KELANTAN UMNO TO DECIDE ON RESIGNATION DATE FOR FOUR EXCO

KUALA LUMPUR, Nov 12 (Bernama) --The Kelantan Umno Liaison Committee will decide on the effective resignation date of its four executive councillors in the state government at its next committee meeting.

Committee Deputy Chairman Datuk Annuar Musa said the Kelantan Umno Liaison head Datuk Seri Dr Mahathir Mohamed was expected to chair the meeting after his return from overseas.

"There will be no ambiguity in the decision because the party has decided that the four executive councillors must resign and the question is only on the effective date," he said meeting Felcra board members and senior officers here, today.

"We consider this decision important and the state Umno liaison committee must make the decision official and we are looking forward to the meeting to decide on the effective resignation date."

"This is a question of principle and we will not budge on the issue ... we are only waiting for the timing, we will wait for the official meeting to decide on the resignation date," he added.
