FLY M'SIAN FLAG CAMPAIGN LAUNCHED

PULAU PINANG, Aug 17 (Bernama) -- Chief Minister Tan Sri Dr Koh Tsu Koon today launched the fly Malaysian flag campaign in conjunction with the coming 39th National Day celebration.

In his speech, he urged the younger generation to preserve peace and stability.

Malaysians should live like one big family, working together to realise the objectives of the Vision 2020, he said.

Koh said schoolchildren should also be made to understand the meaning and appreciate independence.

At the ceremony, Koh handed over national flags to elected representatives and company officials to be flown on National Day.

Koh also signed a greeting card from the people in the state for Prime Minister Datuk Seri Dr Mahathir Mohamad in appreciation and support of his leadership for the past 15 years. -- BERNAMA
