HE SAID THE GOVERNMENT OR PRIVATE SECTOR ALONE COULD NOT OVERCOME THE HOUSING SHORTAGE IN VIEW OF ITS LIMITED RESOURCES AND THE INCREASING HOUSING NEEDS.

HE ALSO HOPED COMPANIES SET UP BY TEACHERS MERGE INTO A BIG CONCERN CAPABLE OF INVESTING IN THE MANUFACTURING OR OTHER FIELDS ON A LARGE SCALE.

THIS WOULD HELP THE GOVERNMENT, ESPECIALLY IN THE IMPLEMENTATION OF THE THIRD MALAYSIA PLAN WHICH PROJECTED LARGE PRIVATE SECTOR INVESTMENT TO BOOST THE ECONOMY. --BERNAMA MORE 2030/MM
