... on land  
for farmers

**A**LOR STAR, Wed.  
— Kedah Umno leader Dr. Mahathir bin Mohamed has described DAP secretary-general Mr. Lim Kit Siang as a "dictator"

"He will expel anyone who cannot work with him," he told a National Front rally on the court padang here last night.

Dr. Mahathir was speaking in support of National Front candidates Mr. Oo Gin Sun — standing in the Alor Star Parliamentary constituency — and Mr. Geh Teng Kheng, contesting in Bandar Alor Star for the State Assembly.

He said Mr. Lim would also expel DAP candidate Mr. Karpal Singh,

to oppose him.

"Mr. Lim is also unable to work with Pekemas. He is not a person who can form a Government.

"If Mr. Lim is in the Government, he will take action against anyone who opposes him."

## Very fair

He said Tun Abdul Razak had been very fair in giving everyone representation in the Government, which now includes parties that were in the Opposition.

Earlier, at a rally in Tunjang, Dr. Mahathir said Partai Rakyat cannot fulfil its promise of giving land to all farmers.

had 400,000 farmers and there were only 250,000 relongs of land, so each farmer could only get about three-quarter re-long.

MIC national president Tan Sri V. Manickavasagam said in Butterworth today that National Front members in Parliament spoke for the people more than the Opposition did.

"We do criticise the Government, but what we offer is constructive criticism."
