Undang-undang dalam gengaman mereka. Duit pun banyak...

Pengerusi SPR, Azhar Harun, pun konco PH juga. Kononnya, bersih dan adil dan menjunjung "Kedaulatan Undang-Undang". Mual saya melihat gelagat golongan hipokrit ini.

Nanti kalau menang di CH boleh adakan lagi pesta gala ala-ala 'TWIST PAK MAUN' ye! AG, Siti Kasim, Ambiga, CJ, Menteri Undang2 ber'twist' sakan sebiji macam Pak Maun! Memang kelakar melihat gelagat mereka. Siti Kasim elok kuruskan badan barulah 'cute'

bila ber'twist'. .. Teguran ikhlas...

Saya doakan Ramli Mohd Nor menang pada PRK Cameron Highlands. Aamiin...

Terima kasih Tun.

Tun

Market sangatlah lemah lembut. Macam pepatah Melayu, hidup segan mati tak mau. Suam2 kuku. I think, Tun kena pergi overseas bawa business people get more business in here.

Pasal debat Tun dengan budak muda Singapore. Alahai orang Singapore nak tunjuk mereka pun ada budak muda kuat debat. Orang baya I akan kata, pandai lah kamu, umur baru setahun jagung, cakap lebih.

Pasal free sesangat free, I nak cerita pasal makanan. Yes I know sekarang kempen makan makanan dan produk orang Melayu, tak islam jangan layan. Pasal gang Tun, ada yang makan kat Vanggey yang lebih dikenali sebagai nasi ganja, I nak cerita sikit about this nasi kandar.

This nasi kandar yang ori di Jalan Yang Kalthom, Ipoh. Lain2 tu I tak pasti franchise ka, atau pekerja or chef berhenti buka sendiri ka, but in Shah Alam pun ada 2. Arwah abang kata tak sama rasa macam di Ipoh. I kalau pergi Ipoh rumah sedara mereka selalu bungkuskan, jadi tak payahlah I pergi kedai kat Jalan Yang Khalsom ini.

I think apa yang istimewa kedai nasi kandar ini adalah sambal kelapa dan timun, dan juga ayam goreng vanggey. Vanggey ini kalau ikut maksudnya mari mari. Nowadays memang sukar cari nasi kandar yang ada sambal kelapa. Zaman I budak2 dulu memang nasi kandar mesti ada sambal kelapa, mee goreng mamak mesti ada kentang dan kuih goreng.

The same thing with nasi kandar Kayu, rasa di Subang Jaya dan Wangsa Maju sama, but lain2 tempat rasa lain. Mungkin politik mamak macam kawan dok cakap bila I tegur kenapa mesti ada nama khulafah, khalifah hahaha

Good morning Tun Mahathir

Selamat kembali ka Malaysia. Big online hugs to Tun Siti dan Tun M.

I tertarik baca news if your rupa like Indian or Malay, owner Cina tak nak sewa rumah to you. Going by that trend, I would say Tun Siti dapat sewa rumah, Tun M tak dapat sewa rumah, that goes to anak2 Tun too.

This trend dulu agak famous masa GE13, dimana penyokong DAP kat Subang Jaya I lihat cukup phobia bila tengok muka mamak, muka cinden, mula mereka kata muka orang bangladesh. Ada mereka di tahan kononnya mereka guna IC orang Malaysia. Kononnya BN mengeluarkan banyak IC untuk pendatang2 ini nak menang election.

Of course la sejak DAP dah duduk diatas kita pun kini tau, ini semua konon2 juga. Malah bukan itu juga saja konon mereka, malah banyak lagi konon2. That goes to PKR too. Cuba check balik siapa yang suka sangat kempen BN bagi IC untuk pendatang2.

I rajin baca blogs, rupanya musato pun ada blog, I ada juga di blogspot but I cuma cerita stocks sahaja. Kalau sound personal more on this wordpress of mine, also never cerita about politics, I rather baca rockybru, anotherbrick, cilisos, they are more fun. Kadir Jasin dan steadyku, jarang pergi, no fun.

Usually bila baca dah tak ada fun I tak pergi lagi. Macam financetwitter dulu I suka bila start merepek, bye bye. Theedge at one time same juga, mereka ada themalaysiainsider(if I'm not mistaken the name) dan theedge promo kat wall mereka, ramai lari termasuk I. Kami tak faham why you cerita politik sedangkan you selamanya cerita business untuk layman. Tapi sekarang mereka dah balik cerita about busienss, good job. Do more please.

The Star to me always the same, ada MCA atau tiada MCA diatas, cuma now some business article kena bayar, ini start dari zaman Najib jadi PM, so jangan PH nak putar belit ok.

Anotherbrick dan rockybru adalah blog lama, I memang rajin lawat blog mereka dari dulu lagi. RPK baru2 ini I start balik, earlier I rasa tulisan RPK macam cerita freddy kruger, tu lama hilang hahaha

I tak terikat dengan sesiapa. Dari pandangan I, Najib fun. Kalau comedian Najib sama taraf dengan Harith Iskander.

Last but not least tahniah kepada agong baru Sultan Pahang, and also tahniah to my darling Sultan Perak. I actually tak kisah Sultan negeri mana naik, asal jangan LKS, LGE, Waytha, Ambiga, Siti Kassim sudah hahaha

You been cornered to answer question in Oxford regards S,pore & Malaysia relation as if you did wrong . You have to be careful on that as it will frame you to yr own words .Reasons I always believes and you should educate yr Minister not to answer to reporters . Just deliver yr duty quietly . Reporters always wants the best news & yr rivals will tends to advantage
Silence is Golden

Very Sad indeed to see Najib behaving like small kids Recently he sang his own lyrics from Song of BDB ...Harapan setinggi Gunung The lyrics sounds as if he was being framed & cheated Again & again the more Najib tried to Win . The more He loses He looks Clumsy & very Childish Which indicates Malaysian did the Right Decision on PRU 14

You have to mold yr Ministers
To retain Pakatan Harapan

TUN DR. MAHATHIR MOHAMMAD AT THE OXFORD UNION DIALOGUE and The Power of Love

There is latin tag "nemo est supra legis" which means that nobody is above the law. And it is on the subject of law that I would like to write my piece in Tun's blog this time around.

My husband Yaacob wrote in yesterday's Sun on Tun's Dialogue at the Oxford Union. I concur with every word Yaacob wrote. But I would add more. I would take an excerpt from Shakespeare's "Julius Caesar"

Tun had entered the Oxford Union hall almost like when Julius Caesar returned home to Rome after triumphant war victories abroad and was subsequently killed by his best friend Brutus and other so-called friends.

When Brutus and the other murderers left, the crowd that gathered around Caesar's dead body, were hostile in no mood to listen to Anthony.

But Anthony managed to let the angry crowd give him a listening ear and, in his impassioned speech, he pleaded:

Friends, Romans, countrymen, lend me your ears;
I come to bury Caesar, not to praise him.
The evil that men do lives after them;
The good is oft interred with their bones;
So let it be with Caesar. The noble Brutus
Hath told you Caesar was ambitious:
If it were so, it was a grievous fault,
And grievously hath Caesar answer'd it.
Here, under leave of Brutus and the rest—
For Brutus is an honourable man;
So are they all, all honourable men—
Come I to speak in Caesar's funeral.
He was my friend, faithful and just to me:
But Brutus says he was ambitious;
And Brutus is an honourable man.
He hath brought many captives home to Rome
Whose ransoms did the general coffers fill:
Did this in Caesar seem ambitious?
When that the poor have cried, Caesar hath wept:
Ambition should be made of sterner stuff:
Yet Brutus says he was ambitious;
And Brutus is an honourable man.
You all did see that on the Lupercal
I thrice presented him a kingly crown,
Which he did thrice refuse: was this ambition?
Yet Brutus says he was ambitious;
And, sure, he is an honourable man.
I speak not to disprove what Brutus spoke,
But here I am to speak what I do know.
You all did love him once, not without cause:
What cause withholds you then, to mourn for him?
O judgment! thou art fled to brutish beasts,
And men have lost their reason. Bear with me;
My heart is in the coffin there with Caesar,
And I must pause till it come back to me.”

And when he was sure that he had won the hearts of the erstwhile hostile crowd, Anthony pulled the shroud covering dead Caesar's bloodied body and, turning to the populace, shouted:

"Here was a Caesar ... whence comes such another?"

"NEVER, NEVER" replied the thousands that had gathered around him.

I mean no disrespect Tun by referring Tun to the murdered Caesar. But it is my view, Tun, that, come a thousand years from today, there will never be a person with such moral standing and integrity as Tun Dr. Mahathir. I cannot touch on the subject of Tun without referring to Tun Dr. Siti Hasmah, the most loved lady that Malaysia is blessed to have. No one will deny that the person behind the Pakatan Harapan victory is Tun. But I am always reminded of the famous adage, "Behind every successful man, there will always be a supportive wife". That is what I would call the Power of love. One despicable and brutal act that Nagib did unto Tun Dr. Siti Hasmah was to order his Special Branch to grill her on pain of sedition. They would not dare question Tun, so Najib applied his bully tactics on Tun Siti instead. I too endured some even longer grilling by Nagib's "Gestapo", but being a 70+-year-old lawyer, I know my rights and at the end of the day, they left me unscathed and instead requested that I pose a group photograph with them. But Tun Siti is no lawyer and the grilling frightened her badly. The photograph of an elderly lady with her head bent low went viral and caught the eye of young and old everywhere. One of those affected by what happened to Tun Siti was my granddaughter Putrei Fateh Arina Merican. Seven-year old Arina and her younger five-year old sister Anisa first met Tun and Tun Siti as flower girls on official Kuala Lumpur Foundation to Criminalise War Royal Charity Dinners.

Arina is now a 19-year old International Islamic University Malaysia undergraduate law student and her words of the grilling of Tun Siti says it all: "They spoke of justice, And they spoke of compassion, And yet, In my visions, I saw an elderly woman, So solemn and sad, In a pose so lovely and regal, As she hung her pretty head low, For being castigated, Is one feeling I'll ever know so well."

With much love and affection to our beloved Tuns and family from every member of my family including Arina, of course!

Affectionately
Tunku Sofiah Jewa

If she is proud with her achievement by protraying melayu tak malas with low skill malay labor dominating not only shopping mall, state, federal and glcs now, thats her pride and prejudice of being keranamu malay sia boleh.

Now she started to fetna yang bukan2 punya kata mereka pun ada masaalah dengan staff mereka, tapi staff mereka keturunan Cina bukan Melayu. Nak gaji lebih, nak kerja tempat selesa ada aircond, malas, kuat cuti.

Yang anihnya, kaum india tak disebut2kan kat sini, kenapa ar?

Just admit you are racist, and afraid to loosing the power of authority, is it so hard to admit?

The common myth of chicken little is they assumed chicken never eat xiomi kut.

Takpa lah, jika tak cukup labor, import saja dengan donation pun jadi lah.

Tun

I boring la, bursa asyik merah, macam mana nak cari makan.

Selain dari baca berita dan blog online, I google cari tempat yang baik buat kerja online. Kalau buat kerja online I nak yang tentu dapat bayar duit. Free free ini malas la.

Siapa pula yang kata Melayu malas? Dated.

Ini mesti katak bawah tempurung. Semasa I buat business dulu I pernah tanya kawan2 Cina I yang berniaga sama. Mereka kata mereka pun ada masalah dengan staff mereka, tapi staff mereka keturunan Cina bukan Melayu. Nak gaji lebih, nak kerja tempat selesa ada aircond, malas, kuat cuti.

I amat bersyukur bila I keluar beli belah nowadays I tengok sekarang ramai anak Melayu yang rajin kerja. I nampak mereka ramah dan willing buat kerja lebih. Baik salesgirl dan salesboy. Bagus adik2 ini!

I juga ingat sedara I, tinggal di Batu Gajah, anak2 kecil 2 orang, dia niaga sendiri, buat iklan promosi untuk customers dalam FB, Instagram, tweeter. Bulan2 masuk juga 2-3 ribu. I juga ingat my daughter bila suami kena VSS, anak kecil 2, dia buat design kat rumah, niaga online, dapat juga 2 ribu sebulan, selain tu dia jaga budak. Suaminya pula bawa Grab. Khabarnya usia dah masuk 40 tahun payah cari kerja.

So siapa yang malas ini? Hanya tukang mengata tu saja yang malas hahaha

Tun

I sekarang jadi follower Najib kat FB. I setuju dengan Joceline Tan The Star. Najib dulu stiff sekarang approachable. That's why ramai sayang beliau.

Kalau Tun ingat dulu, I pernah kata, Najib kalau salam orang tak tengok muka orang yang di salam dan dalam speech mesti selit isteri nya. I pernah pergi function dia hadir. That's how I tau.

Now I find amazing dia boleh bangun dari jatuh. Unlike Zahid terus bisu dan menyepi. Even pengganti bekas CEO big korporat company pun tak boleh tandingi Najib. Ada orang kata pengganti ini hanya taraf Manager Sibu. Kelakar pulak.

Najib sentiasa cerita about rakyat that's good dia jalani tanggung jawab sebagai MP dengan baik. Unlike menteri PH semasa jadi opposition asyik anti gomen sahaja, dah naik pun masih sikap anti yang merebak rebak. Nothing new. Boring!

Oh ya semalam I terbaca theedge ada kes isteri ketiga Tun Daim, dan anak2 Tun Daim dari isteri ini, something about tanah Genting. Part business ini, I malas sikit nak komen, sebab the realiti of business is all about contacts. Memang I pun pernah kena dera dengan businessmen dulu but that's how things are. Ingat dulu Rafidah Aziz pun pernah bising about the guys gets all, the gals gets nothing.

Penulis muda or orang baru sometimes too idealistic macam Syed Saddiq. Since party PH ramai orang tua, tapi lagak macam orang muda dengan idea fresh, I nak tengok selama mana you all nak survive dengan donations dari rakyat sahaja.

Bak kata, no matter how bad is the storm, the rain will stop.

If they think by pooring their neighbouring states is the right way to go, then, they will fail eventually.

Why?

Because they are chosen based on race and religion supremacy, they are chosen not because they are fit to do the job.

Either you live with it, or you leave, thats the choice that you need to make now.

P/s: for those who still indulge with their glory of the past, they will not be able to survive due to their short sighted, bigoted views on other races to cover own inferior complexity by exploiting the greed and fear sentiment of their voters in their constituencies to get elected, they will be left behind.

I have got nothing to lose / gain. But of course I will vote the coalition that better suits my ideology and belief in Islam. I don't go for hardcore hypocrites.

She as malay muslim can retain her racist and bigoted views on other races with all sort of reasons, and she can take her own tinnie winnie sweet time to work hard to score the brownie and kek pulut points, no problem.

Why?

Other malay muslim also need to work hard to retain their racist and bigoted views on other races with all sort of reasons, and they can also take their own tinnie winnie sweet time to work hard to score the brownie and kek pulut too.

When things turned messy, and spinned, i mean viral, out of control, the pattern of their threats, oops i mean tunjuk perasaan, at the perdana menteri, cabinet and the public mass is so habitual and predictable, that is to dictate the federal budget for their own survival.

P/s: time is money since time is a valuable resource, therefore it's better to do things as quickly as possible.

Salam Dearest YAB PM Tun Dr. Mahathir,

1. I only had one main objective when I voted DSN and gang out during the 14th GE. I wanted to see a clean Government – clean from broad daylight corruption and abuse of power, but this main objective is not met. 'The Rule of Law' slogan is used mainly to gain votes. It's just a coincidence that ex-PM Najib is so corrupt while in power. He has caused BN's downfall. Sadly, he still has quite a number of loyal supporters.

2. Sadly too, PH also has loyal supporters who simply support PH blindly. If PH leaders are involved corruption and abuse of power, they still continue supporting and defending their corrupt leaders.

3. Frankly speaking I don't really care about other promises made by PH in their Manifesto during GE14. Most of them are really ridiculous / absurd / silly (same as before), and were written just for the sake of gaining support @ votes from certain quarters/segments. In fact, we can see that PH leaders (majority) are very criminal-friendly. That's why they are fighting so hard to have all kinds of laws be abolished so that all 'potential criminals' feel more 'comfortable' in committing serious/severe crimes.

4. I am very independent (in many aspects)...

5. Since I don't need any favor from anyone in the Government, I am free to vote out the current PH Government if I believe that they (PH leaders) are also hopeless and corrupt. I have got nothing to lose / gain. But of course I will vote the coalition that better suits my ideology and belief in Islam. I don't go for hardcore hypocrites.

Thank you Tun.

Salam Dearest YAB PM Tun Dr. Mahathir,

<https://www.thestar.com.my/news/nation/2019/01/22/worlds-oldest-and-youngest-leaders-meet/>

<https://www.malaymail.com/news/malaysia/2019/01/22/pm-to-address-meeting-of-anti-corruption-authorities-in-vienna/1715316>

I saw Tun on TV just now answering some questions from the audience in Vienna.

Yes, Malaysia's decision on banning the athletes from Israel to come here is right. I fully support Tun on this issue. We must not tolerate murderers.

Vienna is the BEST CITY TO LIVE in (according to a survey in 2018). It's a beautiful city.

I visited Vienna a few years ago using my hard-earned money . I mentioned about 'hard-earned money' just to let some people (you know who) know that Malays in Malaysia must also work hard to earn a living. We cannot simply 'goyang kaki' all the time waiting to be spoon-fed as alleged by you know who. And we have a Chinese racist bigot here who keeps on accusing (all) Malays of CORRUPTION as if we don't know 'halal-haram', and as if she knows 'halal-haram' (in Islam). This person is really sick or too stupid to think rationally.

Vienna has lots of tourist attractions – museums, historical buildings, etc. I stayed there for 5 days but could not cover all places. I would love to visit Vienna (and other parts of Austria) again in the future.

I have visited so many countries (travelling is my hobby). I tend to make comparisons between Malaysia and other countries while abroad. Even though I like most of the countries that I have visited so far, I always look forward to coming back and always eager to be able to eat 'nasi lemak / 'nasi campur'/ 'nasi biryani Malay style' and other

Malay cuisines at reasonable low prices. Home sweet home ...

Usually people who travel a lot are more open-minded and more rational. So, to those who like to accuse others of living under coconut shell, may be they themselves are actually looking out from under a coconut shell. Visit other countries, and observe / experience how others live. We need to be there to know the real truth.

And while abroad don't forget to compare the prices of fuel /petrol /diesel, foods, mineral water, rentals, transportations, etc. between other countries and Malaysia.

When I visited India not long ago (out of curiosity), I was shocked to see the fuel prices. No wonder people in India still depend on 'tips' (with so many poor people around). Everywhere you go, you will encounter people who desperately ask for tips.

The culture of giving tips may/can lead to corruption /bribery @ corrupt practices. In some countries even government officers ask for 'tips' (bribes) to do things/work that they are paid for (by their government /agency). If not, you will not be entertained at all! "No money no work" or "No money no talk" ...You can wait forever I guess!

