**Chedet.cc**

**28 Januari 2019**

**Tun Dr Mahathir Mohamad**

1. Malaysia does not recognise Israel; has no diplomatic relation with it, does not allow Malaysians to visit Israel and does not allow Israelis to visit Malaysia. 2. This is the only country in the world that Malaysia treats in this manner. Why?

3. In the first place Israel was created from a slice of Palestinian land, without a referendum or a plebiscite being held. The Palestinians were expelled from Palestine without any compensation for the land and homes seized by the Israelis.

4. Then Israel seized more Palestinian land so that Israel became bigger. The Israelis then built numerous settlements on Palestinian land without the consent of the Palestinian nation. Palestinians are barred from these settlements.

5. When the Palestinians resisted and threw stones at Israeli tanks and armoured cars, the Israeli soldiers fired live bullets at the Palestinian children and arrested many of them. The arrested people were detained for years without trial.

6. The detainees were used to exchange with Israeli soldiers captured by the Palestinians.

7. The Gaza strip is blockaded by Israeli forces. Relief ships carrying food, medicine and building materials were seized in international waters and forced to go to Israel. In one incident 10 activists were killed. These acts by the Israelis is blatantly against international laws.

8. When the Palestinians fired futile rockets at Israel, the Israelis dropped bombs and fired missiles at Palestinian towns and villages. Schools and hospitals were destroyed, patients and children killed or maimed.

9. The blockade of Gaza is illegal but no country has condemned Israel for breaking international laws and moral codes.

10. Today Israel declares that Jerusalem is its capital. When Palestinian slapped Israeli soldiers, they were shot and killed and many were detained.

11. A high wall has been built to divide Palestinian villages and towns. Palestinians cannot visit relatives without being subjected to humiliating checks at many check-points created by the Israelis. The Palestinians are not allowed to travel on roads built by the Israelis on Palestinian land.

12. Thousands of Palestinian have been killed or wounded through Israeli military actions.

13. The whole world can see the injustice and the oppression of the Palestinian by the Israelis. But Israel is not even criticised by the people who talk so much about freedom from oppression and the rule of law. Israel seems to be privileged.

14. If anyone criticises Israel or the holocaust he is immediately labelled "anti-Semitic". The implication is that he is inhuman or immoral. But the blatant inhumanity of Israel is not condemned.

15. Malaysia is not anti-Jew or anti-Semitic. The Arabs are also Semitic people. But we reserve the right to condemn inhuman and oppressive behaviour anywhere, by anyone. We have condemned the Myanmar people for their treatment of the Rohingyas. We have criticised many countries and people for inhuman acts.

16. Many people and many countries have condemned us. But we have not been labelled nor have we labelled people who speak as a matter of right in a free world.

17. Malaysia bans two Israeli athletes – the US bans citizens of five Islamic nations and plans to build a wall against South Americans. Hungary, Poland and the Czech Republic ban refugees. Hungary's Prime Minister Viktor Orban referred to Syrian refugees as "Muslim invaders."

18. Israel is a criminal state and deserves to be condemned. We know the strong backing for Israel. We cannot act against Israel beyond refusing to recognise it. We maintain we have a right to bar Israelis from our country. When the world condemns us for this we have a right to say that the world is being hypocritical. Their talk of human rights and the rule of law is so much empty words.

19. I appeal to those who sympathise with the Palestinian cause to voice their condemnation. Terrorism is not the answer. A proper strategy is needed to bring justice to the Palestinians.

U.S.A pledge as Democratic Nation  
But practice Force Illegal Democratic on other Nation  
Today US & EU brushes Venezuela Elected President off  
And just pick un Elected Dick of US choice  
This is where World goes Wrong today  
World remains Silence and close Eyes on US wrong Illegal Doings  
World must Stand Up against US Aggression

These are Proves today  
What happen in Middle East , to Syria , Iraq , Libya & many more  
To Gaddafi ,Saddam ,Assad & many more is Criminals committed by US  
It was never any religion, race nor Regimes

Trump, The Americans Politics spiced with the West ,US Media  
Puts their Interest , Agendas above all  
With Lies , with Fake News , with Destruction and even  
at the expense of Human Life  
This is very Wrong . No wonder World are never at Ease at Peace

U.S.A State of the Union 2019 Address  
President Trump made a Beautiful Speech today for U.S.A  
Despite their White House difference  
They put US Agenda & Interest above all

He is alike Najib who has thick skin  
Both are spendthrift , yaya papaya  
But Trump is different . He has character  
He is Intelligent , knows his direction & confidently knows his way thru  
He puts US interest above all  
He may be spendthrift but he earns it , Najib steals

I don't like Trump as a Bullier to The Muslim World  
But as a Leader He serves his Nation well  
I respect & salute him

Unlike Najib is a Waste & Nonsense to Malaysia  
He is never smart , no directions , spendthrift , yaya papaya  
Till today He still have the cheeks not realizing he is rejected  
He felt he was Lied & Cheated  
Its time someone should tell him off

He is behaving very Childish & Hypocrites  
Riding motor seeking attentions, The political Uztad & Boss ku  
Very Childish very unprofessional . How did he be Politician ?

I am emphasizing Malaysia must have a Good Leader  
Good Govt with Learning Chemistry  
Hopes Anwar is Learning all  
Less Talk More Deliverance

To trace the history and development of this Palestinian state, one needs to go back many years. Politicians frame their speeches to serve political purpose. Closer at home, PH government is not doing the job of tackling and arresting corruption. Najib is still free to move around spreading toxic speeches. Cost of living issue is not still addressed to the dismay of rakyat. Reforming the bad education system is hardly moving as if the PH government is happy with the present education system. We don't listen speeches and statements but action and results. Any other way is just a waste of time. It looks more like our PM is more interested to build up his Bersatu party with the help of ex UMNO members and recycling old policies and ex ministers.

Good evening

Topik yang heboh now hadi and clare court case. I do agree with blogger yang kata suka sama suka bukan rogol, aneh bunyinya kan. hahaha

Selalunya case yang settle out of court, kena ada persetujuan dua belah pihak. Kalau Hadi nak settle Clare tak mahu settle, tak jadi apa pun.

Lagi satu semestinya Syed Saddiq and Hausboom. Kalau dikaji balik kes ini macam kes I sebut dulu, hantar bida, envelope pun tak buka. Walaupun botol air dah buka dan minum, but it sounded like cerita lama I sebut.

Gangsterism sesuatu kerjaan sekarang patut tangani. Kalau dulu buli membuli selalu sangat ada di sekolah2 dan asrama2, orang besar panjang lebih civilised, tapi sekarang mana2 pun serupa, orang biasa orang politik ada saja kita dengar gejala ini.

I nak cerita sikit pasal peniaga Melayu. Setau I orang Melayu dalam industri kecil tidak begitu berminat hantar produk keluaran mereka ka pasaraya besar. Tun nak tau kenapa?

Sebab lambat bayar. Pasaraya besar selalu bayar bukan dalam masa sebulan tapi 3 bulan pun ada. Pasal takut ada cash flow problem mereka tak minat. Kira mereka berniaga macam berniaga dengan gomen. Gomen dan badan berkanun agak famous bab ini, ada kawan dulu yang buat kad hari raya tahun ini sampai raya tahun depan pun tak dapat bayaran. Macam manalah orang Melayu orang Bumiputera nak hidup.

Bab umrah and Haji, kenapalah LGE tu yang sibuk buat announcement, semua sekarang kena ikut tabung haji. Ini kan soal agama Islam. Dia Islam ka? Kita pun tak cerita pasal agama dia. Dah tu jaga orang pi umrah dan haji Menteri Kewangan ka?

