SHAH ALAM, Dec 1 (Bernama) - The Prime Minister (Datuk Seri Dr Mahathir Mohamad) said Vision 2020's aim to make Malaysia an industrialised country can certainly be a reality if all efforts, energy and thoughts are channelled towards achieving that national objective.

+We want to see the Malaysian people achieve progress at home and in the world,+ he said in a souvenir programme message for the Third Congress of Malay Intellectuals to be held here on Friday.

Deputy Prime Minister Ghafar Baba will open the two-day congress on Thursday.

Two key-note speeches* will be delivered and 14 working papers presented at the congress which carries the theme +Towards Vision 2020+. -- more

The Prime Minister said:+ This era must be looked upon as the era of, resurgence of the Malaysian people and nation in charting the course for a glorious future.

+As such, all efforts and resources of the nation should be combined to achieve the objective with a single-minded determination or else we will be left behind.

+The road to success is not an easy one unless we put up a determined effort,+ he said.

The Prime Minister said the 'effort by Malay intellectuals, -through the congress, to analyse the challenges facing Vision 2020 would help to reinforce the government's endeavours in realising the national objective :-- Bernama
