## Crisis top on agenda: PM

~~STP AUG 1983~~  
KUALA LUMPUR, Fri. — Datuk Seri Dr Mahathir Mohamad said today that the MCA crisis will be top on the agenda in the Barisan Nasional Supreme Council meeting tomorrow.

Asked if the coalition would expel the MCA, the Prime Minister and Barisan Nasional chairman said:

"I don't know. You have to wait until the meeting is over tomorrow."

He was also asked who would represent the MCA at the meeting as Datuk Mak Hon Kam had claimed that he was now the acting president of MCA.

"Don't ask me. I'm not aware of that," Dr Mahathir said.  
Dr Mahathir said that other matters would be discussed at the meeting besides the MCA crisis.