When US tells the World , they are after Terrorists  
after Un Democratic practices , revenge of Sept 11  
We see US puts an un reasonable , un sustainable force to what US  
claims they are fighting & upholding for

We see in Iraq , We see in Syria , We see it all  
The destruction they impounded is extremely excessive  
Its more to a Genocide of a Nation  
A Total Destruction , and US term it as Democracy

US nosing others Sovereignty is an International Crime  
Is un civilize , its Barbaric with intend  
US are Dictator  
We see today how they threat Venezuela elected President

World has to put an End to US Brutality  
British has that very Duty

Tun I feel kind of hypocrite , in secure  
Living today under UN . All World knows UN is corrupted by influence  
of Israel , US & The West  
Yet None stands up to correct The purpose of United Nation Foundations  
for Mankind

This is very wrong  
As we allow Mankind to behaves in the name of UN Assembly  
To put Right over Wrong . To eliminate Crimes , takes care of Nature , Animals The

Ozone , The Universe & the many  
Yet we allow Nations that are strong to ignore & disrespect Right over Wrong  
UN ignore The Killings of Million of Human life , Nature , Animals with  
Bombs , Chemical Bombs etc yet None till today dare to uphold Justice for Mankind .  
Just because someone is strong and not happy

World close a Blind Eyes , Deafen our Ears to see these Evil Doings right in our very own  
Eye today just because someone is on the upper hand

I Hope one day when you address United Nation  
I hope you & Ireland & all Nation  
Must dare to tell off . Don't be Shy of how insecure we felt about UN Foundations when  
it was corrupted ,outraged , control by Wrong Doings

World must not turn a blind eye on blatant & fragrant breaches , abuses of International  
Law by Israel for US  
These is a Crime

Good evening Tun

Khabarnya cucu Tun nak film documentary journey Tun – kemenangan PRU14. I ucap  
tahniah. WTG.

I think this is good because sebelum ini I pernah tonton video lagu Aishah, tak banyak  
wajah Tun dan isteri dalam video. I rasa pelik because I rasa Tun buat banyak kerja.

I sebenarnya aware Tun ada 2 cucu, satu dalam bidang film production dan satu kerja  
dengan PR company. That's why I not that keen nak promote myself. I lebih suka lontar  
sedikit sebanyak disini. However kalau tak nak bias boleh call me.

Good morning Tun yang dikasihi

Federal Day, Tun pi Kelana Jaya. Apa pasal Tun tak calling2 I. Boleh breakfast sama.

Tun suka tosai roti canai. I pun. Hubby kata I ini suka sangat makan kedai mamak. I cakap dengan hubby I cuma suka tosai roti canai. The problem tiada orang Melayu pandai masak roti canai.

Berbalik pada restaurant Tun breakfast. Kedai yang dekat bangunan FAS ini banyak peniaga lain disitu. Hubby's favourite adalah nasi lemak kangkung. Stail orang Melaka. Owner ini kalau tak silap pernah kerja catering department Airport. My son's favourite adalah Kuay Teow aunty gemuk. Aunty ini recently passed away, so yang goreng perempuan Cina kurus, I think adik or anak mediang. I at times suka juga makan Yong Tau Foo sini. Kedai gerai makanan Johor tu baru, taste also not bad. The gerai pisang cheese also baru, masa mula2 buka ramai orang suka, don't know why sekarang dah kureng.

Sikit history. Most of the peniaga2 sini dulu berada dikedai at the other end. The owner situ Chinese. Mereka jual air sahaja. Memang maju. Packed dengan orang. Choices makan pun banyak. Tiba2 timbul greed, owner nak buat semua. So peniaga2 sini kecewa, mana taknya dia nak rampas periuk nasi orang. Peniaga terus cabut buka gerai di kedai Jamal Mohamed hujung sebelah sana. Cerita lama.

I memang familiar dengan kawasan Kelana Jaya ini. Tempat kami sekeluarga turun makan bila ada masa terluang. Puluh puluh tahun dah.

Oh ya I ada nampak video Tun lawati petani muda. Nampak wajah Tun begitu bangga.

Despite all the allegations of corruption against LIMA (Langkawi International maritime and Aerospace) exhibition organizer, the government seems to be dancing with them. Now the organizer is sucking up to Tun but how did they treat him during last LIMA? what does the organizer staff internal whatsapp messages reveal. Even the staff that unknowingly printed the pass for Tun was questioned like a criminal. Can they deny this now? Organizer management initially did not want to entertain Tun or give him any publicity. They said in whatsapp they cannot be seen with Tun. In the end, the GM was tasked to accompany Tun and later the Chairman and CEO show face because they was afraid of publicity. The media giving Tun priority and they did not want to look bad. Can the organizer deny all this? When the internal whatsapp messages get leak online, we can see what really happen and the language use. How did a healthcare company with no relevant experience suddenly get appointed to organize our largest defense exhibition? how did the organizer get away unpunished when they delay to pay staff EPF for over 1 year, avoid GST and cheated suppliers of LIMA. The company was suppose to give the Army Veterans 10% but they inflated their

cost through related 3rd party companies to reduce profits. Was the veterans short changed and cheated? what was the relationship between the veterans and organizer? was they any side deals or business relationship using family members as proxy that was not declared to the veterans? Is the government bothered to check on all the serious allegations? The company declared to MINDEF that it was a bumiputera company and had bumiputera cert. who are the beneficial owners of the company and why did the directors and shareholders change many times from the time they bid for LIMA till today? did all the directors and shareholders really control the company or was they just proxy? is the organizer given a free pass because of political affiliations? They campaigned hard for BN during last May elections but crossed over to the winning team at the flick of a switch. deleted facebook post never disappear. let's stamp out corruption and not become a part of it. action speaks louder than words. We are tired of corruption.

Zaman berubah  
 Dahulu Anak Tiri takut sama Mak Tiri  
 Sekarang kebanyakan Mak Tiri takut sama Anak Tiri

Dahulu bila sang suami nak jatuhkan talak  
 Sang Isteri akan menyembah minta ampun  
 Sekarang Sang Isteri..... Up sama Suami , Cabar suami jatuh Talak

Dulu Anak Murid takut sama Che Gu  
 Sekarang Anak murid mengurat Che Gu adak dating lagi

Namun yg nyata  
 Yg Kuat , yg Kaya ,yg Berharta  
 Akan kelihatan Benar , Pandai , Bijak walau tidak Benar

Begitu juga Amerika  
 Yg Kaya , Ber Teknologi Tinggi , Gagah Perkasa  
 Apa yg mereka buat kelihatan Benar , Kelihatan Democratic  
 Tapi jika di fikir akal  
 Amerika untuk Israel lah jalang yg menghancurkan & mengugat Dunia sekarang  
 Ia lebih bisa dari Ular Berbisa  
 Racun segala racun

Fitnah Amerika dipercayai  
 Walau Dunia tahu Media Barat juga Politik Amerika Bohong

Bohong Fitnah ini  
Merajut nyawa , Jiwa ,memusnahkan masa depan , memusnahkan Negara yg dahulu  
indah bersejarah ,memisahkan Keluarga bahagia ,menhacurkan harapan dan mungkin  
akidah seorang Mukmin

Gambar Video seolah Islam meneymbelih saudara Islam  
sendiri beramai ramai di tepi laut yg kita lihat di kaca TV Barat  
Seolah olah Islam itu Zalim adalah Fitnah semata  
Besar kemungkin ia di lakun di belakang Hollywood

Kenapa Kehancuran , Pembunuhan yg di lakukan Amerika untuk Israel  
Tidak dilihat sebagai Jenayah ?

Yang amat sedih  
Ada negara Islam yyg tahu itu bohong tapi tidak mengaku itu bohong  
Malah ia membantu dan menghalalkan perbuatan Zalim ini  
Kerana Takut

I would recommend framing the issue correctly. Malaysia is against the right-wing government of Benjamin "Bibi" Netanyahu of their treatment of the Palestine people and not with the Jewish people. There are many Israelis especially those that survive the holocaust that do not support the unfair treatment of the Palestine people and speak out against that.. Find allies with them. pls. watch at 3.18 timeline <https://www.facebook.com/TheYoungTurks/videos/762285867473475/>. Watch how he frames the issue and use it againts Najib remember the picture of Bibi and Najib smiling and 1Malaysia came form 1 Israel.

Bailout, or pay it forward for the future generations to come?

Corruption, lobby cost, money politics or rasuah politik within circles of influence in political parties members of the divides?

It is always difficult, and time and resources wasting to talk to members of political parties who think only they can decide the direction of the economy since to them vote counts is very important based on race and religion quota whereby the winner of the coalition must be of the majority race and religion especially when akta perlembagaan 153 is being played again, and again.

Umno kafir had split into pkr and ppbm.

Pas kafir too had split into amanah.

Mca kafir had split into dap and gerakan.

Mic kafir had split into hindraf and psm.

Even sabah and sarawak had split into new political parties.

But, they are sharing the same market, sc, ec, federal parliaand myr, that is malaya, sabah and sarawak and now it is under the country name, malaysia.

Being the ruling government and opposition parties, they must put the position of the country, economy, people and fdi above their political interests and consensus.

What will happened next?

Rule no. 1, never loose money.

