KUANTAN, Sept 22 (Bernama) -- <sup>92</sup> Datuk Seri Dr Mahathir Mohamad has reminded Umno members to extend full co-operation to the government in facing future challenges.

In his message in conjunction with the Pahang Umno Convention in Bentong this Sunday, the Prime Minister said co-operation from party members was necessary in order to achieve the aspirations of the party and government.

The nation would face major challenges in efforts to become an industrialised country in line with Vision 2020, he added.

+It's here that Umno members can play their role in making the vision a reality,+ Dr Mahathir, who is Umno President, said.

He said the convention would give participants the opportunity to assess their past contributions to the party, society, nation and religion.

It would also give them the opportunity to identify guidelines for future struggles towards progress, he added.

In his message, Deputy Umno President Ghafar Baba expressed the hope that the convention would be able to draft policies for future struggles to ensure peace and progress for the nation.

Menteri Besar Tan Sri Khalil Yaakob said the convention was aimed at discussing issues relating to the state.

Meanwhile, the convention organising committee chairman Adnan Yaakob told a press conference here today that about 1,000 party members would attend the one-day convention.