Thank you Tun.

– May Allah SWT bless Tun and family –

The law minister report to ag at putrajaya.

Ag at putrajaya report to perdana menteri at putrajaya.

Minister of finance also report to perdana menteri at putrajaya.

After more than 6 decades of merdeka, the minister in charge for islamic affair in penang made a statement that current taxpayers need to fork out budget to prevent malay from lepak, and what he asked today got any difference with the son of ttdi of umno johor who had asked a year or 2 back?

Is it because they are muslim, then, their hak istimewa is highest among other faiths?

Assalamualaikum, Tun.

Touching on the topic – Rule of Law, basically what the nation needs are –
– Good rule maker
– Good enforcer
– Good people who obey the rules

As far as rule maker is concerned, Rakyat hope to see a ministerial portfolio reshuffle in perhaps the ministries of education, racial unity and finance.

We do not say that LGE is bad, but he seems to be more appropriate for appointment as Minister of Tourism and so forth. We need somebody more competent in handling this nation's
– finance, who knows –
– Ways to broaden income base
– Ways to reduce Rakyat's financial burden
– Ways to sustain necessities price
– Ways to strengthen Ringgit
– Ways to attract foreign funds and investments.

Assalamualaikum, Tun.

Rule of law is critical in ensuring the development and political health in our nation.

Rakyat would like to see a better minister in handling law affairs.

The existing minister in charge is poor, in law affairs when facing the public that –
– He commented that whosoever PH leaders not agreeing on abolishing death sentence could quit.
– He illogically called upon the victim's family members to accept monetary compensation, as a term in exchange for acceding to abolishing death sentence.
– He did not even consider properly what the financial impact is to our present government, by the fact that the country needs to feed the life prisoner throughout his life.

Like-wise, we also need a good Finance Minister who knows the ways to bring the country out of the wood, not focusing on merely cutting budget, publishing previous government's fraud, increasing taxes and so forth.

<https://www.thestar.com.my/news/nation/2019/01/22/report-lodged-against-man-who-derided-suv-recovery-effort/>

A police report made in langkawi for the case, what is that means?

This show the person of langkawi who made police report does not follow rule of law, wasting federal police resources, and intolerance for freedom of expression shared in facebook under the facebook own account either.

Why worry about such negative and rude remarks?

Dont langkawi people know the facebook owner has the basic right in his own account capacity in voicing his anger too among his circle of influence?

Obviously, when he received a lot of harsh and rude comments in his facebook, he would definitely feel ashamed, and scare of his irresponsible act eventhough everyone has same equal right as him including the person who logded the pdrm.

Peer pressure too would shapa a person behavior when they come out to work, and no one can escape such natural and biological behavior in this world no matter where you are.

Bak kata, mereka boleh buat, tapi yang lain tak boleh buat?

Will freedom of expression in social media be controlled and limited because you are not a member of political parties?

If you want to have the special permit to voice your concern, anger and frustration, is it you must be member of political parties so that you will not be charged, or you will be protected against any public critics?

P/s: it is up to penangites to decide who they prefer to vote for the coalition of political parties that represent them at state and federal level in next general election when it is called.

Good morning YAB Tun

I pernah tulis sini, entah macam mana glitches, hilang my komen tersebut.

Its about ASTRO. Sejak I hilang satu channel, ASTRO tambah 2 channel; HGTV DAN CI.

I suka both channels. HGTV more about houses, interior designs, renovations. I terpesona tengok US walau disebut sebagai outskirts tapi kawasan sekitar cukup bersih macam tempat elite di Malaysia. Harga beli 250K USD sudah boleh rumah dan tanah cukup besar untuk anak2 dan pets berlari-lari main. Rumah dibina tahun 1950han masih teguh berdiri. Ini negara maju. Alam sekitar terjaga, rumah terjaga.

Kalau nak Malaysia nak macam itu kenalah rule of law digunakan sepenuhnya. Bukannya bila ada undang2 tapi dek nak jaga hati segelintir pengundi maka harus dilonggarkan untuk kepentingan mereka.

Kalau nak Malaysia capai 2020, kenalah banyak pembangunan, bukannya mengejar mimpi tak sudah, nak jadi PM, nak bunuh Melayu, nak bunuh kesultanan Melayu, nak jambatan bengkok and so on.

Seperti Hajar sebut, jabatan kerajaan masih sama, yang mana tiada masalah, tetap tiada masalah dengan mereka. However, yang mana ada masalah tetap ada masalah seperti budak IPG. I teringat dulu brother in law pencen pun kena tunggu 3 bulan, sebelum election polis baru dapat gaji also like 3 bulan selepas itu. Banyak ingat macam kerja swasta hujung bulan dah dapat gaji.

Kalau PH betul2 jujur nak perubahan, start with gerak jentera kerajaan jalankan tanggung jawab mereka mengikut undang2, jangan pula undang2 dah ada, tapi mesti ada leeway untuk mereka dan kunci2 mereka sahaja. Dimata rakyat this all just dendam PH towards lawan.

All the best!

Assalamualaikum kepada Tun Dr Mahathir Perdana Menteri yang dihormati dan disayangi. Saya seorang pelajar di salah sebuah ipg ingin membuat satu rayuan kepada pihak Tun dan kerajaan terhadap satu permasalahan yang dihadapi oleh kami pelajar-pelajar di ipg. Masalah tersebut berkaitan elauan yang sedikit lambat masuk. Kami diberitahu bahawa elauan pada tahun ini(2019) sedikit lambat kami terima. Pada mulanya terdapat khabar yang mengatakan kami akan menerima pada bulan mac. Baru-baru ini terdapat khabar pula yang mengatakan pada bulan lima. Hal ini membuatkan kami risau kerana kekurangan kewangan sepanjang tempoh berkenaan iaitu 5 bulan. Untuk makluman Tun yang dikasihi, kami pelajar-pelajar di ipg tidak dibenarkan untuk bekerja sambil dan kami hanya mendapat bantuan kewangan daripada elauan (rm430 sebulan) dan ibu bapa sahaja. Tambahan lagi, tidak semua daripada kalangan kami daripada keluarga berpendapatan tinggi. Saya harap pihak kerajaan dapat mempertimbangkan rayuan kami pelajar-pelajar ipg iaitu kami memohon supaya bantuan elauan dapat sedikit disegerakan. Jasa baik pihak kerajaan yang kami sanjungi sangat kami hargai. Akhir kata, saya selaku pelajar di Ipg sangat berterima kasih kepada pihak kerajaan pakatan harapan di bawah pimpinan Tun M atas membawa pembaharuan ke atas negara kita yang tercinta ini daripada amalan-amalan negatif seperti rasuah kleptokrasi. #weloveTunM #weloveMalaysia

Apakah selama ini Kerajaan UMNO Tidur ?
Makan Suap ? Pemalas ? Bodoh ? atau kena sumpah sampai
Kerajaan Malaysia tidak mampu menapis air sendiri ?

Kerajaan malaysia memang tak payah bikin penapis air kerana mereka boleh beli ready made atau custom made dengan syarikat swasta di negara ini.

Apa2 system pun ada, portable, non portable, for household, manufacturing, hotel liners, hospital kerajaan dan swasta, oem pun ada depending on your budget and requirement.

Made in malaysia ada, imported brand ada, special requirement brands pun ada.

Kampong sibotak tak ada kedai jual penapis air ke?

Even masak, we have induction cooker and gas cooker, ready made and custom made pun ada, but for gas piping, even bagi saya percuma, saya tak akan pakai kerana takut letupan kerana kecuaiian.

P/s: i thought penang is israel to kedah since kedah too is under unfederated malay states just like johor, kelantan, terengganu, perlis. is sibotak a pro-antisemitism too beside a fakir?

Kenapa mengharapkan dan membeli semula dari Singapura ?

Sekarang sudah Zaman Teknologi yg amat tinggi
Israel yg tidak ada air mampu tapis air dari Laut
Menghijau tanaman mereka di Padang Pasir

Apakah selama ini Kerajaan UMNO Tidur ?

Kerajaan Malaysia tidak mampu menapis air sendiri ?

Saya tidak sebut Kerajaan sekarang sebab Kerajaan PH baru saja ambil alih
Orang lain sudah ke Bulan , Ke Mars
Kita masih tidak mampu menapis air sendiri
Maka berharap Tun balik kelak , Tun bentangkan di Parlimen
Malulah Tun ,Negara Johor masih mengharapkan bekalan air dari Luar sedangkan
datang dari kita sendiri

Adakah perlu kita undang orang luar untuk menjaga Keluarga kita
Mengejutkan Bini kita ?
Atau Inilah yg dinamakan

Malay muslim malaysia ok?

Malay malaysia ok?

Muslim malaysia ok?

With this kind of short sighted and 1 sided politics, then, there is no point to talk about democracy.

You want to enjoy special treatment, then, support political parties that offer such treatments to enter glcs.

If you do not want such special treatment, then, suport political parties that offer employment in the private sector.

If you want muslim malaysia, then, vote pas.

P/s: politics is a life long career, and it was never meant to be rich overnight. life is never fair, it depends on the individuals to decide how to make their life fairer, therefore, stop complaining and take the ruling government for granted that they must feed you forever in order to earn your vote.

All they care is to win votes via bigot and sabotage politics to dictate the federal budget.

It is very sad, and disspointing, what to thats politics.

Oh ya nak sambung pasal makanan @KCD

Masa I balik TA/TI arwah ayah masih hidup, ayah akan tanya nak makan sarapan apa, I jawab beli kuih putu dan bubur gandum.

Kuih putu ini dulu sedap. Sekarang kuih putu dah tak putih gebu lagi. Inti kurang garam, so tak rasa lemak. Kuih putu yang sedap mesti rasa liat2, mereka guna tepung beras tepung pulut, inti kena cukup garam untuk rasa lemak kelapa parut.

Di Taiping pun ada jual di Ipoh pun ada jual, sedap dan tak sedap sahaja. Sebab kuih ini hanya boleh di jumpa di Perak sahaja, maka kuih ini dapat nama Putu Perak dari ramai. Kalau tanya I, I kata kuih ptu sahaja. Jangan ada salah faham ianya sama macam putu piring atau putu bambu, walau cara di masak sama di kukus.

Dunia Islam kini digugat, di fitnah , di musnah , di zalimi
Seluruh Dunia , malah United Nation juga tahu
Dunia Islam di FITNAH , namun & tapi

United Nation Tidak ambil berat akan Kebenaran yg wujud
Seperti Sept 11 ,yg kononnya perbuatan Orang Islam sedangkan
Pakar Amerika , Pengarah CIA Amerika sendiri yg menafikan Islam bertanggung jawab
akan Sept 11
Semua tahu ini bukan perbuatan orang Islam
Tapi Kebenaran tidak penting
Yg penting Keutamaan Amerika juga Israel
Amat lebih penting dari nyawa manusia yg beratus ribu , harta benda dan KeDaulatan
sebuah Negara

Yg menghancurkan Negara Islam , Umat Islam adalah Umat Islam sendiri
Penipuan, Fitnah , Kezaliman adalah senjata mereka untuk memusnahkan Islam
Yg lebih buruk adalah Mukmin sesama Mukmin sendiri
Kerana Gagal & Tidak Memegang Tali Allah dan Bersatu demi Ummah
Ini tuntutan dari Surrah untuk Ummah Bersatu

Apakah Persiapan Malaysia , Indonesia , Brunei yg menamakan diri mereka sebagai
Negara Islam ?
Apakah huraian Negara Islam SeDunia menanggapi Kezaliman yg kini berlaku ?
Apakah usaha kita bersama untuk melindungi Maruah Islam ?
Adakah kita menunggu giliran seperti yg bermula di Afganistan , Iraq ,Syria dan
selanjutnya hanya dengan Amerika bermodalkan dan memusnahkan 2 buah Bangunan
World Trade Centre mereka sendiri sebagai alasan ?
Adakah Umat Islam sedang menunggu kedatangan Imam Hambali & Dajjal ?

Apa Usaha Umat Islam di ini hari ?
Apakah Persiapan Malaysia di ini hari ?
Adakah kita menunggu giliran kita seperti di Timur Tengah ?
Semua yg telah dan akan Berlaku sudah di Surat, sudah di Tulis
Namun sebagai Hamba , sebagai Manusia kita di beri Akal di perintahkan untuk Berfikir
dan Berusaha

Berusaha tanpa Doa..... itu Bodoh
BerDoa tanpa Usahaitu Sombong

Night night

Nak komen sikit pasal AG Malaysia. I memang ada temui video tu kat blog 2 hari sudah.
Ramai dah kecoh but I lagi kecoh pasal tanah orang asli.

Kita tinggalkan isu tarian AG dekat pesta 2019. Kalau di lihat dari cara dia menari, tampak macam kaki club malam or kaki disco.

Berbalik pada isu tanah orang asli, I nampak ada blogger kata, apa jadi pada tanah orang asli masa Tun jadi PM dulu, diambil atas nama pembangunan.

Ya tak ya juga. Tun dulu kan suka bangun macam2, Proton, Putrajaya, Cyberjaya. Tun kan ke suka pembangunan dari mana pula datang idea2 nak pelihara hutan rimba hijau, bukit bukau, gunung ganang. Setahu I kes human rights, adalah isu opposition dulu.

I pernah masuk forum nak bina dam dekat Sg Selangor dulu. Waduh bukan main lagi admin moderator naikkan sentiment, dia tunjuk orang asli, dia tunjuk pokok, selagi apa ada dia kutip untuk membangkitkan sentiment terhadap alam sekitar. I sampai menyampah baca. Kita nak air bersih, group dia nak pelihara hutan. Tak cukup itu mereka naikkan semangat ramai bencikan big business. Cukup meluat I, though I like hutan hijau, suka jungle trekking, but please la, be practical.

Are you sure, it is Tun yang suruh AG buat? Let me remind you projek Sg Selangor adalah zaman Tun M jadi PM dulu. And I also tau projek hartanah dibangun tempat orang asli mereka diberi rumah baru dan duit sebagai ganti.

That's why I kata benda2 PH nak buat plain merepek dan tak di terima akal by me. You boleh la tipu budak2 muda, budak setahun jagung, dengan I, please la, why tipu here, tipu there, you think I budak taska ka.

Good evening Tun

Ambil kesempatan nak jawab musato.

Musato

Bukan faridina ka? I pernah baca tulisan beliau macam bunyi dia admin. Ada satu masa I pernah baca, faridina nak jumpa mubarak chan. Selepas tu tak tau apa cerita hahaha

@KCD,

Teluk Intan atau Telok Anson famous mee rebus mastan ghani. Yup kedai ada 2 kat menara condong, dekat masjid lama. Mastan Ghani kedai mamak, kami tak panggil dia mamak pun, kami panggil kedai Melayu, dia cakap Melayu sejak I sekolah lagi. Sekarang ini anak cucu jaga.

Ada satu lagi Mastan Ghani terletak di medan makan depan supermarket, dekat bus station.

Laksa sedap dekat glutton square. Tempat ini dekat dengan rumah my parents. Yup dalam bandar. Budak2 sekolah dulu suka makan laksa sini. Kedai Cina. Halal tak halal not sure.

I kalau balik sini, I selalu beli mee rebus mastan ghani, kacang rebus dan kopi teluk intan.

Lagi satu famous sini another kedai mamak dekat tepi sungai, nasi lambai kami panggil. Depan kedai ini ada mamak jual bubur kacang, bubur gandum. Mamak2 ini semua dari zaman I kecil sekarang anak2 mereka ganti.

Another good thing to buy fresh udang galah kat tepi sungai ada jual kalau tak jumpa kat pasar.

That's all, I jadi duta pulak, sila bayar gaji I admin hahaha

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

1. Sebenarnya di Malaysia kita masih amat bernasib baik kerana walaupun bekas PM Najib banyak menyalahguna kuasa dengan pelbagai skandal negatif dan juga turut menyalahguna undang-undang untuk kepentingan peribadi, rakyat biasa masih boleh hidup bebas, aman, dan tenang.

2. Undang-undang masih lagi (majoriti) berkuatkuasa/berjalan dengan baik. Saya tiada masalah (besar) berurusan di kaunter2 dan agensi2 Kerajaan (dulu dan sekarang).

3. Tidak pernah pula saya dipaksa untuk merasuah sesiapa untuk mendapatkan perkhidmatan. Jika ada yang suka/sanggup menghulur rasuah kerana mahu cepat atau mahukan kelulusan untuk apa2 permohonan (projek?), itu masalah mereka yang memang korup.

4. Bagi rakyat biasa seperti saya, tiada apa-apa perbezaan pun dari segi penguatkuasaan undang2 pada zaman rejim Najib dan sekarang di bawah PH. Sama saja. Kos sara hidup masih juga mencanak naik, walaupun kononnya negara/Kerajaan sudah BERSIH rasuah sebab Kerajaan PH yang kononnya memang bersih dan suci dalam serbi-serbi.

5. Saya tidak nampak apa manfaat yang rakyat dapat bilamana Kerajaan PH sibuk dan heboh dengan 'drama', laporan2 polis, dan pelbagai hebahan bahawa PH telah dapat membanteras rasuah dan korupsi. Ini kerana kesannya tidak dapat dirasai oleh rakyat

kebanyakan. Ahli2 politik, ahli2 parti politik, dan mereka yang berkepentingan sahaja yang perasan keadaan telah jadi amat baik!

6. Perangai pemimpin2 / penyokong2 dari kedua-dua pihak (lama dan baru) sama saja – suka mengambil kesempatan untuk kepentingan diri sendiri. Semua tunggu peluang keemasan saja.

7. An example:

AG, CJ accused of fraternising after dancing in gala dinner
<https://www.malaymail.com/s/1714396/ag-cj-accused-of-fraternising-after-dancing-in-gala-dinner>

<https://www.malaymail.com/news/malaysia/2019/01/19/of-course-judiciary-bigwigs-will-attend-legal-gala-siti-kasim-tells-detract/1714399>

Just look at how Siti Kasim defended herself and others like her. So disgusting!

Perangai sama saja dengan yang dulu! Dulu kutuk orang lain. Kifarah! Allah SWT tunjuk dengan cepat sekali perangai sebenar golongan yang hipokrit.

P/S:

– 'Sri Sense', bila sudah berkuasa barulah kita tahu belang dan sikap sebenar para pemimpin/penyokong PH. Ada juga hikmahnya. Baru nampak prestasi sebenar mereka yang hampeh, termasuk dari DAP. Entah apa2. Banyak yang mengarut dan perasan bagus, tetapi kita yang melihat geleng kepala dibuatnya...rupanya ada yang lebih teruk

dari Menteri yang paling teruk semasa zaman BN...korup pula..

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Howard lee of parti tindakan demokratik@democratic action party had made the police report, and it is up to perdana menteri tun dr mahathir mohammad to make his stand on this issue before he leaves us forever.