Rule no. 2, never forget rule no. 1.

Will preference and favoritism policies be played again because you are not my cronies, not my friends and not my supporters, janji menang, tak kisah boleh atau tidak, halal atau haram dan untung atau rugi?

Cakap besar, semua pun pandai, hence, it has become a norm to bloat the projected dermaan and roi into 20-30 times higher is common in local politics just to sedakkan hati bos ku in federal and state governments which is of no difference in what is being practice in private sector.

Cakap rasis, semua pun erti, tapi, in post social media era, both of the divides can utilize the social media to make their stand, its free, anyway.

Boleh means able.

Tak boleh means not able.

Loosing is not the end of the world, perhaps, it is a blessing to restucture your life again as long as you did not commit crimes in federal and state governments be in in white and blue collars as citizen in this country, and in other countries.

Politics is a life long career, and it was never meant to make you rich overnight by changing hand at the highest echelon level.

Perhaps, to the members of political parties, they thought changing hands at the highest level is righteous since they won the general election, then, they can do what they promised, but can they do it?

Jika bn failed, ph can also fail if they insist to do my way or your way kind of thingy thing again, and again.

All systems can fail though, and if the owners of the system made a wrong decision in hiring the wrong people to do the job, the whole system can flawed and loose out its momentum of growth to their competitors.

P/s: both ecl and hsr should be implemented simultaneously with realistic and achievable property development projects to create jobs for the locals under the directive of minstry minus tolled highway, and the merging point should be based in lapangan terbang sungei besi under wilayah persekutuan kuala lumpur and wilayah persekutuan wilayah kerajaan putrajaya since these zones are most critical zones to this country call malaysia tak kisah you ini pro ph, pro bn, pro pas, pro sabah atau pro saraeak which has nothing to do with israel, or palestine too since they are not registered voters or permanent residence in this country.

Assalamualaikum Tun

Looking away from the usual popular narrative: Recently in Malaysia, someone said, that (when everyone goes for skin color and belief reasons, although he is not the best of person to tell, but nevertheless, how he puts it, is true), he pointed that, it's not the dance (go ahead, do your twist), it is the citizen perceived of (function) separation of powers. I was never into sport, just bowling (less intense, hmm, old story) to fill up time. Nevertheless, I am happy to share countrymen feeling of victory from wining or just their qualification to participate world sport events, the feeling is same as being in one. When Malaysia just started, our footballers do not have the best facilities that some country has, nevertheless, they play with the drive to qualify, to be able to join in world event. I remember, the thunderous beating of 'kompangs', for 'semangat'. Not just for football but hockey too. Euphoric feeling, for everyone, the player, the audience and the kompang beaters too. Most people of the world are blessed, able to live in a protected, save, no war nor territorial disputes, and some – a prosperous country. Able to have all the well designed sport facilities, tools etc and the best of coaches to guide, thus no worry about undivided focus on training for each sport. Having that luxury, how not to perform, how not to be given the opportunity to make country proud. – how, not to join.

This maths equation is telling: PBB is reference for the citizen of the world to behave, to follow, they – have protect, formulate policies, got rules, guideline, dos and don't dos. They manage the citizen of the world, yes, yet, they submit to veto grant (mainly) by two countries first and then a few others too.

Taking it this way: Malaysia is small, most of the time we are on our own, Our PM is Malaysia's strong guy. He says it's a KSM thing – which, an abbreviation for something like – die die deliver. He goes everywhere to make things happen again for Malaysia. His paving the way, and we, following his lead. For him, unpopular or popular decision, it must always be a humane one.

Apalah maknanya kejayaan di dunia ini bila rakyatnya tiada rasa kemanusiaan. Semuga Tun dan Tun Siti sentiasa sihat selalu dan gembira disamping keluarga tercinta.

Good morning Tun

I rasa Tun tak perlu lihat jauh. Di sini pun dah nak jadi macam Israel.

Beberapa hari sudah I baca, Ambiga risau Najib famous, tapi rakyat biasa ramai yang risau tengok perangai gang2 PH.

Lagi dramatic semalam orang DAP kutuk the new agong dengan gambar lagi. Kalau dulu kita biasa sangat tengok gambar Najib dan Rosmah. Macam2 tuduhan dilemparkan. Naik PH asyik attack Raja2 Melayu pulok.

Mereka mana nak hormat bangsa Melayu, agama Islam. Agong pun bukan bangsa mereka. That is why mereka tak boleh jadi Bumiputera.

Tun, I ini biasa kawan dengan Cina. My Chinese friends ada yang sokong MCA, ada yang sokong DAP. But kami tidak suka cakap pasal politik. Pernah kawan penyokong DAP kata ini to me, Liong Sik to us like Mahathir to you. I tukar subject. Because I tak layan, dia pun tak nak cakap lagi.

Earlier I dah cakap walau I kenal ramai politician dan juga pernah jawat jawatan Setiausaha Wanita, politic not my cup of tea.

Tapi sejak PH naik, real bad lah Tun. More bad than BN.

You all tanya kenapa Najib famous. Kan lebih baik cermin diri sendiri dulu. Hari2 pun Najib, Najib. Najib tu kekasih PH ka? Boyfriend PH? Menantu LKS? Abang ipar LGE? Kekasih Ambiga? Anak Tun?

Pasal I real bengang, not bangang, I dah tak gang dengan kawan2 Cina. Malas nak talipon or minum petang dengan mereka lagi. Nyata bila kita beri mereka kepercayaan, mereka buat kita hamba abdi di negara kita sendiri.

What more, semalam Tun kata Tun bukan puppet DAP. Soalan ditanya berikutan satu research – pandangan masyarkat. Kalau Tun kata bukan, maka Tun yang zalim. Kalau Tun kata ya, maka Tun telah ditipu DAP, PKR dan Amanah. Both jawapan pun akan makan diri Tun sendiri. My honest opinion.

Adakah ini hasutan mainan politik BN? I doubt so. Rata2 I pergi bloggers yang terkenal tak pro mana2 parti also mengata PH kaw kaw. Please remember I juga tidak vote BN last GE.

Sorry ya Tun, though I sayang Tun. I cannot 100% agree with you. This is about my life, my family, anak2 cucu I.

Yr decision , Malaysia decision of banning Israel  
Is The Right Decision  
We did not turn a blind eye on blatant & fragrant breaches , abuses of International Law  
by Israel & US though we are small

Ireland ,one of EU  
Also made their decision to ban Israel for abusing international law  
Others EU , UN member should learn this also  
They are Abetting to Israel & US crimes when  
they turn blind eye knowing the Truth.

Is the very reason World are Never at Peace  
We used to travel domestically ,internationally with ease & Peace  
But today all sorts of stern security , flights down , etc  
Just because World turn a Blind Eye

UN is Blind for Mankind  
Israel & US are Afraid of their own Shadow  
World today are Abetting to US & Israel Brutality & Genocides

World Must Dare to make Changes  
US Policy proven Rubbish  
US Democracy is a Fake  
Israel , US keeps telling the World  
These Guy , that Guy is No Good  
The fact is  
The Exists , The Mother of All Evil is in The White House  
Breed by Israel  
No wonder till Today  
World are Never at Peace  
Israel , US itself are Never at Peace  
We see it daily in the News  
US & Israel unrest domestically by its own people  
Women gets Rape , White Police abusing The Blacks , Kids goes on Gun Rampage at  
School , Drugs abuse , Murder and many more  
We don't see these much often even in a Poor Nation

They may be Poor , but they are Happy & Contented  
Unlike US & Israel  
Both are Bad example of Democratic Rich Nation

End When World turn a Blind Eye on Evil & Say  
These are the Demons results  
We are still & will never at Peace

Muslim are Never Terrorist  
Russia , China , North Korea , Iran are never a Threat to the World  
It is all Lies by US for Israel

"WHY SHOULD WE TURN A BLIND EYE TO BLATANT AND FLAGRANT BREACHES AND ABUSES OF INTERNATIONAL LAW " Speaks Ireland speaker

I say Thank you Ireland for doing the Right thing

Protest for Palestine, Dublin.

We will be protesting Leo Varadkar at his Dublin West constituency office and demanding that the Irish Government Officially recognize the State of Palestine.

Both the Dáil and the Seanad have already voted to recognize the State of Palestine.

Our (Irish) Government has not yet formally recogniszd the state of Palestine, and it is now more important than ever that Ireland adds its name to the 137 countries that currently grant formal recognition to the state of Palestine.

