DR MAHATHIR SAYS HE'S FINE

KUALA LUMPUR, July 30 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad said he was feeling fine after his recent bout with flu.

"I'm feeling fine," he told reporters when asked about the state of his health after he opened the first Asia Oil and Gas Conference here.

There were concerns over his health, and the relatively poor performance of the local stock market last week was attributed to his ill-health.

The prime minister cancelled several engagements last week and made his first appearance yesterday when he opened the three-day Second Langkawi International Dialogue on the island resort. -- BERNAMA
