MYANMAR LIVESTOCK AND FISHERIES MINISTER ARRIVES TOMORROW

KUALA LUMPUR, March 2 (Bernama) -- Myanmar Livestock and Fisheries Minister Brig Gen Maung Maung arrives here tomorrow for a week's official visit to Malaysia.

He will be accompanied by seven senior officers including the Director General of the Ministry of Livestock and Fisheries, the Ministry of Agriculture said in a statement here today.

The objective of the minister's visit is to observe and learn from Malaysia's experience in agricultural planning and development, especially in the aqua-culture sector, livestock breeding and fisheries research.

While here, Maung will call on Prime Minister Datuk Seri Dr Mahathir Mohamad and Agriculture Minister Datuk Dr Sulaiman Haji Daud.

Maung will attend briefings by the Agriculture Ministry, Fisheries Department and Veterinary Services Department and also visit the Animal Research Institute and the Asean Livestock Research Institute in Ipoh. --
