

CONTRADICTION

Tun Dr Mahathir Mohamad

1. 1. I have been accused of contradicting my own stand in my response towards alleged sexual improprieties affecting a member of my Cabinet in 1998 and the on-going sex video issue linking another member of my current Cabinet.
2. 2. There is no contradiction.
3. 3. The action taken in 1998 was not based on the video clip. That came later. The court had already made its decision. The subsequent videos did not influence the court or anyone else. It did not influence me.
4. 4. In this recent case, the video came first. Obviously it is an attempt to blacken the name of the particular person in order to blight his future.
5. 5. If I were to take the action expected of me I would become an accessory to the plot. I have no intention to become the instrument of the plotters. I will not be a part of such dirty politics.

8. As for fatwa to manage state, it would be best to let state' sultan to decide.
9. As for fatwa to manage the country name malaysia, it is up to members of parliament to decide.

10. Each fatwa, iaitu hal ehwah orang islam di tahap negeri dan wilayah are made, it shall affect other religions.
11. Hence we need a perdana menteri di tahap wilayah, either from umno, pkr, pas and now ppbm to choose their menteri besar.
12. Why putrajaya and cyberjaya was built?
13. To minimise traffic congestion, to islamkan negara malaysia atau memperjuangkan bangsa melayu dan islam mereka to rich their cronies via nepotism of i help you, you help me i scratch your back, you scratch my back as forever got tomorrow one treating taxpayers like dedak?
14. What if tomorrow never comes?
15. Protes sekuat2nya, takda orang peduli pun in post internet era?
16. As i said, advance technology can never be benchmark against race and religion supremacy.
17. It is either we adapt now, or we will be left behind, and thats for sure.
18. If you are not muslim, will you feel comfortable to live in a country that implement malay and islam biased policies?
19. Siapakah yang tak betul?
20. The more the fatwa wannabes make noise, the more the perdana menteri pening, dll hanya menurut perintah saja.
21. Good luck, dato seri anwar ibrahim, iaitu perdana menteri in waiting, and tdm will pass down the baton to him, and thats the promise he had made.
22. P/s: drama2, nangis, sindir2, protes2 pun tarak guna, jik tak hepi, either you pass down the baton to the next president, resign, jump ship, set up new party atau retire, itu saja. Bak kata, coalition of political parties can choose, voters also can choose. Pandai2lah mereka yang mengelar diri mereka sebagai perjuang bangsa dan agama islam mereka masing2.

31. Assalamualaikum YAB Tun

Tulisan ini khusus untuk Tun ... minta admin sampaikan

32. Saya ingin beri sedikit komen atas lawatan Tun baru-baru ini ke Turkey.

33. Untuk maklumat Tun pada awal tahun 1970an dulu saya pernah diberitahu seorang guru agama (dah meninggal)...

34. ...Bahawa satu hari kelak orang Islam yang berpecah akan bersatu (mungkin juga bermaksud mengikut parti Bersatu) semula. Maka pemerintahan Islam akan muncul semula dan orang China akan membuat kerja bagi Kerajaan Islam.

35. Dari mana datangnya harta Kerajaan Islam ini?

36. Harta Kepunyaan Kerajaan Islam dulu telah disimpan (atas nama Pemegang Amanah sehinggalah kelak diserahkan kepada Pemilik Sebenar) di Bank-Bank Pusat negara-negara bukan Islam dunia. Harta ini adalah untuk diguna sebagai "Colateral" oleh seluruh ummat di dunia.

37. Oleh kerana Bank-Bank tersebut pada ketika itu dikuasai oleh Kerajaan bukan Islam maka pengagihan penggunaannya tidak dilaksanakan secara adil. Malah ada negara telah menggunakan secara tidak amanah. Harta tersebut telah dicuri oleh pihak-pihak tidak bertanggungjawab (atas nama Individu / Kerajaan / Negara).Kecurian yang amat besar ini tercetus dengan penglibatan Pemimpin Malaysia sendiri.

38. Pemegang Amanah terakhir sebelum meninggal dunia membatalkan semua perjanjian penggunaan harta tersebut dengan semua negara terlibat (tak kurang dari 74 buah negara) dan menyerahkan semula Harta tersebut kepada Pewaris /Pemilik sebenar (rakyat Malaysia).

