

Dr M's speech gets full support

NSent 29 SEP 1985

THE presidential address to the 36th Umno General Assembly was unanimously adopted by the assembly yesterday.

A resolution on the keynote address, tabled by the Batu Pahat Division supported the effort by the leadership for instilling a spirit of unity for political stability and national resilience.

It also expressed Umno's firm backing for the Government to strengthen the economy which is threatened by protracted worldwide economic slowdown.

Fairness

The resolution also supported the Government's efforts in social development such as education, eradicating dadah abuse and improving the quality of life of the people.

The resolution also urged the Government to increase its efforts in the assimilation of Islamic values in the national administration and development until such time when Islam becomes part of everyday life.

It also supported the leadership in the protection of Malay rights and fairness to the non-Malays.

The assembly passed the resolution on economy tabled by Wanita Umno and the resolution on religion by Umno Youth.
