KUALA LUMPUR, June 2 (Bernama) -- Datuk Seri Dr Mahathir Mohamad said the action by Parti Bansa Dayak Sarawak (PBDS) to rejoin the Sarawak Barisan Nasional is a good move that will benefit the Iban and Dayak communities.

"This is a good move," he said today when asked to comment on PBDS re-entry into the state BN.

The Prime Minister earlier opened the Public Services Department Complex in Jalan Tun Ismail here.

He said this happened because of the realisation among PBDS leaders that they could achieve more in their struggle for the Iban and Dayak communities by being in the state government.

The Prime Minister, who is also BN Chairman, congratulated the other three component parties of State BN for accepting PBDS back into their fold.

"This reflects the real philosophy of the Barisan Nasional," he said.

The three parties are Parti Pesaka Bumiputra Bersatu (PBB), Parti Bersatu Rakyat Sarawak (SUPP) and Sarawak National Party (Snap). -- Bernama