If he does not make his stand clear now, he wont have the chance to ractify the oil loyalty issue as age is catching up with him too.

Agree to disagree?

Agree?

Disagree?

It would be best for PTD to make their stand clear on this issue as 2nd largest component party in pakatan harapan as to be fair and transparent to their members, or voters in their constituencies.

There is no 2 ways about it.

Ministerial position first, or party principle first?

P/s: today, we are not dealing with ahmad, ah chong and muthu races only. putrajaya insists bahasa kebangsaan is bahasa melayu, and islam is the federal official religion, and thats their choice. but they cannot force us to abandon our mother tongue languages and faiths by embracing bahasa kebangsaan, tulisan jawi and islam in private life, and private sector.

Saya ini rakyat biasa. Orang biasa. Saya sendiri tak pernah tahu En Sufi adalah pegawai khas Tun M selama ini. Saya hanya tahu bila saya terbaca dalam akhbar lewat tahun kemudian.

Saya minta maaf jika respon saya semasa itu kurang enak atau apa apa (maksud saya, saya tak anggap ia adalah rasmi), saya tulis seperti saya tulis komen dalam blog sahaja. Saya minta maaf bebanyak.

Terima kasih pada En Sufi kerana memberi respon ketika itu.

Pagi ini I sedar I have a lot to be thankful for. 1. Nak memperjuangkan kehidupan semasa I sebagai pengundi, I ada Najib. 2. Nak memperjuangkan agama dan bangsa I, I ada G3. Nak protect kehidupan haiwan yang I sayang, I ada Tengku Permaisuri Selangor.

She can give any excuses that she see fit for her survival, comfort and thankful, and that her choice of politics in voting process.

Another well known scandal made by malaysian that pissed off doj, refer https://en.m.wikipedia.org/wiki/Fat_Leonard_scandal

<https://www.thestar.com.my/news/nation/2019/01/20/pm-singapore-overreacted-visit-by-johor-mb-to-disputed-waters-not-intentional/>

Drug and corruption tolerance have become political norm of acceptance locally since there so many of them waiting in line to ngap the future federal budget to rich themselves overnight at putrajaya, janji menang.

Truth is not important to malay political parties since their prerogative is to win votes to stay relevant as ruling and shadow governments via glc of nep of bumiputra status policy.

Singapore authority has the obligation to make their stand firm on the neutral and international water, and malaysian authority also can make their stand clear on that zone.

P/s: as saying goes, when you make a move, your shadow will follow you. how you want to shape and move forward malaysia as 1 country, the choice is in the political parties of the divide since myr had to be left floating to determine its real value in forex.

Good morning

Lambat keluar komen2 sini. Barangkali, admin ikut Tun's entourage ke Afrika.

I ingat sini dulu ada chedet beri satu email address for contact purposes. Masa Tun bukan PM Malaysia. I tak pernah guna email itu. I tak tau effective ke tak. Tujuan I sebut ini sebab Musato dok cari jalan macam mana nak jumpa Tun.

I ada sebut sini earlier I ada kawan seorang businessman, the Tan Sri. Kalau I contact dia melalui personal email miliknya, once in a blue moon, dia jawab, sama seperti handset beliau. Pasal I dah tau, I tunggu saja dia panggil I. Kalau tak penting tak payah la panggil I.

I sebagai voter, so far anggap PH ini tidak memberi sebarang manfaat dan keuntungan pada diri I.

1. I nak stock market booming – selalu merah
2. I nak satu scheme yang bagus untuk senior citizen umur dari 55 tahun keatas – tiada
3. I nak kemudahan dan free perubatan untuk I dan hubby – tiada
4. I nak Tun upgrade bankruptcy law yang lama – tiada

Sebagai voter yang pangkah PH, I now tidak suka PH.

I juga tidak sangka, bila I pangkah PH, dengan tidak secara langsung I terpilih DAP jadi PM dan TPM, I terpilih Anwar keluar penjara cepat dan dapat ampun sepenuhnya, dan I terpilih Agong letak jawatan.

Baru2 ini AG Malaysia pulak dah jadi macam lawyer DAP. Rindu pulak AG lama. PH ini gang tidak logik. Baru beberapa bulan dudok atas I pening dari I pening dengan BN yang pemerintah berkurun lamanya.

Orang Melayu, orang Islam, orang Bumiputera, cuba muafakat. Cuba bila ada masalah negara jangan dibawa Cina dan India dalamnya dan muafakat pula dengan mereka. Belajarlah politican!

You did it right ,Tun
Disallow Israel to enter here

Well its a one sided World today
US submits itself to Israel , directly UN submits itself to Israel too
UN is just a Tool to Fool The World

We should not allow US Military presence in ASIA
Its irrelevant . Its does not make sense to allow US Military presence in Asia
just for a lame excuse against Piracy
Its Disastrous as much as we have seen today
Whatever US touches it goes into Flames

We Asia , we have our own Military that are capable to secure our own sea
especially towards Piracy
Its just a Lame , Stupid excuse to have US presence in Asia

I say One sided World
We cannot allow US to fool UN to benefits them
UN suppose to be build upon for Humanitarian reasons
Was misled that now it became a Tool , An instrument to make look good for the Wrong
doings

Humanitarian Ships carry Medical & Food to Palestine Aid was Pirated by Israel
UN did Nothing
Lately UN upon US discontinue Humanitarian Aid to Palestine
Yet US gives much Arms , even Money to Israel
We should seek East , Russia , China to balance our Round World today
If not The World will Fall

Itu double standards?

Kenapa hajar and sri sense bising sangat?

Unless, they are thinking of making malaysia a nanny state to apply curfew on those adults at age 18 to get consent from their parents to go out after 10 pm.

How are they going to implement this if these adults need to work at age of 18 years old and below?

Once bitten, twice shy.

When bitten many times, it become a norm of acceptance.

Before they bz other states, they should look at their states first.

P/s: tdm and his loyalists can boycott israel for paralympic, but they cannot stop other countries in asia pacific and south east asia to welcome them. perhaps, they forgot they accused dsai was pro-usa and pro-yahudi during the 90s. melayu mudah lupa, atau mudah disogok dengan kuasa mutlak in the name of bangsa dan agama?

P/s: the serious mistake that dr mm did was he allowed umnputra the taste of absolute power first to unite the malay and muslim by exploiting other faiths and religion. the rest is history.

I am just a voter, but when the ruling government turned bossy and 1 way street again, senang saja, just vote the opposition coalition saja.

Today, with stronger voice of opposition, mereka mana berani nak tido, and took the voters of their constituencies for granted to stay relevant, betul tak?

Bagus lah macam ini so that they can debate, compete and excel rather than bangkang because you are not my cronies, not my race, not my religion and not my friends.

Jika masih mahu main belakang dengan wang dan rasuah politik, janji menang to dictate the federal budget, later on, voters also fed up and give up just like the americans, iaitu, tak nak undi.

You want to see this happened?

I dont want this to happen, therefore, it is very much depend on the maturity of mps in divide, ngo and local media to play their part in moving forward the country to be at par with developed states and countries on earth.

Islamic state as economic model?

International city state as economic model?

P/s: the era of government knows all is over, therefore, its best to have dialogues with the public first to get their feedback so that everyone is included, bukan sekadar hanya sedapkan hati dan jiwa melayu saja just to reap the federal budget for their own survival and interests.

I ada sebut earlier about animal shelter, yup lain animal shelter bukan SPCA, masa tu ada yang nak appoint isteri Lim Kok Wing sebagai head, tapi dia tolak.

Selepas tu tak silap mereka appointed someone from UKM, senang neuter haiwan. Tak lama lepas tu tanah nak kena rampas, mereka berlari minta tolong dengan Azmin. Of course Azmin tolong sebab bangunan tu masih di situ sehingga kini walau pun sakit mata memandang dan kesihatan haiwan di dalam amat meragukan.

Melihat gambar diatas Tengku Permaisuri Selangor macam pegang maine coon. I kalau bawa vet kucing maine coon I, pertama soalan vet tanya bila tengok muka kucing, apa breed kucing ini? I jawab, animal shelter kata maine coon. Vet macam tak percaya, vet kata macam mixed, sebab muka lawa dari maine coon.

Muka dari sipi flat macam persian. I akan jawab, tak tahu mereka kata maine coon, maine coon la I kata hahaha

Lepas tu vet tanya line breed cross breed, hey mana la I tahu, I adopted the cat dari animal shelter, I bukan beli dari breeder. Ada juga vet tanya berada fee I bayar, I jawab 450 ringgit. Kucing yang paling mahal I pernah ambil dari situ dan selalu sakit.

Budaya Kerajaan Malaysia perlu Berubah
Perlu hari esok lebih baik dari hari yg telah sudah

Maka perlu ada Chemistry yg Mantap
Perlu satu system yg Mampat
Ini semua perlu pemikiran yg berpegalaman dengan bantuan teknologi
dan system yg relevant
Pegawai Kerajaan Malaysia perlu lebih serius menjalani tugas
Pegawai lah yg mendorong system berjalan dengan betul ,efficient dan effective
So , jika fikiran nak kerja sama Kerajaan kerana bolih relax perlu di singkirkan sama sekali

Ini yg saya lihat
The Attitude of The Malays as most Malays works for the Govt
Sifat Besok masih ada ,Kerja suka tangguh tangguh , system yg tidak consistent
Ini Attitude Kebanyakan pegawai Kerajaan yg mengakibatkan system Malaysia yg
sentiasa Flaws dan tidak menjadi
Kerajaan Teguh barulah Rakyat pun teguh
Ia tidak bolih bertepuk sebelah tangan
Ia perlu berganding bahu sesama rakyat untuk memajukan Malaysia
Mencapai Kehidupan yg Tenang

Kerajaan perlu Beduit bukan Berhutang
Perlu prihatin kawalan kewangan terutama,bukan seperti Kerjajaan Malaysia yg sentiasa
Bocor sana sini . Jika kerap bocor sana sini ,bahayalah Kapal maka macamana nak bawa
penumpang .

Kita tidak perlu Kaya Raya
Kita perlu Tenang
Kesederhanaan dalam semua aspects

Tak perlu orang nak capai langit, kita juga nak capai langit
Yg penting graphic kita sentiasa tenang
Kalau naik pun sikit, kalau turun pun sikit
Tidak mendadak tapi cantik perjalanan graphic kita

Sya menulis mengikut pemikiran saya yg ingin saya berkongsi
Berlandaskan Budaya Melayu, Fahaman dan tuntutan Agama
Cara kita sendiri, bukan meniru niru Barat sebagainya
Lain Padang lain Berlalang
Lain orang lain Kemahuan

Teringat pula calon BN Cameron Highlands, bekas penolong pesuruhjaya polis Ramli Mohd Nor, yang juga wakil kaum Orang Asli.

I nak share cerita. Hubby kadang2 travel ke Pantai Timur sebab kerja. I jarang ikut. Ada sekali I ikut. Balik kami singgah kedai makan kat Bentong Pahang. I nampak wait staff 2 orang perempuan berkulit gelap, rambut kerinting.

I panggil budak lelaki kerja situ dan tanya tentang pekerja perempuan yang dua orang tu. Budak lelaki ini jawab, orang sini. Mungkin sebab dia lihat wajah I macam was was, dia terus cakap, orang sini, orang asli. I terus jawab, oh ya ke, saya ingat orang Burma. Salam Tun

Susah hati Hajar. I also susah hati terpangkah DAP. Trial and error. Next election kita pangkah lain.

I pernah sebut sini if Tun rasa bersalah masukkan certain people dalam ISA dulu, I rasa tidak perlu rasa bersalah, sebab mereka memang bersalah. Ramai pengundi dah nampak terang dan jelas.

Oh yes isu duit minyak 20 ringgit, oh yes isu tak pilih PH no more project, yang dah pilih PH pun tak ada project.

PH selalu kata tak ada duit. Yang 20 ringgit tu pun mesti donation dari rakyat. Walaupun donation ikhlas jika terpesong dari tujuan asal mesti penderma pun upset tak nak derma lagi.

Sekurang kurangnya ambil duit taxpayers tu dah memang hak gomen. Apa gomen nak buat itu hak mereka, nak bagi agong, nak bagi sultan, nak bagi sri sense

Just saying.

Assalamualaikum Tun.

Yep Sri Sense.

Memang Tun tak panggil pun jumpa dia.

Ini saya fikir sebab kita pun tak kenalkan diri kita sendiri kat Tun. Saya sendiri tak pernah nak kenalkan diri secara peribadi pada Tun.

Saya cuma perkenalkan diri dengan tulis kat sini. Saya cuma rekodkan dengan penulisan.

Sudah tentu saya bukan ahli politik. Saya tidak berperangai seperti ahli politik. Saya tidak pandai nak ambil peluang yang terhidang. Saya adalah rakyat biasa.

Lagipun tujuan blog ini wujud adalah untuk 'blogging to unblock', Merentasi halangan. Blogging bermaksud anda menceritakan kepada seluruh umat dunia yang ada di muka bumi ini.

Bila ada yang menyahut, anda akan tahu apa maksudnya itu.

Jika mahu cerita masalah negara dan politik, saya ada di sini untuk baca dan faham. Itu sahaja tujuan saya. Saya cuba bagi pandangan dan jalan.

Pertama sekali saya didorong oleh satu semangat yang tetiba datang entah dari mana. Saya cuma fokuskan kenapa dan dari mana? Saya tak fikir apa yang saya dapat. Ia adalah dipaksa dan terpaksa. Sememangnya manusia itu perlu dipaksa.

Pada 2008, sebenarnya terdapat satu dana yang agak besar yang diterima dan membolehkan satu pertandingan catur peringkat kebangsaan di Terengganu diadakan. Saya rasa saya pernah beritahu pada Tun tentang kejohanan yang bakal berlangsung tersebut.

Saya bukan sekteriat persatuan, tapi saya adalah hanya seorang peserta.

Seingat saya, kejohanan besar tersebut adalah pertama kali dan terakhir diadakan sehingga sekarang.

Saya fikir ada orang yang salurkan dana tersebut. Terima kasih pada Tun jika Tun terlibat sama.

Melalui kejohanan itu, terdapat satu timbal balas, apabila saya diilhamkan pula satu idea untuk selesaikan masalah harga minyak dunia naik berkait pula dengan politik negara ketika sedang menggerakkan satu pergerakan buah catur.

Malah tempat kejohanan tersebut adalah diadakan di kawasan cabang tiga. Tempat kelaniran Tokku Paloh (Sayyid Abdul Rahman – 1818-1918).

Krisis ekonomi negara ketika itu telah dapat ditangani dengan jayanya.

Terima kasih Tun.

Salam YAB dan DiSanjungi PM Tun Dr. Mahathir,

1. Nampaknya duit kopi @ duit minyak @ suapan @ sogokan dianggap 'halal' jika melibatkan orang PH.

2. RASUAH, walaupun jumlahnya teramat kecil, ia tetap rasuah! Sama juga, dedak tetap dedak walaupun jumlahnya sepinggan atau berguni-guni! Begitu juga dengan arak, walau setitik pun ianya tetap haram. Kalau wang BR1M haram, wang BSH juga haram! Tak gitu?

3. Jika benar PH menjunjung kedaulatan UNDANG-UNDANG, perbuatan rasuah yang sama, jika dilakukan oleh orang PH, ia tetap dianggap sebagai rasuah! Jangan memilih-milih!

4. Orang kampung pun sudah bijak, dan tidak mudah ditipu oleh slogan putar-belit. Cuma orang bodoh saja yang fikir bahawa orang kampung mudah ditipu. Orang ini ketinggalan zaman.

5. Amat memualkan melihat pemimpin2/penyokong2 PH dan sekutu mereka terlompat-lompat memberi pelbagai justifikasi terhadap pemberian wang kepada para penyokong PH yang kononnya diberi 'duit minyak' kerana menaiki motosikal dari kediaman mereka.

6. Gambar2 pemberian wang tersebar luar. Ini bukti kukuh. Saya tidak yakin yang wang cuma diberi sekali sahaja. Jika saya silap, harap kawan Tun, Kit Siang, bolehlah nanti buktikan yang mereka dapat RM20 sekali sahaja sepanjang tempoh berkempen.

7. Maaf cakaplah...Sejak dahulu lagi saya sudah katakan yang PH (bekas pembangkang) adalah jaguh dalam hal memberi sogokan. Namun, mereka ini memang lidah bercabang dan pandai menipu dan berdolak-dalik serta cakap berbelit-belit. Ini memang sifat orang munafiq @ hipokrit. MUNAFIQ yang hakiki! Di dalam Al-Quran banyak ayat2 melibatkan orang munafiq.

8. Slogan 'Rule of Law' sekadar untuk mengabui @ menipu rakyat.

9. Mengenai Anwar pula, adakah saya mahu PERASUAH dan orang yang korup dari segi moral dilantik jadi PM? Sudah tentu tidak.

10. Saya doakan dia tidak akan jadi PM sampai bila-bila. Pengampunan beliau pun nampak pelik dan tidak mengikut undang2 yang betul. Bukti kukuh telah mendapati beliau bersalah.

11. Saya juga tidak ingin siapa-siapa dari PKR, Amanah dan DAP jadi PM, termasuklah DS Azmin. Ini kerana ideologi politik mereka tidak sesuai dengan saya. Contohnya, YB Azmin amat liberal dalam pendekatan beliau. Setahu saya beliau (bekas MB) terlibat dalam keputusan untuk adakan tulisan Cina di papan tanda jalan tempoh hari. Hal2 berkaitan arak/maksiat dan pelbagai isu sensitif melibatkan umat Islam/Melayu di Selangor pun beliau menyebelahi golongan kafir/liberal.

12. Tentang bekas PM Najib, beliau elok diam. Pada saya, kalau seorang bekas PM sudah tertangkap melakukan kesalahan2 berat, apa pun yang orang ini cakap (walaupun kadang2 betul), saya sekadar dengar saja dengan rasa meluat. Di mata saya, DSN sudah tiada kredibiliti.

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Petty cash disbursement could be claimed in a very straight forward manner, but money and corruption cannot be traced easily, and its up to the selera and citarasa of those ministries concerned at putrajaya.

If they said halal, then, halal.

If they said haram, then , haram.

Even a cross seems like a cross boleh menyinggungkan perasaan dan menjolok mata mereka yang berkuasa di putrajaya, apatah lagi kuil india dan chinese temple with 150 years historical root sampai hari ini, betul tak?

All vvips are malay, putrajaya, mosque sini sana, surau wajib, and sembahyang 5 kali pun wajib, but mereka yang beragama islam masih rasa tak cukup lagi, mungkin mereka mahu menguasai bahasa melayu dan jawi in all government sectors kut.

Since muslim wants to maintain their lifestyle, but they cannot force others who do not want to follow their lifestyle.

Then how?

Main belakang lah assuminhg takda orang peduli.

