NELSON MANDELA TO VISIT MALAYSIA

KUALA LUMPUR, Oct 2 (Bernama) -- South African President Nelson Mandela is expected to deliver a keynote address at the second South Africa-Malaysia Forum to be held here on Oct 16.

Forum organiser, the Asian Strategy and Leadership Institute (Asli), said today the forum will be held in conjunction with the official visit of Mandela to Malaysia.

Asli said it organised the first forum in Sun City in South Africa during Prime Minister Datuk Seri Dr Mahathir Mohamad's visit there in August last year.

The forum will provide the opportunity for Malaysian businessmen and corporate leaders to be updated on the economic situation and investment climate in South Africa.

It also aims to further strengthen bilateral economic and business relationship between the two countries.

Asli is organising the event in collaboration with the South African High Commission and the Malaysia South-South Association. -- BERNAMA
