KUALA LUMPUR: Datuk Seri Dr Mahathir Mohamad struck the right chord at the 40th MCA annual general assembly when he spoke a few words in Mandarin.

The Prime Minister had the 1,940 delegates in stitches and they applauded warmly when he referred to Vision 2020 as *Wawasan Er Ling Er Ling* (two zero two zero).

Appropriately, the PM ended his speech with *shieh-shieh* (thank you in Mandarin)!

In the same vein, MCA president Datuk Seri Dr Ling Liong Sik uttered the Iangkawi Project slogan in Tamil during his presidential address.