To them is halal, but to my race, thats haram.

When they created the mess, and failed, mereka akan protest sekuat2nya to show they are victims by manipulating akta 153, so habitual and predicatble.

Tipu orang kampong senang.

Tipu orang bandar susah.

Tipu orang global lagi susah.

What she wants to claim is her stand, and who she supports, that her choice.

Agong kita berdaulat.

Raja kami memang berdaulat.

State sovereign land title with 9 sultan belong to the sultan, and no one can take away those land title without their permission except sarawak, sabah, penang and melaka.

P/s: it is not about nation building, it is about winning votes to dictate the federal budget by appointing their proxies to hold those vvp positions in all federal government including bar council as if voters are dedak seekers to them until umno baru bn loss its grip of power due to absolute greed. the bright side is today, we have stronger voice in opposition parties for check and balance. to be or not to be, thats not the question, able or not we will know how far kita semua can go since general election must be called to get the mandate from political coalition of the divide and voters of all states except sarawak.

Good morning Tun

Pagi yang cerah. Musim batuk2 dan selsema.

Tun

Semalam I baca blog RPK. I terkejut beliau dah 10 tahun living in exile. I tidak anggap tulisan beliau teruk, dia more of sembang2 kedai kopi type. Sebelum ini I juga terkejut anak beliau masuk Gerakan bertanding. Kan baik masuk Bersatu. Though dia orang muda, I tengok dia ada idea yang boleh dipakai.

Berbalik pada living in exile. Terasa aneh pula yang mana mengata orang Melayu, agama Islam dan Sultan Melayu, masih di Malaysia bermaharajalela.

Sekarang I tengok banyak blog minta donation. I rasa mungkin sebab PH suka minta donation, so jadi trend minta donation.

I tak tahu sekarang macam mana, dulu masa mula2 ada internet, ramai yang buat duit ribuan ringgit sebulan mereka partnered dengan google. Ada I dengar takat 10K, 15K monthly mudah. Janji ada traffic. Duyun2 orang datang, duit masuk. I still think ada lagi melalui blogspot. Cuma pandai2 la tanya google. Google ada opis di Malaysia, the last time I dengar. Kalau FB I tau ada opis di Singapore. I rasa FB patut ada opis di Malaysia sebab ramai orang Malaysia guna FB jual barang.

Part jual buku, Amazon pun boleh, market luas. Tapi caranya kena lah tanya Amazon. Zaman sekarang semua E sana, E sini. Baca buku banyak online selain dari beli barang.

Salam Dearest YAB PM Tun Dr. Mahathir,

///

KUALA LUMPUR: Tun Dr Mahathir Mohamad has denied that Pakatan Harapan gives out money to woo voters in the Cameron Highlands by-election.

“Pakatan Harapan never uses money to give to anyone.

If the money is given by the government, the government can give.

“That one, everyone can get. That is all,”

<https://www.thestar.com.my/news/nation/2019/01/14/dr-m-denies-that-pakatan-gives-out-money-to-woo-voters/>

<https://www.malaymail.com/s/1712116/kit-siang-we-paid-60-orang-asli-rm20-each-will-bn-reveal-how-much-it-spent>

///

Really Tun? Everyone can also get the RM20 distributed to the ‘orang asli’ by a PH wowan in red t-shirt.

According to Tun’s buddy (Kit Siang) they (60 orang asli) were given RM20 each. Was it done only once (only RM20 for the whole campaigning period)?

What can a person buy with RM20 nowadays? Oh I forgot, they got the money for petrol reimbursements (‘duit kopi @ duit minyak’) for doing some voluntary work (for PH). Of course they don’t need more than RM20. They are honest people who are always ready to help others in need.

Are those 'orang asli' voters of the constituency?

Yeah, PH leaders are so clean ('suci bersih'), and they can never be involved in any corrupt practices. Only those from BN (opposition) are corrupt! If a BN leader (any opposition leader) was the one giving RM20 each to the volunteers, definitely the volunteers would be labeled as 'pemakan dedak'!

Frankly speaking, PH's slogan (and promise) of upholding 'The Rule of Law' is laughable and so pathetic!

The new EC Chairman, Azhar @ Art Harun should just resign! He is really hopeless and biased. I read his response on this issue.

Recall: **"The Cameron Highlands polls was called after the Election Court on Nov 30 declared Barisan's win in the Cameron Highlands parliamentary seat null and void, as it found corrupt practices had been committed."**

Millions of ringgit went down the drain just like that! What a waste!

Thank you Tun.

– May Allah SWT bless Tun and family –

Apa akan berlaku pada Malaysia selepas Tun ?
Apa bakal berlaku pada PH selepas Tun ?

Tun disalahkan UMNO seolah Tun berpaling tadah juga kerana Tun terpaksa bersekutu dengan DAP demi menyelamatkan Malaysia Berkemungkinan jika Tun tidak bersekutu dengan DAP Parti Tun Pribumi akan menang dengan cemerlang lagi

UMNO persalahkan Tun
Seharusnya UMNO persalahkan Najib kerana angkor dan sombong tidak mahu Berganjak apabila Tun menasihati Najib supaya berundur Tun suruh Najib berundur bersebab sebab bukan suka suka Tun Tun sudah sedaya upaya menyelamatkan UMNO , menyelamatkan Ummah untuk Malaysia
Tapi sayang Kesombongan Najib sendiri telah membuat Najib juga UMNO Teras

Yg perlu kita kesali adalah
Kenapa dan mengapa Pak Lah juga Najib begitu angkur
Tidak mahu mendengar nasihat Tun semas pemerintahan mereka
Jika awal PakLah , Najib dengar nasihat dan bimbingan Tun
Malaysia tidak jadi bergini di ini hari

Ini semua sudah di ditulis
Maka perlu kita
Usaha dengan Berdoa
Sesungguhnya
Doa tanpa Usaha itu Bodoh
Usaha tanpa Doa itu Sombong

Yg penting
Ummah Bersatu
Setiap kita perlu membuat usaha menyetupadukan Ummah
walau hanya mampu Berdoa

Assalamualaikum Tun.

Apabila membicarakan mahu berjumpa Tun, sebenarnya saya pun tidak tahu bagaimana.

Maksud saya, bukan mudah mahu jumpa PM. Pergi pejabat PM, kemudian bagitahu kakitangan yang "saya dari pengunjung blog chedet mahu jumpa PM". Saya fikir tidak sebegitu mudah. "Siapa kamu?"

Macam saya. Nak jumpa saya pun bukan mudah. Saya tidak suka berkeliaran ke sana sini tanpa tujuan. Lebih lebih lagi membuang masa.

Tiada sebab untuk saya jumpa Tun. Saya tak perlukan apa apa dari Tun.

Tetapi untuk berjumpa memerlukan sebab. Jadi perlulah saya ciptakan satu sebab untuk saya jumpa Tun. Iaitu nak minta Tun tulis kata kata aluan buku resepi roti saya.

Itu cuma harapan atau angan angan. Entah buku resepi itu jadi atau tidak, pada Allah swt kita berserah. Masih belum habis taip pun lagi.

Apabila kita perlu memberi nasihat atau pandangan, niat pada hati perlulah bersih dari segala hasutan syaitan yang direjam. Malah keluarga juga diletakkan ketepi.

Saya tak perlukan apa apa dari Tun Mahathir. Malah JIKA sebelum ini Tun Mahathir cuba memberi sesuatu imbuhan bagi sesuatu perkara MUNGKIN saya tidak berada di sini lagi. Itulah adalah kesalahan yang besar jika berlaku.

Bagaimana mungkin seorang penasihat tidak melakukan sebagaimana orang yang dinasihati itu?

Saya membicarakan berkenaan karakter.

Seperti yang pernah diketahui di sini, rumah terbuka pernah diadakan di Seri Kembangan. Dan saya tahu di mana Seri Kembangan.

Saya menulis ini sekadar untuk pengetahuan pembaca saya.

Terima kasih Tun.

Juga ada jawapan I terima dari pekerja Melayu sebuah upscale supermarket, kami kat kitchen pakai glove masak, jaga kebersihan, turkey tak halal kami tak masak.

I tak pernah tanya, ini kedai Jawa, kedai Minang dll I cuma tanya ini kedai Melayu ka, which semua orang Melayu Malaysia akan faham.

Kalau I pergi kedai mamak, belum sempat I buka mulut, mereka laju beritau, ini kedai tauke mamak Penang.

Tadi I ada post komen, hilang pula, mungkin glitches.

I baru baca tulisan Faizal Tehrani, about Pulau Kukup. Sejarahhnya. Baru I tau datangnya orang Jawa Johor.

I ada kawan orang Jawa Johor. Dia pegawai besar dulu dalam syarikat antarbangsa. He is ok, nice guy. I juga ada kawan perempuan dari Johor, orang Banja. Nice lady too. But kalau makan pisang goreng sepinggan dia tak nak kongsi dengan I hahaha Begitula kami kawan2.

Orang Melayu rantau sini adalah asal usul dari Indonesia. Indonesia kan besar so ada yang datang dari tanah Jawa, dari Sumatera dll. But since we are all Malays here let it be that way.

I kadang2 tergelak besar bila baca berita batik, masakan Melayu, orang Indonesia tuduh orang Malaysia dan Singapura curi dia orang punya. Tengok la history beb!

Matured democrat too just like matured republican has influences on world bank head nomination just like like harvard which meant for the children of elites of republican or democrat only.

It would be great if democrat wins out for this nomination so that they can influence india punya general election by bypass their prime minister and deal directly with indian feudalisme elites, kan majoriti penduduk2 di kampong india masih mundur and under developing, betul tak?

India still have a long way to be at par with the status of developed countries, and democracy mindset is still at infant stage.

But, malaysia now is approching adulthood democracy, and in 2 years time, we will reach the status of developed countries whereby voters decide who should represent them at state and federal level.

Head you take akin lalang dan angin?

Yang pening kepala is not the voters in general but leaders and members of political parties in manipulating the sentiment of the poor to favor them, sure kalah punya, and such strategy is no different with battle of waterloo, you may refer to https://en.m.wikipedia.org/wiki/Battle_of_Waterloo

Walau I dah lama duduk Selangor, I selalu rindu Perak. Kalau ada peluang balik Ipoh I suka tengok Gunung Rapat. Ingat limau tambun. Paling I ingat rendang tok. Masa arwah mak hidup, raya mesti masak rendang tok. Letih tumbuk kelapa goreng nak jadikan kerisik.

Di Selangor ada rendang tok tapi orang Selangor buat, tak sama macam air tangan orang Perak. So dulu kalau I teringat makanan Perak I pergi pasar tani Kelana Jaya or Shah Alam, cari rendang Mak Nik. Habis I borong wajib, lemag. dodol, rendang. Puluhan ringgit terbang. Tapi sekarang I tak pernah temui gerai Mak Nik ini lagi dalam pasar tani. Haritu I tanya rendang orang Selangor buat satu kilo dah ratusan ringgit. Baik

I masak sendiri

Pernah sekali ada orang kat kawasan my house buat open house. I tak pergi, so tuan rumah bekalkan hubby lauk pauk dan nasi. Bila I makan I terus cakap kat hubby, eh ini rasa masakan orang Perak. Hubby kata, memang mereka order dari caterer kat Tapah. Lauknya bukan rendang tok tapi ayam masak merah but I boleh kenal air tangan orang Perak.

Kalau I balik tempat lahir I, di Hilir Perak, I selalu singgah kedai Mastan Ghani. Famous mee rebus sini, sejak I dibangku sekolah lagi. Sekarang masih ada, dah banyak outlet, franchise I guess. Menara condong? Nothing mysterious about it, unless you tourist.

Sebenarnya nak cari makanan Perak yang dimasak orang Perak, sukar di Selangor. Kedai Kelantan banyak. Tukang masak dari kelantan dan pattani.

Tun mungkin terfikir kerabat raja yang mana satu I kerja dulu. Lama dulu dah arwah pun ex-boss I ini. Nama dia Raja Aman Shah pernah berkahwin dengan kerabat Kelantan. If I'm not mistaken mak saudara Sultan Kelantan. Kerabat Perak ini ada balak kat Kelantan. Timber business. Next kerabat raja I kerja with adalah kerabat Perlis, boss lama I ini berkahwin dengan adik Sultan Selangor.

Lama dah sebelum I buka business. Sekarang dah pencen business. I juga pernah kerja dengan Brits bosses. Here and there

Good afternoon Tun

I terpanggil nak beritahu Tun, I ada baca komen Richard Chung yang sedang diviralkan. I sebenarnya merasa aneh bagai Tun Hamid. Sejak PH naik bukan main lagi mengata Raja2 Melayu.

I anggap diri I dan Sultan2 Melayu lain darjat. Kalau dengan kawan boleh la kau, aku kan. Anyway si Richard ini kata dia patut mengata sebab bangsa dia bayar tax. I fikir gini la sebenarnya tiada siapa melarang seseorang itu untuk migrate jika tak happy dengan Malaysia. Kalau dah duduk sini tu baikla ikut undang2. Kalau rasa unfair baik la cari tempat lain.

2 bulan sudah I bual dengan hubby. Tun tau kan I tinggal di Shah Alam. Kenapa orang Melayu yang semi retired suka duduk Shah Alam atau kawasan Melayu yang lain? Jawapan mudah, sebab kalau balik kampung Perak jadi jangkal sebab dah lama merantau. I dulu memang tinggal Subang Jaya. Tapi Shah Alam kan ramai Melayu.

Berbalik pada orang Melayu, orang Melayu ramai yang mid to upper income group. Kalau Tun tak percaya, beli pun mereka tak pernah tawar menawar, I bukan main lagi bertawar nak murah hahaha Oh yes, ramai doktor, lawyer, pegawai atasan, business people dll Pendekata kalau tiada bangsa lain dalam Malaysia pun orang Melayu boleh hidup sesama mereka.

For example, I kecik dulu, kalau raya Cina je, mati kaum lain tak dapat beli barang dapur. Mereka kalau cuti raya sampai Chap Goh Mei. Sekarang supermarket buka hari2, fast food like KFC, Pizza Hut, Domino, Mydin, Giant, TESCO dll hari2 buka.

I nasihatkan gang2 Tun, kalau cakap berhati2, janganla sampai tak ada logiknya, konon mereka saja bayar tax.

Have a productive day!

Assalamualaikum Tun.

Dalam memperihalkan berkenaan kesultanan Melayu, adalah benar Sultan itu berdaulat. YDP Agong juga punyai peranan yang penting dalam pemerintahan negara walaupun tidak ketara nampaknya.

Pernah satu ketika, Tun Mahathir tidak menginginkan campurtangan dari YDP Agong semasa tidak sehaluan dengan PM semasa itu, iaitu Tun Abdullah Ahmad Badawi. Itulah jawapan Tun M pada pertanyaan seorang wartawan yang saya dengar jelas di telinga saya.

Reaksi saya hanya tersenyum ketika itu. Mungkin sekarang saya dah tahu kenapa saya hanya tersenyum masa itu.

Maka lebih dari sekali jugalah YDP Agong semasa itu, iaitu Sultan Mizan Zainal Abidin menemukan Tun M dan Pak Lah di meja istana.

Sultan Mizan adalah dari waris kesultanan Melayu Terengganu moden, yang mana ia dari susun galur anak perempuan Syeikh Abdul Malek (Tok Pulau Manis – 1650-an).

Manakala anak anak lelaki Syeikh Abdul Malek (setakat pengetahuan saya) adalah berada di luar istana. Maka waris waris ini bertebaran berada di kalangan masyarakat.

Dulu dulu anak beranak keluarga Sultan akan dihantar belajar ke Mekah selepas menimba pengetahuan agama di sekitar Nusantara. Termasuk Syeikh Abdul Malek.

Begitu seterusnya yang telah menjadi darah daging waris. Sementelah, asalnya Sultan yang berdaulat adalah dari darah daging Rasulullah saw sendiri yang sah.

Maka adalah penting bagi pihak istana dan kesultanan Melayu kembali dekat kepada pengajian Islam sejak kecil, remaja dan dewasa.

Semoga hendaknya, pentadbiran negara dapat dipandang tinggi oleh dunia dan beroleh rahmat dari Allah swt.

Terima kasih Tun.

Selamat Pagi Tun Mahathir

I nak kongsi cerita. I dulu pernah jadi member satu animal shelter. Many many years ago.

Nak jadi cerita management masa tu asyik kena kutuk. Antara kutukan yang mereka dapat jual kucing harga mahal. Tak jaga tempat. A group of Benggalis. Tak jujur. Some members kata semua masuk kocek sendiri. Makan sendiri.

Anyway yang anti bukan main terhadap the management adalah 2 Mat Salih. Satu housewife, satu house husband. Mereka berdua pun kempen bukan main, pantang ada masa lapang.

Hingga kena diadakan pemilihan management/committee baru. Nama I naik masuk jadi committee tapi I tak minat walau I sayang kucing sebab I rasa mereka ini semua over over sangat berkempen.

Satelah dipilih committee baru, the management tetap sama macam old management, sampai ada yang dipilih letak jawatan. Mereka panggil I to replace the secretary yang

letak jawatan. Mereka tulis surat. I buat tak tau. Yang peliknya kedua Mat Salih yang kuat sangat berkempen tidak pulak duduk dalam committee.

The last time I pergi tempat ini I nak adopt kucing, I difahamkan management baru terdiri dari orang church. I tengok tempat sangat kotor. Banyak anjing dan kucing sakit. I adopted a cat I kena bawa vet selalu.

The moral of story jangan terlalu berharap changes akan mengubah anything. Most people are plain tak jujur bila nak menang sesuatu. Mereka akan cakap sesuka hati. Bila menang mereka tau itu itu saja.

Langkawi International Maritime & Aerospace (LIMA) Exhibition organizer is EXHIBITION under the portfolio and programme of ministries concerned to promote langkawi and stimulate state economy to generate rental to the state owned hall and part time jobs to orang langkawi, kedah and other states by drawing visitors from overseas and local via a & p including social media gadget.

Unfortunately, LIMA 19 sees it as ali baba bumi cronies via corruption angles due to change of government.

Such exhibition does not make money nor suitable for langkawi island, and this is the political and economical fact since no one dare not to menurut perintah, takut hilang rezeki, and thats common in government too.

Bak kata, tersalah tema dan tempat could invite public fund wastage akin leakage too that would increase government fiscal burden, which is no different from br1m, or sara hidup ph and other federal funds within minitries' forecast budget plan.

I dont need to google for audit report negara to see whether they are making money or not, since it is a programme under federal minitries, and if there is taker, the ministries concerned will appoint since this is nasional programmes, and not many private sector wants to do such exhibitions, takut rugi, and cannot get payment if there is no guarantee of payments from putrajaya.

Mereka kini, masih dan tetap sayangkan tdm as if he is their ayahanda because they really really believe tdm is their savior.

