

Jewish plot: Provide ample proof, PM told

KUALA LUMPUR, Mon. — Prime Minister Datuk Seri Dr Mahathir Mohamad should give satisfactory evidence that there is an international Jewish conspiracy to topple the Malaysian Government, DAP secretary-general Lim Kit Siang said today.

He said the DAP would fully support any government action if there was such a plot.

"If Dr Mahathir cannot give satisfactory evidence, he should stop making such accusations to distract the attention of the people, in particular the Muslim community,

from the ills and scandals in the country," he added.

Dr Mahathir had stated yesterday that some countries under Jewish control were using the foreign Press to try and topple the Government.

He had said that these countries wanted to destroy the present Government because of its strong stand on certain matters.

He added that the foreign Press recently carried twisted reports stating that the Government had put aside the New Economic Policy in an attempt to turn the Malays against the Government.