Good morning Tun

Market setengah hari. Hari Wilayah. Anak I lahir di wilayah tapi kerja di Selangor. Anak perempuan I lahir di Selangor tapi duduk di Pahang. Yang seorang lahir di Perak, most of the time duduk di Jepun.

3 lagi anak, I tak tahu lahir dimana, I adopted them from the animal shelter hahaha

Happy Federal Territory Day!

I think issue insurance or pemberian project atau kontrak, its all about siapa dapat. Adakah direct nego? Kita tiba2 dengar fundmyhome or mysalam, right?

I nak share sini, not sure I pernah tulis ke tak, kalau I dah tulis, maybe Tun dah lupa.

Cerita ini cerita lama. Selepas PKR dapat Selangor dari UMNO, businessman kecil dan sederhana dah sosek2. I kebetulan berada di meja itu. Kebetulan I ahli persatuan perniagaan itu.

Sosek2 itu berbunyi begini, semasa UMNO hantar bid, buka juga envelope, semasa PKR envelope tak buka langsung. Macam mana tu? Soal salah seorang yang hantar bid.

Mereka ingat bila tiada UMNO, senang dapat projek rupanya tidak, hampeh.

So berbalik pada cabutan bertuah. Amusing and disgusting at the same time.

I selalu masuk contest cabutan bertuah. Bukan sengaja I tempah nak masuk. Its more like this, use this credit card you peluang menang rumah, use this minyak you peluang dapat trip, macam2 pun ada, beli sebab perlu tapi peluang masuk contest, so I dah beli might as well masuk kan.

Tapi tak pernah menang malah I tak pernah tengok pun muka pemenang terpapar dimana mana.

Hubby pernah menang satu contest anjuran sebuah akhbar tempatan. Lama dulu. Dia menang dapat handset. Balik rumah hadiah handset bukan ori. Penat aje muka keluar akhbar sebagai pemenang.

Cabutan begini or contest buat slogan begini hanyalah untuk hiburan, nothing real about it. Sekadar advertising kempen saja. Sekadar pamparan ada PR work saja.

Assalamualaikum Tun,

The ECRL is really worth investigating in detail. The Wall Street Journal have claimed that the ECRL is a bailout for 1MDB. They said they have evidence in the form of minutes of meetings to prove this. And now the Chinese contractor, CCCC have offered a discount as much as 50%, for the project to proceed. While this looks like a deal of a lifetime, the question is why was the discount be given in the first place during Najib's time as Prime Minister? Could the project cost be intentionally inflated?

In all my life, high capex projects, very seldom can give a discount of 50%. In fact, for the projects to be viable, a lot of cost cutting would have to be done in the first place. Therefore, when the final cost is derived, there is less room for further discounts. Now CCCC is offering a 50% discount. This certainly is a red flag.

The issue becomes much more complicated because China is a major trading partner for Malaysia. But if a wrong has been committed and proven, do we turn a blind eye since it involves China? It is tough decision to make. I can see why you just say Malaysia just don't have the money. It saves face for China, and we don't have to pay for an expensive project. On the hand, the scandal could be blown up for the world to know, and China and Malaysia will see those who were involved get punished.

If indeed a crime has been committed, then the one who did this is a traitor of nation of the highest order. Nothing is free. Country A bails you out, you become a vassal for that country. You sell the sovereignty of the country to save yourself.

Salam YAB dan DiSanjunggi PM Tun Dr. Mahathir,

1. Masjidil Aqsa (Masjid Al-Aqsa) di BAITULMAQDIS Palestin ialah (arah) kiblat pertama umat Islam sebelum bertukar ke Kaabah dengan perintah Allah SWT .
2. Masjidil Aqsa menjadi tempat ibadah ketiga terpenting (paling afdal) bagi umat Islam selepas Masjidil Haram dan Masjid Nabawi.
3. Jika kita bersolat atau beribadat di Masjidil Aqsa, kita mendapat ganjaran pahala 500 gali ganda dari jika berada di tempat lain selain Masjidil Haram /Masjid Nabawi (Masjidil Haram: 100,000 kali ganda; Masjid Nabawi: 1,000 kali ganda).
4. Setiap umat Islam yang bermusafir (jika mampu) seelok-eloknya pergi dahulu bermusafir ke Masjidil Haram, Masjid Nabawi, dan Masjidil Aqsa sebelum sibuk melencong @ melancong ke negara-negara dan tempat-tempat lain.
5. Berusahalah supaya dapat bersolat di ketiga-tiga Masjid terpenting bagi umat Islam. Jadikan ia satu impian yang perlu dicapai dalam hidup ini. Sedihnya, ramai (umat Islam Malaysia) yang ada impian untuk ke London, Paris, Rom, Amsterdam, LA, New York, dll. tetapi tidak ke Baitulmaqdis, Makkah,dan Madinah.
6. Umat Islam mesti mengutuk sekeras-kerasnya pencerobohan haram Israel (rejim Zionis dan sekutu) ke atas BUMI PALESTIN, dan kezaliman mereka terhadap orang Palestin.
7. Penempatan-penempatan haram orang Yahudi di bumi Palestin wajar dirobuhkan. Amat sukar untuk memisahkan Yahudi dan Zionis ('Zionist entity') sebab kedua-duanya berkait rapat, kerana rejim Zionis menjaga kepentingan kaum Yahudi yang tinggal secara HARAM di bumi Palestin.

Terima kasih Tun.

– Semoga Allah SWT sentiasa merahmati Tun sekeluarga –

Apa maksud a genocidal state?

Penerangan

The Convention on the Prevention and Punishment of the Crime of Genocide. The Genocide Convention of 1948 makes it a crime to commit certain acts "with intent to destroy, in whole or in part, a national, ethnical, racial, or religious group."

MYSALAM. Heboh juga orang memperkatakan.

Insurance ada 2 type life and general insurance. It depend on keperluan. For example kalau beli fire insurance, you takan dapat 100% claim. Sama juga seperti insurance kereta. Kena tengok clauses. Kena pandai baca dan faham. Tak tau bertanya. Dalam financial planning memang perlu ada insurance. Insurance adalah risk management. Ianya bukan duit lottery atau menang toto.

In short insurance bukan skim untuk kaya.

I baru marah hubby, apa pasal you tak masuk tender cuci sungai. Dulu2 you masuk orang kata tak boleh dapat sebab you tak ada godfather. Sekarang pemilihan macam main TOTO. I baru baca tadi. hihhi

I pernah sebut sini I lama tak lawat blog kadir jasin.

Dia suka marah Sultan, I bukan kerabat raja, hanya rakyat Melayu biasa yang rasa kecil hati and I dah 2 kali hantar friend request kat FB, dia tak terima, I kecil hati lagi. Itu akaun ori I, bukan akaun player I yang jadi follower Najib. Anyway hubby kata Datuk Kadir ok, pernah jumpa kat Bukit Bintang. Tidak sombong orangnya.

Tun, I may not agree with some of the things yang Datuk ini tulis, but yang ini I setuju, sila baca di link bawah

<http://bebasnews.my/2019/01/30/kesombongan-membawa-padah-bagi-pakatan-harapan/>

And also why asyik Najib2, hilang LKS, LGE, timbul lain. Lagi2 Najib, bila pula nak tolong I ini.

I difahamkan yang Najib boleh jalan2 sebab judge bagi. Judge tak setuju dengan PH yang mahu Najib keluar ke masjid2 acara agama dan tidak keluar apa2 statement dalam media massa. Ia lah dia kan MP. MP Pekan pulak tu, baru baca pertabalan di Pekan. Kan ke Pekan ini umpama Kuala Kangsar Perak, bandar di Raja.

Berbalik pada cerita orang Melayu, nampaknya tok zahid sekarang rajin pergi masjid dan majlis perkahwinan di kampung. Ketua Pemuda UMNO pun nampaknya aktiviti lapang pergi masjid.

Cuma bezanya tok Najib suka selfie. And activity Najib adalah activity rakyat Malaysia. Food ini sebenarnya hobby rakyat Malaysia. Favourite pastimes.

Tun, tak percaya? Dari muda sampai tua semua kaki makan. I pernah duduk satu meja dengan anak muda suami isteri. Mereka tumpang meja I, sebab tempat itu dah penuh. Sembang2 mereka terus cerita mereka sanggup jalan sampai ke Perak sebab nak try sesuatu food. I tanya mereka, mana mereka tau tempat2 makan. Mereka sebut dari kawan2, fb dan instagram.

