KELANTAN UMNO HAS SOMETHING IMPORTANT TO REPORT TO DR MAHATHIR

KOTA BAHARU, May 1 (Bernama) -- Kelantan Umno has agreed to adopt a stand on the amendments issue but would not make it public as yet.

Deputy Kelantan Umno Liaison Chief Datuk Annuar Musa said the Umno divisional chiefs at today's meeting had agreed to adopt a stand which would be brought to the attention of Prime Minister Datuk Seri Dr Mahathir who is also Kelantan Umno chief.

"We have something very important to report to Dr Mahathir immediately and we cannot announce the stand now," he said after chairing the meeting here.

Annuar said he would try to meet Dr Mahathir tomorrow in Melaka to fix a date for a meeting with Umno leaders in Kelantan.

He said Kelantan Umno had also received reports that PAS was using sermons in mosques to instigate the people to oppose the Sultan.

"We view this seriously and hope PAS will not use religion to attack the palace, just as it against Umno in the past," he said. --BERNAMA