P/s: but, when things turned messy, they really really can go into political sabotage, and even igp tak berani take action, and this applied to other ministries hold by umno baru, until umno bn lost their power on may 9, 2018 for the first time. to continue with this struggle, it is up to tdm and his new malaysia cabinet to decide at putrajaya.

PM has talked about getting rid of Ali Baba Bumi companies and identifying the real beneficial owners of companies. As MP of Langkawi, what has been done to rid corruption in the Langkawi International Maritime & Aerospace (LIMA) Exhibition organizer? Who were the real owners? Has any agency independently audited the company? How did a healthcare company (Enraf Nonius) EN Projects (M) SDN BHD that was supplying medical items to government hospitals become the organizer of our largest Defense Show? Why is it that after the government change the director on paper suddenly been told to make her presence felt in the office? Where was she during the last LIMA not even attending a single meeting with Mindef or any agency regarding LIMA? Is the content of this video <http://bit.ly/2POTjyO> and the documents real? if there is any truth then make an example to show that this kind of corruption in not accepted at all. We are sick of all the dirty practices that been going on for decades. Time to clean up the shit and get rid of the rats that making a fool of the system.

As voter, i am just tired of seeing only his race in telling us for the 10 past years what to do as if we cannot speak bahasa, or english, we cannot do well in this country.

The neighbouring countries sees my race as gift of their future who are hard hardworking with high skill in moral and multi-lingual power with lower pay, they can hire them with snap of fingers too.

Would you mind being labelled as low cost skilled labor if the pay is higher than here?

Patronage is king in next 4 years?

Then, lebih baik cash is king, and if anything bad happened, mahu blah pun senang what, since the insiders know what the perdana menteri wants.

There is no perfect being, but there is perfect intention.

Will you be alright to be taxed heavily because you are not muslim by birth?

P/s: kongsi atau tidak, itu terpulang kepada mereka yang campaign. moreover, technology can never be bench mark against race and supremacy. it is either those in power can do, to merge, to jv or to partner with those who can do, itu saja. jadi, sesiapaakah mereka yang berkempen menentang kecanggihan teknologi, mereka ini adalah dalang kepada wawasan 2020 to wawasan 2030, wawasan 2040 dan wawasan 2050.

Good morning Tun

PAGI semalam ada baca ini, tapi saja taknak letak sini, and yes RPK juga turut komen tentang artikel yang ditulis oleh Tun Hamid ini dalam blognya.

<http://bebasnews.my/2019/01/11/peletakan-jawatan-yang-di-pertuan-agong-dan-selepasnya/>

Untuk tahu isi penuh sila klik link tersebut diatas.

Tun

My pendapat kalau PH kata pihak sana berdendam sebab kalah, bila pihak PH membalas itu telah menjadi dendam PH. Alangkah baik jika ini semua tak terjadi, kalau semua orang yang layak hanya berminat buat kerja cari duit.

There's a few things Tun Hamid sebut diatas selain kesalahan Agong ampunkan DSAI. Part ampun ini I pelik sikit sebab bunyi ayat terkandung seperti bunyi ayat DAP dan PKR cakap pasal Anwar sebelum jadi gomen.

Make matters worse I ada terbaca news Tun sebut, DAP penentu Tun jadi PM. I terus terbayang wajah Nizar MB Perak.

Salam Dearest YAB PM Tun Dr. Mahathir,

1. Recall our 'RUKUN NEGARA MALAYSIA':-

Kepercayaan		kepada		Tuhan
Kesetiaan	kepada	Raja	dan	Negara
Keluhuran				Perlembagaan
Kedaulatan	Undang-Undang	(@The	Rule	of
Kesopanan dan Kesusilaan (@Adab)				Law)

True Malaysians would definitely uphold our Rukun Negara. Actually, our 'Rukun Negara' is quite complete (complete guidelines for becoming good citizens).

But sadly we have many Malaysian citizens who do not even have any of the above (not even the first one – the most basic). And, sadly they proudly claim that they are MALAYSIANS. So disgusting indeed!

Communist mentality / behavior?

2. PH leaders must let go of the "saman juta-juta" opposition mindset or mentality. Please learn to accept criticisms and be more open-minded. I thought New Malaysia upholds freedom of speech, which is a very basic element in democracy. They are using their power (money and ability to manipulate the laws) to suppress people from expressing their opinions.

What kind of freedom of speech is this? New Malaysia's rule of law? And, why 'saman juta-juta' just to get even? This is not Islamic at all. In fact, this method is very oppressive and UNJUST!

3. I really admire Tun's way of managing/ handling criticisms, insults and false allegations thrown by Tun's detractors (including from those ex-Oppositions; now Tun's friends). Actually, Tun follows the Sunnah (Nabi SAW), and that's why Tun is blessed by Allah SWT and loved by the 'rakyat'. Tun can still smile and talk nicely to people who used to call Tun "nyanyuk / Mahafiraun/ Mahazalim/ corrupt/ kain dah buruk, tapi suka jaga tepi kain orang lain / etc." . Tun also follows the following Quranic verse (for being patient):

"And if you punish [an enemy, O believers], punish with an equivalent of that with which you were harmed. **But if you are patient – it is better for those who are patient.**" [An-Nahl: 126].

And, of course those politicians (Muslims / Non-Muslims) who prefer to 'saman juta-juta' do not abide by the rule of Allah SWT because they are not being fair.

Thank you Tun.

– May Allah SWT bless Tun and family –

Mr trump said he wants the wall to be built for border security at the border, steel or brick wall, it doesnt matter.

He has made that promise in his 2016 presidency election, and he would stick to it since he strongly believe such wall is required for border security purpose, and without it, america can never be great again with influx of illegal immigrants and drug trafficking crossing from mexico border sharing wealth of the country at the expense of taxpayers without paying a single cent.

Trump's supporters would be most delighted for his promise, but mexicans might get angry, and democrat might see this anger of mexicans as political milleage to champion their humanity and welfare by exploiting the current, and future tax payers.

Everyone knows, as usa president, he has absolute power to declare emergency funding, and since demorat in congress said no to wall funding, mr trump said he might get china to fund the wall because it is easier to talk to china than to the democrat.

The fundamental principle of negotiation is to get things done, not to get rich overnight, and if you see this line, you will be alright.

Under usa federal constitution, memang boleh since usa is a land of immigrants when george washington was declared as the 1st president of usa, but i am not sure about the malay, muslim bumiputra, hindu and other faiths react because to them getting

foreigner to fund infra structure remain anih to them dari dulu hingga sekarang, and the main reason was given by sri sense, and would ended violently to tunjuk their perasaan, and we have witnessed these ugly events for the past 10 years, still want to continue janji menang, izzit?

No matter what happens, the political of the divides would do anything to score the brownie points, you rasa anih when those political of the divides in plotting to score the brownie points of tit for tat?

P/s: will justice be served fairly and equally tanpa pilih kasih? will they still get away with no action taken against them by jumping ships? dont forget, malaysians and fdi are no longer stupid and katak di bawah tempurung, they know where they stand, jadi pandai 2 mereka ini in their ceramah in fishing votes as if they are the billion dollar whale in next of kin.

Now it is under ppbm pakatan harapan, zakir naik has hak istimewa to lecture islamic affair in penang, if kekanda penang said okay, then, ok lor.

But when comes to general election, the voters will decide which coalition that they see fit to represent them at state and federal levels via ruling and shadow government formula, again and again, janji menang?

Famous song sang by ronan keating:

If Tomorrow Never Comes

Sometimes late at night
I lie awake and watch her sleeping
She's lost in peaceful dreams
So I turn out the lights and lay there in the dark
And the thought crosses my mind
If I never wake up in the morning
Would she ever doubt the way I feel
About her in my heart

If tomorrow never comes
Will she know how much I loved her
Did I try in every way to show her every day
That she's my only one
And if my time on earth were through
And she must face this world without me
Is the love I gave her in the past
Gonna be enough to last
If tomorrow never comes

'Cause I've lost loved ones in my life
Who never knew how much I loved them
Now I live with the regret
That my true feelings for them never were revealed
So I made a promise to myself
To say...

It looks like the sabotage game has started via social media to make themselves the best of the best.

Salam Dearest YAB PM Tun Dr. Mahathir,

Something to ponder:-

From AL-QURAN AL-KAREEM on JUSTICE:

1. Sahih International (Al-Maidah: 8)

"O you who have believed, be persistently standing firm for Allah, witnesses in justice, and do not let the hatred of a people prevent you from being just. Be just;

that is nearer to righteousness. And fear Allah ; indeed, Allah is Acquainted with what you do.”

2. Sahih International (An-Nahl: 90)

“Indeed, Allah orders justice and good conduct and giving to relatives and forbids immorality and bad conduct and oppression. He admonishes you that perhaps you will be reminded.”

3. Sahih International (An-Nahl: 126)

“And if you punish [an enemy, O believers], punish with an equivalent of that with which you were harmed. But if you are patient – it is better for those who are patient.”

Thank you Tun.

Tun Musato thank you for the lovely song.

About Najib and Tony Puah and KFC. I tak tau mana Tony Puah dapat idea KFC lagi murah or same harga. I biasa pergi KFC, I biasa beli load of potato, sebelum 5 ringgit lebih selepas SST 6 ringgit lebih. Najib tak salah menegur sebab itu reality cuma mungkin Tony Puah tak tau sebab dia makan free.

As I said erlier, I suka Najib jadi pembangkang, sebab dia buat kerja untuk rakyat. Tak payah la I bising2 kat Tun, sebab Najib dah tolong cakap hahaha

Kalau tak percaya cuba pula pergi Coffee Bean, you juga akan tau barang yang dulu beli harga gini akan jadi harga gitu. Usually lebih 1 ringgit or more depending on the amount you beli.

I nak share lagu ini, lagu ini I dengar dalam kereta, masa berita Agong letak jawatan, nama lagu Empty Chairs by Don Mclean

I feel the trembling tingle of a sleepless night
Creep through my fingers and the moon is bright
Beams of blue come flickering through my window pane
Like gypsy moths that dance around a candle flame

And I wonder if you know
That I never understood
That although you said you'd go
Until you did I never thought you would

Moonlight used to bathe the contours of your face
While chestnut hair fell all around the pillow case
And the fragrance of your flowers rest beneath my head
A sympathy bouquet left with the love that's dead

And I wonder if you know
That I never understood
That although you said you'd go
Until you did I never thought you would

Never thought the words you said were true
Never thought you said just what you meant
Never knew how much I needed you
Never thought you'd leave, until you went
Morning comes and morning goes with no regret
And evening brings the memories I can't forget

Empty rooms that echo as I climb the stairs
And empty clothes that drape and fall on empty chairs

And I wonder if you know
That I never understood
That although you said you'd go
Until you did I never thought you would

Songwriters: Don Mclean

Apa I tulis terpulang pada admin nak siar or not. To me I hanya cakap kat Tun M.

I baru baca news keliling, ada berita Lokman kena tangkap, I wonder juga kenapa laman financetwitter tak kena.

I baca juga tuisan RPK. I must say tulisan dia make sense. All this related to Tun not sure apa itu insult. I get it, if only that person or group not siding Tun's team, so its an insult.

How else can you explain Theresa Kok saman juta2. Takan hanya Theresa Kok saja tau the limit of Freedom of Speech.

How about if Sultan2 dan Agong hantar saman billion2 pada politicians dan ministers, adakah Tun akan kata mereka ada different court. Kita tau Sultanah Terengganu, Sultanah Nur Zahirah telah memfailkan saman terhadap pengasas dan editor Sarawak Report.

Just saying. Have a productive day!

I,m happy and proud of you Tun Mahathir Mohamad
You did yr Duty to visit Sultan of Johor on part of yr responsibility as The Prime Minister of Malaysia
Regardless of both yr differences as in the News
Perhaps TMJ has lots to learn from this 2 old respectable man

You did yr job well
You are Malaysia Assets
Malaysia did not waste a single penny on you
You moves around doing yr job humbly
Making sure every is intact
Unlike out previous Clown Najib
Whom He himself don,t know what he was doing....jalan sana, jalan sini with Rosmah seeking attentions doing nothing
Suddenly Malaysia lost lots & lots of money & pride

Recently just then We see Najib so concern about Rakyat as an Opposition
Taking down notes of the people'e needs
And now he commented about smoking
I felt so much hypocrites

This is the path that Malaysia must not pass again
I hope Anwar could lead Malaysia as the same as Tun M did
Anwar must not be proud , must not took back on Tun M
Anwar must take Tun M as his Truly Mentor
Looking forward for Syed Sadiq to catch along with Anwar and the rest of the Pakatan . I see Stars in Syed Sadiq

Malaysia must moves forward as One Ummah
We should be The example , The Idol for the Muslim World
We must Unite.

We must make efforts to Unite The Muslim World
We must call a Party for all the Muslim Leaders throughout the World
To Sit ,To See , To Understand
each other despite our differences as One Ummah
For our Future Ummah

They are dividing us with Lies & Lies
This must Stop

Of course I tak tau betul ke tak, so now Tun tau why I tersenyum.

Assalamualaikum Tun.

Yup Sri sense.

Antara kegemaran saya ketika berada di sini adalah mendengar lagu lagu yang hadir mengubat jiwa rohani.

Permulaanya di sini, saya katakan "you are not alone".

Saya bukan maksudkan MU (Manchester United football). Tapi saya teringatkan Micheal Jackson.

Tengahari semalam saya kembali menonton video MJ. Lama sudah tidak tonton MJ.

Masa remaja, kedengaran pelik berkenaan perihal MJ. Dari kulit hitam kepada kulit putih. Mendahului zaman. Sekarang di Malaysia, perkara ini sudah jadi trend.

Tapi tidak dapat disangkalkan berkenaan persembahan MJ. Patutlah dipanggil Raja Pop.

Pakaian tidak menjolok mata. Tertib. Myanyian berkisar dunia kehidupan seجات.

YOU ARE NOT ALONE

Another day has gone
I'm still all alone
How could this be
You're not with me
you never said goodbye
someone tell me why
did you have to go
and leave my world so cold
every day i sit and ask myself
how do love slip away
something whispers in my ear and says
that you are not alone
i am here with you
though you far away
i am here to stay
But you are not alone
i am here with you
though we're far apart
you're always in my heart

But you are not alone
just the other night
I thought i heard you cry
asking me to come
and hold you in my arms
i can hear your prayers
your burdens i will bear

but first i need you hand
then forever can begin

Terima kasih Tun.

Good afternnon dear PM

I teringat Musato sebut pasal mimpi. I actually ada jua mimpi2 jenis ini, but for those yang close with me. I bagi example masa I mula2 kawin dulu, I pernah mimpi kereta hubby tepi jalan hilang empat tayar. Bangun pagi I beritau hubby. Hubby masa itu bawa kereta kerja ada kawan tumpang. Balik kerja tiba2 kereta rosak kat highway, so kawan kata kita tolak tepi jalan, esok kita datang balik. Hubby kata No, my wife mimpi kereta hilang 4 tayar, kita hantar kereta workshop. On and off I dapat mimpi my son. At one time I mimpi ada pedang hiris perut my son. I sedih nangis2 bila sedar dari tidor. Tak lama lepas tu anak I sakit, yup soething to do with his stomach.

When comes to public opinion, the nature of my job dulu. I faham and peka dengan public opinion.

Oh ramai bercakap agong mana naik. Macam2 theory pun ada. Sebagai orang biasa, I boleh kata ini, of course I nak Sultan Perak naik. 1. sebab I anak Perak 2. sebab tuanku bijak berkata-kata 3. ramai memuji tuanku Raja yang bijak 4. sebab negeri Perak belum cukup maju

I juga nak Sultan Selangor naik sebab 1. I duduk di Selangor puluhan tahun, so Sultan Selangor is my Sultan. 2. Sultan yang paling simple 3. Berjiwa rakyat 4. sebab I nak negeri Selangor tambah maju

Anyway tu hanya kemahuan I.

Sultan Pahang? I ada dengar tuanku gering.

Sultan Johor? I tidak begitu kenal but I do know isteri tuanku anak raja keturunan Perak, anak Sultan Idris. Dan I juga tau kerabat Johor kuat jiwa Melayu. Tapi I macam doubt

Sultan Johor berminat sebab Johor dah maju and also jadi Agong hanya glamour, dari segi kuasa I think kuasa Sultan lagi besar.

As for Tun, siapa saja naik jadi Agong kenalah Tun berkerjasama.

When kumar, not a straight guy, made the joke on his family tradition and culture, he said, when you failed one subject, father slapped, mother also slapped, grandfather slapped, and grandmother come up from the other room also slapped, and go down to the street, uncle also slapped.

I have gone through this path, and i really understand why he decided to be a comedian, and he deeply know singaporeans, and malaysians can share this uncomfortable and unpleasant childhood due to family traditions and culture in believing when children dont do well, it is a family's shame.

I already said, we have choice not to be ended like those parents of my parents, grandfather, grandmother, uncles and their great, great great grandies of the past, but that does not mean we must pamper our children with materialistic mindset by hurting others just because we have vvip families.

Rule of disipline must starts at home, if not our children can never learn rule of law set by the country.

To understand economics just like other fields of studies, you need to know the basic of economics theories on why, how and when these theories were documented and became a study subject, she thinks economics study is home science of sewing and cooking?

If dont like, teachers still think they can picit perut dan buntut murid2 like dulu2 punya teachers?

Today, if teachers become bully, and no action taken, then just transfer your children to other schools, or international schools that are more acceptable, apa yang susah2 sangat ini?

Mereka pun tak rasa segan, who are we to tell them off since we are treated like pendatang dari dulu hingga sekarang, and dont forget, we have general election in every 5 years, right?

I am okay with fdi, but i am not sure what will happen when the hard core nasionalist fans and supporters will do just to win votes to dictate the federal budget, and we have gone through this so many decades.

Bak kata, pandai2 lah mereka ini kata mereka ini adalah pèrjuang dan pendekar bangsa agama mereka masing to march into putrajaya.

Tak boleh means not able.

I don't wear a mask since no jerebu and my occupation does not need me to wear a mask so I got nothing to hide, or nothing to say.

I am not a member in conspiracy think tank, journalist, loyar, 4th floor boys, supreme leader council, pembodek or vvips.

What mubarakchan wants to say, do or write, its his right to do so, and no one can stop him.

I already know the tricks bond issuance, therefore, it wont matter because i can differentiate what is halal, and what is haram.

Therefore, to jaga or not the reputation and positioning of this country, its up to those who have the power of authority to decide.

Its my turn to celebrate lunar chinese new year with my families and friends in february this year!

The singaporean comedian named kumar asked his audience, you think indian can speak japanese ar, you think anih and ano same ar?

I can live up with such joke, and i dont have problems with it, but to umno and pas youths, they might have problems with it because they really really believe only they can decide the federal budget and only they can protect kesultanan malaya.

When you respect and accept the rule of law, kesultanan negeri2 malaya and agong in throne, you dont need to make police reports to score political points.

