PM WANTS PEOPLE TO ADOPT GOOD VALUES

Mahathir - values

bm

MELAKA, April 15⁹² (Bernama) -- The people should be prepared to acquire skills in all fields and adopt values' that could lead the country to Progress, Prime Minister Datuk Seri Dr Mahathir Mohamad said tonight.

+ Whether we fail or progress would depend on the attitude of the people, + he said at a dinner here in conjunction, with his visit to the state.

He said a nation which adopted good values would progress and be respected by the world.

The Prime Minister said the spirit of co-operation among the people was also necessary as no country would be able to progress without **active participation** by its people in development **efforts.--more**

Mahathir - values 2 (last) Melaka

+It is our hope that no one will look down on us, + he added.

Dr Mahathir said that the Malaysia Incorporated concept introduced 10 years ago had brought progress to the nation. The concept was being adopted by a number of countries.,

He said these countries realised that the co-operation between the public and private sectors were necessary for Progress.

At the function, Chief Minister Tan Sri Abdul Rahim Tamby Chik presented Dr Mahathir a book +Wawasan Mahathir+ compiled by Yusof Harun and published by Intisari Sekutu Sdn Bhd.

The 257-pagebook contains speeches by Dr Mahathir since becoming the President of UMNO.--Bernama
