KUALA LUMPUR, April 5 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad has appointed Cuepacs President Mohammed Abbas to the Malaysian Business Council.

Encik Mohammed said he received the appointment letter, signed by the Prime Minister, this morning.

He thanked the Prime Minister for the appointment, saying it showed that the government had not overlooked the role of unions in the planning and implementation of development programmes.

Encik Mohammed has pledged to give his best to the council which comprises national leaders, senior government officers and corporate and industrial figures.

The newly formed council will, among other things, help map out strategies to make Malaysia a developed country by the year 2020. -- Bernama.
