

# Dr M: DAP spreading falsehood

BUTTRRORTH, Sat. — Prime Minister Datuk Seri Dr Mahathir Mohamad today criticised the DAP for making unfounded allegations and spreading falsehood in its desperate attempt to retain the Prai State seat in the July 27 by-election.

He said the Opposition leaders “would do and say **anything**” to gain political **mileage** and garner support **from the** people as long as it justified their ends. The DAP had brought up issues **irrelevant** to the by-election to **ridicule** BN leaders and the Government.

“In the **Dewan Rakyat** recently, **(secretary-general)** Lim Kit Siang made ten baseless allegations pertaining to corruption involving the Government but made no mention of BMF because his new found friend was involved.”
