
Dr M is ^(P)right, says DAP

KUALA LUMPUR: The DAP supports the Prime Minister's call for the restructuring of the UN Security Council and the removal of the veto power.

"The DAP supports the call for greater democratisation in the international relations between countries," secretary-general Lim Kit Siang said at a party dinner in Sandakan on Sunday.

Datuk Seri ~~Dr Mahathir Mohamad~~, he said, was right in accusing developed nations of hypocrisy in preaching democracy.

Lim said Dr Mahathir should also initiate a process of greater democratisation in Malaysia.
