DETERMINATION ENSURES SUCCESS, SAYS DR MAHATHIR

bm

KEMAMAN, April 9⁹⁴ (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad said today training institutions alone would not ensure progress if the people do not have the determination to face challenges.

Speaking at the laying of the foundation stone of the Terengganu Advanced Technical Institute (Tati) project in Teluk Kalung near here, he said that the people in the country had equal opportunities to succeed but they should be determined and prepared to deal with challenges.

He said that they should decide now to ensure that they could face the challenges of nation-building.

Dr Mahathir said that a nation's progress did not mean that the people lived in luxury and comfort but that they were also well respected by others. -- more