What they have done in the past, i already witnessed and seen with my own eyes, therefore, no need to retaliate or whatsoever.

Salom, and all the best.

Good evening Tun

Rule of Law ini tajuk yang baik.

Tun benarkan Freedom of Speech tapi sayangnya bila kena kat DAP Freedom of Speech hanya untuk gang mereka sahaja. Kalau ada orang yang mengata gang mereka, laju mereka hantar surat saman berjuta juta ringgit.

Sama juga macam diblog yang mulia ini, bila kita tak usik dia, dia usik kita. Dia kata kita cukup2, bila ada orang sini kenakan dia semula, dia pun hantar komen berlambak2, bertubi2, hingga komen lain hilang dari mata umum.

Lagi satu I menyampah. Bila agong tak kawin mengata, bila agong kawin mengata juga. Bila ada pihak istana complaint media tak di kawal, bisu seribu bahasa, tiada dengar pun suara Menteri.

Sebelum Tun naik jadi PM, I dok complaint kat sini pasal ubat dan hospital. Dari zaman Najib lagi ramai pesakit termasuk bekas orang kerajaan dok complaint ubat kurang kat klinik kerajaan.

Dapat budget baru besar, besar dari zaman Najib dulu, sayang sekali klinik kerajaan banyak nak di tutup. Lepas tu sibuk kempen anti merokok. Tak boleh hisap rokok sini, denda. Tak kita bagi warning dulu. 6 bulan kita kasi. Kita bagi kursus henti hisap rokok.

Budget yang besar tu rupanya nak bayar kempen anti merokok bukan nak bagi ubat untuk golongan pesakit yang perlu perubatan free.

Ini cerita orang luar, ada blogger orang Malaysia duduk luar negara, ada blogger Mat Salih tak duduk Malaysia, yang I tak faham apa pasal sibuk nak cerita pasal Malaysia kalau tak duduk sini.

Part PM, kalau tak larat jadi PM lagi, Tun bubarkan Parlimen, buat election semula. Tun berjanji nak AI ganti. Tu janji Tun, kami rakyat tak janji pun. Tanpa vote the rakyat PH pun tak naik.

Tanpa Agong yang ramai orang Tun kata tak buat kerja, Tun tak naik pun jadi PM. Lambat2 ex Agong dengan ketelitian baginda Tun naik juga jadi PM walau sedikit lambat. Tak rugi apa pun kan?

Just saying. I tetap sayang Tun Mahathir dan Tun Siti walau apa pun akan terjadi nanti.

Assalamualaikum Tun,

I'm sorry to bring this up, but since the issue of transition you to Anwar as Prime Minister has been brought up by many, I wish state my opinion. If I remember correctly, before the election, the agreement was for you to become the Prime Minister candidate for Pakatan Harapan, and become the Prime Minister should Pakatan Harapan won the election. This was agreed by the four parties i.e Bersatu, DAP, PKR and Amanah. However, if the four parties wants someone else to become the Prime Minister, then it will be up to the the four parties to choose the next Prime Minister. It is common knowledge the next Prime Minister as agreed by the four parties is Dato' Seri Anwar. The point it must be emphasised is that the decision for who will be the next Prime Minister is through the collective decision of the four parties and not your decision.

The reason for this important point is that, you have been blamed for choosing Pak Lah and Najib as Prime Minister. You yourself have agreed that you are not good at choosing people. Therefore, let the decision of who becomes the 8th Prime Minister (which is Dato' Seri Anwar) is a decision made by the four parties and not yourself. It may just be the wording, but it will have an impact in your legacies.

THE MACC SHOULD INVESTIGATE THE CORRUPTION BEHIND THESE TWO MOSQUE PROPERTIES WHICH WERE ILLEGALLY TURNED TO COMMERCIAL USE. AND THOSE WHO APPROVED AND TOOK BRIBES SHOULD RETURN THE MONEY AND DEALT WITH UNDER THE RULE OF LAW.

Mubarakchan needs pas support, and to bribe them, use mosques land as the bait, and it is no difference with the case of seafield india temple during bn era by declaring the land as indian estet.

Macc has became a tool to putrajaya, and its not a surprise at all to see so much uncertainties of sabotaging and back stabbing just to cover their faults of the past via changing hand at the higheset level.

Its alright not to vote bersatu because i really do not want to see another round of cantas mencantas yang berunsur tribalism amat keji dan bisa when they get the power like what umno baru did for the past 20 years.

I have been too long in this blog, and its time for me to move on with my new life.

On leaders can undo the past, but to make the past easier to digest or accept by the voters, its up to the political parties of the divides.

To make the future brighter, ikat perut or sengsara with hard core nasionalist measures again of hanya dia saja yang boleh, yang lain tak boleh buat, the decision is with to those in power.

Whenever i get confused, i will refer to 5 rukun prinsip negara.

All the best to pakatan harapan, and their future perdana menteri in line.

He is the founder of airport taxi pajak, and you see his bully manner and he can instruct malaysia airline holdings bhd and mot to close down e-hailing via media, and get cover.

Why uber turned grab hailing is more popular?

Because to hail their service, you must have credit cards issued by registered bankers as per world bank requirement so that the bankers can see the behavior pattern of their lenders from smaller amount first before they do home mortgage or buy car of bigger amount for the period of 5 to 20 years period.

Now, aeon co. retailer can issue credit card, personal loan or insurance, meaning other local retailers have choice not to follow so that they are at par with international standard, right?

Perhaps sri sense may share with me who was the middleman who introduce goldman sachs top management director to najib's administration?

I am not here to find fault on who is right, or who is wrong.

I am here to find out what triggered the financial crisis during the past 30 years.

Truth shall prevail, and it is only a matter of time.

What will happen, it will happened.

What will not happen, it will not happen.

So it does not matter who become the perdana menteri since political parties and their members could be rigged behind the voters to decide who gets what, and who dont get what.

P/s: banning smoking in all eateries no doubt can make moh dr lee boon chai of his ministry look good, but at the same time, such ban will affect the business of eateries who have invested with open concept style similar to those of paris, european and uk, and dont forget, these are ph voters. ph should worry more about the civil government servants under each of their ministries, they might not be able to tahan smoking because working in government is stressful, and boring kerana banyak meetings to dengar air liur bos mereka dan kerja pun tak banyak. For owners of cars, they can always smoke when driving and at home, so it wont affect the sales of tobacco so much especially in malay majority states. Being pdrm or trafic officers on the road, they can always find a place to smoke behind the scene because they know where to find those shading spots.

I hope you are not having sore eyes reading one or two comments here who tried to make their presence felt every day with sweet or bitter nothings ! On the contrary, here are two solid instances in which the Rule of the Law have been broken by the Singapore Puppet Corrupt and Uncaring BN Government and its elites.

1. ' Mont Kiara residents want 51 storey project suspended.' says the media report.

This property was reserved for a mosque. But due to corruption, a 51 storey condo is being built on it. 6,000 residents are in protest against this corruption of over-building without regard to the proper approvals concerning the size, environmental impact etc. DBKL is now under test and with it the New and Incorruptible Government.

2. A similar property reserved for a mosque along Jalan Sri Hartamas 1 behind the new Istana Negara was cleared for a motorcar showroom. The land is now entirely barren of trees or foliage. It was abandoned since the fall of the Singapore Puppet Corrupt and Uncaring Government and its elites on 9 May 2018.

THE MACC SHOULD INVESTIGATE THE CORRUPTION BEHIND THESE TWO MOSQUE PROPERTIES WHICH WERE ILLEGALLY TURNED TO COMMERCIAL USE. AND THOSE WHO APPROVED AND TOOK BRIBES SHOULD RETURN THE MONEY AND DEALT WITH UNDER THE RULE OF LAW.

Malaysia Boleh Tun as always ! No problem.

As long term and health conscious investors, will you look at such city?

I am not here to argue or to show adat or biadap, it is up to ph, bn and independent parties to decide how they want to keep the economy going among themselves.

P/s: orang lain yang makan nangka, orang lain yang kena getahnya. what they want to say or do is none of my business as i am just only a voter. when race and religion supremacy is applied, then, no need to talk, just ikut aja if you do not want to be saman or bagi duit kopi, to the authority, itu saja.

Those in power can always indulge in their vanity fair projects by manipulating the sentiment of the rakyat to favor themselves so that they can be transferred to the federal level when menang as token of jasa appreciation since the power of authority at putrajaya would give them more pleasure than staying in kampung states.

Therefore, no need to tunjuk your anger or what so ever since general election must be called in every 5 years, earlier, or later to get mandate from their voters.

The by election is only to warm up to test the water first, and such kongsi formulae is already a norm of ec style.

Pendek kata, its about race and religion supremacy of putrajaya.

Bak kata, siapakah mereka dipilih, mereka lah yang dapat bunga, atau cincin.

Bergaji bulanan pun ada criteria.

Perhaps, to some, they enjoy long holidays with good salary, but to the smi, if too many long holidays coupled with increment of labor and material cost, then, they cannot survive. when cannot survive, then just tutup kilang atau kedai itu saja, apa yang susah2 ini.

Big can never fail?

The myth of too big to fail akin titanic?

P/s: its up to the 9 sultan to decide which way to go to develop their states, and its up to their political parties' members and state voters to decide to stay, transfer or migrate to other states, itu saja.

P/s: are you ready?

Mana tahu, mungkin kali ini mereka yang berkuasa mahu increase population of indian community by granting ic, tak anih pun.

Therefore, it is meaningless to spike on chinese independent and kebangsaan schools since the decisions are made by their parent during the forming years.

Tun

I baru baca ini, so I nak share:

Free the bourse, please!

YOU know the market is booming when taxi drivers are telling you which stocks to buy. Or when the coffee shop talk is all about the stock market.

During the giddy 1990s, share prices fluctuated like a yo-yo, with counters sometimes moving up or down a few ringgit in the course of one day. People were spending a lot of time at the offices of brokerages "playing the market".

Well, it happened in most major bourses the world over any way. In the United States, the 1980s and 1990s were times of market gains, investors making money, traders laughing their way to the banks and the little people benefiting from the cascading wealth that defined the era.

Perhaps the Gordon Gekko character (played with devilish exactitude by Michael Douglas) in the 1987 film Wall Street represented the era. He famously said "greed is good".

Call him evil or the demonic face of the market, but he deserved attention. Even business schools are using him as a case study, apart from people citing his "leadership quotes".

Gekko was a psychopath with finesse – a believable crook who manipulated the market and was single-handedly capable of bringing the market to its knees.

Gekko has become part of the lexicon in popular culture and is associated with unrestrained greed and hubris. He gave investors and speculators a bad name. When the 2007-2008 financial crisis hit the United States, the Gordon Gekko mentality among free market players was blamed.

When Alan Greenspan, the then-Federal Reserve Board chairman of the United States, uttered the phrase "irrational exuberance" in his 1996 speech, the market reacted rather feverishly.

His exact words were: "But how do we know when irrational exuberance has unduly escalated asset values, which then become subject to unexpected and prolonged contractions ...?"

In laymen's words, he was worried about an asset bubble driven by greed. Investors' enthusiasm was driving assets prices up to the level that was not supported by the fundamentals. When the market was good, anything went. Nobody really cared.

But back in the 1990s, the market was driven by speculation and the tendencies to hype and escalate stock prices for short-term gains. In many markets around the world, the bourses have become gambling dens.

The bubble did burst and investors engaged in panic selling. The entire market was penalised as well. It resulted in recessions or worse.

In Malaysia, we have seen how stock prices breached unimaginable prices back in the 1990s. Imagine a joss stick maker being priced at more than RM100 per share.

Just sign an MoU (memorandum of understanding) and the shares of the particular company will jump sky high.

Even corporate chieftains following the Prime Minister on a business trip abroad would be pleased to see the shares of their companies climbing.

On the top of that, there were known cabals in cohorts with share owners who made money by pushing up prices at their own whims. Initial public offerings (IPOs) seldom saw a premium of less than RM3.

For the little people, "contra trading" was in, which involved buying and selling the same shares without having to pay for them.

They were taking advantage of the three-day "contra period" offered by brokerages. Within that period, the investor will be paid any profits made from the arrangement. If the price of the stock is lower, the investor will have to pay the difference.

The brokerages were alive. People were happy. But companies built sand castles out of their limited assets. Fundamentals were ignored.

In the name of expansion, the corporate bosses accumulated debts in the hope of amassing more value and wealth. Exactly the Gordon Gekko syndrome.

Then the financial crisis of 1997-98 hit. They were totally unprepared. Many were not spared.

The Securities Commission formulated new rules in the aftermath of the crisis. Companies are monitored with a fine-tooth comb. There are a lot more restrictions in place than ever before.

Companies are expected to practise good governance and enhance integrity. Anything that signals impropriety will not be tolerated. An unusual movement in a stock price may trigger an inquiry from the relevant regulatory bodies.

We are all for a better stock exchange, one that will safeguard the interests of all shareholders for the sake of trust and a healthy market.

But do we need to shackle the market with the yoke of unnecessary rules and regulations created some two decades ago? Should we live with the legacy of a stifled market just because of some bad apples back then?

I reckon it is time to relook the market objectively and smartly. We have to move beyond the fears of yesteryears.

We have the sets of rules to monitor without strangling and to regulate without killing the spirit of a true free market that created the bourses in the first place.

Let not the past haunt or cocoon us until we become zombie-like investors that fear making a ringgit or two.

The least the present government could do is to make the little investors happy again! It might even boost the current listless economy!

Johan Jaafar was a journalist, editor and for some years chairman of a media company, and is passionate about all things literature and the arts. The views expressed here are entirely his own.

– I nak share sikit. Dulu sebelum PH naik, ramai analyst tak suka government tukar, ada kata Manifesto nothing economic about it. Much earier sebelum nak ada election ada stockbroker gembira bila dengar Tun Daim nak masuk market. Dia kata kalau Tun Daim masuk market booming semula. Macam dulu2. Unfortunately until now market masih jatuh and jatuh kalau naik pun sikit esok esok berturut-turut merah, nak harap hari hari hijau macam menunggu buah tak jatuh.

Good morning YAB Tun

Pagi yang cerah tapi hati rasa sedih. Sama sedih macam Wan Azizah tapi my kesedihan hanya sebagai rakyat jelata bukan sebagai orang politik yang mungkin punya agenda tersendiri.

Ya pertama kali Agong turun tahta dalam sejarah. Kita dah pernah ada Agong2 yang mangkat. Seperti I sebut sini dulu I tau about Agong kawin and sakit – I rather not sebut apa sakit, sebelum election yang lepas, dimana PH menang, I memang dah tau. Ada orang bisik2. Pretty sure kalau betul berita I dengar, so Rulers yang lain pun lagi tau.

Kalau Tun ingat semula, I pernah tulis sini, Tun mungkin tersilap kenapa Agong lambat datang masa majlis angkat sumpah.

Anyway I cuma nak ucapkan terima kasih pada Sultan Kelantan. Patik harap tuanku bertambah sihat dan dapat memimpin negeri Kelantan dengan maju jaya.

Tun, I nak share ini.

Dulu zaman Khir Toyo ada TMB Selangor. Appointed masa zaman Abu Hassan. Nak jadi cerita MB baru ini tak suka ada TMB. But Sultan setuju ada TMB. Entah macam mana TMB ini kena masuk hospital, memang sakit but rumours after that kata TMB ini dah tak boleh guna otak, tak boleh berfungsi, macam sayur, sebab sakitnya, walau ianya tidak benar sama sekali tapi kerana rumours ini berlegar dengan semaraknya, dapat memberi alasan yang kukuh untuk beliau dilucutkan jawatan TMB.

Siapa yang spread rumors? Mungkin orang politik, mungkin kaki gossip, mungkin ada surat layang, entah la I don't know. I tau pun sebab I dulu agak rapat dengan TMB ini, dah arwah dah.

"11. The Rule of Law will be upheld."

If PH wants to be respected by the people, then please 'walk the talk'. There must be no more selective prosecution.

I wonder why no MCA / MIC/ Gerakan / etc. leaders are being prosecuted. I thought BN used to have more than 10 component parties. Don't tell me that none of them are involved in corrupt practices and abuse of power while BN was in power.

She has no respect towards other commentators.

If she has so much to say/write, then I advise her to SET UP HER OWN BLOG. She can write whatever she likes and as much as she likes without bothering others with her stupid comments!

I don't think we need to create rules or laws to prevent (manage) people from giving stupid comments or throwing rubbish into someone else's blog space. It's understood that we must refrain ourselves from overloading other's blog with rubbish! Don't be rude to the blog owner!

This person has no 'adab'.

Never judge a book by its cover.

Ada masa lebih baik beli buku secara online or baca news yang betul2 bermanfaat rather than reading ego, ignorant, rubbish portal news online eventhough they are provided free.

P/s: it is up to them to decide who they see fit to execute the portfolios and programmes, and its up to the voters to decide which coalition that they feel comfortable in any by-elections, or general elections. if you really loose hope, then, dont

waste a generation or 2 to wait for them to change or to excel in their agenda since race and religion supremacy are still their way of doing things.

I rajin baca blogs. Blogs over2 mengata orang I tak berapa suka. Sekali dua I baca, lepas tu I cabut. Nowadays I rajin baca tulisan RPK. Dulu tulisan beliau macam hikayat seribu satu malam, now pendek, so easy to digest.

I also baca tulisan rockybru dll bloggers on his wall. I used to like finance twitter tapi lately dah start merapu I tinggalkan. I also kurang minat dengan blog yang terlalu bercakap about raja2 Melayu. Politik tu I boleh accept but also not over2 mengata or mengutuk. I suka keserdehanaan in everything.

@Hajar, OMG dia kata you begitu? I also tak baca. You tulis baru I tau. I tau dia bagi komen because I nampak kat right hand side but never clicked on those comments. Dulu I pernah baca and layan dia but after awhile I rasa dia crazy. Macam tanjung rambutan. I don't entertain perangai macam ini baik kat FB, or my game site. Then again ada blogger kata, kat sini macam ada good cop, bad cop hahaha maybe dia pekerja dapat gaji bulanan.

Prinsip "rule of law" memang wajar ditegakkan tanpa pengecualian. Namun, dalam konteks sekarang, prinsip ini seperti hanya digunakan untuk tujuan politik dan tidak ikhlas menegakkan undang-undang.

Contohnya, di manakah prinsip "rule of law" dalam kes rasuah Lim Guan Eng? Kes yang ternyata wujud elemen salah laku, tetapi digugurkan Peguam Negara, Tommy Thomas yang dipilih oleh Dr Mahathir. Kes tersebut sepatutnya diteruskan agar Lim dapat bersihkan nama beliau jika tidak bersalah, bukan diselamatkan dengan cara mudah melalui pengguguran kes.

