PUJAU PINANG, Dec 20 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad said the nation would not achieve further progress if "we put aside the philosophy of the Barisan Nasional."

The philosophy was necessary in efforts to realise vision 2020, he said at a BN dinner here tonight.

Dr Mahathir said the philosophy of cooperation, understanding, give and take and mutual respect for each other practised by the BN until today had ensured peace, harmony and development in the country.

He said as such everyone must help maintain the present atmosphere which was suitable for development.

Deputy Prime Minister Datuk Seri Anwar Ibrahim, Chief Minister Dr Koh Tsu Koon and his deputy Datuk Dr Ibrahim Saad were among the 1,000 people who attended the dinner. --Bernama