Why not instead of bercakap about Najib, semua buat kerja, bila senang jalan2 cari makan hahaha

My cousin brother dulu kerja syarikat penerbangan. Dia pencen dia pergi klinik kerajaan ambil ubat. Dia kata itu hak dia, gomen bertanggung jawab.

I tak salahkan dia berpendapat begitu. A person mungkin kerja swasta sepanjang hayat kerja. Tapi mereka juga turut berbakti pada negara. The seniors didik orang bawahan supaya jadi pekerja yang bertanggung jawab. Dengan tugas dan tanggung jawab dijalan dengan sempurna, syarikat swasta maju jaya, dapat bayar tax.

Of course setelah pencen tiada dapat pencen bulanan macam pekerja gomen. Mereka usually ada duit EPF and sedikit duit simpanan but this akan langcai sekelip mata dalam

keadaan ekonomi sekarang. Moreover mereka yang dapat duit EPF, ada yang jelaskan hutang2 mereka dahulu. Without monthly income I don't think any of them can survive very long.

Good morning Tun

Nak cerita sikit about greed.

Yesterday I baca news Maria Chin marah thestar kerana mensensasikan berita kematian 2 warga tua yang berebut free coupon. I may not agree 100 percent with what she have to say but there are certain things betul.

When comes to the thestar, as someone yang familiar dengan paper ini, I don't think thestar over2, kalau tajuk sensasi because its all about selling the papers. Nak kata mereka over2 sensasi tidak juga.

Berbalik pada isu warga tua ini, yup, sometimes it also about poverty. Orang tua selalunya tidak bekerja, kalau mereka bekas pekerja kerajaan mereka ada pencen, separuh dari gaji mereka terdahulu. At least something la. Kalau you bukan pekerja kerajaan zero income. Anak2 zaman sekarang bukan macam anak2 zaman I dulu, dimana suka dan rela nak hulur parents duit monthly. Most of anak2 sekarang sentiasa sibuk dengan diri mereka sendiri. Nak minta duit pun ada yang kena tengking.

High cost of living antara faktor why warga tua sentiasa mencari jalan nak dapat barang murah or free. Apa saja boleh jimat untuk hidup mereka akan buat.

I pernah sebut dulu gomen baru ini patut beri satu scheme khas untuk senior citizen, samada perkhidmatan perubatan percuma, peluang pekerjaan, special discounts on food and so on.

Tapi sayangnya Menteri ada sebut sikit sana sikit sini, jadi entah apa2. Malah kita pun tak tahu Menteri mana yang cakap. Ramai Menteri suka campur aduk, potpet potpet, walau itu bukan deparment mereka yang handle.

Another thing walau ramai juga orang tua- senior citizen dalam team Tun, tapi mereka semua dah kaya and selesa, maka golongan senior citizen lower to mid income brackets dibawah ini sentiasa terlepas pandang.

Race and religion issues are super sensitive.

P/s: i sure hope leaders in this country at putrajaya is not force to choose between usa and china based on favoritism since myr must be left floating to determine its genuine demand to stimulate the economic growth in bursa malaysia, property development and smi industry tak kisah you ini melayu muslim atau tidak.

Salam Dearest YAB PM Tun Dr. Mahathir,

I totallly agree with Tun. Israel is a criminal country/state.

ISRAEL = CRIMINAL STATE @ UNLAWFUL STATE @ Evil State

We must not tolerate crooks / robbers/ murderers who blatantly ignore international laws and kill innocent civilians and foreigners as they wish. The decision to ban their athletes from entering Malaysia is right.

They also shamelessly rob (ongoing) the Palestinians by seizing their (Palestinians) lands (with valid land titles) without any mercy, and without regards to the Palestinians rights.

They have no moral grounds and have no rights to talk about morality/ethics and humanity.

The Israelis (majority) are uncivilized people with stone-age mentality!

What is sad is the fact that the gates (entrances) to Masjidil Aqsa are also guarded by the Israelis (security personnel). Masjidil Aqsa belongs to the Muslims, but sadly the Kafirs believe that they have a right to control others' place of worship. And yet they talk about morality and humanity. Hypocrites!

P/S: Even though our Passport is not recognized in Israel, Malaysians can still visit Masjidil Aqsa (Mosques) through Jordan-Israel/Palestine border. This is possible through travel agencies.

Thank you Tun.

– May Allah SWT bless Tun and family –

US never Police The World  
US never meant Democracy nor helps any Nation in Distress

What US want & interest is to be in control  
The very main agenda & interest of US interfering , invading , sanctioning Nation,  
putting down Good respectable leader , elected by its own people but not to US liking as  
in US dictionary

These are Inhumane, These are Monsters, These are Murderers  
UN meant to be for Mankind  
Was corrupted with US influence which never meant for Justice & Equality

We see  
How determine , How desperate US interferes when North & South Korea having slight  
differences . US are not at Ease & can never allow Taiwan to be China, North & South  
Korea together , Ukraine with Russia , Iran & Iraq & many more  
As closest they be is a Threat to US interest & Agendas

US will bring down Leaders that is against them  
Gaddafi , Saddam Hussein , Assad & many more Good Muslim Leaders  
Elected , love by its own people But was put down by US as they refuse to submit like  
Saudi Regime submit to US  
The facts is  
US destroys , Kills innocents and they name it Democracy

Democracy don't need bullet  
Democracy don't need force  
Democracy don't need Sanctions  
Democracy do not Kill  
Democracy do not Destruct any Nations

US is a Fake Democracy  
Run by fake news , fake politicians

This is where The World goes wrong today  
The causes of destruction of World Peace & Harmony  
Full of Lies & Hatred

Let's Look East , Look Russia & China  
We balance the World to acquire Peace & Harmony

Lets make Malaysia Unique  
Unique in our own way  
Learn to be self sufficient  
Learn to moves Food & Progress among & within Malaysia

We are communicating with the World  
In learning to be self sufficient within our means, intelligence & ability

World Today will be Beautiful  
If UN not corrupted & fool by US for Israel  
These are the very reason of today disasters  
No wonder till today UN , US can never solves  
Can never mend Peace & Harmony

It was never ISIS , Never The Muslim World  
Never Russia , Never China

Good evening Tun

Nak cerita sikit pasal sejarah.

Semasa Tun jadi PM dulu ramai orang Vietnam lari jadi Malaysia tempat persinggahan. I ingat tak lama dulu, I tonton AFC ada chef popular di Amerika kata, yang dia asal usul

dari Vietnam, dilahirkan di kem perlarian Kuala Lumpur Malaysia. Kan popular Malaysia tu.

Kalau Tun tengok balik my old comments, I pernah sebut I tonton TV ada ramai perlarian politik di sini yang di jaga oleh NGO. Kalau anak Tun or Tun nak buat buka puasa dengan mereka boleh contact NGO. Setau I mereka ini terikat pada perjanjian, mereka tidak boleh bekerja, mereka boleh berniaga kecil kecilan. I tengok ramai muka2 arab.

I pernah beritau Tun, one of my jiran MP. Ada satu pagi I tertembung dengannya dia pakai kopiah dan jubah. I terkejut juga, sebab bukan selalu dia berpakaian begini. MP ini beritau I dia baru lepas belajar mengaji. I tanya siapa guru ngaji. Dia jawab orang Myanmar. I sempat toleh lihat guru ini naik kereta buruk melintas depan I. Jiran kata guru ini dah lama duduk Malaysia.

I juga ingat kes baru dimana rakyat Islam Cina yang kena tahan Tun hantar mereka terus ke Turki bukan ke negara asal mereka.

Maybe isu sini sepatutnya, berapa lama perlarian politik duduk di Malaysia? Apa akan jadi pada mereka jika tiada negara lain nak terima mereka?. Adakah mereka akan diserap jadi rakyat Malaysia?

Though I sayang Tun, I rasa sekarang hal dalam negara lagi kusut.

And I also tak faham for those yang tak kenal I, cukup pandai sangat bercakap tentang I.

