ENHANCE UNITY TO ACHIEVE UMNO'S OBJECTIVES, SAYS DR MAHATHIR

bm

SHAH ALAM, Oct 23⁹³ (Bernama) -- Datuk Seri Dr Mahathir Mohamad has said that the interest and struggles of Umno members for the sake of honour and dignity of the race, sovereignty of the nation and sanctity of the religion should always be upheld.

The Prime Minister said that to do so Umno members should further promote unity among them.

"Umno members should continue to promote unity so that the struggles of the race could meet its objectives and the party will not easily become weak," he said in his message in the souvenir programme at the ground-breaking of the Selangor Umno headquarters project by Finance Minister Datuk Seri Anwar Ibrahim here today.

Dr Mahathir, who is Umno president, said that the construction of the new building would further strengthen the position and influence of Selangor Umno as the pillar of local politics besides boosting the spirit and energy of its members to serve the party. -- more

Anwar, in his message, said that Umno was now faced with new reality which required all members to renew their resolve and determination in their struggles.

"Not only will we have to renew our resolve, we will also have to be prepared to initiate changes in our approach and attitude towards work," he said, adding that Umno members should also understand and uphold their struggles.

"As such, all our machinery should be strengthened. I believe that the efforts we are now making is aimed at achieving that end," he added.

Selangor Menteri Besar Tan Sri Muhammad Haji Muhammad Taib said that the agenda of the struggles of the party and the race should be suited and in line with needs of the nation which was competing at the international level requiring resilience, competitiveness, forwardness and wisdom.

"To do this, Umno's struggles should give priority to human resources development, research and development, science and technical skills, science of international relations and information technology to uplift the dignity of the race," he said. -- Bernama