39. Sebelum Pemilik secara rasmi terima balik Harta tersebut dan mengadakan semula perjanjian baru dengan negara-negara berkenaan, beliau telah bekukan Harta tersebut. Pemilik arah Bank yang cuai / tidak bertanggungjawab keatas Urustadbir Akaun Harta tersebut mendapatkan balik keseluruhan kecurian yang telah berlaku.

40. Kes ini telah di failkan di Mahkamah Dunia (International Court of Justice -ICJ) di Haque. Proses penyerahan oleh ICJ banyak kali telah tertangguh disebabkan ada campurtangan Kerajaan Malaysia. Kini, oleh sebab bekalan kewangan sudah tersekat maka negara-negara terlibat menghadapi kesulitan mengurus negara masing-masing.

41. Ada kemungkinan, jika perkara ini tidak diurus dengan baik, negara-negara dunia berkenaan akan "serang" Malaysia.
42. Lagi kata guru agama tersebut ... bahawa kalau perang (minta dijauhkan Allah) Turkey akan bersama Malaysia. Perang ini akan menggunakan senjata tapak tangan dari Turkey (nampak macam mengarut tapi kalau izin Allah semua boleh jadi).
43. Saya percaya Tun maklum perkara ini. Harta ini kepunyaan Allah. Harta ini mencari pemilik yang ditetapkan Allah. Sedarlah bahawa harta mesti disampaikan kepada Pemilik. Pemilik ini akan menggunakan berasaskan "LILLAH TA'ALA".
44. Terima Kasih

51. Bukan kah bahasa kebangsaan itu bahasa melayu, bukan bahasa malaysia, kenapa pulak bring out this issue, sri sense?
52. At least beijing central government is more sensitive to the needs of chinese moslem in china since the word 'qing zhen' means moslem in bahasa china since they are educated under national schools sampai university level what.
53. It would be best for them to do now rather than at later date, why?
54. Nanti repeat of gulf wars in middle east arab, china is not being blamed or dragged into it again what.
55. To negotiate with east asians are much much more easier since we share the same historical background eventhough different religions what.

58. Pitching chinse against chinese never works, i am not sure about other races.

59. Once bitten, twice shy.
60. When bitten many times, chinese also become smarter, wiser and more resilient.
61. Tiap2 kali pun macam ini, you think chinese ini donkey, coward, beggars or can be bullied all the time?
62. Ask yourself, if you are being treated this way, will you want to work hard for this country name malaysia?
63. P/s: if she thinks she can get state fund to tukar road sign to bahasa arab, it would be best to get the state sultan permit dulu, why? when state sultan allows, it means she can use state fund. as for federal budget, she must debate in federal parliament to state why she needs the fund for, and must be able to pay back, bukan to bailout her projects.

71. Dipergunakan?
72. Why you choose to answer in English? Saya tanya dia. Dia jawab, "sebab sekolah pun ajar dalam BI, so saya decide lah".
73. Year after, few months later, he got in – my guess was, he is merely filling up the space left by parents who disagreed with the cambridge program.
Until today, we cannot erase the huge gap our heart felt, on that day we left him at the boarding school.
74. Years later, he did well. So, we indulged him, again, when he decided. Sebabnya, dia mahu merasa belajar dalam persekitaran multiracial. Lepas foundation, the same IPTS offered him degree program. And, he received jugak offer at two IPTA. We asked his preference, he chooses to continue at the IPTS where he did his foundation.
75. We told him that IPTS is expensive. Then, he ask us to allow him try eduloan with MARA, just to feel, where his effort takes him. He brought his offer letter to MARA

for eduloan, they rejected him with reason being, do not support IPTS program. We sense his frustration. We asked him again, between those IPTA offer and IPTS, which do you prefer. He said IPTS. With that, we asked him to reply to the offer . Hahaha, our headache begins.

