ALL SHOULD HEED WARNING ON CAMPAIGNING, SAYS NAJIB

PEKAN, Aug 23 (Bernama) -- Umno vice-president Datuk Seri Najib Tun Razak said today all should heed the warning by party's president Datuk Seri Dr Mahathir Mohamad not to breach the ban on campaigning.

"It's a strong warning and timely as party election will be in October. There's a need to exercise some control to ensure fair election in accordance with the wishes of party's president and the supreme council," he said when met by reporters here.

Dr Mahathir had warned yesterday that he would expose Umno election candidates who breached the ban on campaigning.

On the presence of party members who were elected delegates to the general assembly in Kuala Lumpur, Najib said one should determine their purpose.

"If it's questionable, then we hope they will observe party's wishes to reduce tension," he said.

Umno secretary general Datuk Mohamed Rahmat yesterday said Umno headquarters had received report of large number of Umno members from other states in the federal capital. -- BERNAMA