Rakyat Palestine mengalu alukan dan berterima kasih pada Malaysia Kerana ada juga pihak yg membela nasib mereka yg di zalimi Israel Ucapan dan tarian Terima Kasih pada Tun Mahathir berserta Syed Sadiq

Manusia dulu dan sekarang  
Melihat mengukur kebendaan pada yg benar  
Siapa Kuat Siapa Kaya Siapa Berkuasa  
Dia yg di hormati, bukan Siapa yg Benar  
Umpama  
Seorang Apek jual Babi yg membawa Kereta Mercedes  
Akan di lihat sebagai lebih Bijak berbanding dengan  
Seorang Lawyer yg berpelajaran tinggi pergi ke kantornya dengan menaiki Teksi  
Ini Kenyataan Kehidupan dulu dan sekarang

Begitu juga Regime Yahudi , begitu juga Amerika  
Kerana mereka Kaya ,Berkuasa , mempunyai ketenteraan yg terhebat di Dunia  
Mereka kelihatan Benar walau Salah di mata Dunia  
Mereka membunuh Anak anak di depan Mata Dunia juga dianggap Benar

Maka tidak perlulah kita mengharapkan PBB untuk menegakan Kebenaran  
Tidak perlu Dunia Islam bersandarkan PBB  
Yg perlu dan lebih abdal kita mampu berdikarai dan bersama Dunia Islam menjage  
Ukhwah kita bersama demi Kallimah dan Sahadah kita

Begitu juga Palestine yg selama ini mengharapkan Ikhsan dari PBB , dari US kononya.  
Akhirnya di perbodohkan , dipermainkan Amerika juga PBB  
Mereka sama sekali tidak berniat membantu Palestin dari awal Yasser Arafat hingga  
sekarang Abbas. Pemimpin Palestine mengemis membuntu Ikhsan dari Luar hingga kini  
tiada Kesan nya

Ini kenyataan Hidup yg kita perlu terima  
Bukan yg Benar tapi yg lebih Kuat & Berkuasa yg kelihatan Benar

Maka saya sering menyeru kita Ummah mesti Bersatu  
Setiap Umat mesti berusaha menyatupadukan Ummah  
Ini tunggak pertama kita

Dunia Islam perlu membuat senjata sendiri walau ia di perbuat dari Buluh  
Walau setiap Ummah memikul Senduk untuk dijadikan senjata  
Jika Ilmu Bomoh itu Benar , dengan hanya Menepuk bolih Tewaskan Musuh  
Perlu kita laburkan R & D untuk Ilmu Bomohan  
Dari duit kita di habiskan Najib se Kroni

Kita perlu bermula sekarang  
Perlu kita mempereratkan lagi Siratul Rahim kita sama Indonesia , Brunei dan ke seluruh  
Dunia Islam

Bila kita bolih menjemput Pemimpin Islam Se Dunia ke sini Tun ?  
Kita adakan Nasheed pelbagai Negara ?  
Saya sedia menjamu mereka Goreng Pisang , Kuih Muih mengikut Kemampuan saya

Tun

Singapore should thank their lucky stars that despite the multitudinous advantageous adventures which have been mounted against our beloved Malaysia since 1962 one after another, our beloved Malaysia did not take any drastic action against them. This is because our beloved Malaysia had diplomatic relations with them together with a full set of protocols including the extradition of criminals.

On the Tragedy of the Palestinian peoples, the history must go all the way back to the destruction of Herod's Temple by the Romans 2,000 years ago which was coupled with the Jewish Diaspora. The Chinese Diaspora was migration for an economic purpose. The Jewish Diaspora was a form of genocide carried out by the Romans, This resulted in the Palestinians owning Palestinian lands for 2,000 years.

By the turn of the 20th Century, the area of land which came to be known as Palestine was carved out of the disintegrating Ottoman Empire 1452-1919 ! Hence there was a long stretch of peace, harmony and prosperity for the Arab people living in what later became known as Palestine.

With absolute victory and power in their hands, the British and the French carved up the faded Ottoman Empire for themselves. Thus, Lebanon, Syria, for the French and Egypt, Jordan, Iraq, Iran, Saudi Arabia and Palestine for the British.

The whole satrap as created was solely for the economic exploitation of these Arab peoples and their countries until the outbreak of World War II and its consequences thereafter.

That was what the broad brush of history offered us.

But the real bungle which eventually brought this TRAGEDY WITHOUT AN END came with the Balfour Declaration of 1917 – a letter confirming the support of the British Government for the Jews and their Promise Land to Lord Rothschild. From then on, every single document concerning the interests of the Jews were highlighted with only a perfunctory mention about the interests of the Arabs. There was no Leader to represent the Palestinians right up to the founding of Israel. This illustrates that in our beloved Malaysia's case, treasonous Leaders will sell our country to whomever paid the highest price vide. the Malaysia/Malays Killer TPPA/CPTPP !

It was alleged that the British were forced down by the Jews because the latter had the technical know-how to make a machine-gun worked.

In 1921, there were attempts to establish kibbutzes in Palestine sponsored by the Rothschilds. This attempt was not successful until the advent of World War II. It was alleged that a promise was inveigled out of the United States and Britain that if the Jews as led by Oppenheimer and other could produce the atomic bomb faster than the Germans, the Jews would regain their Promise Land. Zionism always had its roots wherever the political Jews gathered in the synagogues.

After World War II, Britain was reluctant to leave Palestine and its Palestinians unguarded. But the Jews poured in by all forms of transport. Most of them with battle experience against the unprotected Palestinians. With British war weary troops, the British soon retreated back to ye ole Blighty. The victorious Jews were grabbing the Palestinian lands all round with the Haganah and Stern gangs creating terrorism.

The 1st Arab-Jewish War began soon after. And the Unending Tragedy for the Palestinian peoples began in earnest to this very day with the Jewish force of arms backed by the United States and the West.

In conclusion, it was the British who contributed to the Tragedy of the Palestinians today. The British Leadership was Empire minded and did not have the experience which they encountered in the 1947 Partition of India with the deaths of thousands. As a result, our beloved Malaya and its Federation of Malaya became a prototype for the independence of Mauritius and other former colonies.

If the British in 1917 had been forthright and visionary – no one was like that then – a Two State solution could have been found – one for the Palestinians and one for the Jews. After all, both Britain and France carved up the former Ottoman Empire for themselves into Palestine, Egypt, Jordan, Saudi Arabia, Iraq, Iran, Syria and Lebanon. They could then just include the Jewish State. THEY DID NOT which was due to their minds clouded by colonial exploitation of the Middle East and their exclusive view of colonial peoples who were not white.

This was the fuse which led to the eventual violence which gave birth to the Jewish State in 1949 which should have happened in 1921 without violence and land grab of the Palestinians lands by the Jews 2,000 years later after they fled from their Promise Land.

Unmitigated violence with the force of arms on hapless peoples anywhere should be condemned not only in Palestine.

But with the Palestinians, they have 2,000 years of residence to justify their cause. The question is WHY ?

More & more efforts should be made for Malaysia to look East  
Look Russia , Look China  
Far most we should work along Indonesia , Brunei to reach The Muslim World

Dear PM Tun Dr Mahathir,  
Please allow me to post my write up dated: 29/7/2014.  
Today is the second day of Hari Raya Aidilfitri the most important Muslims festival celebrating the end of Ramadan, the Islamic holy month of fasting where Muslims around the world will fast from dawn to sunset and show common goal of compassion, goodwill, brotherhood and unity? The greeting of Selamat Hari Raya Aidilfitri, Mohan Maaf Lahir dan Batin (mean sincere asking for forgiveness) can be seen in post card and poster/banner hang around the town. Indeed the bitter medicine that this sick word needed to cure itself is forgiveness, a lifelong forgiveness.

This morning CNN news is again both Israel and Hamas had broken the humanitarian cease fire broker by UN to evacuate civilian caught in the combat zones. Israel is bombing the central Gaza radio station and Hamas is firing their rockets into Israel. In total this madness war had taken thousands of innocent civilians lives in Gaza and few tens to hundreds combatants lives on both side with terrible consequent in Gaza strip where many building and infrastructure are reduced to rubbles. With Israel blockage on Gaza strip there is no safe shelter for civilian caught in this madness war and even UN run school are not spare from the rocket fire from who know who? The worlds are divided again on this madness war. Protest of anti Israel (For using excessive force and indiscriminate killing of civilians include children) and supporter of Israel (For it determined self defend in taking down the tunnels and Hamas indiscriminate fire of rockets into Israel) were played out in UN Security Councils and many streets protest in many cities.

Are human beings incapable to live in peace? How can a victim of Nazi German Holocaust himself turn into heartless aggressor/oppressor? And how Hamas can justified his short live high (Like addict that get his short salvation from drugs that eventually eat itself to the bone and suffer a self destruct slow agonized death) of sending his suicidal bombers/combatants through the tunnels to kill a few Israel civilians/combatants or their indiscriminate firing of rockets into Israel that in return brought so much pains, miseries and deaths to his own people.

