COMPETITION TO PROMOTE COMFORTABLE LIVING ON RM1,500 INCOME

KLANG, May 28 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad will launch a "comfortable living " competition based on a family income of below RM1,500 a month in conjunction with World Consumers Day on June 4.

Domestic Trade and Consumer Affairs Minister Datuk Haji Abu Hassan Omar said today that the competition was to instil thrift so that a family could live comfortably with a monthly pay of RM1,500.

"The competition will select families regarded as having led happy and comfortable lives with that kind of income," he told reporters here.

This year's celebrations would again emphasise on the anti-inflation campaign by retaining last year's theme "Zero Inflation Our Target". --