76. Saya suruh dia frame surat rejection itu – as drive for him to do well. Instead, dia remind saya pulak, “ibu, they rejected because they did not support IPTS program” . Sudut minda, inilah generasi baru pengundi!
77. Cerita kat sini, rezeki Tuhan (bukan Tuan) beri, yang penting dia dah berusaha. Sebagai parents kita kenalah sahut hasrat dia. Berusaha, mencuba, mencari, gagal, berjaya, dia kena merasa untuk tahu.
78. Sebab dia sudah boleh mengundi, maka ada naratif dia sendiri. Kami selalu diskus tentang hal semasa, what the public is thinking melalui ayat-ayat komen di media sosial tentang isu-isu semasa yang dibangkit penulis-penulis, just so dia tahu , bagaimana dan dimanakah untuk meletakkan dirinya. We invite him to throw his thoughts dan peranan kami hanyalah membuka minda dan sokong dia.
79. Dipergunakan? Insyallah jangan ye Tun. Macam our Abang Long, Tun hanya perlu decide.
80. Assalamualaikum. Semuga Tun dan Tun Siti sentiasa sehat sejahtera dan gembira selalu disamping keluarga tersayang.

You keep playing the racial card, lame others for being racist
Typical Chinese character alike the Jews
They create problems here and there, blame others for their wrongdoings
Then after plays The Victim, The Mr. Nice Guy as if they had nothing to do with the problem. They throw a stone and hide hands behind

87. Sibotak

I cannot stop you from keep playing with racial cards, lame others for being racist or whatsoever too. Even as the 2nd major race to bring Malaysia to where we are today, I must always remind myself not to cross that racial line. Even for those who champions minority rights for not keeping quiet, they too must behave and never cross that racial line. Like you said, Sibotak, suddenly, they play the victim as Mr Nice Guy as if they had nothing to do with the problem. The worse scenario, they throw a stone, and hide hands behind. I sure hope you get my point here.

88. HBT

Don't blame UMNO failure and accused of UMNO of being racist
UMNO failed because of Najib, because of Tun strong participation
as a feared contestant

You keep blaming UMNO of being racists yet yr Atuk has been safe under UMNO for many Donkey years. UMNO has made yr Atuk richer than the Bumi for being sympathetic, tidak apa policy unlike, yr Chinese ruling every ringgit counts
You know yr Ahkong come to Malaysia, settled in Malay Kampung, Welcome by the Malay, Mostly not paying any rent. UMO The Govt knows. The Malay knows

89. Yr intention and Racist conduct intends DAP to be the Lead

DAP has an advantage the combination with PH

The Chinese, Indians and the minority has been taken well off with PH and during UMNO. Yet most did not have satisfaction even the Bumi and The Malay

That is what it is. It happens everywhere

90. Sibotak

My atuk not your atuk meh? My ahkong not your ahkong meh? Is it because of my atuk and my ahkong, not sibotak atuk and ahkong, then, sibotak no need to pay is it?

91. Do you see Myanmar? Rohingya?

They are the minorities like you settling here for many years

NOT given even an identity. YET without NOTICE

In Humanly they are Genocides out

Here you have UMNO Shelter, Malaysia gives yr Atuk citizenship though you menumpang in Malaysia illegally initially, settling in Tanah Haram

Welcome and Peacefully sheltered by the Malays as long as you Jangan Kurang Ajar like you behaving now

92. Kurang ajar? The Rohingya refugee and Genocides, the best way is to let the United Nation and Myanmar Prime Minister to deal directly because no one knows what is going in there as Malaysian.

93. YET today you the Cicit today
The Cicit today like you wants to be Sultan
94. I dont think my race want to be the Sultan, and i believe Sultan needs my race to develop their land, as saying goes, there is no free lunch in this world.
95. Go Hong Kong , Go China , Go Singapore
Why waste yr time here
96. Is sibotak saying malay civil government servants are wasting time to be stationed in Hong Kong, Singapore, via the name of the country named Malaysia under federal budget?
97. Sibotak keeps mentioning israel and jewists are bad people, i sure hope sibotak must realize palestine state with less than 5 million population is still under united nation's observation, and still dependent on other states and countries surrounding them, so it would be best to let their prime minister and president to deal with it.
98. P/s: today, under 1 country 2 systems, hong kong chief minister finally got nod and support from beijing to train 600 young hongkongers combat skills on the soil of hong kong in the name of patriotism and love for hong kong, mainland china and the world.