Di manakah juga prinsip "rule of law" dalam kes kematian anggota bomba, Muhammad Adib Mohd Kassim? Insiden di luar Kuil Sri Maha Mariamman yang bertukar menjadi rusuhan mengorbankan nyawa seorang penjawat awam yang sedang menjalankan tugas. Hingga hari ini, masih tiada berita keadilan akan ditegakkan.

Dalam kes yang sama, prinsip "rule of law" turut dibelakangkan, apabila keputusan mahkamah tidak dihiraukan, di mana kuil itu ingkar berpindah.

Begitu juga dengan peristiwa berdarah Memali. Di manakah prinsip "rule of law"? Sehingga kini, ramai tertanya-tanya kenapa begitu ramai anggota keselamatan dikerahkan menangkap Ibrahim Libya? Pemimpin Pakatan Harapan (PH) yang dahulu memperjuangkan pembentukan Suruhanjaya Siasatan Diraja untuk mencari kebenaran, sekarang diam membisu apabila sudah berkuasa.

Apa sebenarnya nilai prinsip "rule of law" bagi kerajaan PH? Bukti-bukti yang disenaraikan secara terang menunjukkan Dr Mahathir dan kerajaannya amat hipokrit dalam menegakkan dan menghormati undang-undang. Mereka bukanlah malaikat seperti yang mereka ingin tonjolkan.

Contohnya kisah Prebet Adam Jaafar yang memberi gambaran raja zalim harus ditentang. Media melaporkan kononnya Prebet Adam mengamuk apabila mendapat tahu adiknya dibunuh Sultan Johor ketika itu, sedangkan Prebet Adam tiada adik lelaki dan hanya ada adik perempuan yang meninggal dunia dalam kebakaran rumah ketika berumur 2 tahun.

Salam Dearest YAB PM Tun Dr. Mahathir,

Allow me Tun:

A dumb racist bigot commented on my writing:

Previously, I wrote: [The Attorney General has lost his credibility. He is not being fair and very biased in his judgement. Moreover, **I just don't trust someone (AG) who believes @ advocates that Chin Peng was a hero!**]

Her comment (HBT456 Jan 4, 2019 11:40 AM):

/// Were those AG appointed by the then Umno and BN were heroes too? Alahai, dah terang sangat, usah diterangkan lagi jika dikorek2kan. Even me being in here could see that fault, takkan lah dia tak nampak pun. Jika dia bertudung kata halal, then thats her struggles.///

What a stupid response to my writing! No substance at all! Rubbish!

And, definitely this person is a hardcore racist. My comment has got nothing to do with 'bertudung'.

Let me try to explain what I meant by my previous statements on the AG.

The AG believes that Chin Peng was a hero. It is not surprising that he also believes that the 'devotees' that were involved in the riots, and also had assaulted (murdered) an innocent fireman on duty are also heroes.

We know that Chin Peng had killed many innocent people including policemen and soldiers. And yet the AG regards him as a hero!

I doubt the AG really upholds 'The Rule of Law'. I have no confidence in him. Sorry to say this Tun...

P/S: 'Sri Sense', she only talks rubbish . Well, Tun wants us to know there are dumb Chinese too...Malays are lazy (what they always say), but definitely not stupid :).

salam Tun, bila bercerita pasal rule of law, amat lah bagus sebab setiap warganegara tidak akan terlepas dari tindakan undang undang. Dalam masa sama jangan lah pihak menteri terlalu ghairah dgn mengadakan undang undang atau pun melaksanakan undang undang yg menganinya rakyat, contoh kerana mahu bebas dari asap rokok dgn angkuhnya menteri buat kenyataan biar dia tidak popular dan tidak mendapat undi... bukan kah menteri tahu budaya orang malaysia melepak di kedai makan sambil menonton bolasepak... makan merokok dsbnya... bukan kah anak anak melayu yg berniaga shisha terpaksa tutup kedai... adakah dgn larangan merokok menjadikan negara kita lebih sihat dan maju dari negara lain? apakah masalah kesesakan di hospital telah selesai? adakah hospital mesra utk wargaemas?.. adakah isu merokok sahaja yg kritikal.. sebagai menteri saya juga bersetuju dgn cadangannya.. tetapi dari sudut politik dan sosio ekonomi jgk harus dilihat dgn serious... dimanakah hak asasi? kerajaan PH harusnya tidak mengulangi kesilapan dan keangkuhan seperti kerajaan terdahulu... sekian

The rule of law is always there.

But when the rule of law was pindah to ag at putrajaya, the de facto ministers with absolute power became bermahalela until umno bn voted out when tdm jumped and set up his own party before last general election was called.

Mr Lim felt empathy as a father and rakan sekerja is normal, but anak being caught for drug, as minister of defense, he didnt do any cover ups, and this is a positive point as perjuang melayu kita, kudos to mat sabu.

Moreover, drug addiction is common in this masyarakat, khususnya di kalangan melayu kita.

As for alcoholic, the worst hit was cina, india dan bumiputera kita.

P/s: why special court was being set up? kini, makcik ini masih berani memainkan perkauman lagi by calling tdm as ayahanda mereka? jika mereka rasa biadap is their tahi lembu style, by all go a head. jika betul2 spilled those green snakes, she thinks she still can talk big? A female law maker said she is just tired of looking at an ape in high heel, hence, she resigned, itu saja. being honest is crime? Being critic in here is crime? Is she saying that only her race can be perdana menteri, yang lain tak boleh?

Assalamualaikum Tun.

Bila sebut rule of law, ramai antara kita teringat masa zaman Najib. Undang undang tiada berguna.

Lepas BN kalah, PH yang diterajui oleh Tun M berusaha sedaya upaya untuk meletakkan semula rule of law di tempat yang sepatutnya.

Institusi institusi yang berkaitan seperti TH, Felda dll telah diganggu. Maka lapisan pengawai atasan setiap institusi itu telah diganti baru.

Kemenangan PH juga nampak gayanya juga telah memberi keyakinan kepada kaum bukan bumiputera untuk lebih vokal dalam bersuara.

Adalah penting untuk kaum bumiputera lebih dalam peratusan dalam menentukan dasar kerajaan yang bernas untuk kebaikan negara.

Jadi amatlah penting Rule of Law diletakkan di tempat yang sepatutnya.

Terima kasih Tun.

Stop using chinese race as the bargaining chips.

If cannot take it, just go see sultan johor directly to clear off any misunderstanding, is it so hard to do this?

We are not beggars, we are the citizen of malaysia who have the basic right to vote the coalition that make us feel safe and comfortable.

We are not shadow race or chips to malay, muslim or orang asli to any political parties of the divides.

I guess our leaders still stuck in the colonized period after more than 60 years of merdeka.

They still using divide and rule policy until now by offering freebies, janji menang to dictate the federal and state fund.

These hard labors left their their home countries to seek better offer, but sadly, they are treated like sampah just like what those colonized master did to imported foreign hard labor in the begining of last century,

Even the bangladeshi worker got slapped for asking locals to obey ban smoking rules, you rasa patuhkah mereka buat ini in the name of nasionalism and patriotism?

It is sad to see such scenario, and they are part of the dna that built this country, but no action is taken against these bullies, bak kata siapa makan cili, mereka lah yang rasa pedas.

P/s: these bullies one day will bite their own medicines, and sure kena belasah one day, therefore, pandai2 mereka ini yang mengelarkan diri mereka perjuang dan pendekar bangsa dan agama mereka masing2 when voters in general loose faith with them.

Is ph wants kedah to be the dump site of imported plastic wastage by hiring hard labour from bangladesh?

If they do, then, give import aps to them to create income for kedah state via penang port.

Lynas brings in good jobs to pahang people, but they bising.

I guess now they see clearer, and should stop bising by now.

P/s: if bersatu wants to import plastic rubbish in kedah, by all means go ahead when the state sultan is alright with it since malaysia already merdeka for more than 60 years now.

Since penang is mca punya hq, then, why parachute northern politicians and came down here to kl selangor, and cleared so much land?

If penang is more important to mca, then, why passed the baton to gerakan?

Now adik gerakan looses, but the brother is in dap, then, why kacau us who dont speak hokkien and those who live in kl/selangor?

As for muslim, brother in umno down south, brother in amanah up north, then, no need to vote since only family members are allowed to swap seats, set up own political parties and jumped ships.

They only care about numbers to win, then only bikin, but they never care about what happened to the people, fdi, foreign workers and reputation of the country, janji menang.

Jika macam ini, lebih baik balik tido aje, mana tahu mungkin 1st lady akan call aku nanti, betul tak?

If government civil servants and party members outnumbered private employees, then, no need to vote lah.

If government civil servants and party members budget is 70% of the total wealth distribution, then, no need to talk about long term investment if you do not want to be like them.

When the political parties become greedy, then as investors, you must be fearful.

Please dont bring penangites punya politics into kl, please go melaka, go putrajaya, go cyberjaya, go labuan using the victor re write history punya conspiracy theory.

Have they learned?

I think they have not learned, all they care is absoute power to dictate the wealth of this country, tak kisah untung atau rugi with tongkat.

Nasi dah jadi bubur, fetna here, finger pointing, blaming or contest also no point since we have general election in every 5 years.

If as political parties, you cant even protect the federal constitution, then, ultimately, you cant protect the race that you represent.

Rule no. 2, never forget rule no. 1.

To voters, if they cannot tahan with the local politics, they can always have choice to migrate.

To mps, if they cannot tahan with their leaders, they can either set up their own political parties or bring their koncu to jump into other political parties that offer them better.

Old politics, new name?

Betul atau salah, our future generations will decide.

P/s: it is up to those in putrajaya to decide who are the contestants that they see fit to stay relevant, and as we move on, the challenges would definitely be higher, and voters too would be more resilient in exercising their votes, racist atau tidak, its still come back to chicken and eggs issues. frogs jumps because thats their nature, but will they be accepted by bersatu, itu tak mustahak. yang mustahaknya, how the political parties in

Good evening Tun M tersayang

Tun kata Sultan? Ya ka? Media massa dok kata. Ya ka?

I kalau part Raja2 Melayu ini I berkecuali. Sebab lain darjat. Asal mereka tak ganggu anak I, keluarga I, I ok. I masa muda ada juga bekerja dengan kerabat di Raja Perak dan Perlis, to me biasa aja mereka. Boss mestilah hormat kan.

Anyway apa cerita heboh pasal Agung nak turun tahta? I also tak tau. Kalau sakit dah baik bolehlah bekerja semula tiada masalah kan.

Kalau kahwin tak kasi tau, also ok. Because sebagai orang Melayu kita memang biasa dengar Raja2 Sultan2 kahwin. Kalau betul kahwin tak nak cakap sebab isteri tu tak naik jadi pemaistri la. Kadang2 bonda2 diRaja ini tak mau menantu dari keturunan kebanyakan. Usahlah isu ini dipanjang panjangkan, kan banyak hal lain lagi penting.

My comment about raja2 Melayu adalah ini, usah campur hal politik, memang hati kadang suka yang ini, tak suka yang itu, pasal rakyat dah pilih terpaksa menerima. Kalau PH tak bagus jangan risau esok rakyat akan tumbangkan juga. Buat masa ini ramai rakyat Melayu susah hati, namun begitu I tetap bangga melihat anak2 Melayu begitu gigih bekerja, dimana2 I jumpa lately. Mereka ceria dan rajin. Syukur Alhamdulillah.

The malay states were being abandoned due to hard core nasionalist policy with nep via look east policy since 1998, and yet sabah and sarawak masih mundur and full of domestic crimes with project 1c.

Now social crimes of such project ic had already influenced his state birth and other state births due to his ambition of wawasan 2020 with 60% revenue of domestic oil and gas for this wawasan until umno bn was voted out.

The more they tunjuk their perasaan, the more they show their true color.

But blaming chinese schools as the culprit is most unacceptable when their mara and felda didnt not do well.

So where is the leakage?

Hutang tak mahu bayar?

Reputation of the country no need to jaga just because of political ideology differences?

Ecrl needs to be implemented if tdm does not want to disappoint the malay majority states to direct their penumpang of these states to klia 1 and klia 2.

Hsr needs to be implemented if tdm does not want to be labelled as maverick politician at the international level and being member of commonwealth and asean members.

Barter trade wont work anymore, if he insists to go on with it, he will be left out.

P/s: i sure hope tdm puts the reputation and the country above his agenda, if not, bersatu will not be survived in next general election after the scandal of 1mdb with malay bias policy this time.

Tipu orang kampung senang.

Tipu orang bandar susah.

Tipu orang global lagi susah.

The end product of wawasan 2020 with bumiputra status via look east policy since 1998 until bn was voted out, this video clip is being circulated via mobile apps <http://bit.ly/2POTjyO>, and now it is being circulated today after tdm is re-elected as 7th pm memang tak anih pun in rasuah politik.

Pendek kata, they dont care what happened to this country, all they care is janji menang so that they can dictate the portfolio of ministries all the time since there general election in many years to come.

The good news to voters is umno bn loose out for first time in history.

The bad news to political parties of the divides is tdm is re- elected as the 7th pm with the opposition coalition.

Do not be too serious with politics in this country.

There are no perfect beings, but there is perfect intention, so make up your political stand which side you are with.

Whoever become the perdana menteri, hakikatnya adalah sama iaitu the pm needs full support from their coalition of political parties, therefore, they will put their agenda above the people and country at putrajaya.

If dsn is guilty, then the voters and coalition that supported and voted dsn are guilty too.

When dsn is guilty, then, the voters and coalition that supported and voted dr mm and pak lah are guilty too, betul tak?

Why pas rejected local councillor election after tdm is re-elected as perdana menteri, but he didnt mention anything about this when dsn was still the pm?

P/s: will tdm turns maverick, flip then flop, and dont live up to his promise since this is his last chance? if they are good, and follow rule of law, they will be alright. State ruling government delay payment, atau tak honor payment to their suppliers who are also their voters, as political parties' members and voters of those states, will you have confident and faith with such state ruling government? Isu tak mahu bayar hutang memang tak anih pun to sedapkan hati bos mereka. pictures being circulated in whatsapps might be super imposed by imposters, and why they do that? It sound like him, but is not him? Bak kata, they chosen to do it, and will they still get away this time by passing such dilenma with doctor in the house to their next generation?

Assalamualaikum tun.

1.if we go back to history, 30 years ago during ops lalang, you are the one that didnt uplifting the rule of law when you protect your team mates from umno "team A". The obvious example is najib who clearly saying that he want to soak a keris in chinese blood but still roaming free eventhough he said such racist and dangerous thing? another example is anwar ibrahim who is education minister at that time, he clearly suppress the chinese by introducing controversial rule in chinese school. Both of them is your allies from team A at that time and both didnt detained under isa.

2.people around you, your close friends might say that you are such a good person to protect your own friends but is that a correct thing to do? You just shown an example to najib at that time that we must protect our friend although our friend commit a crime. Well maybe thats why najib try very hard to protect his "close friend" like the fat boy jho low... You are the one that show him the example tun.

3.being in your position is not easy.berat mata memandang berat lagi bahu dipikul. You might end up losing friends, you might even lost your blood relatives if you become very strict and didnt help any of them when they are in "difficult" situasion. But for the sake of future generations, you must show and set the benchmark so all of us will follow your example..

4.if your allies now, like zahid md arip really commit a crime, by all means please prosecute him tun.

5.one day the malays might not need to use a walking stick anymore. Though its hard for me to say this but you will not be able see the strong and capable malay that you wish for tun. Even myself also might not be able to see that. Its take generations to change the mindset of the malays. We must start when they are still a kids.i used to say this a lot of time here.melentur buluh biarlah dari rebungnya.god willing if i have a kids,their generation might still have 50% of those malay mentality..and my grandchildren, god willing they are the capable and the strong malay generation that we are looking for. But with a condition that we must mould them to become the strong malay and competitive malay since they are in primary school start from now.

Tun, take care

Many people have openly talk about the Langkawi International Maritime & Aerospace (LIMA) scandal where the organizer contract was awarded to a company with no experience during the Najib era. Is it fair that qualifies companies who tendered for the job were passed on and contract awarded to an inexperienced vendor? The company directors and shareholders have changed many time over the years even after getting the LIMA contract. Are the bumiputera directors and shareholders the real beneficiaries of the contract or are they being used as proxies to get bumiputera status? How can the company EN Projects (M) Sdn Bhd report false number of visitors and exhibitors just to make it look like a success when it was a failure? How come no action taken against them? How many suppliers did not get their payment for more that one year after the show and finally received payment only when they agree to reduce their invoice? They were told to take it or leave it and they accepted because they were desperate. Hope our PH government is serious about cleaning up corruption without fear or favour to any members and their family.

Assalamualaikum Tun.

Apabila saya ditanya apa yang menarik berlaku sepanjang Perhimpunan Tahunan Bersatu, tentulah semua orang tahu agaknya berkenaan kenyataan Syed Saddiq dan isu projek yang diminta KB (ketua bahagian).

Saya kira saya dalam keadaan tidak campur tangan dan tidak memberi komen. Cuma jaga hal diri sendiri sahaja.

Sesuai dengan artikel ini 'Rule of Law' bermaksud setiap individu itu patut jaga diri sendiri. Jangan terlibat dengan perkara yang dilarang oleh undang undang.

Inilah nasihat Tun pada saya satu ketika dulu, bila saya mengadu di sini berkenaan hal saya telah dipadamkan dari memberi komen dalam blog Najib Razak sebab saya poskan website lucah untuk perhatian PM serta kerajaan untuk tindakan lanjut.

Seperti saya telah tuliskan, perhatian itu telah dilanjutkan kepada DS Utama Rais Yatim dan jadi tajuk akhbar : Thumbs up to Dr M.

Tun M kata, takkan bila kena periksa kat lapangan terbang dan sangkut, tetiba kita nak panggil "woi kekawan, mari tolong". Tun pun kena periksa selama ini pun tak panggil kekawan tolong.

Sendiri buat sendiri tanggung. Lebih kurang begitulah maksudnya.

Beralih kepada perkara yang menarik dalam Perhimpunan Bersatu tempohari adalah terbentuknya Institusi MASA (pusat pemikiran Bersatu).

Tariff man by now should understand the consequences of china-taiwan reunion resolution if he does not want to see a big fat war that could crippled dollar value, usa economy and wall street of those happened during great depression during 1930s after ww1, and before ww2.

What will be the consequences on taiwanese?

Taiwanese can either stay in taiwan, hongkong, macau or migrate to other countries, itu saja.

Taiwanese's glc has choice to stay in taiwan, hongkong, macau, china, or move to other countries, thats depends on who will be elected as their next president.

