Mahathir-Daim

91 (M)  
KUALA LUMPUR, Jan 28 (Bernama) -- More than two weeks after the announcement that Finance Minister Datuk Paduka Daim Zainuddin has sent in his letter of resignation, the guessing game continues over whether the Prime Minister will allow him to do so.

Datuk Seri Dr Mahathir Mohamad is still keeping his decision close to his chest.

Approached by reporters at his office in Parliament House here today about his decision, he said: +I will decide and I will announce when I want to decide and announce+.

He added that he would act on Datuk Paduka Daim's resignation letter when he felt that he should act on it.

At a press conference at his office last Wednesday, Datuk Seri Dr Mahathir said he had made a decision on the matter but he added that it would be made known only at the right time.

A few days earlier, Datuk Paduka Daim said in Sungai Petani that he would hold on to his post until the Prime Minister made a decision. --
