

NO28: (F)
MAHATHIR-INDUSTRIES

KUALA LUMPUR, JAN. 22⁸² (BERNAMA) -- (DATUK SERI DR. MAHATHIR MOHAMAD) SAID MALAYSIA'S SUCCESS IN HEAVY INDUSTRIES WOULD NOT ONLY DEPEND ON THE AVAILABILITY OF SKILLED PERSONNEL BUT ALSO ON THE WILLINGNESS OF THE WORKERS TO WORK IN LESS COMFORTABLE ATMOSPHERE.

THE PRIME MINISTER STRESSED THAT WORKERS IN HEAVY INDUSTRIES SHOULD ACCEPT THIS FACT AND SHOULD NOT HOPE FOR A SIMILAR WORKING CONDITION AS FOUND IN LIGHT INDUSTRIES.

HE SAID BY VIRTUE OF ITS COMPLEXITY, HEAVY INDUSTRIES MIGHT NOT BE ABLE TO OFFER THE TYPE OF WORKING CONDITION OFFERED BY THE ELECTRONICS INDUSTRY.

BUT WITHOUT THIS SACRIFICES, IT WAS NOT POSSIBLE FOR ANY COUNTRY TO PARTICIPATE IN HEAVY INDUSTRIES, HE ADDED WHEN OPENING THE TRAINING CENTRE FOR UNITED MOTOR WORKS (UMW) HERE TODAY. -- BERNAMA MORE 1406/A1

NO29: (F)
MAHATHIR-INDUSTRIES 2 KUALA LUMPUR

DATUK SERI DR. MAHATHIR SAID TO ACHIEVE THE NATION'S OBJECTIVE IN HEAVY INDUSTRIES, THE WORKERS SHOULD BE PREPARED TO WORK IN LESS COMFORTABLE ATMOSPHERE.

+WITHOUT SUCH WILLINGNESS THE BILLIONS OF DOLLARS TO BE INVESTED IN HEAVY INDUSTRIES WOULD NOT BRING THE DESIRED RESULTS,+ HE WARNED.

TO THE BUMIPUTRAS, THE PRIME MINISTER HOPED THAT THEY WOULD PARTICIPATE ACTIVELY IN THE PROJECT IF THEY WANTED TO BRING THEIR ECONOMY ON PAR WITH THE OTHER COMMUNITIES.

THE BUMIPUTRAS SHOULD BE PREPARED TO SHOULDER THE SAME BURDEN WITH THE OTHER COMMUNITIES IN ORDER TO ACHIEVE THE DESIRED OBJECTIVE.

IT WOULD NOT BE POSSIBLE FOR THEM TO ENJOY A PROSPEROUS LIVING IF THEY WERE NOT PREPARED TO WORK AS HARD AS THE OTHER COMMUNITIES, HE ADDED. -- BERNAMA 1410/A1