Assalamualaikum Tun,

Mesyuarat Agung Tahunan PPBM baru sahaja berakhir. Antara intipati yang penting adalah cadangan supaya kontrak kerajaan tidak diberi kepada ahli-ahli parti politik. Pada pendapat saya iainya keadaan yang "ideal", tetapi adakah ianya praktikal? Dan cadangan ini datang daripada Ketua Armada yang muda dan idealist. Tun sendiri pernah berkata hendak hidang air semasa mesyuarat pun perlukan duit. Tetapi tak apalah, inikan Malaysia Baru. Sesuatu yang baru untuk dicuba. Dengan ini, ketua-ketua bahagian tidak boleh dapat apa-apa peruntukan atau kontrak projek kerana iainya satu bentuk rasuah. Kalau mereka-mereka ingin menjalankan sebarang aktiviti-aktiviti politik, sila guna duit sendiri. Kalau ada orang-orang kampung atau orang dalam kesusuhan perlukan wang, sila guna duit sendiri. Pandai-pandai koranglah fikir cara untuk membantu rakyat. Memanglah apabila mendapat jawatan dalam parti, bukan untuk menyayakan diri sendiri, bahkan gunakan duit sendiri untuk membantu orang ramai. Itulah Malaysia Baru. Secara alternatif, UMNO dan PAS pun ada cara mereka sendiri untuk membantu orang ramai. Rakyat akan menilai parti mana yang lebih berbakti dan mengundi dengan sewajarnya.

Salam Dearest YAB PM Tun Dr. Mahathir,

1. Sorry Tun. I've lost faith in the principle of THE RULE OF LAW advocated by the PH Government right after Mr. Lim Guan Eng was dismissed and given full acquittal for his corruption and abuse of power court case.

2. Furthermore, it's a mockery of the system (the rule of law) when the temple at USJ 25 Subang Jaya was allowed to continue its existence at the same UNLAWFUL (illegal) site even after the court instructed the temple people (devotees) to move to the agreed site (new location).

3. Yeah, they took the money and the land for the relocation of the temple but still refuse to abide by the court ruling. What a bunch of liars and hypocrites (and terrorists too I guess).

4. And to make things worse, the murderers of arwah Adib are still free. What if a Hindu devotee had been killed instead of Adib (Malay Muslim)? I just cannot imagine the reactions of those liberals and human rights 'devotees' like Siti Kasim and gang! Sadly they claim that they always uphold the rule of law. I understand why the Police had to be very careful when handling the temple case.

5. The Attorney General has lost his credibility. He is not being fair and very biased in his judgement. Moreover, I just don't trust someone (AG) who believes @ advocates that Chin Peng was a hero!

Thank you Tun.

– May Allah SWT bless Tun and family –

The Effect of Rule of Law on Petrol Pricing

Government works on law that should balance the harmony between the people in the country.

Price of petrol is a sensitive matter to both consumers and station dealers.

While the notion that petrol should be kept at a ceiling price, and the price is allowed to fall according to the crude price movement is good for the consumers, dealers may be affected negatively.

Truthfully, the mechanism which requires the station dealers; to buy at a changing price according to crude price movement which is not the same to the movement of the selling price, as everyone knows, could cause the dealers to operate at a loss. Dealers would certainly be affected by the smaller or even negative differential between selling and buying price.

Petrol dealers demand this to be solved.

The root cause of this problem is uncertainties caused by the non-synchronous movement between the buying and selling price.

Stations need to keep stock which may sold in a period longer than the changes of the price of which they have to sell. In other words, if they still have unsold stock bought at high price, and they have to sell the unsold stock at lower price than the buying price. This happened in the previous administration but yet to happen in your administration.

Some law need to be formulated to address this problem before the petrol is allowed to move downward. Hopefully, you do it quickly because, I think it do hurts my pocket if it is not done soon. Some options need to be considered.

Just sharing my opinion of a possible solution.

Allow the station selling price of the petrol to be a discrete variable, that is price band.

Example

Assume a profit margin of 10 cents if we consider instantaneous change of price movement (as example week 1 below).

Buying	Price	Selling	Price	Scenario
Week 1	1.20	1.30	Instant	change
Week 2	1.10	1.20	2 weeks band	change
Week 3	1.00	1.10	3 weeks band	change
Week 4	1.15	1.10	4 weeks band	change

Explanation. If the law stated that the selling price is 3 previous weeks band, as above, then it is interpreted that the petrol station may still have stock bought at price RM 1.00 (three weeks ago), or price RM 1.10 (two weeks ago) or price RM 1.20 (one week ago). And they may sell at price between RM 1.10 to RM 1.30.

The choice of "n" weeks band change actually depends on the expected of how much period required for stock to be consumed, assuming that the petrol is delivered at 12.00 am at night, while the price change occurs at 12.01 am at night. I dont have the data, thats the reason I apply 4 different scenarios.

Limitation

(1) At smaller town with less population, station dealers may need longer time to sell their stock, and the petrol price downward may not be immediately be felt by consumers there.

(2) Profit oriented dealer sells at high price. Sales oriented dealer sells at lower price. A cartel between dealers will defeat the purpose of passing the benefit of lower price to the consumer. Some law need to be

Enjoy making the law !

Salam YAB Tun Dr Mahathir Perdana Menteri Malaysia.

1. Alhamdulillah bahawa Kerajaan bawah pimpinan YAB bertekad dan bersungguh akan memerintah negara mengikut "The Rule of Law". Semoga "Law" yang akan digunakan adalah berpandukan Hukum Islam tulen.

2. Masalah yang dihadapi Malaysia sekarang adalah amat besar. Ia berpunca dari penahanan / perampasan HARTA seorang individu rakyat Malaysia oleh Kerajaan dahulu. PM dulu (Najib) telah merampas segala wang dan aset individu tersebut yang ada Malaysia dengan cara:
a. Mengistiharkan Individu tersebut telah mati dengan mengeluarkan Sijil Mati beliau.
b. Mengeluarkan Surat Wasiat Palsu yang kononnya 'si mati' menyerahkan kuasa mengurus segala wang dan aset si mati diserahkan kepada Kerajaan Malaysia dan PM (Najib) dilaantik menguruskan Harta tersebut.

3. Perkara ini telah diadu kepada YABhg Tun melalui surat yang pihak Tun (Yasmin Amira) pada 29 Jan 2018. Surat sama juga di hantar kepada:
i. YB Dato'Seri Mukhriz diterima oleh Yasmin Amira pada 29 Jan 2018
ii. YB Tan Sri Muhyiddin diterima oleh Yasmin Amira pada 29 Jan 2018
iii. Dato'Seri Khairuddin diterima Khaironl (650526075010 pada 1 Feb 2018
iv. YB Datuk Seri Mohd Shafie Afdal diterima oleh Arlija (841003125754) pada 1 Feb 2018.

4. Perkara ini juga telah dimuat naik dalam laporan yang dibuat oleh Neil Keenan – Group Ltd seperti pautan berikut:-
i. Neil Keenan Update|What Goes Up Must Come Down
ii. Neil Keenan Update|They All Are Watching You:Malaysia
iii. Neil Keenan Update|Malaysian Dead Man Walking Caper Part II

5. Setelah dapat merampas semua HARTA yang disimpan di Malaysia, bekas PM (Najib) berpakat dengan banyak kerajaan luar negara cuba pula merampas semua HARTA rakyat "yang dimatikan" yang tersimpan di luar negara.

6. Kes ini telah diadu kepada ICJ dan DOJ. Difahamkan DOJ dan ICJ ada mohon kerjasama pihak Kerajaan Malaysia. Malangnya Kerajaan Malaysia tidak memberi kerjasama sewajarnya. Malah menjadi seolah-olah satu pakatan antara semua pihak yang terlibat (mereka di Malaysia dan Luar Negara) berpakat untuk menipu pemilik HARTA tersebut.

7. Oleh kerana Kerajaan Malaysia sekarang berjanji untuk memerintah mengikut "Rule of Law"/ Hukum Islam Tulin maka eloklah perkara ini diselesai segera.

8. Andai lambat, ditakuti pemilik yang dizalimi akan mengadu kepada ALLAH yang Maha Kuasa untuk dapat keadilan dan hukuman kepada pihak-pihak yang melakukan dan bersubahat dalam merampas HARTA tersebut. Ingat dunia berada di ambang Akhir Zaman.

9. Wassalam.

Really Tun? What are you doing right now is rule of law when you accused DS Nasib with corruption but still until now you didn't show any solid proof about it. Why?

If you really wanna say about the rule of law, why didn't you tell us what happen to Perwaja, FOREX, BAKUN, BMF, MAMINCO, JB WATERFRONT, E-VILLAGE, PKFZ, TIMEDOTCOM and etc. And what happen to DS Najib nowadays is a rule of law or rule of the jungle that you made?

And 1MDB case, you tell all the people how corrupt DS Najib is but why until now you still didn't show any solid evidence? You know when you accused somebody must have a solid evidence. Because in Islam when we accused someone without any solid proof it calls FITNAH, am I right.

One more thing about DS Najib case. Why didn't you tell the people about the statement from Micheal Lauber, AG from Switzerland that DS Najib and Jho Low are not among the investigation ? Why you keep it secret to the people Tun?

By the way can I wanna say something about what are you doing after winning the election?

What happen to all the promise to the people? And why the oil price still remain the same even oil price in the world is dropping? Are the government wanna steal people's money?

Now is this the rule of law or rule of the jungle that you did nowadays.

Betul juga kata Sri Sense.

"Zaman Tun ada kuil Hindu sami yang tak dengar perintah mahkamah, tak jadi apa pun."

Rule of Law... mai kot mana, jika perintah Mahkamah pun depa boleh buat U-turn. Dah la... tuan-tanah sudah bayar RM1.5 juta sebagai pampasan kerana kuil itu dibina secara-haram atas tanah mereka.

Ini precedent yang amat tidak baik.

Tapi dalam bab 'Rule of Law' berkenan tindakan Pihak Istana yang akan merugikan anak-cucu kita dimasa hadapan, saya sokong Tun Dr.M yang dipilih oleh majority Rakyat, demi menjatuhkan penyamun atau Kleptocrat.

Hidup Tun.

Tun

How many Malaysians are aware that there is one country in the World that could change its Laws in Court abetted by the judge and the defendants' lawyer ?

In this case, the defendants did not file their defence for 6 months. When they appeared in Court with their new lawyer, the judge could revise the law there and then. A sheer mockery of Justice because those plaintiffs and defendants for the 6 months before this new rule were dealt a cruel hand of injustice. This was noticed by the cognoscenti. A backlash erupted many years later. This was sheer mockery of the Parliament and the Rule of Law.

Malaysia's law system was never manipulated like this in favour of interested parties.

No law was changed by the judge at a moment's notice in mockery of the Laws and the Parliament. The only factual complaint was the lack of commitment and interest to bring Essential Laws up to date by the Ministers of Law of the Singapore Puppet Corrupt and Uncaring BN Government. One Minister tried to be photogenic. Another who made a lot of noise before the big job, was lazy and did nothing. Whilst the last, a person was famous for proposing to turn the RRI Welwyn Garden City Station, United Kingdom, into a RM 350 million sports facility to train Malaysian athletes by flying them to and fro 7,000 miles each way.

This Minister misled 200,000 young Malay bankrupts by not revising completely the Bankruptcy Act 1967 but only attached an amendment to it due to pressure from the financial sector according to a complaint in the Star. Vide. Letter to the Editor. May 2018

The Laws now being rushed through the Dewan Rakyat are to please a very small section of the population. Whereas the following Laws which have been neglected by the Singapore Puppet Corrupt and Non-caring BN Government and its elites serve the whole body of the population daily :-

1 The Company's Act 1965. Not updated.

2. The Bankruptcy Act 1967. This Act is revised regularly by Singapore, Hong Kong, Britain and Australia. The Minister of Law of the BN Government 2004-2018 misled 200,000 young Malay bankrupts by only attaching an amendment to it due to pressure from the financial sector which dare not do this in Singapore, Hong Kong, Britain and Australia.

3. The Trustee Act 1949. Another important Law for the middle class and the professionals like bankers, lawyers etc. This Act has not been revised up-to-date since 1949 – 70 years. Singapore, Hong Kong, Britain and Australia revise the Trustee Act regularly.

The above-mentioned Laws are 3 Essential Laws which are often adhere to daily, not regularly throughout the whole country by the Rakyat.

It is time for our beloved Malaysia to wake up that her Laws are antiquated and Victorian like the Bankruptcy Act 1967 as well as the Trustee Act 1949. It is so very important that a well-administered country must have a set of up-to-date Essential Laws in keeping with World trends. There is no excuse for neglecting any Law by being lazy like those Ministers of Law of the Singapore Puppet Corrupt and Uncaring BN Government and its elites who only knew how to enjoy themselves at the expense of the Rakyat.

Malaysia Boleh Tun as always ! There is a problem in up-dating the Laws which govern the Rule of the Law in our beloved Malaysia. As it is said, ' In Medicine, common ailments occur commonly. In Law, every case is new and LIVING.' Hence, the Laws must be up-dated ALL THE TIME. A lazy person is not qualified to be Minister of Law anywhere.

Rule of law ini to me hanya idea, idea perlu implement, tapi sayangnya berat sebelah, panggil la apa2 pun justice for the everyone, freedom of speech, freedom for all. Yang di atas tetap hold the trump card. Dalam mana2 tempat di dunia ini sama.

Macam manifesto tinggal manifesto sahaja.

I actually tulis sini sebagai rakyat yang memberi undi. I tidak menulis sebagai consultant or pekerja.

Kalau Tun perlu my service, Tun boleh minta Din KCD contact me.

Sekian terima kasih.

To have the rule of law, there must be a culture ingrained within society that there is a sense of respect for the law. The law is just a system, setup by society to have order, and it may or may not be harmonious. Within this system, there must be mechanisms of change to have laws amended, repealed or added. Only when the system is effective, will it function as what it is designed for by society, for society. There will be some loose gears, which has to have other forms of mechanisms for repair or change, which again will be dictated by the culture of the society. Thus, understanding what the culture is of importance; its core, its character and its ethics. Next, does this culture have a sense of respect for the law? Are they aligned? A system is needed and the culture has to change to have order. The intention of change has to be clearly articulated and the vision, well thought of and projected by leaders of society. All these points are a constant change but the vision must remain intact and clearly defined. Right now, both the law and culture are not aligned in Malaysia

Good morning Ayahanda Tun

Freedom of Speech satu baris ayat yang juga indah khabar dari rupa. Bunyi aje sedap. For example Preident Jaringan Melayu Malaysia diberitakan telah dapat dua saman dari dua individu besar dalam DAP dan diwakili oleh peguam dari kalangan DAP.

Dah sama macam zaman BN, Rosmah pun rajin juga saman individu over remarks against her.

Sukar nak kata PH lain, BN lain. Another good example, secretary Tun dah kena cekup, secretary Hishamuddin dah kena cekup, bila pula secretaries dan orang kuat DAP, PKR, Amanah nak kena. Takan Bersatu aje, UMNO aje the evil. Orang Melayu saja setan, bangsa lain malaikat.

Zaman Rosmah orang dok mengata Rosmah kaki bomoh, kaki manderam, hingga pergi kuil Hindu jumpa sami. Zaman Tun ada kuil Hindu sami yang tak dengar perintah mahkamah, tak jadi apa pun.

Sorry ya ayahanda, anakanda menyuarakan kesedihan dibenak hati (saja nak copy gang amanah berkanda berdinda berbonda berayahanda hihhi)

After going through all these horrendous, man-made, ugly, unfortunate and tragic accidents, will you still be able to hold on to your struggle, principle and loyalty to the political parties that feed you, blindly with deaf ears forever, janji menang?

P/s: to move forward, or to move backward, the decision is on the hands of the political parties in divide to think deeply, can or cannot by bloating the forecast to 20 to 30 times higher that might caused another round of bubble onto the states they represent? Numbers do not cheat, but human cheat. absolute power corrupts absolutely.

The more i stay in this blog, the more i become racist.

Halal can be haram, and haram can be halal.

Rule of law could be rigged via selections of judges and courts depending the citarasa of de factor law minister at putrajaya.

No worries, if not happy, just cast your votes to the political coalitions when general election is called.

There is no free lunch in this world, it is still come back to kemampuan diri mereka masing2, boleh atau tidak?

P/s: yesterday, he needs sabahan and sarawakian votes more, but today, he needs malay votes more to give him the power of authority to execute the rule of law. Therefore, do not be too serious about politics in this country.

Mr lim kit siang said he will pull dap out of pakatan harapan if malaysian dream cannot be realized.

P/s: voters, especially the younger generation is fed up with such racist policy, and even myself cannot take it anymore, therefore, make your political stand clear before next general election is called.

Human Justice are Man Made to Order
Its been tailored by the Govt for The people
Some Nation ,The Justice system are influence by the Govt

Where is the Justice when Hitler kills a million Jews compared to
A man killed a man ?
Do we need to sentence a million Hitler ?

Perhaps Allah gives Tun age and Health till now to save Malaysia
from Najib kleptocratic government
Tun did it again, 2nd time Prime Minister of Malaysia
Sadly Tun vision of 2020 is just a near Dream jeopardize by Najib Kleptocratic
or perhaps Pak Lah incompetence

Why does this happen ?
I believes there are foreign Govt influence towards Putra Jaya during Najib and Paklah as
both wrongfully and Stupidly did not wish to listen to Tun as their Mentor. Tun is the ex
PM and has set a distinct record for Malaysia
Why both was so arrogant to brush Tun aside when Tun himself did gives both his
shoulders , his hands for Free

Najib has failed Malaysia
He has failed UMNO indeed
He should retired or silence himself as none are listening
to him even as Opposition
Sadly he tried his best, thru Social Media to win the people's heart
Now then , he busily taking notes of the people needs
But sadly , Nasi sudah jadi Bubur And UMNO will close shop
if Najib and Zahid still with UMNO
The people , UMNO have rejected both Najib and Zahid
Both have to go for UMNO to start a New Leaf for the new generations

Today Govt is The Voice of The People
No longer , The King ,The Queen nor any Dynasty

Those whom needs to excess with the Govt must get themselves involve in Parliament . Appointed as Govt or as Opposition Selected , elected by the People thru Elections ...PRU This mandate will be honored by the people The Regime of Middle East are fading away as People Voices are heard today

Amend article 122, placing the judicial power under legislative order, destroying free & independent judiciary system.

Remember the Printing Presses and Publications Act. The best is amend article 66(4) destroying YDPA royal assent/veto.

Dear Tun

Rule of law is just a goal, a vision, a standard PH strive for. Hate to say this la, so far ianya hanya cantik di kertas bila praktik memihak pada certain team. Depending on which side you are on. Team Najib, Team Anwar, Team DAP, Team BN, Team PH and so on.

Sepatutnya , Rule of law should mean justice for all; but way too often it does not. Mana2 pun sama. Same, same.

Justice is blind. This expression means that justice is impartial and objective. There is an allusion here to the Greek statue for justice, wearing a blindfold so as not to treat friends differently from strangers, or rich people better than the poor ones.

Boleh serata? Adil dan saksama? Tak pun. Mana2 pun sama. Same, same.

Goodnight! I rather count sheep to fall asleep.
