Mahathir-Umno

PASIR PUTEH, Aug 29⁹² (Bernama) -- All members should strive to maintain the unity in Kelantan Umno to ensure the party remains strong, Prime Minister Datuk Seri Dr Mahathir Mohamad said.

As such every member should ensure that the party machinery functioned smoothly and effectively, said Dr Mahathir, who is Kelantan Umno Liaison Committee Chairman.

He said this in his message in a souvenir programme in conjunction with a Family Carnival organised by the Pasir Puteh Umno Division economic bureau here today.

Dr Mahathir, who is party president, said the government was determined to produce a Bumiputera commercial and industrial community and the people should pool their resources to help achieve this.

The family carnival was appropriate and timely because it was in line with the government's efforts to produce more capable Bumiputeras in the economic field, he said. -- more
