PM WANTS OFFICERS TO WORK AS A TEAM

biii

KUALA LUMPUR, Oct 28¹⁹¹ (Bernama) ^(P) -- Prime Minister Datuk Seri Dr Mahathir Mohamad wants government officers to work as a team in developing the nation to attain the status of a developed country in 30 years.

He said government officers should put in more effort to speed up development.

They should conduct their business in accordance with the policies formulated by the government, he said in a souvenir programme for the dinner organised by the Administrative and Diplomatic Service Association here tonight.

The dinner was attended by Deputy Prime Minister Ghafar Baba.

Datuk Seri Dr Mahathir said members of the public services should be more sensitive to the needs of development and be prepared to make changes to suit the situation.

During the function, association president Datuk Haji Hassan Ibrahim presented a \$15,000 cheque to Encik Ghafar for the Malaysian Thalassaemia Association. -- Bernama
