MOFAZ TO DISPLAY "LAGEN" RACING CAR AT LIMOS '96

LANGKAWI, Nov 21 (Bernama) -- The Mofaz Group will display two "Lagen" one-seater racing cars, built in the United States, at the Langkawi International Motorshow (Limos '96) to be held at the Mahsuri International Exhibition Hall here from Nov 30 to Dec 8.

Mofaz has booked 4,000 square feet of exhibition floor space at the hall for the display of the Lagen cars and 50 motorcycles of various makes, its President Haji Mohamed Fauzy Abdul Hamid told reporters here.

He said the Lagen cars which were popular in the United States were making their first appearance in Asia.

The motorcycles include the Italian made 1,200cc Guzzi and Sentara which were launched earlier this month and the Ducati 916SP.

In conjunction with the motor show, the Mofaz Group in collaboration with the Langkawi Development Authority (LADA) will organise the Asean Kart Prix 1996 at the Morac International Kart Circuit here from tomorrow till Sunday.

Prime Minister Datuk Seri Dr Mahathir Mohamad will officially open the motor show on Dec 1. -- BERNAMA