120. So be fair minded my fellow Malaysian and beware, if politicians portrayed themselves as the only savior of your race and religion, they have no intention to uplift or improve your life but are merely trying to fish for your vote so that they can rob you again and again. MALU APA BOSSKU!

121. How could you call a nationalist a racist, it doesnt make sense.

122. Patriotism is the quality of being patriotic; devotion to and vigorous support for one's country.

123. I sing and understand each word of national enthem, so no need to hard sell patriotism to me.

124. I sure hope you get the point if you decided to contest for parliament or wr seats.

125. Pendek kata, contest belum bermula, they already started to campaign to support who and who to support, and to swap seats among themselves, do you think thats call fairness?

126. I personally think they dont trust themselves even from the same parties.

127. As long as race and religion supremacy cards is being played, then, you can forget about nationalism to make greater kuala lumpur.

128. 道不同，不相为谋。(dào bù tóng, bù xiāng wéi móu.)

129. Men of totally different principles can never act together.

130. Which side are you with?

131. To jump ship, to set up new party, the decision is with the mp and wr individually as long as it allowed within legal framework.

135. Dear PM Tun Dr. Mahathir,

136. Please allowed and excuse me for speaking my mind on important of "Fairness".

When someone shouts, "That's not fair!" we are quick to respond with, "Too bad! Life isn't fair." And that's the message, isn't it? Don't expect life to be fair. You've got to take what you can get, and if it's unjust to another, so be it. But is this desirable? Just asks anyone growing up in a family where the head of the household play favoritism toward his wives and children, a sure recipe for discord, hostility and resentment among family members that lead to a broken family.

137. <https://www.youtube.com/watch?v=meiU6TxysCg>

Capuchin monkeys have a strong sense of fairness and are of the philosophy that equal work demands equal pay. Capuchins compare what they are getting relative to what another is getting for the same amount of effort, and they refuse to participate if they think something is unfair. Not only that, but if they see another individual get more for the same amount of effort, or worse, get more for less effort, capuchins will flat out refuse to do the task in subsequent rounds of testing. They also don't work together again with someone who was unfair. The key here is fairness.

138. So are we lesser being that Capuchin monkey in sense of fairness? We hate it when our boss in workplace plays favoritism then why we can accept unfairness when our country leaders play favoritism? The paradox is that we are capable of detecting inequality instantly and are extremely sensitive to fairness.

139. Fairness means dealing with others in a consistent, impartial, objective manner. Leaders who have a strong sense of fairness in their dealings with people tend to bring out the best in terms of initiative, innovation, and productivity. ... Good leaders are open and honest about the reasons behind their decisions.

140. Fairness is important. It takes place in all our lives. If we did not have fairness our lives would be miserable. Fairness is when everyone is treated equally and no one is left out or left behind. People that are fair follow the rules. They are honest and trustworthy. They follow Eleanor Roosevelt's quote "It is not fair to ask of others what you are unwilling to do yourself." Fairness is very important in a community. Everyone needs to follow the rules, be respectful of one another and work together to build a strong and beautiful community. They can do this by getting together in a friendly way to solve problems and make rules that are fair to everyone.

141. Fairness includes learning to treat other with respect, compassion and kindness and growing to appreciate the important of sharing, stand up for each other, stand up for what's right, and being honest. This required you to place yourself in other's shoes and feel what it feel to be treated the way he/she been treated. Fairness required us to see things from different perspective and aroused our desire

to act towards the greater good of those around us and contribute to a society that is better to live in.

142. So be fair minded my fellow Malaysian and beware, if politicians portrayed themselves as the only savior of your race and religion, they have no intention to uplift or improve your life but are merely trying to fish for your vote so that they can rob you again and again. MALU APA BOSSKU!

