CODE OF ETHICS FOR UMNO YOUTH

KUALA TERENGGANU, Feb 8 (Bernama) -- The Umno Youth will have a code of ethics to enhance its role in maintaining the country's political stability and preserving unity among the Malay stock.

Umno Youth chief Tan Sri Abdul Rahim Tamby Chik said the proposed code had been agreed to in principle by party president Datuk Seri Dr Mahathir Mohamad.

The basis of the code would include defending the political dominance and interests of the Malays, supporting the country's "Vision 2020" and upholding the excellence of Islam, he said.

"We believe Umno Youth will remain strong no matter what happens if members uphold the code of ethics seriously," he told reporters after meeting state Umno Youth leaders, here, last night.

He said the code would form a strong foundation to produce youth leaders of calibre.

"If we can produce youth leaders of calibre, God willing, we can play our role in maintaining the country's political stability for the well-being of all Malaysians," he said.

Rahim said details of the code of ethics would be discussed further at the forthcoming Umno Youth convention. -- Bernama
