KUALA LUMPUR, June 17 (Bernama) -- Following are the projections of the Second Outline Perspective plan (OPP2) and New Development Policy tabled by Prime Minister Datuk Seri Dr Mahathir Mohamad in the Dewan Rakyat today:

+ Malaysians to enjoy per capita income of about $17,000, from $6,180 in 1990;

+ Absolute poverty eradicated and hardcore poverty to be given appropriate attention.

+ 80 per cent of exports comprising manufactured goods, indirectly indicating that Malaysia is on its way to becoming an industrialised nation.

+ Virtually full employment

+ Creation of a Bumiputera Commercial and Industrial Community capable of not only creating wealth but also to manage and sustain it

+ Racial unity growing stronger with reduction of racial imbalances

+ Health for all by the year 2000.

+ A modern and sophisticated workforce through development of science and technology and research and development

+ Cleaner and better environment