143. Thank you

155. Contradiction.

The flaws I observes in Malaysia Politics

Be it in Parliamnet or outside

Govt against Opposition

Is more of personal attacks than the point of building up the Nation

156. Even when a point is needed both the opposition and the govt will play around personal attack or party attack instead of the actual topic
A topic that benefits the Nation
Perhaps that's the reason we are always pulled way aback
157. Sodomy, that guy is corrupted, that Datuk giving contracts to their fellowship, that MP having affairs, etc is common speech in Malaysia Politic Instead of the Topic itself of how to build the nation
158. The topic is still there but more of personal attacks occur instead of focusing on the matter. For instance, Anwar Sodomy matters, Najib corruption matters takes such a long time, fruitless, exegerating. Wasting our time, money .progress, development, etc
Instead of focusing on How we together The People, The Opposition, The Govt The Sultan. We work cohesively towards Progress
159. It is more of The PakChik MakChik, Apek Nyonya Politic
Instead of behaving professionally
We can see in Parliament of How stressful the Speaker is
Yang Berhormat.....yg Berhormat ...Ala.....Sila Duduk
Tuan PembangkangJangan gunakan kata yg lucah...blah..blah ..blah

209. Assalamuailaikum, Tun.
210. Anak-anak Melayu kita terlalu "hebat"/hangat berpolitik atau mengambil berat tentang laung-laungan politik atas kepentingan/keistimewaan Melayu. Padahal, itu semua taktik sesebuah parti kerajaan dulu menipu demi meraih undi-undi Melayu.
211. Generasi muda kita kenalah berusaha lebih mengecapi kemajuan dan kekayaan. Sekadar menunggu subsidi/pertolongan kerajaan tidak akan membawa bangsa ke mana-mana, iaitu menampilkan ke depan. Berhentilah segala "permainan" bahawa DAP/orang Cina cuba mengikis hak-hak Melayu. Janganlah terbawa-bawa dengan tipu-helah/kutukan tak berasas.
212. Insaflah...
Sedarlah... Anak-anak muda kita! Janganlah terpedaya! Berusahalah! Majulah!

218. Assalamualaikum, Tun.
219. Rakyat believe in "rule of law" in the era.
220. And, Rakyat were fed up with BN's racism, "break and rule" politics and corruption in the past. Rakyat now opt for clean, trustable and "Nation's interests above all" PH Government. Please assure that only clean, talented and trustable leader comes into power next.

This was orchestrated by Najib for a shortcut to become the PM. Thus, could carry out the robbery.

228. So, it's clear, how evil politics can influence the authorities to take wrong actions whilst legally correct. That's dangerous! How this can be avoided?

231. Assalamualaikum Tun.

232. Tun Mahathir tidak dipergunakan oleh sesiapa pun.

233. Untuk menjalankan pentadbiran negara memang kita perlukan kepakaran dari semua pihak kepercayaan.

234. Sedikit demi sedikit berkaitan masa, soal moral akan diambil kira selain dari soal politik.

235. Kemenangan itu sudah pasti di pihak Tun, kerana Tun telah berjaya menjadi PM.

236. Malah Tun mencatatkan rekod sebagai PM kali kedua dan tertua menerajui kerajaan.

237. Suatu masa dulu, adakala saya terfikir 'orang tua' ini mahu apa lagi setelah Pak Lah turun?

238. Kenapa perlu menulis lagi segala macam masalah di sini selepas hajat mahu Pak Lah turun dah tercapai?

239. Namun kemudiaannya saya mengerti, permasalahan dan liku liku pentadbiran negara tidak akan terhenti walau sesaat pun.

240. Proses permasalahan ini akan berterusan selama lamanya. Sehingga hari kiamat.

241. Yang pergi akan tetap pergi. Yang datang akan mengganti.

242. Maka kitalah yang akan menerajui/menentukan masa depan kerajaan dan negara di kemudian hari.

243. Bersedialah mulai dari sekarang.

244. Terima kasih Tun.

252. Yes, it has to be that way since beijing central government had decided to liberalize mainland china, and will continue with their endless efforts in continuing to re-invest in technologies that would improve the welfare of prc nationals.

253. What did hongkongers did in the past to mainland chinese, i sure hope they have not forget.

254. But, when comes to straits of taiwan, people's liberal army (pla) is above koumintang, thats no 2 ways about it.

255. Same applies to xinjiang and tibet.

256. If no challenge, then, everyone is like a sleeping lo.

257. Contohnya, mps semua kuat tido, selepas tu, suddenly semua bz tunjuk perasaan, mana ada masa nak improve welfare kita, betul tak?

