

# PAS TO FIELD DOCTOR AGAINST P.M.

NSumt 20 JUL 1986

**ALOR STAR, Sat.** — Pas is expected to field a doctor against Datuk Seri Dr Mahathir Mohamad for the Kubang Pasu parliamentary seat.

Pas deputy president, Haji Fadzil Noor declined to identify the candidate as yet but said that the person would equal the Prime Minister's qualities.

"We feel he would be the best person to take on the Prime Minister," he said.

Haji Fadzil said Pas would be contesting all 14 parliamentary and 28 State seats in Kedah in the general election.

"Their names would only be announced on Wednesday, a day before nomination day.

"The list was prepared even before the election

date was announced. In fact, Pas is more than prepared to face the elections.

"We will make our impact. We have quality leaders to contest in the elections," he said.

However, past records show that even their best could not pose any threat to the Prime Minister in Kubang Pasu.

In 1978, Dr Mahathir defeated Haji Halim Arshat by 8,245 votes. Haji Halim is presently Kedah Pas secretary.

In the last general election, Dr Mahathir trounced Haji Yusoff Rawa, the party's present president by a massive 15,761 votes majority.