Death is the final destiny of all life. We live or struggle to survive day by day not just to achieve death but to build a better tomorrow for our children. The purpose of life is not to grab all the power/wealth for your-self but to leave behind a better world for our future generation. A Chinese saying, "death can be as light as a feather or as heavy as a

mountain." But death had to bring a meaning, a purpose the purpose of leaving behind a better world and this better world can only be achieved through peacemaking.

The notion that Hamas had not other mean and was forced into the martyrdom of committing suicidal human bombers/combatants or fire rocket into Israel is a total misleading, self glorified tactic designed by irresponsible politicians to brainwash his people with hatred and thus continues vicious cycle of violence and war and support for these irresponsible politicians. There is always an option of forgiveness and building peace.

And to those neighbors nation that continues supply arm/rockets to those politicians, may I say that you are not helping the Palestine people, you are in fact helping the killing of Palestine people so please stop the arm supply.

There are no winners in war, only death victims, the death innocent civilians victims, the death misguided combatants that believe they are martyr and will be rewarded heavenly in heaven and the death politicians that either totally evil and irresponsible or are blinded by his own hatred/circumstance that they cannot see the forest for the trees. Deaths are always the easy way out but livings are the harder part and I appeal to all the Palestine people please lives for the sake of your children. Have the life-long courage to live and to forgive. I am not asking you to be as magnanimous as the late Mr. Nelson Mandela but try to be an average European citizen that after century of bitter and apocalyptic war and trying to kill each other they are now live in peace, clear of hatred and what remains is lifelong forgiveness and distant memory of war. And to those politicians that incapable of forgiveness and must have your revenge then please read the Chinese War Classic Yue Kingdom Goujian (496-465 BC) till then please spare your people from miseries of war.

To Israel, please exercise restrains, please show compassion to the suffering of the Palestine's people fight the Hamas if you must but spare the innocent civilians. There is a Chinese saying, "Never force people onto the wall" because once people perceived that there are no hope/future for them and their children they will take up arm and fight to the death. Is that what you want? May God have mercy on us all?

Salam Aidilfitri, Mohon Maaf Lahir dan Batin

Thank you

Yours  
SS LEE

truly,

While we applaud the stand of the government in handling the Israeli issue, the government must be consistent. While talking about moral conscience and tackling corruption and the abuse of bumiputera benefits, the government has not taken a firm stand on the LIMA organizer. Many allegations of corruptions has been raised but the governments' silence on these issues is deafening. How did a healthcare company that was supplying government military hospitals suddenly become the organizer of our biggest Defense Exhibition? Many this are online but the silence by the government is deafening. Now it is reported that TUN will be officiating the next LIMA. Is this the response to complains of corruption? Is this not an example of being selective? Is there no action taken because high profile names (Former BN that switched sides) are on the board of the organizer? Let us do away with corruption no matter who they are.

It looks dr mm prefers to pro palestine based on humanity of good samaritans.

It is not a surprise too to see many students on visa have overstayed in this country especially from the war torn countries in middle east and african continent not to mention 6 million imported foreign workers berdasarkan projected donation.

Ministry of communication and culture was hold by umnoputra.

Ministry of kdn was hold by umnoputra.

Ministry of hal ehwal dalam negeri was hold by umnoputra.

Ministry of defense also hold by umnoputra.

Almost 100% ministry positions are hold by malay muslim, the rest is pak turut.

Ag and macc at putrajaya is under the prerogative of pmo and perdana menteri.

When the word parliamentary is dropped, it simply means defacto ministers appointed by putrajaya supercede parliamentary democracy ruling, but the hard supporters of this blog may see it as opportunity minus risk to get rich overnight, or to bailout their failed projects again, and again, eventhough it is irrelevant and meaningless since all vvips position linked to federal government are 100% malay and muslim.

Either you take it, leave it or migrate, as non malay and non muslim, its as simple and plain as that.

P/s: are they puppet, pak turut, pak rasuah or are they capable in representing their state, the judgement would be known when next general election is called.

Thank you sir  
I think it is one of the strongest statements against this criminal state  
The second point we hope from Malaysia to facilitate more for Palestinia specially who are coming to study in the regards to the visa issue  
We hope to get like before 90 days upon arrival to the airport.  
Asking Palestinian students to leave the country and go back to Gaza is really a difficult choice dor them due to the blockade  
Thanks sir  
Hope to meet you one day

The decision is hard to make when the consensus of master and puppet governments at putrajaya is above the people, fdi and country when race and religion supremacy for absolute power of authority is being play again and again just to make their parties' members happy and easy to get votes to stay relevant.

I didnt know local politics could be twisted and spinned in such a way, but i now i saw with my own eyes.

No military war please.

No pdrm and fru violence against civilian please.

No hate speech please.

No racist speech please.

No race supremacy please.

No religion supremacy please.

No violence protest that menjolok mata dan menyinggung perasaan masyarakat umum please.

Bersatu teguh.

Bercerai roboh.

P/s: will sarawak join malaya and sabah to conduct the general election in genuine, sincere and peaceful way rather than threatening the voters to feed them forever of tunggu their turn to reap the federal budget tanpa keluar satu sen pun?

Tun

I baru tanya hubby yang nak keluar bayar cukai pintu. Dia kata anak lupa bayar. I kata, Tun tulis about palestine. Dia jawab, palestine, orang arab pun tak peduli.

Oh ya that kempen macdonald. I ingat that, kat whatsapp berlambak dulu. Apa yang menyedihkan yang kerja macdonald malaysia, ramai anak2 melayu. I jarang makan macdonald, orang muda mungkin lah peminat. Ada sekali I berhenti kat macdonald kuala selangor, I tanya budak situ, dik macam mana business? Budak sini jawab, dah kurang banyak. I jawab, oh menjadi kempen mereka. Of course lah lepas tu I dengar arab beli macdonald. Perhaps at discounted price.

For your information, produk Israel yang I maksudkan earlier adalah water meter. Pretty sure ada produk2 Israel lain yang business people beli melalui negara lain untuk kegunaan Malaysia.

It was never about israel and usa.

It was never about sunni and shia.

It was never about sino-china relationship.

It was never about penang and hong kong.

It was never about kl and shanghai.

It was never about labuan and melaka.

It was and is always about oil and gas industry.

It was and is always about palm oil industry.

It was and is always about the political interests and consensus of the political parties in exploiting and manipulating the sentiment of the voters under their watch to favor themselves with always got tomorrow, tunggu besok, tunggu lusa, tunggu my turn as if without their state votes, this country cannot excell politically, economically and socially.

It was and is always about the welfare of federal and state workers and private sector.

It was and is always about greed and fear for absolute power of the ruling and opposition parties in dictating the federal budget to favor themselves, its just as simple and plain as that.

Why should i complain since me too have the basic voting right to cast vote in all general elections when i think i am mature enough to understand the policies being pushed by ruling and opposition parties just like others in malaysia including sabah, but exclude sarawak since sarawak insisted that they want to conduct their general election independently until today eventough 1 malaysia day is gazzetted as public holiday for all?

Is it because my master is botak, then, i must shave my head to show him that i love, i mean, i worship him?

Is it because my master is muslim, then, i must obey him blindly with heart of stones?

Without 2/3 majority mp votes at federal level too, there is no way pakatan harapan, just like barisan nasional, in force re-pegged ringgit malaysia at myr3.80 artificial level against trading us dollar c/w capital control with nep bumiputra status policy to bailout 1mdb scandal and failures of felda global venture just like what bn did in the past in committing libor scandal during the 90s.

P/s: tunku abdul rahman had the strongest feeling that umno would fall one day, and his prediction has came true, and umno fell due to their greed for absolute power, and it is within the expectation of the insiders and outsiders. pakatan harapan would fall too if they continue to do what barisan nasional had done in the past by offerring promises that could never be fullfilled in uniting ummah islam by neglecting the feelings of non muslim just like what bn did in uniting malay by neglecting the feelings of non malay. bak kata, cikgu kencing berdiri, murid kencing berlari.

Good morning Tun

Ada pun jawapan. Semalam I seorang saja tulis. Kalau you know who masuk banyaklah anti Islam, anti Melayu, anti Perlembagaan Malaysia keluar. As I said, its an old issue, which doesn't effect me much. However, if you want to know more, read the link I kasi above.