258. I am not sure will erdogan speaks or the foreign minister will speak in un or, but turkey for sure wont send minister of defense to speak, memang tak logik kerana un is not a place to declare military war what.

259. P/s: if strict parenting style is still being favored, then, be prepared to loose more votes too. hong kong protests secara kuat2nya apabila madam carrie lam spoke like a strict mother in implementing this extradition bill. if you can stop them, let them protest, and when protestors turned violent, then, drag them to cout, habis cerita. as bush jr said, smoke them out via war against terrorism.

263. Assalamualaikum Tun,

264. Saya ada terbaca bahawa Anwar akan melaksanakan Dasar Ekonomi Baru yang berasaskan keperluan atau "need based" dari sekarang yang berasaskan perkauman atau "race based". Saya tertanya-tanya adakah ini satu lagi bentuk "1Malaysia" dari Najib atau iainya adalah "Malaysian Malaysia" DAP. Apakah DAP "Malaysian Malaysia" akhirnya terlaksana jua di bumi Malaysia ini?

265. Jika iainya dilaksanakan, bagaimanakah nasib orang-orang Melayu? Adakah kita akan menjadi seperti Melayu Singapura, bangga negara maju, tetapi orang Melayu kekal miskin? Saya undi PH kerana adanya Tun dan Bersatu yang saya percaya akan terus pertahankan hak-hak orang Melayu dan membela nasib kita.

266. Bagaimana agensi seperti Mara? Adakah iainya akan dibuka untuk membantu orang-orang bukan Melayu juga? Bagaimana dengan skim Amanah Saham Bumiputra? Bagaimana dengan Uitm? Bagaimana dengan Petronas? Semua ini adalah produk-produk Dasar Ekonomi Baru, adakah iainya akan dibuka kepada orang Bukan Melayu juga? DEB yang dulu digunakan untuk membantu orang Melayu ada sebabnya. Iainya untuk membantu orang Melayu supaya dapat bersaing dengan bangsa-bangsa lain.

267. jika iainya dibuka kepada semua bangsa, apakah akan berlaku kepada sosial ekonomi negara ini? Adakah iainya akan menyebabkan satu bangsa menjadi terlalu kaya, dan satu bangsa menjadi terlalu miskin?

268. Bukankah lebih baik dikekalkan DEB sekarang, tetapi pada masa yang sama membesarkan ekonomi supaya kenikmatan ini dapat dirasakan semua kaum?

269. Saya faham jika Anwar menjadi Perdana Menteri, dia berhak tidak ikut cara Tun. Tetapi jika benar "Malaysian Malaysia" dilaksanakan, saya tidak dapat undi PH pada pilihanraya umum akan datang.

275. Saya lihat agak tidak sehat
Malaysia kini ada Satu Kerajaan tapi banyak Party
Dah macam Hong Kong dan China
Satu system 2 Negara
Mungkin serupa manusia Satu Bapa 2 Ibu
Bila wujud Perkongsian bergini. Adakah wujud Keikhlasan ?
Hujung hujung semua sama
Ada baik buruk , ada Plus Minus

276. Yang penting sesiapa yg masuk arena politik perlu Ikhlas
Niat sebenar mesti betul
Kalaulah ada mesin yg bolih membaca keikhlasan manusia kan senang hidup kita
semua

277. Saya berpendapat yg layak menggantikan Tun adalah
Datuk Mukhliz Mahathir
Bukan kerana beliau anak pada Tun
Tapi saya lihat beliau berkebolehan, tegas dan mungkin tidak suka mengapu
Beliau lebih pada Straight Forward
Sekali lagi bukan kerana Mukhliz anak Mahathir
Selain beliau sebenarnya pilihan saya Syed Sadiq
Tapi Budak ini masih Muda lagi
Biarlah beliau Kawin dulu baru beliau lebih cenderung lagi

