# Lee to Dr M: Congrats on BN's big win

SINGAPORE, Fri. — Mr Lee Kuan Yew today sent a message of congratulation to Datuk Seri Dr Mahathir Mohamad on the Barisan Nasional's victory.

Mr Lee said the victory was a "massive vote of confidence for you and your National Front partners.

"It must be satisfying to have the people, including those in the towns, endorse your drive for incorrupt and efficient government to implement your publicly declared policies and objectives.

"I look forward to a continuation of close cooperation between our two governments," he said.

Second Deputy Prime Minister S. Rajaratnam sent his congratulations to Datuk Musa Hitam.

He said it was a testimony of the people's continuing faith in the Barisan Nasional government.

"Malaysia is now assured of another five years of stability and prosperity.

"I am confident that this would also give added strength to Asean solidarity," he added.