Samada Tun nak ban orang Israel tanding sukan yang diadakah diMalaysia, sehingga melibat tiada lagi international sports event, I think yang untung Syed Saddiq, less work. Jadi Minister mesti kena pergi function buka tutup bagi hadiah kan.

Seingat I orang yang ada link dengan Israel dulu adalah PR man Najib. Can't remember that mat salih name. That also because dia pernah buat kerja for the Israel government. If you want to fight because of that, we also can say AG pun dulu buat kerja for DAP, right.

Tujuan I nak tulis sini is actually about this. Last weekend I visited a friend. Elite Melayu yang kaya. I kata kaya sebab mereka duduk rumah banglo besar. Rumahnya dikelilingi oleh bekas orang besar kerajaan. Bukan orang muda ya, dia tua dari I.

Something she said which PH should ambil perhatian. Dia kata zakat dan welfare department pernah buat orang yang memerlukan datang berkali kali untuk dapat bantuan. Tunggu sampai petang, esok suruh datang lagi. Kenapa mesti nak check check bukan duit jabatan pun, bagi sahaja, samada penerima betul perlu atau tidak, itu bukan urusan jabatan.

Well, itu beliau kata. I kata sebab mereka malas nak buat kerja.

Lies made in U.S.A  
Design by Israel  
Marketed by The West  
Approves by United Nation as UN is just a disguise for Mankind  
It is a Tool for The Evil

These Lies Killed Millions of Innocent  
Destruction of Nature , Destruction of a Beautiful Nations  
Threatening World Peace & Harmony  
No wonder it is said  
[THE HOLY QURAN teaches...  
whoever kills an innocent, it is as if he killed all mankind ,and whoever saves a person , it  
is as if he has saved all mankind]

US is Israel  
Israel is US  
Israel is Nothing without US, vice versa

Israel today plays an innocent Victim  
Breastfeeding to US , to UN as if they are the victims  
Indeed Israel are the True Culprit of most Unrest & Disaster to the World Peace &  
Harmony today

Sept 11 is A Big Lie  
UN knows it, US knows it , Everyone Knows  
It is an excuse to invade, to destroy, to frame The Muslim Nation  
Framing the Muslim Leader, Framing Sunni & Shia against each other  
So it was ISIS . It was never born by the Muslims  
It was admitted & created by US  
With intentions to create Chaos , Confusions  
igniting flames between Shia & Sunni, confusing the Muslims among brotherhood  
And it is as if US , Israel has nothing to do with it  
Play innocent ,play Victim , play Hero but they can never play God

The destruction of Middle East  
Mostly Muslim World are destroyed & design by Israel & U.S  
The Genocide of the Rakhine of Myanmar , Malawi of Phillipine was proven back by Israel  
probably triggered & initiated by Israel  
Even in China, Ulghurs not surprising Israel ignites  
Instilling Fears to the China Govt

It is all because Israel felt Threaten  
as Israel steals & rob The Palestinian Land illegally abetted by US  
Once upon an time

Unlike here in Malaysia  
We have The Chinese buying The Malay Land Respectfully  
They buy with Money , The Malay felt cheated in desperate  
BUT The Chinese They did not Rob  
It was the Malay stupidity itself for being poor  
Most Third World Nation like Africa  
They invite China to build their infrastructure as Chinese deals in economy They did not  
and they respect One Nation Sovereignty  
Unlike US , Israel they will even enter yr house  
when they say they want to do business

Above all Blame The Muslim World itself  
It is all written  
'Hold Fast The Rope of Allah , be not divided among Ummah '  
Its in The Surah , Its in the Quran  
Yet The Muslim World Failed to Hold  
The very reasons of its own destruction  
US , Israel is just the reason

That's the reasons why me , Si Botak  
Heart fully keeps repeating  
Every Muslims must made Efforts to Unite The Ummah  
It starts at our own home  
Lets have a Party inviting World Muslim Leaders despite their difference , their hatred to  
each other, to our Fascinating Truly Malaysia  
We will serves World Class Nasheed spice up with our Sambal Belacan servings

This is for my Ummah

Wahai Sri Sense,

Melalui komentar puan/cik di atas, jelas sekali anda bukanlah seorang yang rajin membaca.

Mulai dengan perenggan pertama sehingga sehabis ayat anda, semuanya menunjukkan setinggi mana ilmu yang anda ada sehingga anda begitu yakin dan punyai keberanian untuk berkomentar di sini.  
Aku,

Bukan penjilat menteri, untuk mengangkat2 idea Tun dalam hal ini. Tapi, sikap anda yang sangat pro-Israel tidak betah aku berdiam diri. Kerana ideology seperti ini yang akan tergadainya sekeping tanah lalu sebuah negara. Sikap seperti anda adalah menjadi

gunting dalam lipatan memusnahkan demokrasi negara, meruntuhkan tembok kota. Jikalau kail panjang sejengkal, jangan lautan hendak di duga Sri Sense.

Sri Sense,  
Betapa Allah melaknati mereka, tetapi kau hamba yang hina mengangkat, menyanjung mereka. Lalu di mana darjat kau di sisi Allah? Berhentilah bermain game, buka lah alQuran, baca dan fahami, bahawa orang seperti anda adalah menjadi peluru perisai orang orang Yahudi untuk memerangi orang orang Islam di zaman ini.

Keluarlah anda dari zone maya,  
Langkah kan kaki mencari ilmu, mengenal dunia, kelak kau akan kenal siapa rakan dan siapa musuh.

Dan,  
Orang seperti anda tidak layak untuk hidup di bumi Malaysia, yang kami inginkan rakyat yang bijaksana, dan tidak berbuang masa seperti anda.

Assalamualaikum Tun,

The Palestinian cause is something that is very close to many Malaysians. I remember when Gaza was attacked by Israel forces, many Malaysians boycotted goods perceived to be from Israel. The boycott was so successful, for example, Mcdonald's Malaysia had to make a statement denying to directly contribute to Israel fund. So, I support to ban any Israel people from coming to Malaysia. No issue.

For the Cameron Highland election, I believe this is how a functional democracy works. There are times, the opposition wins, and there times the government wins. Nobody has a monopoly of winning every time. This is the way to go in a two party system. This way, both sides have to be on their guard, if they don't perform to the people's expectation, they get replaced. There are no more comfort zone for both sides. The only way to survive is to be better at serving the rakyat. This is New Malaysia.

In the election, the opposition have highlighted a number of things, such as DAP controlling the government, Adibs death, not fullfilling the menifesto and rising cost of living. If the government do not wish this bullets to be reused in the next election, they would have to address them. Net result, the rakyat's wish are being fulfilled, so they can continue to be government.

This is how democracy works.

Good evening YAB Tun

I tau about Malaysia & Israel long ago. I ada tengok passport, Israel adalah negara yang tidak boleh dilawati. I juga pernah dengar produk dari Israel orang Malaysia beli melalui negara lain. Did not why, maybe produk tu bagus dan murah.

Personally I think ada Israel or tidak sama aja. The only orang Israel I kenal pun online – my game friend. I memang ada ramai kawan2 luar negara main game sama. As for orang Israel ini, she's ok. Not sort of kaki kacau punya game player. Not sort of perangai seorang yang ada disini 24 jam tunjuk pandai, kutuk Melayu, agama Islam dan perlembagaan Malaysia. Me and the Israel lady, kami tidak bercakap about politic negara masing2. I tau dia dari negara mana. Dia tau I dari negara mana. Sudah cukup.

Pasal Tun bercakap about Israel I kongsi sikit sumber dari wikipedia

As of 2019, Israel's population was at an estimated 8,982,440 people,[13] of whom 74.5% were recorded by the civil government as Jews.[11] Arabs comprised 20.9% of the population, while non-Arab Christians and people who have no religion listed in the civil registry made up 4.6%.[11] Over the last decade, large numbers of migrant workers from Romania, Thailand, China, Africa, and South America have settled in Israel. Exact figures are unknown, as many of them are living in the country illegally,[298] but estimates run in the region of 203,000.[299] By June 2012, approximately 60,000 African migrants had entered Israel.[300] About 92% of Israelis live in urban areas.[301]

Read more here :

<https://en.wikipedia.org/wiki/Israel>

P/s be prepare ya when reading the history, full of twist and turns

Goodnight Tun. If Tun tak larat lagi jadi PM, I minta Tun panggil a new general election, to be fair to all rakyat. In the meantime please take a good rest.