283. Hi to musato.
"...seorang anak Azmin adalah hasil dari Anwar."
284. Don't be surprised if Azmin is cornered dia akan jatuhkan Anwar using that card.
285. It's a grave mistake to give royal pardon to Anwar.
That sneakiest of snake in the grass.
A leopard will never change its spots.
286. 2 days after Haziq was first detained by the police at KLIA, Rais Yatim was spot on when he said,
"If only the Malaysian people are made aware of what Haziq had told the police on the identity of the mastermind behind the scandal, politik Malaysia akan berterusan bergolak..."
287. Anwar not fit to be PM!!!
288. Then, sudin can lobby rais yatim to pakai logo bersatu to be the perdana menteri to replace anwar, or azmin of pkr, tak da orang peduli pun.
289. Selepas itu, hisham jadi perdana menteri, then, kj can be the timbalan perdana menteri, dll punya hanya layak jadi reserves saja.

311. Kan mereka sama2 kata mereka ini adalah perjuang dan pembela bangsa kaum melayu dan agama, just like you suddin, bukan?
312. P/s: my guess is the chief inspector in charge for overseeing the rule of hong kong basic law must be protected at all cost is pak brit under the request of her majesty, Elizabeth II, the Queen of the United Kingdom and the other Commonwealth realms. why? under the agreement signed to return hong kong to mainland china between prime minister of uk and premier of mainland china, both of the signatories must be honored by both countries in making sure hong kong remains to continue enjoy autonomous powe for 50 years. common sense tells me, belum sampai, 50 years, the tanggungjawab is still with the brits lo.

315. Assalamualaikum Tun.
316. Tun betul.
317. Tidak menyebelahi Azmin.
318. Ini adalah perbuatan dalaman PKR.
319. Setahu saya, ia adalah video filipina.
320. Anwar bermain politik. Mengambil kesempatan yang terhidang.
321. Dari dulu jika kita mengambil kira, moral Azmin boleh dipertikaikan.
322. Samada betul atau tidak apa yang berlaku, Azmin setakat pengetahuan saya tidak menidakkan apa yang dikata orang.
323. Terutama dalam ingatan saya, seorang anak Azmin adalah hasil dari Anwar.
324. Mungkin perlu Azmin jelaskan.
325. PKR ditubuhkan cuma kerana Anwar. Bukan kerana patriotik atau demi negara.
326. PKR adalah parti gila kuasa.
327. Tun mahu Melayu bersatu. Bergabung tenaga demi negara.
328. TS Muhyiddin amat bersungguh mahu memujuk PAS sertai PH bersama sama Bersatu sebelum memutuskan perjanjian PH.
329. Tetapi Hj Hadi menolak atas alasan ada DAP. Tapi pada saya, Hj Hadi tidak mahu duduk sekali dengan Tun Mahathir.
330. Usahlah riuh rendah cerita pasal penyatuan ummah, sedangkan diri sendiri tiada kemaafan sesama manusia.
331. Sememangnya fatwa Hj Hadi ketika masih muda amat memecahbelahkan struktur keluarga dan masyarakat ketika itu.
332. Di rumah famili tiada tv kerana ikut fahaman PAS. Maka tak ikutlah perkembangan semasa. Sembahyang asing asing. Suami isteri cerai berai.
333. Sekarang fahaman taksub masih berlaku. Mungkin bila sokong PAS boleh masuk syurga agaknya.
334. Tiada yang suci selain PAS. Parti agama kononnya. Tetapi tidak pandai berpolitik. Yakni tidak pandai mengurus masyarakat dan negara.
335. PAS masih dikepalai oleh orang yang memecahbelahkan struktur keluarga dan masyarakat.
336. Fatwa dan fahaman ini masih tidak diminta maaf dan ditarik oleh tuan punya lidah dan pemikiran.

337. Zahid Hamidi berkata ini adalah hak beliau untuk kembali jadi Presiden UMNO.
338. Seorang pemimpin yang didakwa lebih 80 pertuduhan di mahkamah telah melantik penasihat yang juga masih didakwa di mahkamah.
339. UMNO sekarang telah jadi parti politik simpati dan juga telah menjadi parti penyamun. Dan masih lagi.
340. Ikutlah mana mana.
341. Nak ikut parti ka, atau nak ikut siapa yang memimpin parti atau nak ikut PM kerajaan atau nak ikut kerajaan sahaja.
342. Tepuk dada tanya selera.
