CAMPAIGN TO CLEAN AND BEAUTIFY LANGKAWI ISLAND

LANGKAWI, Feb 9 (Bernama) -- The Langkawi District Council has planned 20 campaigns to ensure that the resort island is always clean and beautiful, its deputy president, Mansor Ismail, said today.

He said the campaigns, to be held every month this year, would involve gotong-royong work to clean beaches, places of worship as well as public toilets.

"This is in line with Prime Minister Datuk Seri Dr Mahathir Mohamad's wish to see that Malaysia is a garden nation," he told reporters after the gotong-royong at the Al Hana Mosque in Kuah, here.

A drawing competition for children as well as photography contest would also be held as part of the cleanliness and beautification campaign.

The private sector and hotel operators on the island would also be asked to make the campaign a success, he said. -- Bernama
